From The Principals Desk

As the new academic year unfolds its arms and beckons to unearth AKALAN's yet another constructive theme based edition is presented to you with an in-depth reporting on important campus happening & students creative writting. The specialty of our annual magazine lies in identifying a specific theme every year, which carries contemporary relevance and this academic year is no exception to this. In conformity with our government's commitment to achieve sustainable nutritional development, increase self-sufficiency, and reduce our reliance on imported cereal grains, the magazine committee members unanimously consented to finalise 'Millets' as this years Magazine's theme, which was indeed an unequivocal choice of all the office bearers also. The selection of magazine theme itself underlines our institution's commitment to spread the importance of nutritious foods having potential to develop new sustainable opportunities for the producers and consumers.

The new academic year 2022-2023 will be remembered for a longer period for effectuating a permanent academic platform to express ideas, thoughts, views and intellectual brainstorms. For years, we were yearning for the auditorium of our own and this year we actually got it, which is an accomplishment of a long nurtured dream. The exquisitely designed structural plan of the auditorium is a brainchild of our architecture Mr. Vijay Purandare. It is also important to mention that all the respectable members of DES Governing body are worthy of acknowledgments for their relentless and congruent support and guidance. For a long while, we were planning to enter into the domain of structural and qualitative reforms in our pedagogical system in a broader sense of the term. Last year we applied for the status of autonomy with an aim of enhancing quality education and fostering institutional excellence. Our determination paid dividends and we received the institutional autonomy during the current academic year. All the stakeholders welcomed our new status with an open laudation and appreciation. We can now tailor our own curriculum to meet the new challenges and fulfill the demands of the students. We got an opportunity to experiment with designing new methodologies and generate new frontiers of knowledge. Taking the lead from the two above-mentioned references, it is important to mention that the spirit of quality education will give impetus to learner-centric approach.

The Spirit of quality education will be an impetus to the learner-centric approach. We have successfully implemented the NEP from this year. It is the collective cooperation of all the teachers students as well as all the non-teaching staff members. Major programmes held in our college were harmoniously in tune with the NEP structure. Teachers were also encourage to attend various programmes to get an insight into the extremities & technicalities associated with a proper implementation of NEP. Lastly I appreciate the efforts of magazine committee to come out with a fresh edition of magazine bearing ISBN number. Ours probably must be the only college in the city to have an ISBN number.

Dr. D. V. Pawar
Principal

From the Editor

The academic year 2022–23 will always be remembered in the history of Kirti College for two prominent reasons: firstly, the most cherished dream of getting an auditorium, and second, the conferment of autonomous status. The new auditorium was inaugurated at the hands of renowned educationist Shri Mukulji Kanitkar on the eve of founder's day. One of the most famous classrooms on the campus of Kirti College has been room 0.8, and it has now been transformed into an auditorium. The name 0.8 class, now an auditorium, retains its nomenclature 0.8 since the class establishes a tangible link to the history, culture, and ethical values of Kirti College.

The five-fettle ambience generated in the auditorium attracted a plenitude of positive reactions from all the stakeholders. The back page of the magazine unveils the lively image of the auditorium, exhibiting a paradigmatic metaphor of academic engagement. The new auditorium is now a symbol of a prolific academic citadel gearing up for interdisciplinary intellectual activities and vivacious dispositions of knowledge, virtue, and wisdom. It has come at the right time, when the exigencies of NEP have requisitioned meaningful skill-based activities at the UG and PG levels. The lively atmosphere and academic fervor displayed by the new auditorium 0.8 give it an ace up to its sleeve during the academic festival Srujan 22–23.

The Conferment of institutional autonomy has now enabled us to achieve high quality research and teaching methods, since we are now in a position to determine our own teaching curricula & academic policy ensuring institutional integrity. It can also now lead to a pluralistic higher educational landscape that will serve diverse students and societal needs. 'Akalan' is known for selecting a specific theme with contemporary relevance and exhibiting it in multiple forms of academic eminence. This year, the committee finalized 'Millets' as the main theme of the magazine 2023. The selection of the theme was in tune with the spirited objective of our government to accomplish the ideal of achieving the targets of food security, nutrition for all, and the welfare of farmers. It is due to the initiation of India that the UN General Assembly, at its 75th session in March 2021, declared 2023 the International Year of Millets. FAO is a leading agency to initiate the observance of Millet year 2023. 2023 will be a year of opportunities and fortuitous insight into popularizing the benefits of millet. A wide variety of articles on Millet have been written by teachers and students and chronicle a narrative of food security and sustainable production in the wake of increasing climatic change and vulnerability.

कीर्ती महाविद्यालयातील अनोख्या झाडांची ओळख

हिरवा प्रवास - भाग ३

वनस्पति नावः आर्टोकार्पस अल्टिलिस syn. आर्टोकार्पस इंसीजा

आपला हिरवा प्रवास पुढे सुरू ठेवत आज आपण आपल्या कॉलेजमध्ये असलेल्या अजुन एका झाडाची माहिती करुन घेऊ ते म्हणजे नीर फणस.

लायब्ररी कढुन बाहेर पडल्यावर उजव्या बाजूला गेल्या वर लगेच एक वेगळया प्रकारच्या पानांचे व काहीतरी छोट्या फणसा सारखी फळ असलेले एक झाड आहे. ते म्हणजे नीर फणस. माझ्या माहितीप्रमाणे अगोदर नीर फणसाची चार झाडे होती आपलया कॉलेजच्या पटांगणात. त्यातले एकच साध्या शिल्लक आहे. फणसाला विलायती फणसाला किंवा breadfriut सुद्धा म्हणतात.

नीर फणस हे मूळचे मलय द्वीपकल्प आणि पश्चिम पॅसिफिक बेट मधले आहे. हे झाड २० मीटर उंची वाढते. मोठी आणि जाड पाने पिनेट लोबमध्ये खोलवर कापली जातात. झाडाच्या सर्व भागातून पांढरा चिक येतो. फळांच्या त्वचेवर षटकोनी सारख्या चकत्या दिसतात. जेव्हा फळ पूर्ण पिकते तेव्हा ते हलक्या हिरव्या रंगाचे आणि आतून सुवासिक असते.

आरोग्याचे फायदेः या झाडामध्ये भरपूर स्टार्च, व्हिटॅमिन सी आणि थायमिन, उच्च फायबर सामग्री आढळते. यामध्ये कर्करोगविरोधी गुणधर्म असतात. कमी ग्लायसेमिक इंडेक्ससह ग्लूटेन-मुक्त पीठ, रक्तदाब आणि हृदय गती नियंत्रित करून हृदयाचे आरोग्य वाढवते कमी ग्लायसेमिक इंडेक्ससह मधुमेह व्यवस्थापित करते उच्च फायबर सामग्री पचन वाढवते. पौष्टिकतेसह त्वचेचे आरोग्य वाढवते. व्हिटॅमिन सी सामग्रीमुळे रोग प्रतिकारशक्ती वाढवते. ह्यात बी जीवनसत्त्वे देखील चांगल्या प्रमाणत असते.

SPEED POST

No.F. 22-1/2022(AC) **June, 2022**

16 JUN 2022

The Registrar,
University of Mumbai
M.G. Road
Fort, Mumbai-400 032

Sub:- Conferment of Autonomous Status to D.E Society's Kirti M. Doongursee College of Arts, Science & Commerce, Kashinath Dhuru Road, Off. Veer Savarkar Marg, Dadar West, Mumbai-400 028, MS affiliated to University of Mumbai, Mumbai

Sir/Madam,

This is with reference to the proposal submitted by D.E Society's Kirti M. Doongursee College of Arts, Science & Commerce, Kashinath Dhuru Road, Off. Veer Savarkar Marg, Dadar West, Mumbai-400 028, MS affiliated to University of Mumbai, Mumbai under the UGC Scheme for Autonomous Colleges.

As per the decision of the Standing Committee constituted by University Grants Commission, in its meeting held on 10.06.2022, the Competent Authority has decided to grant autonomous status to **D.E Society's Kirti M. Doongursee College of Arts, Science & Commerce, Kashinath Dhuru Road, Off. Veer Savarkar Marg, Dadar West, Mumbai-400 028, MS** affiliated to **University of Mumbai, Mumbai** for a period of Ten (10) years from the session 2022-2023 to 2031-2032 as per provisions of Clause 3.13 and Clause 6.4 (ii) of UGC Regulations dated 12.02.2018.

The University is requested to issue necessary notification/order regarding the grant of autonomous status to the college as per UGC (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2018 for Autonomous Colleges. The college, if eligible, shall apply for autonomy grant as per the norms laid down in the Regulations.

The autonomous college is required to abide by all the provisions of the UGC Regulations for Autonomous Colleges. The Regulations are available on the UGC website, www.ugc.ac.in. Non compliance of the requirements and conditions in the said Regulations shall attract action as per Clause -14 of the UGC Regulations – 2018. The college shall also apply in the prescribed format to University Grants Commission for extension of autonomous status six months prior to the expiry of the autonomous cycle.

Yours faithfully,

Surender

(Surender Singh)

ग्रामीण विकास विभाग

ग्रामीण विकास हा विषय प्रात्यक्षिक कार्यावर आधारित असल्यामुळे या शैक्षणिक वर्षात विद्यार्थ्यानी प्रात्यक्षिक कार्यासाठी अनेक ठिकाणी प्रत्यक्ष भेटी दिल्या आहेत. प्रात्यक्षिक कार्यासाठी मात्र विद्यार्थांनी वेगवेगळ्या ठिकाणी प्रात्यक्षिक भेटी दिल्या आहेत. त्यात युसुफ मेहेअली सेंटर, तारा पनवेल, कुष्ठरोग निवारण समिती शांतीवन नेरे पनवेल, कृषी उत्पन्न बाजार समिती कल्याण, अपना बाजार सहकारी भंडार नायगाव दादर व दोन दिवसीय प्रथम, द्वितीय व तृतीय वर्ष ग्रामीण विकास विषयातील विद्यार्थांना कृषी विज्ञान केंद्र कोसबाडहिल डहाणू पालघर या ठिकाणी प्रात्यक्षिक कार्याची माहिती घेण्यात आली. तसेच विद्यार्थांना ग्रामीण आदिवासी समाजातील सामाजिक, आर्थिक, राजकीय, सांस्कृतिक, शैक्षणिक, आरोग्य तसेच रोजगार या विविध समस्या विद्यार्थानी समजाव्यात यासाठी व्याख्याने आयोजित करण्यात आले.

दिनांक २७ जानेवारी २०२३ रोजी ग्रामीण विकास विभाग आयोजित विद्यार्थांसाठी स्वदेश फौंडेशन या संस्थेने Placement या विषयावर Opportunities and Challenges in Rural Development या विषयावर प्रथम, व्दितीय व तृतीय वर्ष ग्रामीण विकास विद्यार्थांना मार्गदर्शन केले.

दिनांक १० फेब्रुवारी, २०२३ रोजी ग्रामीण विकास विभाग आयोजित "सृजन महोत्सव" या कार्यक्रमात व्याख्याते डॉ. रमेश म्हात्रे यांनी सहकार आणि ग्रामीण विकास आणि श्री. नीलकंठ सर यांनी ग्रामीण विकासात स्वयंसेवी संस्थाचे योगदान या विषयावर प्रथम, व्दितीय व तृतीय वर्ष ग्रामीण विकास विद्यार्थांना मार्गदर्शन केले.

दिनांक ३ फेब्रुवारी, २०२३ रोजी ग्रामीण विकास विभाग आयोजित Mumbai Citizen Forum (MCF) and TATA Institute of Social Science (TISS) तर्फे विद्यार्थांना मुंबई शहरातील समस्या यासाठी सर्वे करून विद्यार्थांनी मदत केली या विषयावर व्याख्यान देवून प्रथम, व्दितीय व तृतीय वर्ष ग्रामीण विकास विद्यार्थांना मार्गदर्शन केले.

प्रथम व तृतीय वर्ष ग्रामीण विकास विषय विद्यार्थांची परीक्षेत कमी गुण मिळालेल्या विद्यार्थांना MENTOR COMMITTEE आयोजित केलेल्या वेळापत्रकानुसार विद्यार्थांचे व्याख्यान आयोजित केले.

दिनांक १९ एप्रिल २३ रोजी तृतीय वर्ष ग्रामीण विकास विद्यार्थांची प्रात्यक्षिक परीक्षा घेण्यासाठी मुंबई विद्यापीठातून External Examiner म्हणून डॉ. विलास महाले आणि डॉ. रमेश म्हात्रे सर आले होते.

महत्त्वपूर्ण गोष्टी

सन २०२२-२३ या शैक्षणिक वर्षामध्ये कनिष्ठ महाविद्यालयात ३ गोष्टी नव्याने सुरू झाल्या.

१) विद्यार्थ्यांच्या मानसिक आरोग्यासाठी, त्यांना समुपदेशन करण्यासाठी Coucelling विभाग सुरू करण्यात आला.याची प्रमुख म्हणून शिवांगी वालावलकर,(मानसशास्त्र विभाग) कनिष्ठ महाविद्यालय या काम पहातात. याद्वारे अनेक विद्यार्थी आणि पालकांना यांचा उपयोग होतो आहे.तसेच सोबत अर्चना जाधव, याही कौन्सिलींगचे काम करतात.

२) अंजली हडकर मराठी विभाग कनिष्ठ महाविद्यालय, यांच्या मार्गदर्शनाखाली, महाविद्यालयात Skill base course सुरू करण्यात आले.यामध्ये केक तयार करणे,पाऊच-फोल्डर तयार करणे, फोटोग्राफी यासारखे उपक्रम सुरू केले आहेत.अनेक विद्यार्थी या उपक्रमात सहभागी झाले आहेत.कमवा व शिका या योजनेतून अनेक विद्यार्थ्यांच्या हाताला काम मिळाले आहे.

३) पालक सभा घेऊन यावर्षी आपण फी वाढ केली आहे.याचे सर्व कामकाज डॉ.अरुणा खामकर यांनी केले आहे.

४) सन २०२३-२४ साठी 'psychology' हा विषय सायन्स विभागासाठी नव्याने उपलब्ध केला आहे.तसेच 'जर्मन भाषा 'हाही विषय नव्याने समाविष्ट केला आहे.

हा सर्व वार्षिक अहवाल लिहिण्यासाठी प्राजक्ता आजगांवकर इंग्रजी विभाग कनिष्ठ महाविद्यालय यांचे सहकार्य लाभले.कारण वर्षभरातील सर्व कामकाजाच्या नोंदी त्यांनी उत्तम ठेवल्या.त्यामुळे अहवाल लेखन करणे सुलभ झाले.

या संपूर्ण अहवालाचे शब्दांकन माधुरी जोग, (मराठी विभाग कनिष्ठ महाविद्यालय) यांनी केले यासाठी तांत्रिक सहकार्य परवीन जमादार (गणित विभाग, कनिष्ठ महाविद्यालय) यांनी केले.

Head, Department of Accountancy

Avishkar Report

(1) Avishkar Research Convention committee had arranged an Orientation program for mentors on 15th November 2022. The program was conducted on a virtual platform, Microsoft Teams.

Topic: Orientation program for Mentors participating in the "17th Avishkar Research Convention 2022".

The main objective of arranging this program was :

(i) To Enlighten mentors with overall idea about Avishkar research Convention-2022.

(ii) To discuss the Academic importance of participating in the Avishkar research convention' and the mentors to motivate the students.

(iii) To address the queries of mentors by Avishkar team members for the preparation of competition.

The program was attended by 15 mentors.

In 17th Avishkar Research convention-2022 were regretated four projects from our college under UG level for the Selection round. Over all eight students participated in this competition. In this round, students as well as mentors were felicitated by the University of Mumbai.

The details of the research projects are as followes:

Sr. No.	Depart-ment	Name of the Research Project	Mentor name	Name of Participants
1	Physics	Wind energy an alternate energy source review	Prof. K. V. Dagadkhair	(1) Saami Anware (2) Ajay Chaudhary
2	Physics	Batteries for Automobiles	Prof. K. V. Dagadkhair	(1) Harshad Thorat (2) Omkar Chavan
3	Botany	Application in Post Harvesting Processing with respect to Drying of Vegetables.	Prof. S. R. Sawardekar	(1) Omkar Khedekar (2) Aditi Kshirsagar
4	Botany	Extraction of Dyes from Vegetables & Flowers	Dr. U. S. Sarkar	(1) Valmcia Koli (2) Nikhil Kesharwani

In the present circumstances, Avishkar committee had taken a new initiative by organizing "Exhibition & Competition of Research Projects" under Kirti Avishkar Research Convention-2022. The event was conducted on 16th February 2022 in NMITD Building, JSKB Hall. The program was inaugurated by the Chief Guest Dr. Aparna Saraf, Head, Dept. of Botany (HBSU), Mumbai. The program was chaired by our Vice Principals; Dr. Ravindra Kawade & Dr. Milind Jog. It was an intercollegiate research competition organised for our students. The main objective of arranging this event was :

(1) To inculcate research culture among the students.

(2) To give platform to the students for expressing their ideas through research work.

The competition was conducted in two rounds viz. Poster round and PPT round. The research projects selected at poster round were invited for PPT round. The evaluation of both the rounds were done by external judges. Dr. Kiran Nabar of SIES college, Sion; Dr. Hanmant Wanole of University of Mumbai; Dr Shyam Palkar of Ruparel college, Matunga; Prof. Sachine Mandle of Thakur college, Kandivali; Prof. Chaya Pawaskar of Siddharth college adjudicated the completion.

Twenty-two teams which consisted of 14 mentors with 54 students, from various departments registered in this competition. Out of these, six teams were selected from different disciplines. We had an overwhelming response of different departments. The exhibition was appreciated by the all the stakeholders 36 teachers and 57 students visited the exhibition and curiously interacted with the students. The winners were awarded with Mementos & Certificates. The participants & mentors were also felicitated at the hands of the principal.The Avishkar team members had put in lot of efforts to make this event a grand success. The details of prize winners along with project title and mentors is given below :

Sr. No.	Department	Name of the Research Project	Mentor	Name of Participants	Prizes
1	Statistics	That Time of the Month	Prof. Sonali Thik	1)Kuntal Kale 2)Samiksha Lad	First
2	Zoology	Effects of Change in the Circadian Rhythm on the Holistic Health	Dr. Dhara Trivedi	1)Vaishnavee Rajivadekar 2)Sumit Kanbarkar	Second
3	Political Science	Invisible Hands – The Study of Socio Economic Conditions of Females Domestic Workers in Mumbai	Prof. Janhavi Kolte	1)Shruti Todnkar 2) Pratiksha Gaikwad 3) Gauresh Chitre 4) Ashwini Bhagane	First
4	History	Accommodation and Housing for the Urban Poor in Mumbai:- A Historical and Socio-Cultural Study of the BDD Chawls in Worli.	Prof. Omkar Salunke	1)Jignesh Hambire 2)Sumit D. Pathoriya 3)Drashti Solanki 4) Mudra Wakkar 5) Nikshit Pawar	Second

6	CS	AI Resume Analyzer	Dr. Sampada Margaj	Deepak Padhi	Second

- Prof.(Dr.) S. R. Patgaonkar
Convenor, Avishkar Research Committee

BAMMC Department

As soon as the FYBAMMC lectures commenced in late July 2022, the students of all three classes of the BAMMC Department organized a one-day event of patriotic performances on as a part of the 'Azaadi Ka Amrit Mahotsav' celebrations in Kirti College on August 11, 2022. Following a short AV film on History of Indian Media, a group of students presented a musical performance on a mashup of patriotic songs. Another group of our students performed a skit named 'Vikram', after which the event concluded with a dance performance on the theme of Martyr Soldiers. Patriotic posters hand-painted by the students of BAMMC Department were displayed on a standee.

On August 20, 2022, the BAMMC Department, in association with FINS (Forum of Integrated National Security), inaugurated the Certificate Course in Defence Journalism, the ceremony of which was graced with the presence of Chief Guest – Vice Admiral A. R. Karve, Guest of Honour – Shri Nitin A. Gokhale, along with reputed dignitaries from Deccan Education Society, Kirti M. Doongursee College, FINS and Mumbai University. After a formal speech of welcome, the guests were invited to address the students, introduce them to FINS and the curriculum of and the need for this course, as well as to share their individual experiences in the field of Security and Defence Journalism with them.

At the beginning December 2022, the students of BAMMC Department formally welcomed the participants of MOKSH 2023 at a Prom Night themed CL Meet. Over the rest of the month, the students tirelessly collected donations from fellow students of the college and staff alike for the traditional annual 'Secret Santa Donation Drive', to be distributed to the needly living on the roadsides of the Mahim, Dadar, Worli and Lower Parel areas on the eve of Christmas. On December 28, 2022, Sakshi Tiwari and Rahul Sawant from TYBAMMC (Advertising), Rasika Ghosalkar from TYBAMMC (Journalism) along with Samruddhi Gamre, Soham Khanvilkar and Satvik Kadam from SYBAMMC were invited by RJ Jeeturaj of Radio Mirchi 98.3FM at the Radio Station for a live interview about this community outreach activity, a tradition that the BAMMC Department started in 2014 and has proudly kept it going till date.

With the beginning of the New Year 2023, the BAMMC Department geared up for its annual departmental cultural festival – MOKSH – being conducted offline for the first time since COVID. The Event was conducted over three days and inaugurated on January 4, 2023 in the graceful presence of Honourable Principal Dr. D. V. Pawar Sir, and the team of Marathi Film 'Bamboo' who also interacted with the students afterwards. On Day 1 Short Film, Digital Art, Photography, Reporting, Instrumental Music and Rapping Contests were conducted, while on Day 2, students participated in Round 1 of Dance Contest, along with Advertising, Radio Jockeying, Dubbing and Drama contests. The RJ contest was graced as well as judged by RJ Jeeturaj of Radio Mirchi 98.3FM. Students also enthusiastically and with a lot of energy participated in Treasure Hunt and Tug of War on Day 2. All the contests were conducted in 0.8 Auditorium of Kirti College Main Building, Classrooms E03 & E04 of NMITD Building, the JSKBS Hall and College Main Ground.

Day 3 (Finale) of MOKSH was conducted at the Swatantryaveer Sawarkar Auditorium, Shivaji Park, on January 6, 2023. The evening commenced by welcoming of the team of the Marathi Film 'Gadad Andhaar' staring Jai Dudhane and Neha Mahajan. After the inauguration, they interacted with the audience and the Music Director of the film, Indian Idol fame Rohit Shyam Raut surprised the audience with a beautiful and melodious performance. After the screening of an in-house short film on Child Abuse (social cause chosen for the event to spread awareness about), the final round of the Dance Contest was conducted, followed by Open Mic, Fashion Show and Mr. & Mrs. MOKSH. The event was also graced by the team of another Marathi Film 'Dhishkyaon', starring Prathamesh Parab, Sandeep Pathak and Megha Shinde, before the announcement of winners and the prize distribution ceremony.

Later in January 2023, the students of SY and TY BAMMC received an opportunity to visit the MET Institute of Management in Bandra (W), along with Prof. Meenal Ambavane and Prof. Aabha Shetty where they participated in a workshop in Creative Writing. They were briefed about the various Post Graduation Diploma courses offered by the

institute, and later got an opportunity to do a mock shoot in their studio room. The students also got the opportunity to interact with social media influencer Shantanu Rangnekar, an alumnus of MET, who was also there to conduct a workshop. On January 20, 2023, Mr. Dushyanta Kawdikar, an alumnus of the BAMMC Department of Kirti College, now a Canadian Citizen and Film Professional, was invited to deliver a Guest Lecture to the students of the Department on Personality Development.

The month of February 2023 began for the students with a fun activity of painting the walls outside Kirti College alongside students from Junior College and the NSS Unit. Following that, the students commenced our journey to Himachal Pradesh for our Annual Industrial Visit on February 3, 2023, under the supervision of Prof. Meenal Ambavane, Prof. Aabha Shetty and non-teaching staff Prash Jagushte. Over the next 6 days, the group of students visited the Printing Press of Amar Ujala Newspaper and Nekchand's Rock Garden in Chandigarh, Manikaran Gurudwara and the local market in Kasol, the Hidimba Temple and Mall Road in Manali. They indulged in various adventurous sports at the Solang Valley and River Rafting in Kullu. They also visited the Shawl Factory in Kullu before heading towards Delhi to conclude the Industrial Visit.

After returning from the Industrial Visit, as a part of the Srujan Academic Festival, the BAMMC Department invited Miss Amla Agarwal to deliver a Guest Lecture on Anchoring on February 15, 2023, wherein she spoke of how to dress for different types of events and how to present the event depending on the audience as well as place and also conducted fun activities with the students. On February 16, 2023, Adv. Shriya Gune, who is currently a Legal Consultant at Reliance Entertainment, was invited to deliver a Guest Lecture on Media Laws wherein she explained the various media as well as cyber laws that every media students must be aware of.

Over the academic year 2022 – 2023, the students of BAMMC Department bagged various awards at the 55th Youth Festival. With the one act play 'Ukali' performed by the Drama Department bagging a plathora of awards at the most prestigious Indian National Theatre and Sawai Ekankika competitions, along with various other competitions, Rashmi Sangale, Ishika Shishupal and Shreyas Katkar of SYBAMMC, and Aryan Kadam of FYBAMMC won many awards and accolades for their splendid performance in the one act play, making the BAMMC Department extremely proud.

- Prof. Meenal Ambavane

Department of Accounting & Finance (BAF)

1. **Orientation Programme-**

   This programme was conducted offline and was honored by the presence of Principal D.V Pawar sir and other dignitaries of our college.

   Academic year had begun with the orientation programme.

   FYBAF students and their parents had been invited for this programme

   SY& TY BAF students had given brief information about BAF.

2. **Nivesh Event of BAF**

   ➢ **Committee members -** Ashwin Jawaria (Nivesh coordinator) Jidnya Patil (BAF – HOD) and other faculty members of the department.

   ➢ **Details of the Activity-**
   9th January

   ➢ Outdoor sports - It included Cricket, Kabbadi and Football. (Datta Raul Maidan and Motilal Oswal Turf)

   ➢ **10th January**

   ➢ **Innogration** :

   Attended by chief guest adv. Sanjay V. Kadam, Mrs. Archana Nevrekar & Principal of our college, Dr. D.V.Pawar. Vice Principal Dr. P. C. Thomas, & our Professors Ashwin Jawaria, Bhavna Shah, Akshata Kadam & all volunteers.

   ➢ **Events :**

   ✓ **10th January, 2023**

● **Outdoor Sports: It included Cricket, Kabbadi and Football (finals).**

Tic Tac Flip	Smart minds	Dart thow	Smart minds
Mehandi Competition	Scam 2023	Brainy Bulls	Word web.
Rangoli Competition	Floating the ball	Ultimate battle	Treasure hunt

✓ **11th January,2023**

Price distribution By Chief Guest Ms. Sanjana Patil Principal Dr. D. V Pawar, Aluminises & BAF Faculty.

Kirti's got talent finals.	Human X and O	Brainy Bulls.	Smart minds.	Scam 2023
Hold the bricks	Ultimate battle	Floating the ball	Word web.	Fast and curious
Snakes and ladder	GK Today	Kirti's got talent finals	Treasure hunt	Arm Wrestling

➢ **Aluminia contribution :**

All the trophy's were sponsored by Aluminia. they have also attended full event and distributed trophy's to winners.

➢ **Number of participants-** FY,SY and TY BAF students and students participated from various departments of Kirti College.

➢ **Outcome/ Takeaway-**

✓ Attitude of team building and working with team members of different age group –FY to TY

✓ Participation of students in various committees with specific objective of the committee.

✓ Provided opportunities for students to interact with their peers and form new connections

✓ Since most of these activities are group-oriented, students get to know about people from different cultural backgrounds and interests

✓ Enhanced the students' interpersonal and communication skills but also prepare them for the real world.

3. SRUJAN Feast - Guest Lecture on IPR

Date of the Activity- 11th February, 2023

Venue- JSKB Hall

Details of the activity

- Adv. Sanjay Kadam has started the IPR lecture at 10.15am
- It was an interactive session with students.
- He has quoted various cases and examples related to IPR (Basmati rice case, Indulekha oil case, Star plus serial case etc.
- He has engaged lecture for approximately 90 minutes.

4. Workshop on 'Aptitude and Reasoning '

Date: 3rd, 8th and 10th December 2022

Time: 9.30 am to 12.30 pm

Venue: J4 JSKB building

Details of the activity:

✓ Hands on experience in paper solving for Competitive Exam.

✓ Making learn various shortcuts to crack them.

✓ Competitive exam practice has been conducted

✓ To enhance cognitive abilities, work behaviors, and personality traits.

5 Teach Earn And Learn – BAF certification Course in collaboration with Western India Region of Chartered Accountant

This year BAF department started with second certification course in collaboration with WIRC of ICAI for SYBAF students for achieving the following objectives:

✓ To gain insight about various career options

✓ Making students understand the importance of learning about online accounting tools.

✓ Encouraging the students to attend the importance of all sessions of the course.

✓ To make the students aware about evaluation pattern of the course

Details of the activity-

✓ This course was to brief the SYBAF students about Teach earn and learn (TEL).

✓ Explaination as to why it is important to pursue new certification courses.

✓ Explained why every day of the course is a significant milestone for each & every one of the budding students.

➢ **Number of participants- 71 Students**

6. Tree Plantation :

✓ On the occasion of 75th Independence Day of our nation, the students of SYBAF and TYBAF were asked to plant a tree each. They were asked to plant a tree at their convenient available place in the city or in village.

✓ Duration allotted for the activity to be completed was 10th August to 10th September

✓ All students actively participated and took initiative of planting trees. Students planted the trees in gardens, playgrounds, pedestrian footpaths, & wherever it was possible for them to do.

✓ Approximately 70 students planted the trees and each student planted at least 1 tree. Some students made groups and some students planted trees individually.

Locations:

✓ Five Gardens, Matunga, Mumbai.

✓ Near Kirti.M.Doongursee College, Dadar

✓ Kandivali, Mumbai.

✓ Shivaji Park, Dadar, Mumbai.

✓ Village areas

✓ And many other places**.**

7. No Petrol day

Date of the Activity: 26th September 2022

Venue :

Details of the activity:

Many students decided they would voluntarily use public transport.

Also many students decided they would walk small distances instead of using any vehicle.

8. Mock Interview for Placement Readiness

➢ **Date of the Activity: 6th and 07th of January, 2023**

➢ **Venue: J5**

➢ **Details of the activity:**

✓ Students gave mock viva and interviews under simulation environment. All students of TYBAF had formally dressed.

✓ One to one interview was taken. Questions were asked to students and were allowed to answer.

9. Documentary film on Financial scams and issues (Enron scam)

➢ **Date: 1st October, 2022**

➢ **Time:9.30 onwards**

➢ **Venue: BAMMC classroom E1**

➢ **Details of the Activity-**

✓ It was a series on Enron scandal displayed to the students.

✓ The series was about accounting practices that resulted in the bankruptcy of the energy, commodities and services of Enron.

✓ The students then discussed the entire documentary and knew what it was about.

10. Basics of Technical Analysis in Stock Market

➢ **Date of the Activity: 26th July 2022**

➢ **Venue: J5 JSKB building**

➢ **Details of the activity:**

✓ The guest lecture started at 11.30 am. The speaker communicated with the help of power point presentation.

✓ There was a question answer session after the lecture where in students and guest had an opportunity to communicate on one to one basis.

- Prof. Jidnya Patil
Head, Dept of BAF

Department of Biotechnology

Following activities for students were conducted by the Department of Biotechnology in academic year 2022-2023.

Avishkar

Students of S.Y.B.Sc. Biotechnology actively participated in "AVISHKAR" organised by the University of Mumbai in the year 2022-23.Under the guidance of Prof.Anuja Muzumdar students From S.Y. B.Sc. Biotechnology Sidhhi Arun Subhedar and Neha Rajtilak Varma Participated in AVISHKAR and their project was on topic "Study of antimicrobial effects of Honey, Allium cepa, Zingiber officinale, Citrus limon on respiratory tract pathogen" which won first prize in science category.

Srujan

Srujan is an academic festival organized by our college. The Biotechnology department organized workshops and guest lectures in February 2023 for boosting essential skills like research, critical thinking, and creativity making students more academically prepared.

No.	Title of the programme	Date/ Time	Level International/ National/ State/ University / College/ etc.	Chief Guest/ other guests	Content of the programme	Outcome/ Achievements
1.	Guest lecture on PCOD and PCOS awareness	8th December 2022 11 am to 12.30 pm	College	Dr.Gayatri Deshpande Sr.consultant - Obstetrics and gynecologist, Nanavati Hospital	To create awareness about PCOD and PCOS in students	Students got detail knowledge about PCOD and PCOS
	Holistic approach towards global warming, energy transition and role of biotechnology	20th January 2023	College	Mr.Vilas Tawade Former CEO and MD,EOGEPL	Role of Biotechnology, Energy transition and holistic approach towards the global warming	Students acquired knowledge about the energy transition and understand the global warming effect on environment
	SRUJAN – An Annual Academic Festival 2023 Workshop on Microbial culture techniques and aseptic techniques	9th and 10th February 2023	College	Miss.Minal Narendra Patil	Workshop on Microbial culture techniques	Students performed different microbial and aseptic techniques under guidance of resource person

Students Participation :

Our Students (FY,SY,TY) also actively participated in various online workshops, webinars & seminars in the year 2023-24.

Our students of F.Y.Biotechnology,S.Y Biotechnology & T.Y.Biotechnology had actively participated & attended the:

- Our Student from class S.Y.Biotechnology Miss. Vanshita Shinde participated in intercollegiate elocution competition which was organized by Siddharth College and she won first prize.
- Attended guest lecture on Holistic approach towards global warming, energy transition and role of biotechnology
- Participated in Entrepreneurship related program Steps towards the start-up'
- Attended guest lecture on PCOS and PCOD awareness
- Attended guest lecture on Plant Proteins:A sustainable approach

Teacher's Participation & Achievements:

1) Prof. Alisha Pimple Kadam

1. Attended International conference G20 SUMMIT ON ENVIRONMENT SUSTAINABILITY AND BIOENZYME and presented paper on the topic 'To analyze the viability and germination rate of Pongamia pinnata and Cassia fistula by seed ball method for restoration'
2. Participated in Personality development and Leadership training program-2023
3. Participated in a seminar on Innovation and startup: Entrepreneurship opportunities to academicians.
4. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".
5. Attended Guest lecture on Holistic approach towards global warming
6. Attended guest lecture on Plant Proteins : A Sustainable Approach
7. Participated and organized workshop on Microbial culture techniques and aseptic techniques
8. Was invited as a judge for poster making competition in Botany Department, Kirti college.

2) Prof. Pooja Pravin Kamble

1. Participated in Personality development and Leadership training program-2023
2. Participated in a seminar on Innovation and startup: Entrepreneurship opportunities to academicians.
3. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".
4. Attended Guest lecture on Holistic approach towards global warming
5. Attended guest lecture on Plant Proteins : A Sustainable Approach
6. Evaluator for online state level Project for school children held on3rd and 4th December 2022 under National Children's Science Congress (Maharashtra State). Evaluator for District level Science Congress held on Sunday, 13th November 2022 at K.R.Kotkar Secondary & Higher secondary Vidyalaya Dombivli East.
7. Worked as evaluator for Online scrutiny of science project of NCSC at district level 22nd October 2023.
8. Participated in national e-conference in frontiers in biological sciences organized by KLE society Kalamboli Navi Mumbai on 21St February 2023.

3) Prof. Ankita Raul:

1. Attended National Conference on Fungal diversity for sustainable future:Potentials, progress, conservation and IPR issues & 49th Annual Meeting of Mycological Society of India and presented paper on "Comparative study of lignocellulolytic enzymes produced by different types of Xylaria from SGNP"
2. Participated in Personality development and Leadership training program-2023
3. Participated in a seminar on Innovation and startup: Entrepreneurship opportunities to academicians.
4. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".
5. Attended Guest lecture on Holistic approach towards global warming
6. Attended guest lecture on Plant Proteins : A Sustainable Approach
7. Participated and organized workshop on Microbial culture techniques and aseptic techniques.
8. Was invited as a judge for poster making competition in Botany Department, Kirti college.

4) Prof Janhavi Rajesh Kolte :

1. Guided PG students for Avishkar Research convention 2023, titled- Invisible Hands- Understanding socio-economic issues of Domestic workers, which won 1st Prize from Arts Category
2. Title- Geopolitics @75- Exploring the India Way was published in a peer reviewed journal and presented the same in an International conference.

3. Women Empowerment: Concept and Significance, paper was published in peer reviewed refereed indexed multidisciplinary Research, Journal B Aadhar with Impact Factor- 8.575 (SJIF)
4. Participated in 2 National Conferences and presented research papers.
5. Completed Pre- Phd 6 months coursework from Department of Civics and Politics, Mumbai University.
6. Contributed one chapter in an edited peer reviewed book based on the theme of Gandhi and thoughts.
7. Attended online FDP on Intellectual property rights.
8. Completed online refresher course of Political Science organized by Ramanujan College, Delhi.
9. Was invited as a resource person for a lecture on Research methodology organized by Dept of Economics for MA students.

5) Miss.Prajakta A.Varale

1. Attended International conference G20 SUMMIT ON ENVIRONMENT SUSTAINABILITY AND BIOENZYME and presented paper on the topic 'To analyze the viability and germination rate of Pongamia pinnata and Cassia fistula by seed ball method for restoration'
2. Participated in National seminar 25th February 2023 Role of botanists in 21st century and bioprospecting of our plant resources' at D.G. Ruparel college.
3. Participated in National Seminar Indian botanical gardens: challenges and responsibilities
4. 4th February 2023 at Xavier's College
5. Attended webinar Myco drug development and future prospects of fungal systematics' organized by SIES college,Sion 18th February 2023
6. Participated in Innovation Sart-up: Entrepreneurship opportunity to academicians Seminar in Kirti college, Dadar
7. Participated in a workshop organized by Kirti College 'How to fill patent application' 4th March 2023.
8. Attended Guest lecture on Holistic approach towards global warming
9. Attended guest lecture on Plant Proteins : A Sustainable Approach
10. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".

6) Mrs.Anuja Muzumdar

1. Guided S.Y.Biotech students for Avishkar Research convention 2023, titled- "Study of antimicrobial effects of Honey, Allium cepa, Zingiber officinale, Citrus limon on respiratory tract pathogen", which won 1st Prize from Science Category.
2. Participated in Innovation Sart-up: Entrepreneurship opportunity to academicians Seminar in Kirti college, Dadar
3. Participated in a workshop organized by Kirti College 'How to fill patent application' 4th March 2023.
4. Attended Guest lecture on Holistic approach towards global warming
5. Attended guest lecture on Plant Proteins : A Sustainable Approach
6. Participated and organized workshop on Microbial culture techniques and aseptic techniques
7. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".

7) Miss Pournima Mankar

1. Participated in Innovation Sart-up: Entrepreneurship opportunity to academicians Seminar in Kirti college, Dadar
2. Participated in a workshop organized by Kirti College 'How to fill patent application' 4th March 2023.
3. Attended Guest lecture on Holistic approach towards global warming
4. Attended guest lecture on Plant Proteins : A Sustainable Approach
5. Participated in Workshop on "How to fill patent application" and "Beneficial Effects Of Radiation Technology and Indian Nuclear Energy Programme".

- Prof. Alisha Pimple-Kadam
Head, Department of Biotechnology

Department of Botany

- Work-shop on 'Green Wall' for Conservation of Plants conducted on 14th December 2022. Resource person was Mr. Mukul Bandivadekar (Alumnus), Horticulturist and Garden Consultant, Greenometric Solution. To develop skills among the F.Y.B.Sc students and to spread awareness about conservation of plants. 52 FYBSc students participated in the workshop.
- Women development cell and Botany department organized "STEPS TOWARDS THE START-UP (ORIENTATION TOWARDS ENTREPRENEURSHIP). To instil business knowledge and hands on experience in product making, marketing, and advertising So that they can also become the job creators on 16/12/22- Time- 9.00am to 2.00pm, Venue: Reading Hall.
- National Webinar on 21st January 2023 in collaboration with Mula education society, Sonai on topic "Recent Advances and Opportunities in Post-Harvest Technology" to develop awareness about perishable articles, their shelf-life and processing with preservation among the future generation and also How to set-up a cottage industry with self- help group or at individual level. Participants more than 100.
- Skill development workshop under 'SRUJAN' academic festival –
  1. Workshop on Bottle Garden to develop skills of preparing bottle garden among F.Y.B.Sc. students on 9th Feb., 2023, resource person Dr. Vandana Sathe. Number of participants: Students–27, Faculty-07, Non-Teaching staff–04. A proper hands-on training was given to all the F.Y.B.Sc. students for Bottle Garden preparation. The workshop also enlightened students with scope in botany and the importance of conservation of plants.
  2. Workshop on Dish Garden on 9th Feb 2023 – resource person Dr. Urmila Sarkar. Effective way of preparing dish Garden was inculcated throughout workshop. The workshop provided various modes of opportunities for participants to involve in the process of learning dish garden. Everyone enthusiastically participated in the workshop and hands on training provided was successfully completed by 22 participants from S.Y.BSc class.
  3. Workshop on Kokedama on 9th Feb 2023- resource person Dr. Urmila Sarkar. Technique for preparing kokedama was inculcated through workshop. The workshop provided guidelines to every participant required during pre- and post-makeover for kokedama. Participants enjoyed during the workshop as it was one of the new concept introduced to them. Hands- on training provided which was successfully completed by the 15 participants.

- Flora Fest- organized by the Department of Botany on 10th February 2023 under 'SRUJAN-An Academic Festival'.
- The Flora Fest began at 8 am in a morning with various competitions like Floral Rangolis, Flower Arrangement, Bio Jewelleries and Posters (based on Millets to celebrate the International Year of Millets) in a JSKB Hall. For these competitions two students participated in each group. Each participant was given 2 hours to complete their activities. In floral Rangoli, Biojewellery and poster making competition 10 groups participated in each competition. For these competitions judging done by the respected professors viz. Vrushali Bhalerao (Floral Rangoli), Shubhangi Page (Flower Arrangement and Biojewellery), Alisha Pimple, Ankita Raul and Dr.P.C.Thomas (Poster making competition: Theme Millets). After the judging, Inauguration of the Flora Fest was done by the honourable Principal Dr. D. V. Pawar. The prize distribution ceremony was also carried out in the presence of honourable Principal Dr. D. V. Pawar sir ,Vice principal Dr. Minal Mapuskar Madam and Vice principal Dr. P.C.Thomas Sir. The exhibition of the Floral Rangolis, Bio Jewelleries, Flower arrangements and posters was open for all the staff members and students of kirti college. Dr. kenkre sir and External examiners of HSC boards from every department visited the exhibition. Along with the competitions, various games were arranged by the volunteers i.e.
- F.Y.B.Sc volunteers arranged the game 'Aao jhoome gaye on nature's songs'
- S.Y.B.Sc volunteers arranged the game 'Feel the Aroma'
- T.Y.B.sc Botany volunteers arranged the game 'Chuski/ Chaklo'

- The above games that were arranged by the volunteers were completely based on subject Botany. All the students, participants, teachers and guests enjoyed and appreciated the flora Fest by giving their valuable feedback. Number of participants: 34 Students participate in different competitions i.e. 10 Students participate in Flower rangoli competition. 10 Students participate in Biojewellery competition. 04 Students participate in Flower Arrangement. 10 Students participate in Poster making competition. 32 Volunteers organized this event successfully. Important Takeaways: Self-realization of participants about the skills of floral decorations. Confidence of making arrangements themselves boosting their morals, Spirit of competition and ability to face defeat.
- Excursion to Jungle Farm, Asavali Village was organized for the students of SY and TYBSc Botany from 27th Jan 2023 to 28th Jan 2023. Students learnt the vegetation and botanical as well as the vernacular names of the plants along with their economic importance. Student understood the importance of preserving the natural habitats. They also got an opportunity to do star gazing activity for leisure and developed an interest in amateur astronomy.

NSE VISIT

A seminar was jointly organized by the National Stock Exchange (NSE) and HDFC Mutual Fund in collaboration with the BMS Department of Kirti M. Doongursee College on October 1, 2022. The purpose of the seminar was to engage with students and provide them with insights into various aspects of the stock market, mutual funds, and other financial matters. The session proved to be highly enlightening, equipping students with valuable knowledge on intelligent investment strategies. Towards the end of the program, a review of the discussed topics was conducted, and a quiz was administered through a digital application known as "MF Bytes." Students who provided correct answers received recognition in the form of NSE badges. Overall, the NSE visit was an enriching experience that offered valuable insights into the practical applications of finance.

INDUSTRY READINESS WORKSHOP

The Industry Readiness Workshop represents a pioneering initiative by the BMS, aimed at seamlessly bridging the divide between academia and the dynamic world of industry. This comprehensive course spans over 60 hours of intensive training, ensuring that participants are well-prepared for the professional arena.

The workshop unfolds at three distinct levels, each meticulously designed to nurture and refine key competencies. At the Elementary level, the emphasis is placed on personal grooming, effective communication, personal productivity, and computer literacy. Moving on to the Intermediate level, the focus shifts to honing interview skills, fostering information literacy, and fostering holistic personality development. Finally, at the Advanced level, the program delves deep into nurturing leadership qualities, stimulating innovation, and enhancing analytical and critical thinking abilities.

What sets this program apart is the calibre of the facilitators, who are renowned industry experts and esteemed academics, ensuring that participants receive top-notch guidance and instruction throughout. Upon successful completion of the workshop, students are duly recognized

with a Letter of Merit and a certificate, signifying their readiness to excel in the professional world.

LAUNCHPAD

The "LAUNCHPAD," an innovative Start-Up Ideas Exhibition, was initiated by the Department BMS of Kirti College, driven by a set of visionary goals and motivations:

- To translate the theoretical accounting knowledge gleaned in classrooms into the practical realm of small or start-up businesses.
- To empower students to envision and articulate their life goals, supported by a tangible action plan.
- To conceive and nurture business plans, innovative ideas, and strategic advertising approaches, and then actively develop them.
- To kindle the flame of creativity, innovation, and entrepreneurial spirit within students, motivating them to explore the world of business planning.

This remarkable event witnessed the presence of distinguished individuals, including the Principal, Dr. D.V. Pawar, Vice-Principals, trustees, and dignitaries from DES and Kirti College. Students and faculty members from various departments across the college attended, observing the presentations and exhibitions. Their presence served to inspire and commend the BMS students for their imaginative initiative.

Notably, this endeavor facilitated hands-on learning, offering students a practical outlet for their business ideas in simulated forms, thereby equipping them with a wealth of insights and plans to design and nurture their own businesses, whether as partnerships, sole proprietorships, or companies. Furthermore, it has served as a crucible for enhancing management and leadership skills, promoting effective teamwork, honing public speaking and interpersonal abilities. The exhibition, in turn, has cultivated and refined qualities such as creativity, innovation, resourcefulness, eloquent content articulation, bolstering self-assurance, and elevating the art of presentation among the students.

ORPHANAGE VISIT

First-year students were presented with a unique opportunity as part of their Foundation Course Assignment, one that was not just educational but profoundly transformative. Their assignment led them to an orphanage, a journey undertaken to instill the values of empathy, compassion, and social responsibility.

Upon their arrival at the orphanage, the young students were welcomed by the radiant smiles of the children who eagerly awaited their guests. These children generously shared insights into their daily routines and the guidelines they all adhered to within the shelter. Additionally, the students had the privilege of interacting with some children who faced physical and mental challenges, offering them a precious glimpse into the significance of cherishing life's smallest joys.

It soon became evident to the students that the dreams and aspirations of these orphaned children far surpassed the donated resources. Nonetheless, the students dedicated themselves to providing the best possible support. The visit was not merely an educational one; it also featured enjoyable games and activities that brought immense joy to the children and the students alike.

This visit succeeded in fostering a profound awareness of the underprivileged children's circumstances and nurtured a profound sense of empathy within the students. As the visit came to an end, a multitude of thoughts swirled within the students' minds. They were utterly moved and awestruck by the entirety of the experience, which undeniably served as a life-altering encounter for them.

STUDENT COUNCIL

The BMS department has pioneered the establishment of a Student Body Council, a visionary initiative designed to bridge the gap between the department's management and its students. The council's primary aim is to empower students with a multifaceted set of skills, encompassing leadership, teamwork, critical thinking, and proficient management abilities.

This innovative idea also serves the purpose of acquainting students with the intricate hierarchy of management, thereby elucidating the roles and responsibilities that come with it. Simultaneously, it acts as a guardian of discipline, upholding decorum and promoting best practices at the department level.

The entire student body within the department has been sensitized to various roles and their corresponding responsibilities.

With the council members then elected, stand ready to fulfill their respective roles with efficiency, contributing to the continued success and growth of the department. This endeavor promises to be a driving force in nurturing leadership, shaping character, and fostering a sense of responsibility among our students.

EKYAM
"ONE FOR ALL, ALL FOR ONE,"

On the radiant morning of February 13, 2023, the magnificent three-day extravaganza of Ekyam Festival embarked on its journey, commencing with a solemn invocation to the

divine, followed by an uplifting and heartening address from our esteemed Principal, Dr. D.V. Pawar. His words served as a profound wellspring of motivation, infusing the students with a renewed sense of morale and confidence. On this inaugural day, we had the distinct honor of hosting Dr. Seema Saple, the former SFC in-charge of Kirti College, who played a pivotal role in amplifying the resonance of Dr. Pawar's inspiring message.

Over the course of these three exhilarating days, Ekyam bore witness to the spirited participation of over 150 talented individuals hailing from various colleges across the bustling city of Mumbai. The grand culmination occurred at the prestigious Veer Savarkar Hall in Dadar West, a venue graced not only by our esteemed Principal but also adorned by the presence of celebrated luminaries, including the distinguished Kamlakar Satpute.

In the spirit of recognition, Chetana Junior College achieved the coveted title of "Best Cultural Literary" (CL), while the prestigious "Best College Trophy" was triumphantly held aloft by Vasantdada Patil Engineering College. This grand celebration of talent and spirit encapsulated the essence of Ekyam, leaving an indelible mark on all those who were fortunate enough to be part of this exceptional journey.

BEACH CLEAN-UP DRIVE

In a collaborative effort, the BMS Department and the NSS Unit organised a noble and purposeful Beach Cleanup Drive. The primary aspiration behind this endeavor was to provide students with a stark and eye-opening encounter with the pressing issue of plastic pollution, as well as to ignite a change in their environmental consciousness.

Volunteers participating in this meaningful initiative were well-informed about the profound consequences of plastic pollution, and their participation initiated a notable shift in their attitudes and behavior toward the environment. This transformation extended beyond the beach, as they actively engaged in discussions about plastic pollution with friends and family, thus spreading awareness far and wide.

Furthermore, meticulous precautions were observed in the proper disposal of the collected plastic waste, ensuring that the initiative was not just a symbolic gesture but a tangible step towards preserving our environment. This collective effort serves as a remarkable and impactful contribution towards environmental conservation, benefiting not only marine life but also humanity as a whole.

INDUSTRIAL VISIT

With the noble aim of providing students with a tangible understanding of the management concepts imparted in the classroom, and to immerse them in the authentic work culture experienced during industrial visits, the BMS Department orchestrated an extraordinary educational journey. This endeavor also sought to nurture essential leadership skills, foster team building, and forge unbreakable bonds among the students.

In the month of January, a dedicated cohort of BMS students embarked on a transformative 10-day Industrial Visit, offering them the opportunity to delve into the rich tapestry of North India. The journey encompassed captivating destinations, including Amritsar, Kasol, Manali, and Chandigarh, where students were introduced to iconic landmarks and sightseeing experiences.

One of the highlights of the visit was the enlightening trip to a solar energy factory, where students were encouraged to immerse themselves in the practical intricacies of manufacturing and gain insights into the work environment. Each student was entrusted with the task of documenting their observations, which further enhanced their learning process.

This remarkable sojourn not only imparted knowledge but also left an indelible imprint of unforgettable memories on the students. It was an extraordinary experience that transcended the boundaries of the classroom, offering a holistic perspective on management concepts and the dynamics of the industrial world.

Srujan Academic Festival

Under the banner of the 'Srujan Academic Fest 2022-23,' the BMS Department at Kirti M. Doongursee College of Arts, Science, and Commerce (Autonomous) orchestrated a remarkable session, coupled with an engaging student panel discussion. This momentous event unfolded on the 17th of September 2023, from 10:00 am to 1:00 pm, within the hallowed confines of the 0.8 Auditorium.

The commencement of this intellectual voyage was marked by the ceremonial lighting of the lamp, followed by a gracious welcome address delivered by the dedicated coordinator of the BMS department, the venerable Ms. Priyanka Jinagouda. The session was adeptly orchestrated by the capable hands of the FYBMS students, who assumed the role of hosts for the day. The distinguished guest speaker, Dr. Hemant S. Joglekar, was accorded a well-deserved felicitation by none other than the esteemed Principal, Dr. D.V. Pawar.

The eminent guest speaker was invited to expound upon the pertinent topic of 'Environmental, Social, and

Corporate Governance (ESG),' with a special focus on the United Nations Sustainable Development Goals and the SEBI Business Responsibility and Sustainability Reporting Guidelines.

To add an extra layer of scholarly depth to the discourse, Dr. Harshad Bhosale, a distinguished faculty member of Kirti M. Doongursee College (Autonomous), graced the occasion as the moderator for the enlightening student panel discussion. Four erudite students from the FYBMS program were handpicked to serve as panelists, their keen insights revolving around the compelling theme, 'Who is Truly Responsible for Sustainability?'

The culmination of the student panel discussion was marked by the moderator's reflections and perceptions on the enthralling discussion. This illustrious gathering was graced not only by the presence of the eminent Principal, Dr. D.V. Pawar, and Vice-Principal but also by the active engagement of faculty members from diverse departments within the college, who joined forces with the enterprising BMS students in a collective quest to comprehend the paramount importance of ESG and sustainability. It was a memorable event that enriched minds and nurtured a profound awareness of these critical global issues.

- Prof. Priyanka Jinagouda
Co-ordinator, Department of BMS

Department of Chemistry

The chemistry department have done the following activities in experiential learning , for the purpose of making the understanding and scoring of the subject better.

For the students to get first hand knowledge of the subject, the key factors in their papers are revised in the following innovative way..

Tutorials were conducted in th following papers of TYBSc Chemistry

Organic Chemistry structural formula to be written from molecular formula .List of the molecular formula is provided from the syllabus.

Analytical chemistry /Physical diagrams to be drawn from the name of the instrument exhaustive list of the instruments is provided from their syllabus also problem solving sessions for analytical and physical theory papers

Drugs and dyes structure from the molecular formula

In addition to the above practices we are taking seminars on the projects done by the students of MSc (I)and MSc (II)

The seminars of MSc(I) students are on the topic of their theory papers of organic physical analytical and inorganic chemistry

The seminars of MSc (II) students are based on their industrial projects which have they undertaken in various pharmaceutical industries

Report of the Activity

1. Name of the Department: Chemistry
2. Date of the Activity: 13/03/2023 and 14/02/2023
3. Venue: 0.8 Auditorium, Chemistry department corridor, Chemistry senior lab.
4. Title of the Activity: SRUJAN 2023- 'Chem-oRbIt'
   Activities under SRUJAN 2023- 'Chem-oRbIt'
   13/03/2023: 1) Demonstration On Food Adulteration.
   14/03/2023:
   1) Seminar on "Understanding Food Chemistry"
   2) Chem Rangoli
   3) Poster Making
   4) healthy cuisine competition (Theme-Millet)
   4) Treasure hunt
5. Objectives: Food adulteration is grave problem in resent time hence Demonstration On Food Adulteration was organised for students to learn simple chemical techniques to analyse food quality. As Nation is celebrating year-2023 as millet year, it was decided to celebrate SRUJAN 2023 on the theme of good health with millet. The objective of conducting a seminar on "Understanding Food Chemistry" was to spread consciousness about the nutritional values and phytochemicals of millet, grain, vegetables, and various ingredients of Indian foods amongst students. This will help them to understand the value of healthy food and to inculcate the habit of consuming healthy

food instate of junk food.

The objective of the Chem Rangoli contest and Poster Making competition was to showcase the artistic talent of the students in learning complex molecular structures, chemical processes, nutrition values of millet, and safety measures of the laboratory as the theme of the rangoli contest was green chemistry and safety measures in the laboratory. Treasure hunt was organised for the purpose the fun and fitness of the students.

6. Committee members:

Details of the activity: Demonstration On Food Adulteration
Date and Time: 13th February 2023, at 12:00PM
Venue: 0.8 Auditorium.
Resource Persons: Ms. Sheela Gauli, Mr. Hemant Shelar, Mr. Sandeep Torne. From FDA.
Felicitating guest speakers : Principal Dr. D.V.Pawar
Welcome address: Dr. Charuu Kulkarni
Introduction of guest speakers: Dr. Prashant Ghorpade
Demonstration session: Ms. Sheela Gauli, Mr. Hemant Shelar, and Mr. Sandeep Torne demonstrated the simple chemical process to detect adulteration in Milk, ghee, turmeric powder, honey, chilli powder ect.
Moderation and thanks giving : Dr. Prashant Ghorpade

7. Number of participants:
8. Important Takeaways: students learned about food adulteration and way of prevention from it by carryout simple chemical analysis of food periodically.
9. Screenshots/photographs (should be integrated in the word document itself)

Documents to be uploaded as proof-

1) Notice/poster of the activity
2) Attendance record of the participants
3) Letters of invitation/Thanks given to speakers

Report of the Activity

10. Name of the Department: Chemistry
11. Date of the Activity: 14/02/2023
12. Venue: 0.8 Auditorium, Chemistry department corridor, Chemistry senior lab.
13. Title of the Activity: SRUJAN 2023- 'Chem-oRbIt'

Activities under SRUJAN 2023-

14/03/2023: 1) Seminar on "Understanding Food Chemistry ''
2) Chem Rangoli
3) Poster Making
4) healthy cuisine competition (Theme-Millet)
4) Treasure hunt

14. Objectives: . As Nation is celebrating year-2023 as millet year, it was decided to celebrate SRUJAN 2023 on the theme of good health with millet. The objective of conducting a seminar on "Understanding Food Chemistry" was to spread consciousness about the nutritional values and phytochemicals of millet, grain, vegetables, and various ingredients of Indian foods amongst students. This will help them to understand the value of healthy food and to inculcate the habit of consuming healthy food instate of junk food.

The objective of the Chem Rangoli contest and Poster Making competition was to showcase the artistic talent of the students in learning complex molecular structures, chemical processes, nutrition values of millet, and safety measures of the laboratory as the theme of the rangoli contest was green chemistry and safety measures in the laboratory. Treasure hunt was organised for the purpose the fun and fitness of the students.

15. Committee members: chemistry department

Details of the activity

Dr Jyoti Gokhale from ICT gave a well prepared talk ion Understanding Food Chemistry for a healthy life

The felicitation of the speaker was done by Principal Dr D.V. Pawar

After the welcome address the speaker gave a detailed information about carbohydrate, Protein, fat content in many commonly used food products She also directed on which foods should be consumed and which to be avoided for a healthy body

In accordance with international year of millets a healthy snack competition was organised in the physical chemistry in which the use of millets was compulsory . A great response was obtained for the same from the students of all classes

The programme ended with the distribution of certificates to the winners

The students of TYBSc ,very enthusiastically gave a small cultural presentation of a dance , one act play and guitar playing for 10 mins which was the icing on the cake for such an interesting event .

The programme was attended by all the staff members of the chemistry

16. Number of participants:120
17. Important Takeaways: students learned about food chemistry in detail about which food should be avoided for a healthy body.Also the significance of the international year of millets was imprinted in their minds their diet should include millets was the best take away .

18. Screenshots/photographs (should be integrated in the word document itself)

Documents to be uploaded as proof-

1) Notice/poster of the activity
2) Attendance record of the participants
3) Letters of invitation/Thanks given to speakers

REPORT OF The workshop in NUCLEAR ENERGY

1) Name of the department :Chemistry
2) Date of the activity : Saturday 25 february 2023
3) Venue : offline college Auditorium
4) Title of the activity: One day workshop in IARP Indian association of Radiation Protection and jointly organised by organised by department of Physics and Chemistry of kirti college
5) Objectives :To generate interest in Radiation Protection In,UG,PGstudents . and increase their interest in career in Nuclear technology
6) Details of the activity:
   - Beneficial effects of nuclear technology workshop on 25 Feb 2023
   - Number of resource persons four
   - Number of registrations 110
   - The resource persons for the above program were Mr Sheshadri Mural who is chairman of IARP,Shri Tej Ram Meena.BARC,Shri Sanjay Patil,BARC
   - Mr Sheshadri gave a outline if the activities of IARP. He explained the beneficial effects of nuclear technology and emphasized the fact that it is destructive is a MYTH
   - Shri tej Ram Meena gave a informative talk on the radiation detection with a practical demonstration on the instruments used to measure the radiation
   - Mr Sanjay Patil discussed the radiation protection and monitoring with demonstration of the kit gloves used for radiation protection
   - The anchoring was done very efficiently by Kirti Paul
   - Vice Principal ,Dr M.S .Jog HOD physics gave the inaugural address of the workshop .
   - The workshop was well attended by staff members of the chemistry department and physics department ,also from biotech and other science
   - It was well attended by all students of BSc and MSc of the Physics and the Chemistry departments
   - The Vote of thanks was given by HOD chemistry department Dr Charruta Kulkarnii
   - The Program ended with prize distribution of The srujan winners of the Physics dept
   - The program was very productive from the career in nuclear technology point of view
7) Number of participants :110
8) Important take aways : The programme gave a very important message that Nuclear technology is destructive is myth .It opened a new window to the students about a bright career in Nuclear technology

- Guiding Ph.D. Students: 03
  1. Three students have registered for Ph.D programme in chemistry from Mumbai University.
- Contribution to College / University / College Administration : University Level
  - Member of Board of Studies in Chemistry University of Mumbai, Mumbai.

Member Expert Committee of Mumbai University

Subject Expert in Chemistry

1. Appointed and Worked as a member Research Advisory Committee (RAC) for Ph. D Research Programme of of Mumbai, Mumbai conducted by Department of Chemistry Dr. Babasaheb Ambedkar College of Arts Science and Commerce Mahad on 7th January 2023.
2. Appointed and worked as a subject expert in Chemistry for the selection of candidate for Ph.D Programme in department at G. M. Vedak College of Science Tala on 26th November 2022
3. Appointed and Worked as a member Research Advisory Committee (RAC) for Ph. D Research Programme conducted by Department of Chemistry at G. M. Vedak College of Science Tala on 17th December 2022.

College Level

1. Coordinator of Anti-Ragging Cell Kirti College.
2. Coordinator of M.Sc. II Organic Chemistry.
3. Convenor of Research Advisory Committee in Chemistry.
4. Member of College Development Committee (CDC)
5. Member of Research Development Cell (RDC)
6. Member of Centralized Instrumentation Facility.
7. Member of Examination Cell PG Sub Committee.

↘ **Member of Organizing Committee in Online Webinar**:

1. Worked as a member of organizing committee for the lecture on Fundamentals of Research and Research Methodology jointly organized by IQAC & Research Cell on 28th September 2022.
2. Worked as a member of organizing committee of Srujan 2023, arranged CHEM-ORBIT 2023 an academic festival for chemistry students arranged a lecture series on "Demonstration of Food Adulteration" on 13th February 2023
3. Worked as a member of organizing committee for organizing lecture under Srujan 2023 on "Understanding Food Chemistry for Healthy Life" on 14th February 2023.
4. Worked as a member of organizing committee in one day state level workshop on "Beneficial Effects of Radiation Technology and Indian Nuclear Energy Programme" jointly organized by Department of Physics and Chemistry in collaboration with Indian Association for Radiation Protection (IARP) on 25th February 2023.
5. Worked as a member of organizing committee for the workshop on IPR with respect to: How to fill patent application? jointly organized by IQAC & Research Cell on 4th March 2023.

Details of Seminar, Conference, Workshop, Symposia attended:

1. Worked as the coordinator for workshop on Revised Syllabus for F.Y.B.Sc. 2022-2023 on behalf of University of Mumbai at Sant Rawool Maharaj College Kudal, Dist. Sindhudurg. On 27th July 2022.
2. Worked as the coordinator for workshop on Revised Syllabus for F.Y.B.Sc. 2022-2023 on behalf of University of Mumbai at D.B.J. College Chiplun. On 28th July 2022.
3. Presented research paper entitled "Combustion route for the synthesis of nanoparticles of CdFe2O4 and their XRD,TEM and VSM Study" at International E-Conference on Recent Trends in Chemical Science, Physical Science, Life Science and Computer Technology (ICRTCPLC-2023) dated 15th March 2023 at Anjuman Islam Janjira Degree College of Science, Murud-Janjira Raigad

2) Published Research paper in Peer Reviewed Referred& UGC Listed Journal "AJANTA" ISSN-2277-5730 Impact factor 2020-6-306. Paper Titled "And overview of Crypto currency in India" June 2022.
3) Invited as a "Resource Person" in one Day National Level Seminar on 30th November 2022 "On Indian Economy: Current Issues & Challenges" Organised by Dept of Economics & Commerce – Nalanda Educational Foundation on – Dr.BabasahebAmbedkar Science & Commerce College, Chembur Mumbai. 30-11-2022.
4) Presented Research Paper in One Day National Seminar on Research in Social Science: Technique, Scope & Objectives. – Organised by Dept. of Marathi & IQAC Kirti College , Dadar, Mumbai as on 24th January, 2023.
5) Participated as a member of the organizing committee & Anchor of the National Seminar conducted by the Dept of Marathi & IQAC – Kirti College, Dadar, Mumbai as on 24-01-2023.
6) Participated in the Seminar on – "Innovation & Start – Up: Entrepreneurship Opportunity to academicians". Organized by IIC and IQAC of Kirti College, Dadar, Mumbai – as on 24th February 2023
7) Participated in the Workshop on IPR with respect to "How to Fill Patent Application", organized by Research & Development cell in collaboration with IQAC of KMDC & NMITD – by Kirti college, Dadar, Mumbai as on 4th March, 2023.
8) Presented Research Paper Titled – "Globalisation and its Impact on Indian Economy" at the International commerce & Management conference on Local to Global Perspective of Business & Finance, Trade and Commerce, Economic Turbulence & Private capital,

Education and society: A multidisciplinary Approach conducted by Dept of Commerce , University of Mumbai on 10th March 2023.

9) Appointed as a Moderator in the subject of Advertising at the SYB.com Semester 4thMarch 2023, by St.Xavier's College (Autonomous) Mumbai on 20th April, 2023.

10) Appointed as a "Financial Advisor" on National Stock Exchange Academy Govt of India – for the period of 5 years. – 30th January, 2023 with Mutual agreement with NSE Academy.

11) Appointed as a Referee/External Examiner of Shri JJTU University Rajasthan for Evalution of Thesis as well as External Examiner (Viva-Voce) in the subject of commerce 23-09-2022 & Awarded Ph.D to Vartak Dhruwali DhirajKunda – 23-09-2022 (Attached Letter)

12) Appointed as a Referee/External Examiner of Shri JJTU University Rajasthan for Evalution of Thesis as well as External Examiner (Viva-Voce) in the subject of commerce (13-09-2022) Report of Evaluation and Viva- Voce 09-01-2023. Awarded Ph.D TO Mr.Amonkar Rajesh S. in the subject of commerce.(Letter Attached)

13) Appointed as a Referee/External Examiner of Shri JJTU University Rajasthan for Evalution of Thesis as well as External Examiner (Viva-Voce) in the subject of commerce 16-11-2022 Awarded Ph.D to Miss Sheeju many in the subject of commerce. (Letter Attached)

14) Participated in the International Conference Conducted by National Stock Exchange and New York University, U.S.A on Indian Financial Markets 2023 – 13, 14th March, 2023 at BKC Bandra. Mumbai. (Certificate Attached)

- Prof. Dr. B. R. Kamble
Head, Department of Commerce

Department of Computer Science and Information Technology

The Department with around **850** students states its vision "**To create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in computer science and Information Technology and prepare the students to meet the challenges for a globalized technological society and orient them towards serving the society**".

To provide high quality and affordable education to all sections of society including various disadvantaged groups.

The Department is working towards the goals of overall personality development, offering flexibility and encouraging significant research and nurturing creativity through industrial orientation by offering Projects.

The Computer Science and Information Technology field allows students to bring their general computer knowledge into a variety of specialized niches. The world of Information Technology is always growing and changing, so learning how to keep up with the pace of technology is one of the most important things students learn when enrolled in a degree and post-graduation program of our Department like **B.Sc(IT), BSc (CS), MSc (IT), MSc (CS), MSc (DataScience).**

Staying current on trends in technology and the changing online environment can increase job security and upward mobility. The increasing role played by information technology in the development of society calls for increasing the number of seats for professional courses like Computer Science and Information Technology.

Academic

CS-IT Department is known as an incubator for up-and-coming IT talents. In hopes of discovering some new great minds, placements and research development, around 50 students participated in the Infosys, IGATE, Accenture and Tech Mahindra career fair.

Five faculties from Computer Science , IT and Data Science Department completed their PhD in Computer Science.

On November 18, 2022, the Department of Computer Science and Information Technology organised a tree-planting drive in collaboration with Oikos Essence LLP to motivate students to understand the value of planting

trees. 32 students alongwith Prof. Gaurav Salvi and Prof. Kartikee Murkar participated in the drive.

Beach cleanup activity was organised by the CS-IT and Geography departments on the occasion of Gandhi Jayanti. to encourage students to take responsibility for the environment. The drive was attended by more than 60 students and 2 faculty members.

Dr. Prabha Kadam, Prof. Shubhangi Page and Prof. Gaurav Salvi went for a ship visit of Indian Coast Guard - ICGS Sankalp on the occasion of International coastal cleanup awareness campaign.

The Department of CS-IT organized a visit to the fort and promote awareness about cleaning and preservation so that future generations would continue to value and enjoy these significant sites. Our two faculty members along with 40 students participated in this activity.

To educate and create awareness about social responsibility by conducting events related with environment, Department has encouraged students of FY, SY and TY(BSc CS and BSc IT) to visit various **NGO's** to sensitize them about the social issues faced by the society. Also they had been made to read books on different genres and conducted the **book review** in order to develop their thinking and communication skills.

Almost all of our academic staff is involved in undergraduate and postgraduate teaching. Students are actively involved in internships and projects modules. Many students spend summers as interns in companies. Social activities include participation in Art and Music competitions, Welcoming Freshers, Sports and Gaming Sessions, IT festivals HORIZON, Industrial visits. Students often win awards at collegiate and intercollegiate competitions and events. We also encourage the students to take up NCC and NSS at the undergraduate level for overall personality development.

Events List :

To foster global competence and support career building of students and faculties through various courses, workshops, seminars, events, competitions and industrial visits. Motivate the students to excel in co-curricular and extra-curricular activities and encourage the sportspersons to excel.

Sr no	Activities	Date
1.	DAKSHA We encouraged students to share their expertise with other students and we discovered 21 skills such as SQL programming, Hacking, Painting, Python programming guitar playing, Tabla, Yoga and many more. So these sessions were arranged by the students for the students. To develop social skills and public speaking among students. 12	Fort Cleaning Activity Health and safety: A fort cleaning activity may be necessary to remove debris, dirt, and other hazards that could pose a risk to health and safety. For example, cleaning up mold or animal droppings could prevent respiratory problems or diseases. Preservation: A fort cleaning activity may be undertaken to preserve the historical or cultural significance of the fort. Cleaning and maintaining the fort can help ensure that it remains in good condition for future generations to appreciate and learn from. Aesthetics: A fort cleaning activity may be undertaken to improve the appearance of the fort. Removing trash, debris, and overgrown vegetation can make the fort more visually appealing. Functionality: A fort cleaning activity may be necessary to restore the fort's functionality. For example, clearing out debris from a walkway or entrance can make the fort more accessible. Community engagement: A fort cleaning activity can also serve as a way to engage with the local community. Bringing people together to clean and maintain the fort can foster a sense of pride and ownership in the community	14/01/2023

13	Food Kit Distribution to Poor students Social service and volunteering are acts of kindness benefiting the community. CSIT students are encouraged to volunteer with numerous NGOs and schools for the underprivileged to understand societal problems and work toward the betterment of society. Companies who have approached our Department for the Placement drive includes.

• KPMG India • Wipro • Accenture • Mahindra Satyam • Patni Computers • L & T India • Nokia • Infosys • HDFC

- Dr. Apurva Yadav
Head, Department of Computer Science and IT
(B.Sc and M.Sc)

Cultural Department

At the beginning of the year, first meeting of the Cultural Committee was conducted to plan various activities for the year 2022-23. Similarly, audition sessions were conducted for music, dance, literary events, instrumentals and theatre activities.

Academic Year 2022-23 has been an year full of achievements and celebrations for Cultural Department. In fact, it was a year where offline activities and Competitions were organized after a gap of two years. There was pent-up energy and enthusiasm among student community, all that needed was an opportunity to showcase their talent. Cultural Committee of the college planned and executed various activities and provided all possible support to our students to participate and organize various cultural programmes.

One Act Play Ukali: This year our One Act Play " UKALI" has been simply outstanding: we won 1st Prize at Indian National Theatre (INT- Marathi), 1st Prize at Lokankika One Act Play Competition (Mumbai Division) , Lokankika One Act Play Competition (State Level), 2nd Prize at coveted Sawai(State Level One Act Play Competition) Festival, 2nd Prize at Spandan (Inter-collegiate One Act Play Competition organised by Patkar College Mumbai), 3rd Prize at Advait Competition, individual Prizes at Atal Karandak and Kalankur Festival, Thane Besides, our college has signed an MOU with Rangsangati Kalamanch (started and run by Ex students of Kirti College Cultural Department), wherein 15% of Prize Money is shared with Kirti College by Rangsangati Kalamanch. There were four prizes won by our one Act Play UKALI where entries and other expenses were borne by Rangsangati Kalamanch. On behalf of Rangsangati Kalamanch, UKALI won 1st prize at Youthful Competition, Kawach Kundal Rangbhumi Competition, 2nd Prize at Mrunal Tai Competition and 3rd Prize at Ahmednagar Competition.

Youth Festival: Cultural department participated in Youth Festival organised by the University for the year 2022-23. We won 12 prizes at zonal level of youth festival and 4 prizes at final round of youth festival.

Inter-Collegiate Prizes: We also won first runner up trophy at Sahyadri inter- collegiate festival organised by Lala college, Mumbai and Prarambha inter Collegiate Cultural festival organised by Hinduja College Mumbai.Besides, there were some individual prizes won by ours students at various events organised by different colleges. A few noteworthy are as fofollow: Miss Pratiksha Gaikwad(MA-Political Science) participated in more than 12 literary events and has won several prizes. Miss Vedanti Gide(TYBCOM) has won several prizes in literary and cultural events. Miss Vanshika Shinde has won Inter-collegiate

Elocution Competition. The details of prizes are mentioned at the end of this report.

Antarang-Intra-collegiate Competition: For our own students, cultural department organised Kirti Antarang 2022-23. In this cultural festival 10 events were organised for college students. The events included Rangoli making, mehndi designing, nail art , singing , dance, instrumental, debate, storytelling, mono-acting and Andaz- E- Bayan . There was overwhelming response for all these events as students got an opportunity to showcase their talent after a period of two years. These events were organised between 12th December to 17th December 2022 and Prize Distribution for all these activities was organised on 24th December 2022.

Antarang Inter-collegiate Cultural Festival has created a niche for itself among the colleges of Mumbai City since it's inception in 2019. This year the festival was conducted between 14th January to 17th January 2023. From 14th January to 16th January, various events were organised in the College where as on 17th January 2023, final round of these events were held at Swatantra Veer Savarkar Auditorium, Dadar, Mumbai. About 800 plus students competed in 32 different events for overall championship. Hinduja College won the overall championship, Ruia College was 1st Runner up whereas Somaiya college was adjudged as 2nd Runner-up. Cast of Marathi movie Team Piccolo inaugurated the event, whereas for prize distribution function well known celebrities Manasi Naik and Miss Ketaki Palav were the Chief Guest and Guest of Honour respectively.

Prof. C.M. Joshi :

1. Professor In-Charge 56th A.D. Shroff Memorial elocution competition.
2. Professor In-Charge, Study tour to Rice Fields of Umroli Village, Karjat, Raigad.
3. Member of organising committee for special seminar on "Socio=Economic Significance of Investment in Capital Market under Surjan Activity..
4. Chairman, Faculty Club In-Charge, College Cultural Committee Member, Gymkhana Committee, Member Managing Committee
5. Annlau Prize Distribution Committee Secretary, BOS in Economics.
6. Guest Lecture on Union Budget 2022-2023 at CKT College, Panvel

Prof. S.V. Parab:

She is working as an Associate Professor in the Dept of Economics.

She worked as a Secretary for the Board of Studies in the subject of the Foundation Course of Kirti M. Doongursee College. She organized the meeting to fulfill the agenda such as discussing and confirming regarding syllabus, evaluation pattern and question paper pattern. She discharged all the duties of the Secretary. She was also a part of the Board of Studies in the subject of Economics of Kirti M. Doongursee College.

On the occasion of Amrut Mahaustav (75th Independence Day Celebration) on 8th August, 2022, the college organized various events for the students. She was Prof-in-charge of Rakhi Making Competition along with Prof Ankush Dalvi (NSS Programme Officer). In this competition 49 students from the various streams participated and got good responses. This competition took place at Junior College, Physics Lab (Ground floor). Winners were selected by the prof-in-charge and they were given certificates of appreciation.

She was a mentor for the group of students for all the classes such as Third year, Second year and First Year B.COM and BA assigned by the mentor-mentee committee.

She was a member of committees such as Admission, IQAC, Avishkar, ICC and Anti-Ragging for the academic year 2022-23.

She has performed her examinations and evaluation duties for under-graduates and Postgraduates classes assigned by the college. She worked with her department members in framing syllabus for the first year BA students under Autonomous status for the college. She was assigned a task to work on the syllabus of subject Public finance (Major Paper II) and Financial Literacy (Skill Enhancement Course).

She completed the AQAR exercise of IQAC for the department and also provided them with documents.

She used her innovative skills to create a drive for the department to save various folders and files from the previous year to present. She worked hard for the year to gather previous reports and documents to compile in folders yearwise. This humble attempt will help the members to access the information and present it as and when required. It was a quality enhancement initiative for the department as a member of IQAC.

- Dr. D.S. Manwar
Prof. and Head, Dept. of Economics

Department of English

1) The department kick started in June with college being autonomous with lot many aspirations and challenges. On September 15 2022 we organised a field visit to Dosti House American Centre BKC Mumbai.
2) On 27th September 2022 Tuesday, Principal M.G. Bhate and S. S. Hoskot Memorial lecture was arranged on "Music in Poetry" with the resource person, Prof. Shanti Polamori.
3) After semester one, three and five we had hordes of activities.

   On the Youth Day that is 12th January, 2023, a university level workshop was organised on "Motivus" with the department of psychology on 15 February. 2023.
4) Another workshop was organised on "Dissertation Writing" for PG students of English, Political Science and Economics on 6th February. 2023.
5) TYBA students participated & presented papers in an inter-collegiate workshop on "Challenges in translating short stories" on 6th February 2023 in M.D. College, Parel.
6) Students of the department visited Kala Ghoda festival on 6th February 2023 and watched a performance on "Tumhari Amruta".
7) Two activities were performed by students in the academic festival, SRUJAN, in February 2023 1) Wit on the wall 2) Performer in You.

Individual Achievements of Dr. J. S. Mundhe- 2022-23

1) A Talk was given on "Careers in translation" in Sonopant Dandekar College, Palghar on 2nd February 2023.
2) Was invited as a resource person for one day workshop on Importance of Modern Technology in Research in S. B. College, Shahpur on 23rd February 2023.
3) Chaired a technical session in an International conference on Unravelling the Scope of Future Research in Humanity and social sciences on 27 th August 2022.
4) Accompanied the students of the department visited Kala Ghoda festival on 6th February 2023 and watched a performance on "Tumhari Amruta"
5) Presented a paper on "Aging of women: Feminist Reading of Edward Albee's Three Tall Women" in an international conference on Unravelling the Scope of Future Research in Humanity and social sciences on 27 th August 2022.
6) Developed a content for IDOL students of TYBA, English paper VI, Translation Studies, Semester V on 4th January 2023 and 9th February 2023.
7) Was a chairperson of syllabus committee, Board of studies, Mumbai University of TYBA, English paper VI, Translation Studies: Theory and Practice.
8) Published a chapter in a book titled, Diaspora: Issues & Challenges, in the year 2023, page number 24-30 by Perception publishing house, New Delhi ISBN 978 9 39 59 49040.
9) Published a paper in UGC care approved peer reviewed and referral journal, Utkal Historical research journal, published in volume 36 number 123. Title: Technique as Style: A Close Look at Edward Albee's Three Tall Women"
10) Appointed as research supervisor at Vaze Research Centre, Mulund, Mumbai.

- Dr Jyoti S. Mundhe
Head, Dept. of English

Department of Geography

The Department of Geography started its academic and extracurricular activities for the year with great enthusiasm. The year starts with College getting Autonomous status for First Year batch. Board of Studies for Geography and Environmental Studies is formed under the Chairmanship of the undersigned. Keeping the same Syllabus of University of Mumbai, evaluation pattern has been revised to 60:40 marks.

This year 46 students took admission for TYBA with Geography as special subject.

We kick started this year to celebrate "Vanmahotsav 2022" on 12th July, 2022 under which medicinal plant saplings were collected and planted at various places.

This was followed with spontaneous organization of "Vyas Poojan" by TY students on 18th July, 2022 on account of Gurupournima.

On 17th September 2022 TYBA/SYBA/FYBA students participated in Beach Cleaning Activity near college campus organized by My Green Society and NSS Unit.

Prof. Rohan Rajapkar with the help of students created audio documents/notes for visually impaired students on 17.09.2022.

On 8th November 2022, 32 Students from Geography and CS-IT Departments voluntarily visited Karjat Bhoirwadi "Nav-Balodyan Trust (Sane Guruji School Trust) to develop their Medicinal plant nursery and planted more than 70 tree saplings. They also learned the process of making vermicompost.

The Geo Nature Club of Department of Geography coordinated an E-waste collection drive at the campus on National Recycle Day 15th Nov 2022. Members of the green gang made an oil container-based E-Waste collection bin.

On 13th December 2022, "Jagrut Mumbaikar Abhiyan" was organized in order to create awareness about cyber security risks among students. Guest Lecture was conducted regarding same by Cyber Cell, Mumbai Police which was attended by 84 students.

A field visit of students to Smart Eco Park at Karnala Bird Sanctuary was organized on 26th Dec 2022. A total of 140 students from Geography, CS-IT and EVS Departments along with 4 faculty members participated. The main objective of this initiative was to learn the importance of environmental conservation and sustainable development practices, such as eco-tourism, in preserving biodiversity and protecting natural habitats.

On 5th January 2023 Department organized a workshop on "ODK – OPEN DATA KIT SOFTWARE". The resource person, Prof. Dyaneshwar Bombe (HOD, Department of Geography, Sathaye College) is a renowned expert in the software and its applications. Prof. Bombe presented various ways in which the software can be used, highlighting different applications in mapping, data collection and analysis of spatio-temporal datasets. After this, the participants were split into small groups and each group was assigned to complete a particular project.

On the occasion of 'Geography Day' - 14th January, a guest lecture was organized on "Heritage Tourism and Role of Historical Factors in Promotion of Tourism" by Prof. Omkar Salunke, Department of History, Kirti M. Doongursee College. The focus was on how heritage sites and monuments can be used as tourist destinations and how their importance can be highlighted to attract more tourists.

A field trip for TYBA Geography students was organized from 16th to 20th January 2023, to Konkan Region of Maharashtra. 36 students participated in the trip along with 3 faculty members. Students were able to learn and understand physical geography of the region as well as climate and weather patterns and its impact on human activities.

On 25th January 2023, 17 students from Geography and CS-IT Departments of Kirti College, along with the Astrid Foundation, visited Shiroshi Primary School in Jawhar, Palghar a tribal district in Maharashtra. On 26th January students decorated the school for flag hoisting ceremony and distributed school kits and sports kits to the tribal students with the help of local journalist Manoj Kambli.

On 3rd February 2023 interactive session on the "Future of Work: Industry 4.0 Innovation and 21st Century Skills" was organized by the IQAC of Kirti College and NMITD

in collaboration with JSKBS and the Department of Geography, with the support of Savishkar India. It was attended by 131 participants.

Under the banner of the Annual Academic Festival 'Srujan 2022-23', Department of Geography organized two different activities:

1) 08th February 2023: Guest lecture was organized on "Understanding the Role of Educational Institutions in Biodiversity Conservation – A Case Study of University of Mumbai, Kalina Campus" by Dr. Aparna Phadke, Assistant Professor, University of Mumbai which was attended by 110 students. During the lecture she spoke about various aspects of biodiversity conservation and the role educational institutions in this field. She shared insights from her research and work based on the University of Mumbai's Kalina Campus which is home to a variety of plant and animal species.
2) 10th February 2023: A workshop-cum-competition on theme-based digital poster making was held where Prof. Rohan Rajapkar provided tips and guidance to create high-quality and visually appealing posters by using Canva App. This was followed by a competition to showcase the skills and creativity of the participants. The themes of the poster-making competition were Sustainable Development Goals (SDGs), Biodiversity, Disaster Management and Mitigation. 48 participants participated in the event.

The AY 2022-23 ended with a grand Farewell party spontaneously organised by TYBA students on 26th April 2023. Students shared their memories and feedback of last three years they spent in Degree College.

Faculty participation :

Prof. Vrushali Bhalerao :

1) Attended various webinars organized by different institutions based on the themes – Environment, Biodiversity, Wetland Eco-System, Climate Change, Sustainable Agricultural Practices etc.
2) Appointed as VC Nominee as Subject Expert on the Screening-cum-Evaluation Committee for Career Advancement for the promotion of teacher for various colleges.
3) Actively participated in One Day Workshop on Revised Syllabus of SYBA Geography Paper II & III, jointly organized by Sathaye College and BOS in Geography, University of Mumbai.
4) Appointed as Judge for the Floral Rangoli Competition conducted by the Department of Botany, Kirti College.
5) Participated in a University Level Workshop "Motivus: Unfolding the Psycho-Drama" organized by the Departments of English and Psychology.
6) Appointed by Hon. Vice Chancellor as Nominee Member on Board of Studies, Department of EVS & FC on Thakur Educational Trust's Thakur College of Science & Commerce, Thakur Village, Kandivali, Mumbai.
7) Appointed as Chairperson for TYBA Geography, Sem. VI, Paper VIII – Biogeography.

Prof. Rohan Rajapkar :

1) Conducted 2 Days Field Survey at Indian Women Scientist Association, Vashi, Navi Mumbai, where 10 students with faculties provided voluntary service to generate QR Code for trees at their premises.
2) Celebrated Azhadi ka Amrut Mahotsav and participated in Yoga Session with NCC Boys and Sagari Suraksha and clean up and awareness drive on 10th August 2022.
3) On 2nd October as a Coordinator of Leo Club of Shivaji Park organized beach clean-up and awareness drive in collaboration with Lions Club of Shivaji Park and NSS Unit with more than 100 Students.
4) On 26th November 2022 on the occasion and celebration of Constitution Day visited Palghar. Also visited Lok-kala Mahotsav at Jawhar, Palghar on the occasion of Bhagawan Birsa Munda birth anniversary.
5) Organized inauguration ceremony of Butterfly Graden sponsored by Lions Club of Shivaji Park at Kirti College on 10th December 2022.
6) Particiated in Special Coastal Clean up Drive with NCC Students of Kirti College organised by Indian Coast Guard (West Region) on 7th January 2023.
7) On 11th January 2023 Visited INS Sankalp at Mazgaon Dock special visit for faculty and NCC Cadets were organized by Indian Coast Guard.
8) Participated in International Research Methodology Workshop on "Fieldwork Research in India: Issues and Challenges" on 13th March 2023 organized by SNDT University, Mumbai; Bhartiya Gyan Sanskrit evam Yog Kendra, University of Qubec, Monteral; Bureau du Quebec a Mumbai and TISS held at SNDT University Juhu Campus.
9) Attended Two Days Interdisciplinary International e-Conference on "Recent Trends in Humanities, Social Sciences, Sciences and Commerce" (ICRTHSSC-23): 20th –21st March 2023 organized by Internal Quality Assurance Cell, SGV&SSP's Arts, Commerce and Science College, Onde Taluka – Vikramgad, District – Palghar.

10) Successfully Completed one Week Online National Faculty Development Program/ Certificate Program on "Blended Teaching Learning Enlightening NEP-2020" organized by Guru Angad Dev Teaching Learning Centre of Ministry of Education, SGTB Khalsa College, University of Delhi, Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) in Collaboration With S.K.College of Science and Commerce. From 10th March to 16th March 2023.
11) Participated in one day Seminar on "Innovation and startup Entrepreneurship opportunity to academicians" organized by Innovation and Incubation Cell of Kirti College on 24th February 2023.
12) Participated in Training Program on NEP 2020 at Chandrapur Forest Academy Training Centre from 22nd to 25th Jun 2022 organized by Bhartiya Shikshan Mandal.
13) Organized Induction and Installation Programme of Leo Club of Shivaji Park on 16th June 2022 for which all Leo Board members (Nominated Students) were Present.
14) Participated in Personality Development and Leadership Training Program 2023 organized by Disha Bharat on 6th and 7th February 2023
15) Published Research paper on "Geopolitics @75- Exploring The "India Way" " at Two Days Interdisciplinary International e-Conference on "Recent Trends in Humanities, Social Sciences, Sciences and Commerce" (ICRTHSSC-23) organized by Internal Quality Assurance Cell, SGV&SSP's Arts, Commerce and Science College, Onde Taluka – Vikramgad, District -Palghar, on 20th and 21st March, 2023.

Prof. Lalita Salvi :

1) Visited Exhibition and Event with FYBA students (GEO MUMBA) organized by Department of Geography, University of Mumbai on 17th March 2023 where student won 2nd rank in Slogan Writing.
2) Participated in National Level Online Seminar on "Population, Society, Development and Environmental Sustainability" organized by Department of Geography and Internal Quality Assurance Cell (IQAC) in collaboration with The Bombay Geographical Association on 19th April 2023.
3) Successfully completed the 'NGP-DST Winter School on Geospatial Science and Technology –Geospatial Capacity Building (Level 1) Program' with "A" grade, conducted from 5th to 25th December 2022 by Department of Geography, University of Mumbai and sponsored by Department of Science and Technology, Government of India, New Delhi.
4) Participated in a 16-day (32-hour) international online workshop from 10th to 28th January 2023 on 'Digital Image Processing' organized by Nya. Tatyasaheb Athalye Arts, Ved. S.R.Sapre Commerce and Vid. Dadasaheb Pitre Science College, Devrukh (Dist. Ratnagiri) in collaboration with MoU institutions in India.
5) Participated in the seminar on "Innovation & Start-up: Entrepreneurship Opportunity to Academicians", organized by Innovation & Incubation Cell (IIC) in collaboration with Research cell and Internal Quality Assurance Cell (IQAC) on 24th February 2023 at Kirti M. Doongursee College.
6) Participated in the one week faculty development programme on 'Urban Flood Risk Mitigation and Management' organized by Department of Civil Engineering, R. H. Sapat College of Engineering, Management Studies and Research Nashik and Water Institute, University Visvesvaraya College of Engineering (UVCE) Bangalore, from 14th to 18th November 2022.

Students Participation :

1) 3 students from TYBA participated in Kirti Avishkar Research Convention 2023 and presented the poster on the topic "Land Use and Land Cover Changes in the Eastern Coast of India Using Remote Sensing and GIS".
2) Sumit Pathriya a FYBA student participated in Prestigious Kani Memorial PPT Presentation Competition organized by B.K.Birla College in association with The Bombay Geographical Association and University of Mumbai Department Of Geography. He received Consolation Prize.

Highlight of the Annual Result :

Ms. Nishi Shah TYBA Geography student stood first in Arts faculty with CGPA of 9.66 at TYBA examination.

For all the above activities Prof. Rohan Rajapkar, Prof. Lalita Salvi, Shri Lilendra Jha & Shri Ashok Dalvi, Lab Attendants and student volunteers have put in lot of efforts to make them huge success.

- Prof. Vrushali Bhalerao
Head, Department of Geography

Department of History

1) **Chhatrapati Shivaji Rajyabhishek Lecture 6th June 2022.**

A lecture about the life and achivements of Chhatrapti Shivaji was delivered by Dr. Jayant Wankhade in the College Library on the occasion of Chhatrapati Shivaji Rajyabhishek. The lecture was attended by a member of students as well faulty members.

2) **Chhatrapati Shivaji Rajyabhishek Speech, 15th June 2022**

A Lecture about the life and history of Chhatrapati Shivaji was organised by the History Department. The lecture was delivered by Principal Vitthal Kamble of Chembur Government School as part of Chhatrapati Shivaji Rajyabhishek celebration. The Studens learned about the history of Marathas and Life of Chhatrapati Shivaji Maharaj.

3) **Lokmanya Tilak and Youth 1st August 2022**

On the occasion of Lokmanya Tilak's Death Anniversary a lecture entitled, "Lokmanya and Youth' was organised by the History Department. The lecture was delivered by Dr. Mrinal Saraf, Director of Shalaka Biosciences, and was attended by a number of students and faculty members.

4) **Swami Vivekanand Guest Lecture, 3rd August 2022.**

Members of the Swami Vivekanand Yuva Varg delivery a lecture and interacted with the students of Kirti college about the life and achivement of Swami Vivekanand and inspired the students to devote their time for service to society.

- Prof. Nitin V. Kharat
Programme officer
Extension Work Teacher

Department of Mathematics

Prof. Mathew Samuel

The Head of Mathematics Department, IQAC coordinator Prof. Mathew Samuel retired from our department after completing 36 glorious years of service in Kirti college on 31st December 2022. He led the department as Head of the Department for three years with an indomitable spirit. He had started the Kirti Photography exhibition 'Drishti' with photos displayed in various categories by renowned photographers of Mumbai and an intercollegiate photography competition. He was also a founder member of an activity called 'SRUJAN' where like-minded teachers got together in an endeavour to promote scientific temper. Today we have an annual week-long activity by the same name in which all departments organize academic programmes. During the last five years of his career he was IQAC and NAAC coordinator. He was well known for his adherence to discipline and commitment to work and hence he was respected by the staff members and students .We will definitely miss his presence. We wish him a happy and healthy life in the years to come.

Prof. S. N. Garge

Prof. S. N. Garge was transferred to Brihan Maharashtra College of Commerce, Pune in Dec 2022. The department wishes him all the very best for his future endeavors.

Prof. Mamata B. Patil

Prof. Mamata B. patil had joined the department from August 2022. She is qualified with CSIR-NET (AIR 88) and SET in Mathematics. She is having 16 years teaching experience of Engineering College.

Prof. Dinesh Kumawat

Prof. Dinesh Kumawat had Joined the department from December 2022. He is qualified with CSIR-NET(AIR 137), SET and GATE in Mathematics. He is having 4 years of teaching experience of degree college.

Mathematics department has MOU with Maharshi Dayanand College of Arts, Science & Commerce, Parel, Maharashtra College of Arts, Science & Commerce, Boman Behram Road, Mumbai. Bhavan's Hazarimal Somani College, Chowpatty.

The Mathematics Department had organized the following events in the academic year 2022-23 .

1. BRIDGE COURSE: OnlineBridge Course in Mathematical and Statistical Techniques for F.Y.B.Com. Students

   Department of Mathematics had organized an online Bridge Course in Mathematical and Statistical Techniques for FYBCom students through Google Meet platform from 12th August 2022 to 30th August 2022 under MOU.

   Secretarial Practice is optional subject with Mathematics and Statistics at HSC level. Many students seeking admission to FYBCom drop Mathematics and Statistics at HSC level and opt for Secretarial Practice. This leads to a gap in their Mathematics practice. Also, many of them have fear of Mathematics. In F.Y.B.Com, Mathematics and

Statistical Techniques is a compulsory subject and students are not able to cope and confidently work with this subject.

In order to provide adequate foundation which is required to complete the course of Mathematics and Statistical Techniques at FYBCom successfully, Mathematics Department of Bhavan's Hazarimal Somani College of Arts and Science, Maharshi Dayanand College, Maharashtra College, Kirti M. Doongursee College of Arts, Science and Commerce, which are under MoU, conducted an online Bridge Course for the FYBCom students admitted for academic year 2022-23.

2. **Guest Lecture :** Guest lecture on "Shares and Mutual Funds" for FYBCOM students

   Department of Mathematics had organized Guest lecture on "Shares and Mutual Funds" for F.Y.B.Com students in the academic festival "SRUJAN 22-23" on 8/02/2023 at JSKB hall from 9.00 am - 11.00 am. Guest Speakar of the event was Mr. Girish Bhalchandra Sathe (B.Com.,LLB.) Independent Investor and Advisor from last 25 years

   Objectives of the lecture : To give the basic knowledge about shares and mutual funds to students, To understand different facts of actual treading, to create a deeper understanding with the basic terminologies of share market and its applications and to develop an interest in shares treading. Approximately 129 students attended the program with huge response in question and answer session.

3. **Mathematical Game "Mathematical Sapsidi"** : Intercollegiate MathematicalGame "Mathematical Sapsidi" under MOU for FY,SY,TY Bsc Mathematics students in the academic frestival "SRUJAN 22-23".

   Department of Mathematics had organized "Intercollegiate Mathematical game as "Mathematical Sapsidi" on 10th Feb 2023 from 9.00am to 1.00 pm at Kirti college ground. Prof. Dinesh kumawat was coordinator for this event. H.O.D. Mrs. Mamata Patil welcomed everyone. On this occasion Principal Dr. D. V. Pawar and Vice Principal Dr. Minal Mapuskar inaugurated "Sigma Club", in this event 4 teams participated from the following colleges

1. Deccan Education Society's Kirti M. Doongursee College(Autonomous),
2. Maharshi Dayanand College of Arts, Science and Commerce,
3. Maharashtra College of Arts, Science and Commerce,
4. Hazarimal Somani College of Arts, Science and Commerce.

   Students from F.Y.B.Sc. of the subject mathematics and F.Y.B.Com worked as volunteers. The decoration, arrangement, administration, hospitality etc were very well handled by them and have improved their organising skills.

   All the participants and audience were exited and enjoyed the event.

   Following are Winners Details:

   1st Prize: M.D.College

   2nd Prize: Bhavan's College

   3rd Prize: Kirti College

   Mathematical game provides a structure and process for student to engage in problem solving in order to reach a particular goal or objective.

4. **Maths Show:** Students of Department of Mathematics participated in the "Maths Show" on 7/01/2023 organized by Maharshi Dayanand College under MOU with, Kirti College, Bhavan's H. Somani College. In all 21 exhibits about the mathematical based themes were displayed.

   The results of the show are as follows.
   1st Prize: Maharashtra College
   2nd Prize: Kirti College
   3rd Prize: Maharshtra College

   The objective "creating students' interest in the subject Mathematics" of the show is successfully achieved.

5. **Mathematics Quiz Competition:**

   Students of Department of Mathematics had participated in the Quiz Competition under MOU at Maharashtra college as "Intercollegiate Mathematics Quiz Competition" on 19th December 2022 from 09:00 am to 01:00 noon at Mohammed Ali Mitha Auditorium.

   The four teams that participated were Maharashtra colleges, M. D. colleges, Kirti College and Somani college consisting of three students each. The results of the quiz are as follows.

   1st Prize: Somani College
   2nd Prize: M D College
   3rd Prize: Maharashtra College

   All the participants and audience were very excited and enjoyed the event.

Seminars/ Workshops/ FDP's attended :-

Mrs. Mamata Patil

a) How to fill Patent Application(workshop on IPR) 4th march 2023 organised by kirti college

b) Inovation & incubation opportunity to academicians (Seminar) 24th February 2023, organised by kirti college.

Mr. Dinesh Kumawat

Multivariable Calculus (NPTEL online course on Swayam) Jan-Mar 2023 (8 weeks)

- Prof. Mamata B. Patil
Head, Dept. of Mathematics

NCC (Boys)

Training of NCC develops qualities like nationalism, patriotism, discipline, team spirit, leadership, self-confidence and promote overall personality development among the cadets.

DETAILS OF VARIOUS CAMPS ATTENDED BY OUR CADETS:-

GV MAVLANKAR CATC 1: Held at Khadavli conducted by 1 MAH GIRLS BN , from 23 February,2022 to 10 March,2022 In this camp CDT BANSODE SHUBHAM R.Participated and got selected for open sight 3 position in next camp .

GV MAVLANKAR CATC 2: Held at Khadavli conducted by 1 MAH GIRLS BN , from 30 March,2022 to21 April,2022 In this camp CDT BANSODE SHUBHAM R. Participated and got selected for open sight 3 position in next camp .

ARMY ATTACHMENT CAMP- Artillery : Held at ARTILLERY CENTRE , NASHIK ROAD from 04 April, 2022 to 18 April, 2022attended by CQMS TARI MRUNMAY C., SGT JADHAV ABHISHEK, SGT BHOSALE AAYUSH, SGT SURVE YASH, CDT RAUT ATHARV. They learned about various weapons and artillery guns used by Indian Defence forces.Camp lead by CQMS TARI MRUNMAY C

ARMY ATTACHMENT CAMP -512 Workshop :Held at Pune from 27 April, 2022 to 6May, 2022 attended by SGT MORE MANDAR S. and CDT. AHER HEMANT S.They visited various places such as 512 Army base workshop, CME college of military Engineering, Army rowing node Pune, Bombay engineer group Centre and Bombay sappers and museum, National defence academy, AUNDH military station, Bn ex 330 inf battalion (24 Maratha light infantry), CAFVD Karki – Pune (Central Armored Fighting Vehicle Depot) Dighi firing range. Camp lead by SGT MORE MANDAS S.

GV MAVLANKAR CATC 3: Held at Khadavli conducted by 1 MAH GIRLS BN , from 10 May,2022 to19 May, 2022 In this camp CDT BANSODE SHUBHAM R. Participated and got selected for open sight 3 position. He will represent MUMBAI-B' Group in INTER GROUP COMPETITION (IGC) at Pune.

ALL INDIA G. V. MAVLANKAR SHOOTING CHAMPIONSHIP (IGC): Held at GROUP HEADQUARTER PUNE, CDT BANSODE SHUBHAM R.represented MUMBAI-B' Group and our unit at BALEWADI STADIUM Puneand won SILVER MEDAL in 3 position rifle shooting championship.

PRE TSC CATC 1: Held at Nashik conducted by - 7 MAH BN NCC from 01 July, 2022 to 10 July, 2022 attended byCJUO BHOSALE AAYUSH, SGT MANDAR DESAI, SGT SHIRGAONKAR SWAROOP,L/CPL GOLE VAIBHAR ,CDT HUMARE ANKUR, CDT SHARMA KARTIK, CDT REDIYA LALIT, CDT NAGTILAK ANIKET,CDT KADAM SAIRAJ, CDT GAIKWAD VEDANT. In this camp they participated in various events such as Obstacles, Map reading, Health and hygiene, Tent pitching, Field signals and Judging distance.. Camp lead by CJUO. BHOSALE AAYUSH G.

PRE TSC CATC 2: Held at Nashik conducted by - 7 MAH BN NCC from 14 July, 2022 to 23 July, 2022 attended by CJUO BHOSALE AAYUSH, SGT MANDAR DESAI, SGT SHIRGAONKAR SWAROOP, CDT HUMARE ANKUR, CDT SHARMA KARTIK,CDT KADAM SAIRAJ, CDT GAIKWAD VEDANT. In this camp they participated in various events such as Obstacles, Map reading, Health and hygiene, Tent

pitching, Field signals and Judging distance. . Camp lead by CJUO. BHOSALE AAYUSH G.

PRE TSC CATC 3: Held at Nashik conducted by - 7 MAH BN NCC from 28 July, 2022 to 04 August, 2022 attended by CJUO BHOSALE AAYUSH,CDT HUMARE ANKUR, CDT SHARMA KARTIKIn this camp they participated in various events such as Obstacles, Map reading, Health and hygiene, Tent pitching, Field signals and Judging distance. Camp lead by CJUO. BHOSALE AAYUSH G.

TSC IGC: Held at Aurangabad conducted by - 7 MAH GIRLS BN NCC Aurangabad group from 05 August, 2022 to 12 August, 2022participated by CDT HUMARE ANKURS. selected for Individual Obstacles.

PRE RDC CATC 1: Held at Khadavli conducted by 1 MAH BN NCC from 14 September, 2022 to 21 September, 2022. Attended by CSUO. DHINGIYA NIKHIL V., CJUO. JAMDADE OMKAR C., SGT POL SAHIL S.,SGT POWAR SAURAV S.,CPLGHADI LALIT S.,CDT KURIL ARYAN., CDT GAMBHIRE VIDHAN., CDT DESAI SHREYANSH., CDT JARE OMKAR. They participated in various events such as Drill, Guards of Honour, Cultural, Best cadet, Flag area. Camp lead by CSUO. DHINGIYA NIKHIL V.

PRERDC CATC 2: Held at Khadavli conducted by 1 MAH BN NCC from 23 September, 2022 to 30 September, 2022. Attended by CSUO. DHINGIYA NIKHIL V., CJUO. JAMDADE OMKAR C., SGT POL SAHIL S., CPL POWAR SAURAV S., CPL GHADI LALIT S., CDT KURIL ARYAN., CDT GAMBHIRE VIDHAN., CDT JARE OMKAR. In this camp our cadets were selected for various events CSUO. DHINGIYA NIKHIL V. CPL POWAR SAURRAV S. were selected for Drill, CJUO. JAMDADE OMKAR C.CPL GHADI LALIT S. were selected for Guard of HonourSGT POL SAHIL S. was selected for Flag area, CDT GAMBHIRE VIDHAN CDT JARE OMKAR were selected for Best cadet and CDT KURIL ARYAN was selected for Cultural .Camp lead by CSUO. DHINGIYA NIKHIL V.

CATC 502: Held at Khadavli conducted by 1 MAH BN NCC from 23 September, 2022 to 30 September, 2022. Attended by SGT KHARAT VISHAL, SGT SHENDGE OM, CPL PALANDE PRASAD, CDT PEDDI ARVIND, CDT TIWARI ABHISHEK. In this camp they learned leadership skills, discipline, and time management skills.

PRE RDC CATC 3: Held at Khadavli conducted by 1 MAH BN NCC from02 October, 2022 to 09 October, 2022 Attended by CSUO. DHINGIYA NIKHIL V., CJUO. JAMDADE OMKAR C., SGT POL SAHIL S.,CPL GHADI LALIT S., CDT KURIL ARYAN. In this camp our cadets were selected for INTER GROUP COMPETITION (IGC) CSUO. DHINGIYA NIKHIL V., CJUO. JAMDADE OMKAR C. were selected for Drill contingent and SGT POL SAHIL S. was selected for Flag area . They'll represent MUMBAI -B' Group and our unit in next camp. Camp lead by CSUO. DHINGIYA NIKHIL V.

ARMY ATTACHMENT CAMP – MAHAR REGIMENT CENTRE:Held at MAHAR REGIMENT CENTRE PUNE, from 10 October to 15 October 2022 attended byCDT VISHWAKARMA RAJAN,SGT PATEL AJIT, CDT AHIRE VIKAS, CDT SINGH SAJAN, CDT DUBEY NIKHIL, LCPL SARGAR DNYANESHWAR, CDT SHINDE ARYAN, CDT PATIL YOGESH,CDT NIRMAL ASHWINI,CDT MALIK LAXMIKANT. EVENTS AND OTHER ACTIVITIES DONE BY OUR CADETS :-

PUNEET SAGAR ABHIYAN: Held at Girgaon Chowpatty on 10 June, 2022. It is aimed to synergise efforts toward engaging youth for promoting clean water bodies. The NCC had launched Puneet Sagar Abhiyan on 1st December last year. The aim of the campaign is to clean sea shores from plastic and other waste material and create awareness about the importance of cleanliness10 cadets and Prof. GAURAV SALVI attended this event.

INTERNATIONAL YOGA DAY: Held at JSKB HALL on 21 June, 2022The theme of this year Yoga Day Celebration is "Yoga for humanity" and around 25 crore people across the world took part in various events around the globe. Doing yoga in unison towards better health and wellness for all.20 cadets attended this event.

We the cadets of 1 MAH BN NCC KIRTI COLLEGE contributed to this initiative by arranging yoga day event in our college and hosted over 300 cadets from various colleges and schools and their ANO's and CTO's. It was a very proud moment for us for getting the opportunity to organize this event in Kirti College. We would like to thank all the dignitaries' teachers and supporting staff from the college and all the cadets who attended this event.

KARGIL VIJAY DIWAS: Held at JSKB HALL on 26 July, 2022.Kargil Vijay Diwas is celebrated across India to pay tribute to the brave soldiers who laid down their lives in the line of duty.

At sharp 1000 hrs our guest arrived by the JSKB hall escorted by our pilots at the venue. Then cultural activities and plays were performed by cadets of NCC.Our Chief Guest Col Tripathi sir shared memories related to kargil war and guided us with his experience.A beautiful flag area was created by our NCC cadets and also explained the significance of it to the Guest. Snacks were served and everyone was released at 1230 hrs.CTO. DR PRASHANT GHORPADE, 32 Cadets and committee members Prof. VITTHAL SONTAKKE, Prof. ROHAN RAJAPKAR, Prof. GAURAV SALVI attended this event .

HAR GHAR TIRANGA AWARENESS RALLY: Held at JSKB HALL on 11 August, 2022. To invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. 50 cadets along with CTO. DR PRASHANT GHORPADE, Principal DR. D. V. PAWAR, Prof. GAURAV SALVI marched with flags and banners. We learned Patriotism and unity .

BLOOD DONATION CAMPAIGN: Held at Reading hall on 13 August, 2022.A blood donation occurs when a person voluntarily has blood drawn and used for transfusions and/or made into biopharmaceutical medications by a process called fractionation (separation of whole blood components). Donation may be of whole blood, or of specific components directly (apheresis). Blood banks often participate in the collection process as well as the procedures that follow it. Today in the developed world, most blood donors are unpaid volunteers who donate blood for a community supply. In some countries, established supplies are limited and donors usually give blood when family or friends need a transfusion (directed donation). Many donors donate for several reasons, such as a form of charity, general awareness regarding the demand for blood, increased confidence in oneself, helping a personal friend or relative, and social pressure. 4 cadets participated in this event.

INDEPENDENCE DAY: Held at Kirti college ground on 15 August, 2022. Event started at sharp 0830hrs and at the beginning of the event the Chief Guest Dr. D.V. Pawar sir was escorted by escorting Pilot SGT Gole Vaibhav and SGT Powar Sourav to the Flag area after that Dr. Pawar sir hoisted the Flag and the parade commander CSUO. DHINGIYA NIKHIL V. commanded the entire pared to give salami shastra to the national flag and then National Anthem was sung by the cadets and then the oath was given to all the NCC cadets by our chief guest and all

the guest headed for the next event in the JSKB hall.100 cadets along with Prof. GAURAV SALVI participated in this event

INDIAN COAST GUARD AWARENESS LECTURE: Held at JSKB HALL on 30August,2022. In morning from 0930 Hrs all the arrangements were done with the help of NSS volunteers. And at sharp 1000 hrs event was started with a briefing of Deputy Commandant Akashdeep Singh on this event, later on Subordinate officer Ganesh Kuware spoke few words on it. Our College magazines were given to the guest by Vice Principal Prof. Vitthal Sontakke Sir. 50 cadets and committee membersProf. VITTHAL SONTAKKE, Prof. ROHAN RAJAPKAR, Prof. GAURAV SALVI attended this event .The closing address was given and then we sung National anthem and the event was called off at 1100 hrs. Objectives of Indian coastguard are to protect our ocean and offshore wealth including oil, fish and minerals. to assist mariners in distress and safeguard life and property at sea. to enforce maritime laws with respect to sea, poaching, smuggling and narcotics. to preserve marine environment.

PUNEET SAGAR ABHIYAN: Held at Girgaon Chowpatty on07 September, 2022.To inspire students to protect and preserve the environment.To gather information on what type of plastic pollution affects their volunteering experience the most.Removing “trash blindness” – Once you participate in enough cleanups, you’ll start to notice trash in the environment everywhere you go. Recognizing the problem is the first step in solving it. 25 cadets participated in this beach cleaning event.

MUMBAI UNIVERSITY CONVOCATION: Held at Mumbai University on 06 October, 2022.Kirti College NCC units were called for volunteering And escorting Hon. Bhagat Singh Koshyari Chancellor of Mumbai University. Escorting pilot Powar Saurav and Gole Vaibhav escorted the Governor to the Convocation hall at the University. At 1100 hrs all Cadets headed to college and from there all were released. 20 cadets attended this event. With committee member Prof. GAURAV SALVI.

LIBRARY ORIENTATION: Held at Library on 20 October, 2022. Our unit has conducted the Library orientationevent at kirti college in library hall ground floor.The main objective of the user orientation is to introduce the library facilities, resources, services and library techniques to the users. The orientation programmakes the users to familiarize to the resources and increases the use of library.28 cadets with committee member Prof. GAURAV SALVI attended this event.

CYCLE MARATHON: Held at Byculla on 06 November,2022. 30 cadets with committee member Prof. GAURAV SALVI. Attended this event, To improve communication and teamwork abilitiesCreating a sense of community among team members as they work toward a common objective.

NCC DAY 2023: Held at Kirti college ground on 02 January, 2023. event started at 0930 hrs with the arrival of guest of honour RETD.CAPT. SWAMINATHAN general salute given to Guest of Honour by 1MAHBNArmy Wing Boys unit Rashtriya salute given to NCCFlag inspection of the parade was done by Guest of honour after which march past started with the permission of the guest of honour then events started with the first one being obstacle course followed by adventurer activity of rappelling and another event of Malakhamb being conducted simultaneously after which Section Attack and bayonet fighting was conducted which was followed by prize distribution for 1st year 2nd year and 3rd year cadets and retirement trophies were awarded to 3rd year cadets after that ncc song was sung by all cadets followed by flag area demonstration the topic was Maharashtra Naval Heritage then guest of Honours speech (Retd.Capt.Swaminathan) which was then followed by chief guest speech (Mr.Prabhu) Followed by vote of thanks the golden words of the respected guest really motivated and gave a boost to all the cadets. 80 cadets along with ANO LT. DR. P V. GHORPADE guided the event.

PUNEET SAGAR ABHIYAN: Held atDadar beach on 07 January,2023. Beach cleaning or clean-up is the process of removing solid litter, dense chemicals, and organic debris deposited on a beach or coastline by the tide, local visitors, or tourists. Humans pollute beaches with materials such as plastic bottles and bags, plastic straws, fishing gear, cigarette filters, six pack rings, surgical masks and many other items that often lead to environmental degradation. [1] Every year hundreds of thousands of volunteers comb beaches and coastlines around the world to clean this debris. These materials are also called “marine debris” or “marine pollution” and their quantity has been increasing due to anthropocentric activities. 15 cadets participated in this activity.

INDIAN COAST GUARD SHIP VISIT: Held at Colaba on 11 January,2023. 20 cadets along with ANO LT. DR. P V. GHORPADE visited the Indian Coast Guard dock and learned about working of ICG. The establishment of the Indian Coast Guard was first proposed by the Indian Navy to provide non-military maritime services to the nation.[9] In the 1960s, sea-borne smuggling of goods was threatening India’s domestic economy. The Indian

Customs Department frequently called upon the Indian Navy for assistance with patrol and interception in the anti-smuggling effort.

KALINA UNIVERSITY EVENT: Held at Kalina Bandra on 26 January, 2023.Flag Hoisting At Kalina UniversityKirti College Boys NCC unitwas called for escorting piolets and commanding the parade. 3 cadets participated in this event.

PRIZE WINNERS OF YEAR 2022-2023:

CROSS COUNTRY

1st– CPL SARGAR DNYNESHWAR

2nd– CDT SHELKE ADITYA

3 RD – PATIL YOGESH

PRIZE WINNERS FROM 1ST YEAR

1. BEST OBSTACLES – L/CPL SHIRKE PRANAV
2. BEST DRILL – SGT AWALE VINEET
3. BEST PERFORMANCE – CDT DERVANKAR SOHAM
4. BEST CADET – SGT LOHAR OM
5. BEST TURNOUT – CDT KUWARE AAYUSH

PRIZE WINNERS FROM 2ND YEAR

1. BEST OBSTACLES – CDT KADAM SAIRAJ
2. BEST DRILL – SGT GOLE VAIBHAV
3. BEST PERFORMANCE – CQMS POWAR SAURAV
4. BEST CADET – SGT DESAI MANDAR
5. BEST TURNOUT – CPL SARGAR DNYNESHWAR

PRIZE WINNERS FROM 3RD YEAR

1. BEST OBSTACLES – SGT PATEL AJIT
2. BEST DRILL – CSUO JAMDADE OMKAR
3. BEST PERFORMANCE – CJUO BHOSLE AYUSH
4. BEST CADET – CSUO DHINGIYA NIKHIL
5. BEST TURNOUT – CSM BODAVE GAURAV

They were felicitated on NCC DAY (02 January,2023) by the Chief Guest Mr.Prabhu.

At the end of year 15 cadets from 3rd year retired and felicitated on NCC DAY (02 January,2023) by the Principal DR. D. V. PAWAR.

1. CSUO. DHINGIYA NIKHIL V.
2. CSUO. JAMDADE OMKAR C.
3. CJUO. BHOSALE AAYUSH G.
4. CSM. BODAVE GAURAV S.
5. SGT. KHARAT VISHAL V.
6. SGT. POL SAHIL S.
7. SGT. PATEL AJIT S.
8. CPL. PALANDE PRASAD V.
9. CDT. RAUT ATHARVA A.
10. CDT. SURVE YASH J.
11. CDT. SINGH SAJAN G.
12. CDT. TARI MRUNMAY C.
13. CDT. SHENDGE OM P.
14. CDT. VISHWAKARMA RAJAN A.
15. CDT. DUBEY NIKHIL S.

Dr. Prashant Ghorpade successfully Completed the PRCN course at OTA Kamptee and Commissioned as Lieutenant on 22 October 2022.

- Lt. Dr. Prashant Ghorpade
- Ano, Alpha COY Kirti College

N.C.C. (Girls)

The National Cadet Corps is a youth development movement. It has enormous potential for nation building. NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral Values so that they become able leaders and useful citizens. NCC provides exposure to the cadets in a wide range of activities with a distinct emphasis on Social Services, Discipline and Adventure Training. This year Kirti College Girls NCC Unit began their activities with full zeal and enthusiasm in the month of June under the aegis of 5 MAH GIRL'S BN NCC. The training for the year 2022-2023 started under the command of Major Dr. Urmila Sarkar and under the elegant leadership of CSUO Ashwini Katare.

Like every year, this year also we celebrated our most awaited Independence Day in presence of our respected Principal Dr. D V Pawar who hoisted our National Flag. National Flag as witness, all cadets took the NCC oath which was followed by an incredible cultural programme.

Camp training is an essential part of the NCC training program that aims to instill disciplined life, solidarity, leadership qualities, self-confidence, and self-reliance in cadets. Camps provide a practical application of the knowledge gained during institutional training, exposing

cadets to camp life excitement. Here is the list of cadets who attended various camps during the year.

NSS UNIT (Degree College)

Kirti college NSS unit has always been a salient part of Deccan education society's Kirti M. Doongursee college. The National Service Scheme (NSS) is a community service-oriented unit. At present Mr. Ankush Dalvi and Miss. Pooja Kamble are the program officers of the unit. There are 200 student volunteers from different departments of Undergraduate Courses serving in the unit. The NSS unit observes and organises various programs on all

International and National Importance days like Yoga Day, National youth day, International Human Rights Day, Transgender Visibility Day, National Voters Day, Environment Day, AIDS, Women's Day, so on.

The unit organiser various local, state, and central government's social programs like Clean & Green Plastic collection drive, Voters Awareness, and enrolment, Swachh Bharath campaign, Blood Donation Camps and so on. NSS organises various awareness Rallies against ill effects of Drugs, Alcohol, AIDS etc. The unit is also committed to the social cause by spreading alms to the needu people on regular basis. It adopts slums and a few local communities to bring awareness on sanitary issues. Students of NSS assist government agencies by taking part in various surveys they conduct and immerse with rural India.

NSS PROJECTS

Kirti College Initiatives :

Kirti College NSS Unit works for the betterment of society as well as volunteer through different activities under different projects. Some of our projects are as follows:

- Azadi ka Amrit Mahotsav
- Kirti Sagar
- Health & hygiene
- Nav-Kirti
- Kirti Jagar
- Kirti Sahayya
- Kirtivant Smriti
- Selfless selfie drive
- Gender Sensitization
- Environment Protection
- Doboond zindagi ke
- Spread the happiness.

Azadi ka Amrit Mahotsav :

The object of this project is to celebrate 75th Independence Day of India on the Theme of Azadi ka Amrit Mahotsav. Volunteers participated and organized events as follow:

Sr. no	Date of the Activity	Name of the Activity
1.	26/07/2022	Letters to soldiers at Kargil post
2.	29/07/2022	Campus cleaning
3.	03/08/2022	Rally on azadi ka amrit mahotsav
4.	05/08/2022	Poster & Essay writing competition

5.	07/08/2022	Rangoli & Culinary competition
6.	08/08/2022	Rakhi making competition
7.	08/12/2022	Elocution competition
8.	08/13/2023	Blood donation camp
9.	08/14/2022	Stree play on Azadi

Kirti Jagar :

101 STREET PLAYS

31st August to 7th September 2022

Kirti College NSS Unit on the occasions of the Ganesh Festival did 101 street plays on the topic of 'Social Media Curse or Blessing' in various Ganpati Mandal in Mumbai area.

NAVRATRI PLAYS

26th September to 4th October 2022

Kirti college NSS unit introduced a New project this year named Kirti Jagar extension to our 101-street play project. Volunteers started Kirti jagar this year in which they performed 9 street plays at various locations during Navratri. Awareness programs regarding various social causes were conducted in these Navratri Days.

Kirti Sahayya :

This year the project was launched under the title of 'Kirti Sahayya' and under this project Kirti college NSS volunteers wrote papers of visually challenged students. Some non NSS students of college also participated actively in this cause. The volunteers helped them in writing their exam papers and managed all writers during examination.

This year we collaborated with Team vision foundation to organize an event which is "The Lantern Be A Light 2023" this event was organized for visually challenged students to express themselves creatively through dance, singing, poetry, malhakamb, karate etc.

Kirtivant Smriti:

This year the project was launched under the title of "Kirtivant Smriti" and under the title of this project we celebrated Jayanti of our revolutionary's like, Annabhau Sathe, Lokmanya Tilak, Mother Teresa, Dr. A. P. J A Abdul Kalam, Sardar Vallabha bhai patel, Rani laxmi bai, Sant gadgebaba Punyathithi, Savitri bai phule, Rajmata jijabai Bhosle, Swami Vivekanand, Mahatma Gandhi punyathithi, and Chatrapati Shivaji Maharaj, etc. in order to pay homage to them & to spread their thinking towards students, society & to know their contribution, struggle, compromise towards society, creating awareness about them among students and society.

Selfless selfie drive :

Kirti college NSS unit volunteers collected notebooks and other stationary items from various locations and college campus. These stationary items were distributed to underprivileged children in our adopted area and village. We did two weeklong collection drives in the month of November from 21st to 26th November 2022 and in January from 23rd to 28th January 2023. These books and stationery items were further distributed to Kirti Kiran children and to children in our adopted village Shivansai, Panvel.

Notebook collected = 500+ (approximately).

Gender Sensitization:

Our NSS Unit worked on Gender sensitization with MAVA NGO (Men Against Violence and Abuse) Sessions on gender equality, knowledge about the LGBTQAI+ genders, MAVA workshop, harassment women at workplace, session by MAVA was conducted on topic of casual sexism which has become a serous problem, rally on international human rights day in order to let each and every human know about their rights, session on "How Gender discrimination effect on Human Rights", tribute to women staff on Women's Day our volunteers distributed sanitary pads to the college staff in order to give tribute to their hardwork. Women's day celebration was done at our college where we thanked the working staff of our college and gave handmade greetings to them.

Environment protection:

Under this project we did such activities:

05/06/2022 Walk on Environment Day

The volunteers of NSS Unit had a walk on environment day to spread awareness about conservation of the environment. 01/07/2022 One Society, One Plantation

As the problem of depletion of trees is increasing day by day so our volunteers of NSS unit planted one plant in their surroundings.

03/07/2022 Tree Plantation

08/11/2022 Signature campaign on environment protection

A campaign was held were the volunteers addressed everyone about planting more trees.

13/11/2023 Plastic Collection Drive

A plastic collection drive was done in order to recycle the platics.

17/11/2022 Session on Waste Management

A session was conducted in order to spread a message about recycling and reusing the waste appropriately.

And many other activities

Do bund zindagi ke:

Polio training Volunteers of Kirti college NSS unit attended training of polio in BMC school.

Imran Sir from BMC guided and gave proper training to all the volunteers for Polio camp on 19/06/22 to 24/06/22 and18/09/2022 to 23/09/2022. The training was done on 17th Jun 2022 and 15th and 16th September 2022.

Polio camp (Booth)

Kirti college NSS unit volunteers in collaboration with BMC did polio camp Booth on locations all over Dadar with one BMC coordinator and two NSS volunteers. Parents were coming with their baby to the booth for Polio. Volunteers were giving 2 drops of polio to every baby and marking with markers on babies left hand. The booth was open from 9:00 am to 5:00 pm. The booth camp was held on 19/06/2022 and 18/09/2022. Volunteers also participated in door-to-door polio dose campaign from 20/06/2022 to 24/06/2022 and 9/09/2022 to 23/09/2022.

Spread the Happiness:

The unit conducts Spread the Happiness project in which volunteers celebrate various festivals and days by distributing some things to the various parts of our society. On the day of Raksha Bandhan on 11th August 2022 the NSS unit of Kirti college decided to tie Rakhi to the Mumbai police. Volunteers even distributed some greeting cards to the Mumbai police. On 21st October 2022 to celebrate the true essence of Diwali, we, Kirti college NSS unit spent our Diwali with age old home. The volunteers did their best to bring a smile to their little faces. 14th November is celebrated as children's day in India. On this day we took some students to the street children, and they befriended those kids, by donating clothes, toys, stationery, books, etc. Kirti college NSS unit celebrated the occasion with Kirti Kiran children. On the day of Christmas, to ensure support, Kirti college NSS unit decided to feed and provide basic necessities to the homeless and slum children. The activity took place on the 25th of December on Christmas eve. The project will continue every year.

At Kirti college, on 15th January 2023 Makar Sankranti celebration, NSS unit decided to share our joy with the staff members of our college. We gave them laddus and some other sweets to make their festival sweeter. We mainly included the non-teaching and the cleanliness workers in the activity. 26 January 2023 Rashan for nation

We organized a food distribution activity to support underprivileged people in our community.

Other Activities

Volunteers also participated in University level activities such as:

17th May 2022 to 21st May 2022

Photography exhibition at Convocation Hall, Churchgate

Worked on Mazi Vasundhara Project, Say No to Drugs, Say Yes to Life, Marathon/Cyclothon, Beach cleanup with Indian Coast Guard, Crowd management with Mumbai Police, Session on Organ Donation.

Two of our volunteers, namely Mr. Pravin Thorat & Ms. Kshitija Mayekar attended the meeting with Hon. Secretary Ministry of Youth Govt. Of India Mrs. Meeta Rajiv Lochan (IAS) at Phiroz Shah Mehta Bhavan University of Mumbai, Kalina campus. Work of university of Mumbai NSS cell was presented to the Hon. Secretary.

Volunteers also participated in College Level activities such as:

The NSS unit volunteers worked hard throughout the year. Their enthusiasm will lead the unit to betterment. Many small steps by the unit may make big difference in future. We the Kirti college NSS unit hope to contribute to a better future in whichever way possible.

Thank you

Prof. Ankush Dalvi
Pooja Kamble
NSS Programme Officers

NSS (Junior College)

In Year 2022- 2023, "KIRTI JR. COLLEGE N.S.S. Unit" conducted various sessions and activities under the guidance of Principal Dr. D. V. Pawar and Vice Principal Mrs. Neha Pandit. Our NSS Volunteers successfully organised many offline and online activities, with great enthusiasm. They did great work in enhancing social awareness in society through various activities. Following is the list of some of the key activities undertaken during the year 2022-2023

- A lecture on gender equality was organised in collaboration with MAVA on 30th March 2023 (Men Against Violence and Abuse). It was an offline session, conducted by Mr. Pravin Thote Sir, who works fox MAVA organization (Men's Against Violence and Abuse). He explained the definition of LGBTIQ, which stands

for Lesbian, Gay, Bisexual, Transgender, Intersex and Queer. The session was based on Gender Equality. The session was informative, Knowledgeable and Interactive.

- On 18th April 2023 an activity was organised on account of RAMJAN "KIRTI IFTARI" This activity was held at Mahalaxmi Haji Ali location. We distributed different types of foods to the needy people and learning qualities such as humanity and caring for poor people.
- On 30th April 2022 under the guidance of Principal Dr. D.V. Pawar, NSS unit celebrated "Maharashtra Day". The Program commenced with praising Lord Ganesh (Ganesh Vandana), followed by Vasudeva's dance performance. NSS volunteers provided informative session on the occasion of Maharashtra Day, narrated stories about the great Maharashtrian people, who sacrificed for the establishment of Maharashtra, performed Koli Nritya & Powada, which was based on Chhatrapati Shivaji Maharaj. The audience enjoyed popular lavani nritya and Shimga a form of Drama, presented by NSS volunteers.
- On 06th June 2022 under, the earn and learn scheme, which was jointly unveiled by the government of Maharashtra and HCL company, organized at Yashwantrao Chavan Prarishthan, Mumbai. This scheme is mainly for students who have passed 12th with mathematics as a subject. Deputy chief minister of Maharashtra Shri Ajit Pawar, revenue minister Shri Balasaheb Thorat, education minister Varsha Gaikwad were present. Also officials of HCL company, and department of education were present. The program provided detailed information about the earn and learn scheme.
- On 07th June 2022 a cleanliness drive was carried out at Worli Village, organized jointly with Maharashtra state Minister of higher and technical education of Maharashtra, Uday Samant, who was also present at the event. NSS regional coordinator Shri Gaware sir was also present. NSS Volunteers, enthusiastically carried out the cleaning campaign.
- On 12th June 2022 a polio camp was organised by the BMC for prevention against polio. Our NSS Volunteers provided, booths as well handled door to door polio camp. There were two groups one who would be on the booth and children along with parents would come to take polio vaccine. And the other group would go door to door and give Polio to children. Polio health camp was organized at various locations like Ambedkar nagar, Siddhivinayak mandir, Swami Laxmi Narayan mandir, Dadar police, Agar bazaar, Sai baba mandir, Shivaji park and Gurudwara. It was a 6 day camp day.
- On 13th July 2022, NSS Unit organised an event on account of Guru Purnima. Our volunteers displayed their creativity through making various greetings cards for Kirti college teachers. Volunteers started preparing greetings cards by 12.
- On 26th July 2022 we organised a small activity on the auspicious occasion of Kargil Vijay diwas. Volunteers wrote letters to army soldiers on the occasion of Kargil day. Sacrifice of soldiers is so valuable that can never be returned back in any way.
- On 9th August 2022 we were invited to participate in Swarajya Mohotsav, organised by P.L. Deshpande Maharashtra kala academy. Various activities were organised and the topic was Azadi ka amrit Mohotsav. Various cultural programs were organised everyday such as Dholpatak manvandan, sugam sangeet spardha and much more. NSS Volunteer were mostly helping event organizers with management of the event.
- On 11th August 2022, we organised a tri colour rally. It was conducted very beautifully. Raksha Bandhan program was held first, after that all volunteers marched in the vicinity of Kirti college holding the flags in their hand and shouting and "Har Ghar Tiranga" rally move on. After this Principal Dr. D. V. Pawar sir expressed his opinion about the program and there was huge applause of appreciation by teachers, student and audience.
- On 14th August 2022 NSS Unit promoted "Har Ghar Tiranga" program among city residents, creating liking and understanding about the program. The Mumbai police hosted marathon run across a 10 km stretch to increase citizen's awareness and understanding of the "Azadi ka Amrut Mohotsav" and need large number of volunteer. Our NSS Unit participated in this activity. The program was presided over by super stars like Akshay kumar, Mumbai Commissioner or Police, Deputy Chief Minister Shri Devendra Fadnavis, who flagged the "har ghar tiranga" campaign by following all rules and regulations.
- On 15th August 2022, The auspicious Independence Day celebration and programs were jointly organized by Kirti M. Doongursee college's NSS and NCC units. Program commenced with hosting the national flag.

Students performed various mesmerizing cultural performances such as dance, street play, singing, acting etc. Program finished after recognizing and awarding students who had participated and won various competitions held during 'Azadi ka Amrut Mohotsav' celebrations week.

- On 18th August 2022 an orientation session was organised by The Indian Coast guard officers regarding spreading importance among the youth to join armed forces as well as to convey important information related to Indian Coast and ships. They also explained to us the need for cleaning coast and banning single use plastic products. As single use plastic takes almost 20 years to degrade so we should avoid using single use plastic in our day to day life.
- From 31st August 2022 to 7th September2022, NSS unit conducted 101 street plays on the occasion of Ganesh festival. Volunteers performed street plays at Ganesh Mandals in various locations across Mumbai like at GTB, Sion, Dadar, Worli, Parel, Lower parel etc. Topic of the play was social media. We spoke about various advantages & disadvantages about social media, how we are playing a role of social media platforms like Instagram, Snapchat and many more. The audience appreciated and enjoyed the plays a lot. Volunteer also did street play at famous Ganesh Mandal, like Lalbaugcha Raja, Chinchpokli cha raja, lower Parel Cha raja , Nare park Cha Raja and many more .
- On 24th September 2022 under the guidance of all of us P.O Kirti NSS Unit organised National Service Scheme Day Program. The program was inaugurated by lighting the lamp by the Chief Guest. Ex-students shared their experience about working in NSS. The volunteers performed amazing dances. The use and misuse of social media was brought to the society by presenting 101 plays made during Ganesh Chaturthi. All the volunteers enjoyed the event.
- From25th September 2022 We conducted Nav Kirti Activities 9 days different programs in that Cleanliness Drive, Rally on Swatch Bharat* .
- On 26th September 2022 the first day of Navratri, Inaugurated Nav Kirti program and after that celebrated it by conducting sessions, Rally and conducting cleanliness drive and for increasing the awareness and understanding of Swatch Bharat. A large number of volunteers participated in this activity. By following all rules and regulations the program inauguration was done at 11:30 am. The Cleanliness drive and Rally began by 12:00 pm. In cleanliness drive NSS Unit cleaned classroom 3.13 of Kirti College. Volunteers had wonderful experience. This activity was ended by 2:00 pm.
- On 26th September 2022 (Day2) organised HIV/AIDS session. In that session very good guidance was given by sir. He gave every small details about HIV/AIDS to our volunteers.
- On 27th September 2022 (Day3) conducted beach Cleaning Activity collaborated with Seva Sayog foundation and arranged Mental health awareness session about social interaction. She told "When your mind gets disturbed you just need to breath and relax so your brain gets signal that your body is Okay". She explained the topic in details.
- On 28th September 2022 (Day4) unit conducted Mental Health awareness session by Nivedita Dalvi Madam. Our speaker guided us very well on mental health.
- On 29th September 2022 (Day5) Kirti College NSS unit conducted environment committee meeting and session, and started telling students and participants about our surrounding environment, what comes under surrounding, then she told about environment, she also explained about the different species around us, she also gave guidance about various plants, trees and animals. She also told how some animals have disappeared and the need to preserve them
- On 30th September 2022 (Day6) We covered all information about NSS programs, with newly inducted 11th Std students. Provided them information and understanding about NSS and various programs covered under it, need for following all rules and regulations etc. session was provided through PPT and also large number of volunteers shared and discussed their experiences, seniors who have already participated earlier in these activities, like attending seven days residential camp etc. All the queries and questions asked by 11th std students were solved by our program officer and volunteers.
- On 1st September 2022 (Day7) Swatch bharat Abhiyan: On this occasion of Gandhi Jayanti Swatch bharat Abhiyan was held at stations of Mumbai monorail. We did the cleaning up at bhakti park (Wadala) and lower Parel monorail stations. This was a perfect activity to make our environment clean and become very well developed in the future.

- On 2nd September 2022 (Day8) We conducted a session on 'Gender equality'. He explained clearly what exactly gender is and for real experience he even played a small game with the volunteers in which he told how to understand your chance and grab it with your hands.
- On 3rd September2022 (Day9) Career guidance session was conducted. It was a very knowledgeable session. ma'am guided us about the right choice of career and the development of passion.
- On 04th September 2022 We conducted 9 street plays during navratri festival. Volunteers did street plays in Mumbai at GTB, Sion, Dadar, Parel, Lower parel etc. Topic of the play was social media. We gave information about advantage & disadvantages of social media and the impact on our life. Explained how we were playing a role for social media platforms like Instagram, Snapchat and many more. Public also enjoyed watching our plays.
- On 05th September 2022 NSS unit continued with its every year's legacy of celebrating dasara Pooja. This year Kirti college Principal Dr. D.V Pawar sir was present. We prayed to God that the awareness work we do, should keep going on enlightening the society and they understand our work.
- On 15th October 2022 NSS Unit conducted an "A reader lives a thousand lives before he dies " program. The program started by giving Tulsi plants to all the guest speaker and then carried forward by a speech on Dr. A.P.J Abdul Kalam, then some students presented some poems and a short article. The important point told by them was to read at least for 1 hour every day and you can start this by reading any book.
- On 31st October 2022, Maharashtra state Department of Higher Education, Dadar Police Station and Kirti College Jointly Organized Ekta Divas. On this Occasion, we celebrated Sardar Vallabhbhai Patel's birth on our College premises attended by Staff of Dadar Police station.
- On 26th November 2022 on the occasion of 26 constitutional Day, NSS Unit volunteers, participated in rally activity organized by B.I.T chawl residents. The rally started and finished when we reached the Chaitaybhumi, where we once again offered our prayers to Dr Babasaheb Ambedkar and remembered his good work and importance to each of us.
- NSS programs from 28/11/22 - 04/12/22. On 28th we attended 7 Days Residential Camp. The camp was held at Vanvasi Kalyan Kendra, Talhasari, Dahanu road. Per day 3 sessions were conducted by special guests. Each day activities started by morning 5am with yoga and exercise under the glowing sunrise. 1st event was of settlement and introduction. On 2nd day we cleaned the whole Vanvasi Kalyan Kendra by forming groups. On 3rd day we visited nearby Iskon temple and learnt some basics of farming, which was a good experience. On 4th day we visited a nearby villages and built a block over the flowing rain water. On 5th day we had 4 sessions and evening was spent by performing street plays. On 6th day our volunteers went to nearby public gathering places like bus depot etc and increased public awareness by performing street play on various important topics. And our last night was cultural night, in which we performed dance and play. The last program was a dance performed by the Vanvasi children residing there which is their traditional Aadivasi dance. On 7th day after having breakfast we returned back for home. We enjoyed the entire trip a lot, we had a great experience and fun memories with some life lessons.
- NSS activities from 7th December 2022. Started with our intercollegiate festival competition we participated in 'Avyaan', 'JANEEV ', 'IGNEEL, INIZIO. Our volunteer participated in many events such as Street lay, Dance, mono acting, Treasure hunt, Photography, Poster making, Just a minute, open mic, participated Debates and also won so many prizes etc.
- On 27th January 2023 we organised "UDAANT FESTIVAL", which consisted of various competitions, street plays, open mic, poster making, photography, Dance and guest speaker talk etc. The ceremony started with the lighting of the lamp (Deep Prajwalan). Our Chief Guest namely Hon. MLC Shri Prasad Lad and I.P.S. Officer Tejaswini Satpute attended the program. Program's Chairman and Principal Dr. D.V. Pawar Sir and Program Officer of NSS Pratibha Biswas were present. President of the program Satpute madam was introduced by Swayamsevak. She spoke about her struggles and motivation factor for UPSC exams. She shared her experiences in the police department with the students. After this, Prasad Ji Lad expressed his gratitude. We were blessed to have so many participants during our festival.

- PROF. Pratibha Biswas
Program Officer, NSS Unit

Department of Physics

Department of Physics continue to encourage students for the academic year 2022-2023. This was the first academic year after getting autonomy. First year syllabus was modified but Second and Third year Syllabus was adopted as per university of Mumbai. Board of Studies (B.O.S.) of Physics was constituted as per Autonomy norms and two meetings of BOS were conducted successfully in academic year 22-23 . New syllabus and new evaluation pattern was approved in BOS. Students were encouraged by various academic activities. One workshop was organized in collaboration with Chemistry department. Teaching faculty continue to contribute in academic growth by publishing research papers, completing research projects. Students also perform well in examinations.

Individual Achievements By teaching Faculty :

1 . Prof. Dr. M.S. Jog

- Appointed as Vice Principal of College From 2nd January 23
- Published research Paper 'DEVELOPMENT OF HALOSULPHATE BASED PHOSPHORS AND IT'S APPLICATIONS ' in peered reviewed journal PARIPEX - Indian Journal of Research Website: www.worldwidejournals.com (ISSN 2250-1991)
- Completed and successfully submitted Project, 'DEVELOPMENT OF HALOSULPHATE BASED PHOSPHORS AND IT'S APPLICATIONS' funded by Kirti M. Doongursee College of Rs. 25000/-

2. Prof. Dr. J.R. Mahajan

- Elected unopposed on CDC (College Development Cell) of kirti College for tenure of five years
- Completed and successfully submitted Project , ' ZnO Graphene Composite Thin Films : Synthesis , Structural and Optical Studies' funded by Kirti M. Doongursee College of Rs. 25000/-

3. Dr.A.A.Nimbekar

- Published research Paper 'Plasma Surface Modification of Flexible Substrates to Improve Grafting for Various Gas Sensing Applications: A Review ' in journal 'IEEE TRANSACTIONS ON PLASMA SCIENCE, VOL. 50, NO. 6, JUNE 202

Also teachers shoulder various responsibilities in various committees at college level and University level

Departmental Activities :

1. The academic festival was organised by Physics Department Kirti College under the title 'SRUJAN'. It was held in second week of February 2023. As a part of it Physics department organised the event 'JIDNYASA' in which following three competitions were conducted,

i] Model making competition –Saturday , 11th February 23

11 students participated in this competition Students were asked to prepare working models on given theme 'Sustainable development'

ii] Poster making competition – Saturday, 11th February 23

06 students participated in this competition Students were asked to prepare posters on given theme 'Sustainable development'

For above competitions i] and ii] we invited our ex–faculty members Prof. J. M. Patankar and Dr.A.D.Kulkarni who judged these competitions .

iii] PAT (Physics Aptitude Test) (basic physics MCQs).

Saturday, 11th February 2023 26 students participated in this competition

iv] Popular Physics Lecture with Demonstrations was conducted on

Saturday 11th February 23, 11.30 am –Auditorium (0.8)

By : Prof. Bhagwan Chakradeo

' Fun With Physics ' Joy Of Learning Science Through Experiments

ONE DAY WORKSHOP :

One Day Workshop in Association with IARP (Indian Association Of Radiation Protection)

was Jointly organised by Department of Physics and Chemistry of Kirti M. Dongursee College On Saturday 25th February 2023, 9 am to 5 pm in College Auditorium. Objectives of the program was to generate interest in

Radiation Protection in UG, PG Students and Explore them to knowledge of Radiation. The resource persons for the above program were Dr Sheshadri Murali who is chairman of IARP, Shri Tej Ram Meena. BARC, Shri Sanjay Patil, BARC. Dr Sheshadri gave an outline of the activities of IARP. He explained the beneficial effects of nuclear technology and emphasized the fact that it is destructive is a MYTH. Shri Tej Ram Meena gave a informative talk on the radiation detection with a practical demonstration on the instruments used to measure the radiation. Mr Sanjay Patil discussed the radiation protection and monitoring with demonstration of the kit gloves used for radiation protection The anchoring was done very efficiently by Prof. Kirti Paul.

Vice Principal, Dr M. S. Jog HOD physics gave the inaugural address of the workshop. The workshop was well attended by staff members of the chemistry department and physics department, also from biotech and other science It was well attended by all students of B.Sc. and M.Sc. of the Physics and the Chemistry departments The Vote of thanks was given by Dr. Charuu P. Kulkarni, HOD chemistry department The Program ended with prize distribution of The srujan winners of the Physics dept. The program was very productive from the career in nuclear technology point of view. Workshop was attended by 110 participants.

- Prof. Dr. M. S. Jog
Head, Department of Physics

Department of Political Science

Department of Political Science organized several activities during the academic year 2022-23. Following is the brief summary of the same-

Field Visits-

Field visits are crucial for political science students as they bridge the gap between theory and practice. They inspire students to become informed, socially responsible citizens and potential future policymakers by witnessing the impact of political decisions on people's lives. Field visits empower political science students with practical insights and skills necessary for their future roles in politics and governance. Hence Department of Political Science conducts regular field visits for its students. Following field visits were organized during the academic year-

1. **Field Visit to Samyukta Maharashtra Smruti Dalan-**

Objectives-

- To enlighten the students with the milestones in the struggle for Samyukta Maharashtra.
- To help them understand the finer details of the movement.

Date- 4th August 2022
Number of Participants- 25 students and 2 teachers

2. **Field Visit to Bunker Museum, Raj Bhavan, Maharashta- (With Department of History)**

Objectives-

- To acquaint the students with the heritage of Bombay (Mumbai) through a visit to the Second World War bunker system at the Raj Bhavan, which has been converted into a museum of Indian Independence movement.
- To introduce to the students the history of the Indian independence movement.

Date- 24th August 2022
Number of Participants - 36
students and 7 teachers

3. **Field Visit to Javhar, Palghar District (With Departments of Rural Development, Economics, Geography and IT)**

Objectives-

- To acquaint students with the tribal life and culture.
- To understand and appreciate challenges of tribal life.
- To introduce them with the social activists and organizations working for tribal upliftment.
- Celebrate Constitution Day in unique manner.

Date-26th November 2022

Number of Participants- 131 students and 8 teachers

4. **Field Visit to American Centre Library (Dosti House, BKC) (Jointly organised with Department of English)**

Objectives-

- To acquaint the students with the knowledge resources in the town.
- The film show followed by the discussion make the students aware about the issues of Black Feminism in the USA

Date-15th September 2022
Number of Participants- 45 students and 7 teachers

5. Field Visit to National Museum of Indian cinema

Objectives-

- To make students familiar with the phases of evolution of Indian Cinema thematically and chronologically.
- To give information about great film makers like Satyajit Ray, Raj Kapoor, Guru Datt and understand the legacy of films.
- To acquaint about various genres in films.

Date- 15th October 2022
Number of Participants- 28 students and 2 teachers

Celebration of Important Days

Constitution Day-

On 26th November 2022, the Department Political Science conducted. students got together in the assembly hall of the organization. During the field visit at Javhar, reading of the Preamble of the Constitution of India was conducted. Ayesha Mulla (MA Part II, Political Sc) and Vishwajeet Ghatvisave (MA Part I, Economics) led the reading and all students participated very enthusiastically.

Chhatrapati Shivaji Maharaj Jayanti-

On the occasion of Chhatrapati Shivaji Maharaj Jayanti (20th February 2023), students of Political Science took lead and organized a memorable programme. The programme was broadly divided in three parts. A celebrated old Marathi movie depicting the important events in the life of Shivaji Maharaj was screened in the first part of the programme. The second part of the programme had presentation by two students of Kirti College. One student, Ganesh (Gurav) Gaikwad from SYBA was present with the team of recently released Powada depicting the life of Shivaji Maharaj. Another Student of SYBA, Sidddharth Bansode presented the life of Shivaji Maharaj through folklore and traditional instrument playing. The third part of the programme was filled with speeches of students. 110 students and 10 teachers participated in the programme.

Study Visit to American Centre Library

The study visit had two segments, one was the screening of the Hollywood film 'Hidden Figures' (2016), which is based on real events of involvement of Black Scientists in NASA project and the racial discrimination which they undergo during their association with the project. This was followed by the interaction with the members of American Consulate. Ms. Stella from American Consulate shared her experiences of staying in India and also about American societal issues.

Secondly, Ms. Sita Lakshmi Moopnar, American Centre Director, Dosti House, Mumbai gave an orientation of Online and Offline research resources available to students for reference. It was helpful for UG and PG students while working for their assignments.

This visit was jointly organised with Department of English.

Lecture on Competitive Exams

Department organized a lecture to introduce the students with various competitive exams such as Civil Services Exam, State Services Exam, Banking Exams etc. It also aimed at enlightening them about the study material and preparation strategies for these exams. The lecture was conducted on 12th October 2022 in JSKBS Hall. The session was conducted by Dr. Minal Mapuskar (Associate Professor, Political Science) and Ms. Janhavi Kolte (Assistant Professor, Political Science). Dr. Mapuskar spoke on UPSC and banking exams while Ms Kolte spoke about MPSC and Staff Selection Commission Exams. With the help of detailed PPT, students were given information about qualifications required, syllabi, paper pattern, study material etc. Students asked many questions during the interactive session after the presentation. 129 students attended the session.

Srujan Academic Festival-

The department organized sessions on social issues relating to Mumbai city. The issues identified were homelessness and street vending. The department invited two eminent speakers to address the students on these issues. Session 1 was conducted by Shri. Ravindra Jadhav, State Mission Manager, National Urban Livelihood Mission. His topic was "Shelter for Urban Homeless: Issues and Challenges." He spoke about the conditions of homeless people in Mumbai. He also gave information on shelter homes in Maharashtra with special reference to Mumbai. He enlightened the students about the facilities provided to homeless people in the shelter homes. He shared couple of success stories documented by his office that highlights the importance of the project. The second session was conducted by Shri. Gurunath Sawant, state coordinator for National Association of Street Vendors of India. He spoke on the topic titled "Assessing the implementation of street vendors Act, 2014". In his lucid presentation, Shri Sawant educated the young minds about the challenges and threats of street vendors. He spoke about significant provisions in the 2014 Act and also underscored the reasons behind non-implementation of the Act in true spirit. Students asked many questions to both resource persons in the Question-Answer session towards end. 91 students and many faculty members from other departments attended the sessions.

Skill Enhancement Workshop-

On 23rd September 2023, Department organized a Workshop on making PPT and Google forms using mobile phone. The objectives of the workshop were to impart basic skills in preparing Google forms and PPT making to students of TYBA Political Science ,to teach the students easy tips to make effective presentations and give the students hands on training of PPT and google forms. Inhouse expertise was used in the workshop. Faculty members from Departments of Computer Science and Information Technology of Kirti College conducted the sessions. Ms. Kartiki Murkar taught the students about google forms while Ms Swapnali Patil explained easy techniques of making PPTs. 32 students of TYBA attended the workshop.

Workshop on Dissertation Writing for PG students-

Departments of political Science, Economics and English Literature organized a workshop on dissertation writing for MA students. The workshop was divided in two sessions. First session, common to all students, was chaired by principal Dr. D. V. Pawar. The resource person Dr. S. V. Mundhe covered the basic details of dissertation writing. This session was from 9.30 am to 11 am. The second session was a parallel session, divided in two sections adhering to the students' subject area– Prof. Dr. Harshad Bhosale was the resource person of the second session for Economics and Political Science students in the auditorium, and Dr. Kranti Doibale was the resource person of the second session for the English Literature students in classroom. Total 36 PG students participated in the Workshop.

Workshop on mental health awareness -

Students were passing through a difficult time post pandemic. The transition from online to offline threw different challenges before them. Through the informal interactions during regular classes, it was realized that students were under mental stress especially due to the pressure of taking examinations offline. Some students were still undergoing financial and other issues in the family due to the pandemic. Hence, a need was felt to invite a psychologist/counsellor to conduct a session for students. Accordingly, Ms. Shivangi Walavalkar, counsellor, was invited for delivering the session. The topic was "The Doors of Self: Know Yourself". The session was conducted with the help of a power point presentation. Many participative activities were conducted for students. 56 students and 7 teachers participated in the workshop.

Anubhooti- Social internship programme-

In 2019, the Department sent some of the students to participate in their social internship project titled 'Anubhooti'. It was a life changing experience for the participants. The project could not continue during Covid time. Again in this academic year (2022-23), the department was given an opportunity to be part of the project Anubhooti. This is a social internship project. Our College has signed an MOU with NGO called Ankur Pratishthan. The NGO works for students in orphanages. Department of Political Science along with college IQAC leads this social internship programme titled "Anubhooti". One of the founder member of Ankur Pratishthan Mr. Pranav Bonde is alumnus of department of Political Science. Selected students are given training by Ankur Pratishthan. After that, they are divided into groups and are allocated an orphanage near their residence. The students have to go to the respective orphanage on six consecutive Sundays for 3 hours. They have to plan, design and conduct various activities for overall development of the children in the orphanages. The last Sunday is for experience sharing and conclusion of the internship. To make the students aware about the details of the internship, an orientation session was held by the department on Friday, 16th December 2022 in classroom 3.4. Volunteers from Ankur Pratishthan guided students during the orientation session. The students for internship were shortlisted after this by conducting short interview. Total 17 students worked as interns for the programme.

Achievements of Faculty Members-

Prof. Medha Dhapre-

Academic Participation and Administrative Responsibilities

- Working as Head of department and Chairperson of Board of Studies in Political Science and Foundation Course
- Member of Examination Committee
- Member of Internal Committee
- Member of New Education Policy Committee, Admission Committee, Time-Table Committee

Guest Lecture-

On the occasion of Birth Anniversary of Savitribai Phule on 3rd January 2023 in Bhavan's Hazarimal Somani College delivered a talk with PPT on *'Awareness about Women's Rights'.*

Research publication-

Published a paper in UGC care listed research journal "Parivartanacha Vatasaroo" (May 2023). The title of the paper is 'जल संधारण व व्यवस्थापनातील ग्रामीण महिलांचा सहभाग' .

Harshad Bhosale (Professor)

1. Appointed as a member of Political Science and

Public Administration committee by Maharashtra State Bureau of Textbook Production and Curriculum Research centre, Pune (Balbharti). The committee is designated to write basic entries of concepts of Civics, Politics and Public Administration.

2. Appointed as a Coordinator of 16th National Youth Parliament competition, by the department of Students Development, University of Mumbai.
3. Nominated as a judge for 17th Avishkar intercollegiate Research convention (Zonal round Mumbai II on held on 21st December 2022 at Guru Nanak college of Arts, Science and Commerce for categirt I, UG, PG & PPG level.
4. Invited as a resource person for PhD course work for paper-3 by the department of Political Science, Walchand College, Solapur.
5. Appointed as a member of Board of Studies of the following colleges :-

- Homi Bhaba State University (HBSU), Mumbai
- Vaze Kelkar College, Mulund
- Jai Hind College
- Royal College

6. Wrote a Book Review - भारत चीन संबंधांवर आधारलेल्या मृदुल निळे व अरविंद येलेरी लिखित 'टेलस्पिन' ह्या पुस्तकाचे परीक्षण. दै लोकसत्ता दिनांक १८ जून २०२२
7. Wrote an article in daily Maharashtra Times दलीत शब्दाचा आग्रह का? dated 14th July 2022.
8. Wrote an article in daily Maharashtra Times फेरीवाल्यांच्या दुर्दैवाचा फेरा, dated 11th September 2022.
9. Conducted an interview of Professor Mrudul Nile, University of Mumbai on the All India Radio on the topic, " political social and educational ideas of Dr. Babasaheb Ambedkar. The interview was conducted under the aegis of Directorate General of Information and Public Relations, government of Maharashtra. The programme titled DILKHULAS & JAI MAHARASHTRA was aired on 14th April 2023.
10. 11th May 2023. Gave a talk on All India Radio- Mumbai Akashwani Kendra on the topic – " G-20 summit at Goa: importance and implications. The talk was conducted under the aegis of Mumbai akashwani Kendra under the programme "vrutta vishesh".
11. 16th May 2023, gave a talk on Mumbai Akashvani Kendra on Topic G20, second Cultural working group meeting: Importance and opportunities for India (The interview is available on YouTube.

Dr. Minal Mapuskar -

Academic and administrative responsibilities-

- Working as Vice Principal, IQAC coordinator, Convener of Library Committee, Students' Grievances Committee, Sub editor, College magazine (Akalan)
- Appointed as Member, Committee on Five Year Perspective Plan, university of Mumbai

Research Contributions-

Research Guidance-

One student completed PhD work under her guidance. The thesis titled Sustainability of Self-help Groups (SHGs) in the age of Globalisation: With special reference to Microenterprises in Mumbai was defended successfully by her PhD scholar Ms. Prachi Jambhekar. Other 3 students are currently perusing their PhD under her.

Papers Published-

Two papers were published, details of which are-

1. Title- Environmental Jurisprudence in India: Role of Indian Judiciary in assuring sustainable Development in UGC care listed journal titled Utkal Historical Research Journal in Feb 2023.
2. Women Empowerment: Concept and Significance, paper was published in peer reviewed refereed indexed multidisciplinary Research, Journal B Aadhar with Impact Factor- 8.575 (SJIF)

Chairperson and paper presentation in international conference-

Presented a paper titled 'Mobility challenges of Visually challenged students seeking higher education in Mumbai' in the conference titled 'Unravelling the Scope of Future Research in Humanities and Social Sciences- ICUSFRHSS-2022' held on 26th and 27th August 2022. Also was invited as chairperson for a session in the same conference Unravelling the Scope of held on 27th August 2022.

Ms Janhavi Rajesh Kolte

Academic and administrative responsibilities-

- Worked with committees like Research Cell, Exam Committee, Avishkar, Counselling Committee, Alumni Committee.

Research Contributions-

Currently pursuing PhD under the guidance of Dr Minal Mapuskar.

1. Guided PG students for college level Avishkar Research Convention 2023, titled- Invisible Hands- Understanding socio- economic issues of Domestic workers, which won 1st Prize in Arts Category.

2. Research paper titled- Geopolitics @75- Exploring the India Way was published in peer reviewed journal and was presented the same in international conference.
3. Research paper titled- Women Empowerment: Concept and Significance, paper was published in peer reviewed refereed indexed multidisciplinary Research, Journal B Aadhar with Impact Factor- 8.575 (SJIF).
4. Participated in 2 National Conferences and presented research papers.
5. Completed Pre- Phd 6 months coursework from Department of Civics and Politics, Mumbai University.
6. Attended online FDP on Intellectual property rights.
7. Completed online refresher course of Political Science organized by Ramanujan College, Delhi.
8. Was invited as the resource person for lecture on Research methodology organized by Department of Economics for MA students.

Achievements of students-

Students of the department brought several proud moments for the department and college. Some notable achievements of our students include-

Pratiksha Gaikwad-

- MA Part II student of Political Science qualified her NET examination along with PET exam.
- She was also winner of the final round of the prestigious A.D Shroff elocution competition conducted by the Forum for Free Enterprises.
- She participated in Y20 conference.

Ganga Kadam –

- Partially blind student of MA part I was selected in the first ever Women's Cricket Team for Blind to represent India in England.

Sanika Kambli-

- Student of TYBA, qualified for Khelo India University Games led in May 2023 at Lucknow in Lawn Tennis event.

- Prof. Medha Dhapre
Head, Dept. of Political Science

Department of Psychology

Department of psychology in Kirti College has a strong vision of imparting quality education to students not only through traditional academic practices, but also through indirect, more enjoyable activities other than academics. Following activities were attempts directed towards increasing the scope of psychology in the applied world.

The Department of Psychology organized a one-day educational trip to Manshakti Research Centre, Lonavla on 23rd September 2022. The one-day trip allowed students to learn and apply various concepts of psychology in having a deeper understanding about our bodily functioning in their innovatively constructed Mind Gym. Various games and activities showed a clear connection between mind and body. Students got an exposure to a new area of psychology and a new lens to look at the world.

The Department of Psychology in collaboration with the department of English organized a university level workshop on movie screening, 'MOTIVUS' on 12th January 2023 from 9.00 am to 3.30 pm. The workshop has a total 201 participants from various colleges including students and teachers. The movie '127 hours was screened and an elaborate discussion took place with Dr. Chinmay Kulkarni. This was followed by an interesting interview session with IPS Shri Rajesh Patil. Both the sessions motivated students to stick to the goals and achieve them, fulfilling the purpose of the workshop 'MOTIVUS'.

The Department of Psychology also organized a departmental festival under Srujan 2022-23 on 11th of February 2023. A special lecture on 'How to deal with Parents and Teachers' was organized which was delivered by Dr. Aman Bhosale from 9.00 am to 11.00 am in 0.8 auditorium. The session saw an overwhelming response by the students and was considered to be very helpful by students. Along with the session, various psychological games and quizzes were there for students to enjoy and learn. Many students and teachers enjoyed the educational games and quizzes. The Psychology department truly served the purpose of organizing an academic festival.

Prof. Komal Kadam
Head, Dept. of Psychology

Department of Statistics

The Academic Year 2022-23 has started with new visiting faculty members, Ms Nikita A. Patil and Ms. Purvaja M. Sawant.

(i) DEPARTMENTAL ACTIVITIES:

(1) Field Visit was conducted to Manashakati Research Centre, Lonavala on Friday, 23rd September 2022. During this visit Short workshop on Mind Training and Tests were conducted for the students. Forty-four students under the guidance of Dr. S. R. Patgaonkar and Prof S. M. Thik visited to the center to carry out the research project titled "The effect of Mindfulness practices on Undergraduate students" The objective war to develop awareness about their mental health for achieving their goals. They were accompanied by two more staff members, Ms N. A. Patil & Ms. P. M. Sawant. and non-teaching staff Smt. V.V.Mestry.

During this visit, the Inspirational Show 'Vandya Vande Mataram' was shown. It was a unique experience based on 9 projectors-mapping and on a panorama screen, giving the experience of live freedom fighters talking to us. This Inspirational Show 'Vandya Vande Mataram' helps to spread a spirit of national well-being amongst all of us.

(2) We have celebrated SRUJAN Academic Festival by organizing 'STATOPIA-STATISTICS FEST 2022-23' on 9th, 10th and 11th February 2023. The fest was inaugurated by our Principal Dr. D.V. Pawar and Vice Principal Dr.P.C. Thomas. The event was held at inter-collegiate level, to give a creative platform to the students and to explore their latent talent.

On these three days various academic activities were held successfully:

- Competition on 'Research Project Presentation in Social Sciences'
- Games related to Statistics (Treasure Hunt, Cross word, Antique Auction).
- Alumni Meet with enjoyable moments.
- On the first day, in Research Project Presentation in Social Sciences competition, five teams participated consisting of 15 students and The details of projects is enlisted below:

Team No.	Department	Name of the Research Project	Name of Participants
1	Statistics	Connection between Smoking and Heart Disease	Kuntal S. Kale Kaushik M. Jain Joel R. Nagle Samsher A. Shaikh
2	Statistics	Zoom Revenue and Usage Statistics	Rutuja C. Sankpal Ritesh S. Nalawde Abdul Shaikh
3	(M.Sc. Data Science)	Clustering	Kshitija Jagushte
4	Statistics	Effect of Sleep quality on fatigue level in college students and young employees	Samiksha S. Lad Viraj R. Gaikar Bhushan Patil Riya V. Jadhav
5	Statistics	Inflation and Investment	Rajan D. Dikshit Karthika M. Nadar Vansh A. Gori

These projects were guided by Prof. Sonali Thik and Prof. Purvaja Sawant and examined by Dr. S.R. Patgaonkar & Prof. N. A. Patil. Out of these, two teams won the prizes and were awarded with gifts & certificates. Also, the participants were given certificates as a token of encouragement.

- On the second day, Games related to Statistics (Treasure Hunt, Cross word, Antique Auction) were organised by our department , overall 48 students participated. The main reason of arranging this task was to provide students with an opportunity to evaluate their statistical knowledge & encourage them to establish

a relationship between theory and application of the basic concepts. The winners were given certificate and prizes.

- On the third day, the event was made even more fun & interesting by arranging 'Alumni Meet with enjoyable moments'. We had invited alumni from last 10yrs with the following objectives:

(i) To promote interaction amongst Alumni and current batch students.

(ii) To exchange professional knowledge with current batch students.

(iii) To share the problems faced during higher graduation

(iv) To guide students about career opportunities after B.Sc. Statistics.

(v) The significance of doing a research project during graduation.

The program had started with interacting alumni and it was take over by Dr. S. R. Patgaonkar. In the second session, Prof. S. M. Thik had interacted with alumni who are currently pursuing M.Sc. Statistics. An open questioning forum was held in the end to resolve all the queries in the minds of students.

The program ends by playing quiz amongst Alumni, current students and teachers.

(3) Statistics department is fortunate that college had given the responsibility of preparing analysis reports on feedback given by Students, Teachers & Alumni on current curriculum. Due to Prof. Samuel Mathew, IQAC Coordinator suggestions & encouragement helped us in writing these reports successfully and it was submitted to the NAAC.

- Important achievements of students

1) In "KIRTI AVISHKAR Research Convention– 2022' our two teams participated in 'Exhibition of Research Projects with competition'. One of the team won the prizes. The details of the participated projects is listed below:

Sr. No	Name of the research project	Name of Participants	Name of Mentor	Prize
1	That Time of The Month	1) Kuntal Kale 2) Samiksha Lad	Prof. Sonali Thik	First
2	Inflation Evaporating Returns	1) Vansh Gori 2) Rajan Dikshit 3) Joel Nagale	Prof. Sonali Thik	-

2) Our two T.Y.B.Sc. students; Ms Riya Pitale & Ms. Rutuja Sakpal successfully cleared IIT JAM competitive exam 2022. Riya Jadhav has opted admission for M.Sc. in Artificial Intelligence & Machine learning course in Indian Institute of Information and Technology, Luckhnow.

3) Our ten T.Y.B.Sc. students went for various post-graduation courses in Statistics.

Dr. S. R. PATGAONKAR:

1) Dr. S. R. Patgaonkar is appointed as a C. D. C. member from category of H. O. D.

2) She is appointed as a V.C. Nominee of University of Mumbai, in Sophia college for Women(Autonomous), Arts & Science faculty, Mumbai, BOS of Mathematics & Statistics.

3) She was invited by Khalsa college,(Autonomous), Mantunga(E), Mumbai, Career Advancement Scheme Management Nominee as subject Expert

Prof. S. M. Thik

1) She guided a research project titled "That time of the month" won the first prize in Kirti Avishkar Research Convention 2022.

2) She has completed a 4 week Faculty Induction Programme from 21st August – 19th September 2022.

3) She has completed one week Faculty Development Programme on "Quantitative Data Analysis" from 17th October – 23rd October 2022.

– Prof(Dr.) S.R. Patgaonkar
Head, Departmento of Statistics

Women Development Cell

DES's Kirti M Doongursee College (Autonomous) Dadar, features multiple committees among which is the Women Development Cell. This cell is dedicated to empowering female students by hosting a variety of activities aimed at enhancing their self-reliance. Here, provides some glimpse of the annual activities organized by the Women Development Cell.

1. PCOS/PCOD

The Women Development Cell organized a talk about PCOS/PCOD issues. Dr. Manisha Pawar led the session, answering questions about women's health. They talked about PCOD causes like stress, sleep habits, and food.

Some girls felt shy discussing these things, so they could write questions anonymously. About 15 students did this, and the doctor answered their questions privately.

The doctor offered free consultations for any health problems the students might have, making sure they could get help if they needed it.

2. Face Yoga

The Women Development Cell invited yoga expert Ms. Minal Potnis to teach a special session on face yoga for women. She shared a lot of helpful information about face yoga and showed everyone how to do it correctly through practical demonstrations.

3. Steps Towards the Start-Up

The college organized an event called "Steps Towards the Start-Up," focusing on teaching students about starting their own businesses.

While students come to college to learn, the real aim is to gain knowledge and expertise to make money doing what they love. In India, many people look for jobs but struggle to find them.

During this event, even a blind student took part and made a profit, experiencing happiness. The main goal was to help students understand business and find joy in their endeavours.

4. Self-Grooming: A Way of Life.

The Women Development Cell (WDC) at the college collaborated with LAKME cosmetics to host a session titled "Self-Grooming: A Way of Life." This engaging event took place on December 7, 2022, at the college auditorium. Ms. Seeta Nair, the Business Head of Lakme Academy, delivered a motivational speech, and her colleagues conducted practical demonstrations on grooming techniques specifically tailored for navigating interviews and succeeding in the corporate world.

This is how WDC is working enthusiastically in work often translates to dedication, passion, and a positive attitude toward tasks and goals. Within WDC, this could mean employees are deeply engaged in their work, finding fulfilment in what they do. Enthusiastic team members often contribute innovative ideas, display resilience in the face of challenges, and inspire others with their energy.

- Dr. Mamata Bodele
Convenor, WDC

Department of Zoology

Departmental Activities 2022 - 2023

1. Celebration of "World Nature Conservation Day" 28th of July, 2022.
2. Under the aegis of "National Integration Week" (9th -15th of August) recipe competition was held on Tricolour and Traditional concept by Department of Biotechnology and Department of Zoology on 8th of August, 2022.
3. BOS meeting was attended by Prof. Sangore and Dr.Donde on 5th of August, 2022.
4. Field Visit to "Tungareshwar Wildlife Sanctuary" on 27th of August, 2022.
5. Teacher's Day celebration with all zoology students on 6th of September, 2022.
6. Field visit to Fish landing centre at "Ferry Wharf" with TYBSc Zoology Students on 22nd of September, 2022.
7. "Beach Cleaning Activity" under the aegis of "Nav Kirti" with NSS Department and Seva Sahayog Foundation on 28th of September ,2022.
8. On the occasion of "World Diabetes Day" DES's Kiri M. Doongursee College (Autonomous) organized a webinar titled "Diabetes, Obesity-Restriction and Reversal" (Online mode) on 14th of November, 2022.
9. Field Visit to Kirti College Dadar beach to observe the "Marine Biodiversity" with F.Y.B.Sc. students on 15th of November, 2022.
10. "Metabolic Health Monitoring Camp on Diabetes and Cardiovascular Risk" Organized by Department of Zoology in association with IQAC and NCC girl's unit on 16th of November, 2022.
11. Study Visit to "Chhatrapati Shivaji Maharaj Vastu Sanghralaya- Fort" as a part of syllabus as Visit to the museum and fossil study for MSc Part-I students on 22nd of November, 2022.
12. Visit to bhaucha dhakka (ferry wharf) with MSc Part-II students on 29th of November, 2022.
13. Visit to Aarey fish farm-Goregaon with MSc Part-II students on 29th of November, 2022.
14. Visit to Tata memorial hospital-parel with MSc Part-I students on 30th of November, 2022.
15. Visit to ACTREC-Kharghar open day with MSc Part-I students on 1st of December, 2022.
16. Demonstration of Trinocular Digital Microscope to Non-teaching staff on 5th December, 2022.

17. T.Y.B.Sc. Zoology students participated in entrepreneurship program 'Step towards the start-up' on 16th December 2022.
18. Aditi Kshirsagar FYBSc Zoology student shared her experience from the Leadership Camp on 30th January 2023.
19. A crow is rescued under the guidance of teachers by TYBSc students on 1st February 2023.
20. Well organized and managed Departmental fest 'ZOOFIESTA 2023' on 6th and 7th February 2023.
21. Visited an Exhibition on Intertidal Zone Biodiversity by Pradip Patade at Kala Ghoda festival with TYBSc Students on 10th February 2023.
22. 1st Bird census at Tansa WLS which was organized by Owl Conservation Foundation in collaboration with Maharashtra Forest Department from 10th to 12th February Participated by Atharv Chavan and Omkar Ghag (T.Y.Zoology students).
23. Guest lecture on ' Glimpses of Wildlife Management' by Mr.Ajay Pillarisett under Srujan 2023 on 14th February 2023.
24. Guest lecture on 'Fish Farming and Prawn Culture -An Golden Opportunity' by Mr.Suhas Parab on 14th February 2023.
25. Field visit with SY and TY batch at kirti college beach on 16th February 2023.
26. Students from FYBSc and SYBSc Participated in Avishkar on 16th of February 2023.
27. Departmental Excursion (from 2nd March 2023 to 5th March 2023) and NIO Visit On 3rd March 2023 at Goa.
28. First Aid Demonstration session for students by Dr. P. Vaja on 14th March 2023.
29. Field visit to Hinduja Hospital for Vocational Guidance after B.Sc. Zoology on 21st March,2023.

30. Farewell Ceremony for TY BSc Batch 2022-23 12th April 2023.
31. BOS Meeting on 20th April 2023.
32. Demonstration Practical on value added product-made 'Prawn Pickle' for MSc Part II students on 3rd May 2023.
33. Field Visit to 'Jhijamata Udyan, Byculla ' with MSc Part I students on 8th May 2023.
34. Field Visit to 'Bombay Veterinary College, Parel' for the demonstrative practical on Semen samples of different animals for MSc Part I Students, Date: 20th May 2023.
35. Dissertation Presentations and Submission by MSc Part II students on 10th June 2023.
36. Farewell Ceremony of MSc Part II students on 16th June 2023

Prof. D. D. Sangore

1. Worked as external examiner for T. Y. B. Sc. Zoology semester-V, P-I practical examination at Sathaye college 7th October 2022.
2. Invited as a subject expert for interview of the assistant professor in zoology At Annasaheb Vartak College, Vashi (w) dated on 27th August 2022.
3. Participated in one day multidisciplinary national seminar Research in social science: technique, scope and objectives at Kirti College on 24th January 2023.
4. Worked as VC nominee subject expert in the subject of zoology for screening and verification of CAS files for stage 2 to 3 at Wilson college on 6 February 2023.
5. Participated in the seminar on Innovation and startup Entrepreneurship opportunity to academicians organized by Innovation and incubation cell (IIC) in collaboration with research cell and Internal Quality Assurance cell (IQAC) on 24 February 2023 at kirti college.
6. Participated in the state level IARP workshop on Beneficial effects of radiation technology and Indian nuclear energy program conducted by IARP Mumbai and Department of physics chemistry kirti college on 25th February 2023.

Prof. Dr. Subhash Donde

B) Papers presented in National International Conferences

1. नई शिक्षा नीति के परिप्रेक्ष्य में परिणाम आधारित शिक्षा: एक विहंगावलोकन One Day National Seminar (on-line) on Towards a Holistic and Multidisciplinary Education NEP 2020 13th April 2023 Global Online Electronic Interdisciplinary Research Journal. www.goeiirj.com ISSN: 2277-5639 Pp:54-56.
2. कृषि जैव प्रौद्योगिकी द्वारा लवण सहिष्णु पराजीनी (ट्रान्सजेनिक) फसलों का नवनिर्माण: एक पुनरावलोकन

One day multidisciplinary international conference on Global Paradigm shift : Initiatives of India in Science, education, Business & Climate 10th Jan; 2024 organized by Veer Vajekar College , Phune- Uran.

3. भूमि अवतलन (सब्सिडेंस): मानवजनित जलभृत दोहन से जुड़े वैश्विक संकट One day multidisciplinary international conference on Global Paradigm shift : Initiatives of India in Science, education, Business & Climate 10th Jan; 2024 organized by Veer Vajekar College , Phune-Uran.
4. संधारणीय विकास लक्ष्यों का समीक्षात्मक मध्यावधि मूल्यांकन: एक अध्ययन One day multidisciplinary international conference on Global Paradigm shift : Initiatives of India in Science, education, Business & Climate 10th Jan; 2024 organized by Veer Vajekar College , Phune-Uran.
5. EIA 2020 Notification: Is it a boon or bane for Sustainable development? National conference on Environment, Development, and sustainability: An inclusive approach for a resilient future on 17th Feb; 2024 at The SIA College of Higher Education, Dombivli.

C. Research papers published as Chapters in an edited book

1) India's diminishing women workforce participation: A cause of concern for gender equality In an edited book entitled ***Sustainable Development & Environmental Conservation*** Edited by Dr Vidya Choudhary.

Prof. Dr. Dhara Trivedi

1. Conducted Beach Visit Activity at Dadar Chowpatty organised by Dept. of Zoology, Kirti M. Doongursee College, Dadar for the students of F. Y. B. Sc. Zoology on 15th November, 2022.
2. Guided Students for Research Proposal and Presentation for Kirti Avishkar Research Convention 2022-23 an Intra College Research Competition organised by DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 16th February, 2023.Won 2nd Prize for the same.
3. Participated in Advancing Laboratory Pedagogy 3 days' workshop held by National Initiative on Undergraduate science from 21st to 23rd Feb 23 at Biology cell, HBCSE, TIFR, Mumbai.
4. Member of the organizing committee of 'Zoofiesta' Departmental Festival organised by our Department held on 7th February, 2023.
5. Convenor in the guest lecture on Glimpses of Wildlife Management by Mr. Ajay Pillarisett and On Topic Mastya Sheti va Kolambi Shetitun Udyojakata Vikas: ek naami sandhi by Mr. Suhas Parab under the aegis of Srujan Annual Academic Festival 2023, organised by Dept. of Zoology, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 14th February, 2023.
6. Organised First Aid Demonstration Session for F. Y. B. Sc. Students on behalf of Dept. of Zoology, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) and arrange the guest speaker, Dr. Vaja for it on 14th March 2023.
7. Working on Research Project with Title : A Comparative Study of Microplastic Marine Contamination and its effects on Ecosystems in Mumbai Region.Funded by DES Education Society.
8. Celebrated 'Guru Pornima' on 15th July, 2022 with NSS Volunteers.
9. Celebration of "World Nature Conservation Day" 28th of July,2022.
10. Celebrated Teacher's Day with Zoology students on 6th of September, 2022.
11. Attended following Seminars organised by IQAC on Assessment and Accreditation Process of Autonomous Institutions on 6th October 2022. Walking on the Path of Autonomy on 19th November 2022. Blooms Taxonomy, Syllabi Framing and Evaluation on 24th November 2022. Academic Reforms In Concurrence With NEP on 7th January 2023. Implementation of Outcome-based Education on 1st February 2023.

Prof. Jiteesha Chavan

1. Received funds for Research in Multidisciplinary Minor Research Project by DES Pune for Academic Year 2023-24.
2. Guided to the M.Sc. Zoology Part II student for the dissertation sem IV for academic year 2022-23.
3. Actively participated in meeting for the Change of Scheme of Examination of S.Y.B.Sc. Zoology, T.Y. B.Sc. Zoology and M.Sc. Zoology Part II by Board of Studies, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) for the academic year 2023-24 on 20th April, 2023.
4. Organised First Aid Demonstration Session for F. Y. B.

Sc. Students on behalf of Dept. of Zoology, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) and arrange the guest speaker, Dr. Vaja for it on 14th March 2023.

5. Organized and accompanied TYBSc and MSc-Part 1 students for National Institute of Oceanography excursion on the behalf of the Department of Zoology, 1st of March, 2023-5th of March, 2023.
6. Participated in NIUS-ALAP meet organised for teaching staff held at HBCSE-TIFR Mankhurd from 21st to 24th February, 2023.
7. Participated as a mentor in Avishkar Research Convention 2022-23 an Intra College Research Competition organised by DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 16th February, 2023.
8. Convenor of the guest lecture on Glimpses of Wildlife Management delivered by Mr. Ajay Pillarisett and On Topic Mastya Sheti va Kolambi Shetitun Udyojakata Vikas: ek naami sandhi by Mr. Suhas Parab under the aegis of Srujan Annual Academic Festival 2023, organised by Dept. of Zoology, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 14th February, 2023.
9. Actively Participated in Webinar on 'Pangolin: Life Cycle, Protection and Conservation' organised by Sahyadri Sankalp Society, Srushtidnyan and Athalye-Sapre-Pitre College Devrukh, Maharashtra, India on 12th February, 2023.
10. Participated as Publicity Committee Member in Personality Development & Leadership Training Program-2023 organised by our college in collaboration with an NGO: Disha Bharat on 6th and 7th February, 2023.
11. Organized Zoology festival Zoofiesta held on 6th and 7th February, 2023.
12. Participated in Guest Lecture Series Session:5 on Implementation of Outcome- based Education organised by IQAC of DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 1st February, 2023.
13. Actively Participated in Webinar on 'Creating Aquatic Garden: Aqua Scaping' organised by Sahyadri Sankalp Society, Srushtidnyan and Athalye-Sapre-Pitre College Devrukh, Maharashtra, India on 29th January, 2023.
14. Participated as judge for Skit Competition Event in Annual Inter-collegiate Festival: Kirti Antarang 2022-23 on 16th January, 2023.
15. Participated as judge for Mono-Acting Event in Annual Intra-collegiate Festival: Kirti Antarang 2022-23 on 15th December, 2022.
16. Participated as resource person in a session to demonstrate the operation of Trinocular Digital Microscope to Non-Teaching staff of Dept of Zoology organised by Dept. of Zoology, DES Kirti M. Doongursee College, Dadar on 05th of December, 2022.
17. Participated as resource person professor in visit to Aarey Fish Farm, Goregaon for M. Sc. Zoology Part I organised by Dept. of Zoology, DES Kirti M. Doongursee College, Dadar on 1st December, 2022.
18. Participated as resource person professor in visit to Fish Landing Centre, Ferry Warf, Dockyard Road for M. Sc. Zoology Part II organised by Dept. of Zoology, DES Kirti M. Doongursee College, Dadar on 29th November, 2022.
19. Attended Guest Lecture Series Workshop- III on Blooms Taxonomy: Syllabi Framing and Evaluation organised by IQAC of DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 24th November, 2022.
20. Participated as resource person professor for BNHS Museum Visit Activity at Chhatrapati Shivaji Maharaj Vastu Sangrahalaya organised by Dept. of Zoology, Kirti M. Doongursee College, Dadar for the students of M. Sc. Zoology Part I on 22nd November, 2022.
21. Attended Guest Lecture Series Workshop- II on Walking on the path of Autonomy and Mechanism of Course Outcomes and Program Outcomes in Syllabi Framing organised by IQAC of DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on 19th November, 2022.
22. Organised and Volunteered in Metabolic Health Monitoring Camp under Staff Welfare Initiative programme organised by IQAC, Department of Zoology and NCC Girls Unit in DES Mumbai Campus (KMDC+NMITD+JSKBS) on 16th November, 2022.
23. Participated as resource person professor for Beach Visit Activity at Dadar Chowpatty organised by Dept. of Zoology, Kirti M. Doongursee College, Dadar for the students of F. Y. B. Sc. Zoology on 15th November, 2022.
24. Participated, introduced and gave vote of thanks to the guest speaker in Online talk on Prevention & Reversal of Diabetes & Obesity by Dr. Ratna Ashtekar

on the occasion of World Diabetes Day in DES Mumbai Campus (KMDC+NMITD+JSKBS) in collaboration with ADORE Trust on 14th November, 2022.

25. Participated as resource person professor in visit to Fish Landing Centre, Ferry Warf, Dockyard Road for T. Y. B. Sc. Zoology organised by Dept. of Zoology, DES Kirti M. Doongursee College, Dadar on 22nd September, 2022.
26. Participated in Visit to Tungareshwar Wildlife Sanctuary, Usgaon, Maharashtra for T. Y. B. Sc. Zoology and M.Sc. Zoology Part II organised by Dept. of Zoology, DES Kirti M. Doongursee College, Dadar as professor with other zoology teaching staff on 27th August, 2022.
27. Volunteered for imparting Band Squad Training to the NCC Cadets of DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) on the occasion 75th Anniversary of India's Independence, Azadi ka Amrut Mahotsav from 12th to 14th August, 2022.
28. Actively participated in the process for the Change of Syllabus of F. Y. B. Sc. Zoology and M. Sc. Zoology Part I by Board of Studies, DES Kirti M. Doongursee College of Arts, Science & Commerce (Autonomous) for the academic year 2023-24. (Jun2022 – Mar2023).

Prof. Shraddha Padiyar

Celebrations:

1. Celebrated 'Guru Pornima' on 15th July, 2022 with NSS Volunteers.
2. Celebration of "World Nature Conservation Day" 28th of July,2022.
3. Under the aegis of "National Integration Week" (9th -15th of August) managed recipe competitions based on Tricolour and Traditional concept.
4. Celebrated Teacher's Day with Zoology students on 6th of September,2022.

Field Visit:

1. Participated as resource person professor in Field visit to Fish landing centre at "Ferry Wharf" on 22nd of September, 2022.
2. Participated as resource person professor in Field Visit to Kirti College Dadar beach to observe the "Marine Biodiversity" on 15th of November,2022.
3. Participated in Visit to TATA MEMORIAL HOSPITAL Parel on 30th November 2022.
4. Visited a Exhibition on Intertidal Zone Biodiversity by Pradip Patade at Kala Ghoda festival on 10th February 2023.
5. Participated as resource person professor in Field visit of SY and TY batch at kirti college beach on 16th February 2023.

Other Activities:

1. Participated in "Beach Cleaning Activity" under the aegis of "Nav Kirti" with NSS Department and Seva Sahayog Foundation on 28th of September,2022.
2. Guided and encouraged T.Y.B.Sc. students to rescued a crow on 1st feb 2023.
3. Participated and guided our T.Y.B.Sc. students to manage food stall during the program 'Step towards the start-up' organised by Women Development Cell.

Departmental Fest contribution:

1. Actively participated in organizing Departmental fest 'ZOOFIESTA 2023' held on 6th and 7th February 2023.

Management in Departmental Guest lecturers:

1. Convenor of Guest lecture on 'Glimpses of Wildlife Management' by Mr.Ajay Pillarisett under Srujan 2023.
2. Convenor of Guest lecture on 'Fish farming and Prawn farming Enterpreneurship Develpment-Golden Opportunity' by Mr.Suhas Parab under Srujan 2023.
3. Organised First Aid Demonstration session for students by Dr.P. Vaja on 14th March 2023.

Active Participation in following workshops organised by department of zoology:

1. Metabolic Health Monitoring Camp on "Diabetes and Cardiovascular Risk" Organized by Department of Zoology in association with IQAC and NCC girl's unit on 16th of November,2022.
2. Demonstration of Trinocular Digital Microscope to Non-teaching staff on 5th Dec 2022.

Active Participation in seminars organised by other departments:

1. Actively Participated in the Seminar on "Innovation & Start-up: Entrepreneurship opportunity to academicians", organised by Innovation & incubation Cell (IIC) in collaboration with Research cell and Internal Quality Assurance Cell (IQAC) on 24th February, 2023 at Kirti M. Doongursee College.
2. Participated in the State level IARP Workshop on

"Beneficial Effects of Radiation Technology and Indian Nuclear Energy Programme" Conducted by IARP, Mumbai and Hosted by Department of Physics & Chemistry, Kirti M. Doongursee College of Arts, Science & Commerce, Mumbai on 25th February, 2023.

3. Participated in the Workshop on IPR with respect to"How to Fill Patent Application", organised by Research & Development Cell in collaboration with IQAC of KMDC & NMITD on 4th March, 2023 at Kirti M. Doongursee College.
4. Attended 'Marathi kaviteche Vividha Prakar' program held by Marathi department on 9th Feb 2023
5. Attended many cultural and informative sessions during SRUJAN 2022.

As a Zoologist:

1. Conducted biodiversity assessment at Dari,Nashik as a visiting zoologist in Raah foundation under the project Srushti from August 2022 to September 2023.

Research Presentation-In National E-Conference on Environmental Crisis &Conservation Strategy 3rd March 2023.

Journal, Title of research & other details are as follows:

1. Some preliminary observations on pollution level of Dahisar river with respect to monitoring BOD and COD by Dalvi Sneha, Padiyar Shraddha and Donde S.B. from Department of Zoology, Kirti College which is presented in Souvenir of One Day National e-Conference based on theme of Environmental crisis and conservation strategies organised by Department of Zoology, Veer Wajekar College, Rayat Shikshan Sanstha, Raigad.

   ISBN: 987-49-160-81569
   Volume Part -1
2. Preliminary observations on some aspects of hydrobiology of Powai and Vihar lakes of Mumbai by Padiyar Shraddha A., Dalvi Sneha S. And Sangore D.D. from Department of Zoology,Kirti College which is presented in Souvenir of One Day National e-Conference based on theme of Environmental crisis and conservation strategies organised by Department of Zoology, Veer Wajekar College ,Rayat Shikshan Sanstha , Raigad .

   ISBN: 987-49-160-81569
   Volume Part -1

Actively attended mandatory seminars:

1. Attended Seminars organised by IQAC on Assessment and Accreditation Process of Autonomous Institutions on 6 Oct 2022.
2. Walking on the Path of Autonomy on 19 Nov 2022.
3. Blooms Taxonomy, Syllabi Framing and Evaluation on 24th Nov 2022.
4. Academic Reforms in Concurrence with NEP on 7 January 2023.
5. Implementation of Outcome-based Education on 1 Feb 2023.

Others:

1. **Acting**-Worked in 'Asti' short film as supporting actress.
2. **Dancing**-Started my own YouTube channel and Instagram Page named as 'Saburi Nritya.

Invited as a judge:

1. Dr. Babasaheb Ambedkar College, Chembur invited me as a judge for Dance Competition of their intercollegiate Cultural Festival 'SHEEL UTSAV'.
2. Invited me as a judge for Dance Competition in the intra collegiate cultural festival 'Antarang' which is organised by Cultural Department of Kirti College.
3. Invited me as a judge for Rangoli Making Competition in the inter-collegiate cultural festival 'Antarang' which is organised by Cultural Department of Kirti College.
4. Invited me as a judge for Street play Competition in the inter collegiate socio-cultural festival 'Udaant' which is organised by NSS Unit (Junior) of Kirti College.
5. Invited me as a judge for Dance Competition in the inter-collegiate festival 'Moksh' which is organised by BAMMC Department of Kirti College.
6. Invited me as a judge for Dance Competition in the inter-collegiate festival 'Ekyam' which is organised by BMS Department of Kirti College.

Invited as a guest lecturer:

कीर्ती कॉलेजने पटकावला 'मटा' करंडक

तरुण रंगकर्मींच्या लाडक्या आणि मनोरंजन विश्वाचे लक्ष वेधून घेणाऱ्या 'आयएनटी' एकांकिका स्पर्धेत कीर्ती कॉलेजच्या 'उकळी' या एकांकिकेने बाजी मारत सर्वोत्कृष्ट एकांकिकेचा मान पटकावला. विजेतेपदाच्या चषकासह या कॉलेजच्या चमूला 'महाराष्ट्र टाइम्स'तर्फे विशेष ट्रॉफी देऊन गौरविण्यात आले. मराठी मनोरंजनसृष्टीत अत्यंत मानाच्या मानल्या जाणाऱ्या 'मटा सन्मान'ची ट्रॉफी पटकावून नवोदित कलाकारांचा सन्मान करण्यात आल्याने कॉलेजविश्वात आनंद व्यक्त करण्यात आला.

जल्लोषाची 'उकळी'

नेमबाज रुद्रांक्षचा कीर्ती कॉलेजमध्ये गौरव

मुंबई टाइम्स टीम
muntainbox@gmail.com

कीर्ती कॉलेजच्या माजी विद्यार्थी मेळाव्या 'फूटस्टेप्स २०२३' नुकताच संपन्न झाला. यावर्षी क्रीडा क्षेत्रात नावलौकिक मिळवलेल्या माजी विद्यार्थ्यांना आमंत्रित करण्यात आले होते. या प्रसंगी कीर्ती कॉलेजमध्ये प्रथम वर्ष कला शाखेत शिकत असलेला आणि जागतिक शूटिंग क्रमवारीत अव्वल असलेला खेळाडू रुद्रांक्ष पाटीलचा कौतुकसोहळा आयोजित केला होता. जागतिक शूटिंग स्पर्धेत सुवर्ण पदक आणि २०२४च्या पॅरिस ऑलिम्पिकमध्ये निवड झाल्याच्या निमित्ताने त्याचा सत्कार कॉलेजच्यावतीने करण्यात आला. यावेळेस जलतरण क्रीडा प्रकारात राष्ट्रीय-आंतरराष्ट्रीय पातळीवर २०० पदकांची कमाई करणाऱ्या आणि सध्या कीर्ती कॉलेजमध्ये एमएला शिकत असलेल्या जुलुमा बहिणी ज्योती व आरती पाटील यांचा सत्कार करण्यात आला. या कार्यक्रमाला कीर्ती कॉलेजचे माजी विद्यार्थी व राष्ट्रीय प्रशिक्षक विश्वजीत रिंदे, कबड्डीपटू जेम्स पेरा, पॉवर लिफ्टर रक्षा महाराव, शूटिंग प्रशिक्षक लीना शिरोडकर, बॉक्सर जय कवळी, क्रिकेटर पारस म्हाम्बरे उपस्थित होते. डेक्कन एज्युकेशन सोसायटीचे प्रबंधक डॉ. महादेव केकरे, प्राचार्य डी. व्ही. पवार आणि आजीव सभासद डॉ. मीनल भापुस्कर हेदेखील कार्यक्रमाला उपस्थित होते.

उत्सुकता 'कीर्ती करंडक'ची

मुंबई टाइम्स टीम
muntainbox@gmail.com

डेक्कन एज्युकेशन सोसायटीच्या कीर्ती कॉलेजनं आज २१ डिसेंबर आणि उद्या २२ डिसेंबरला कॉलेजच्या आवारात २६व्या राज्यस्तरीय आंतरमहाविद्यालयीन कबड्डी आणि खो-खो या स्पर्धांचं आयोजन केलं आहे. या स्पर्धांचं उद्घाटन आज, बुधवार २१ डिसेंबरला होणार आहे. पॅरिस ऑलिम्पिक स्पर्धेसाठी नुकताच पात्र ठरलेला आणि सध्या कीर्ती कॉलेजमध्येच एफवायबीएमध्ये शिकत असलेला रुद्रांक्ष पाटील या प्रसंगी विशेष अतिथी म्हणून उपस्थित राहणार आहे. तसंच खडाळा येथील शारीरिक शिक्षण महाविद्यालयाचे माजी प्राचार्य डॉ. गोरक्ष पारगावकर, महाविद्यालय विकास समितीचे अध्यक्ष अँड. नील हेळेकर आणि कॉलेजचे प्राचार्य डॉ. डी. व्ही. पवार हे उपस्थित राहणार आहेत. स्पर्धेचा पारितोषिक वितरण समारंभ उद्या, २२ डिसेंबरला कॉलेजच्या आवारात होणार आहे. कीर्ती कॉलेजचीच माजी विद्यार्थिनी आणि अर्जुन पुरस्कारप्राप्त हिमानी परब विशेष अतिथी म्हणून उपस्थित राहणार आहे.

...ल्य कैरीत बलाढ्य उत्तर प्रदेश संघाचे आव्हान आहे. सोमवारी ...होत. आतापर्यंत या स्पर्धेतील सर्व सामने महाराष्ट्राने जिंकले ...डविला होता. अनेक ऑलिंपिकपटू आणि आंतरराष्ट्रीय खेळाडूंचा ...होता. शेवटच्या साखळी सामन्यात त्यांनी पश्चिम बंगाल संघाला ...असे संपुष्टात आणले होते. महाराष्ट्र संघाकडून तालेब शेख (६ गोल), ...(७ गोल), युवराज वाल्मिकी (८ गोल) व अंकिता केचे (७ गोल) हे सातत्याने गोल करण्यात यशस्वी ठरले आहेत. महाराष्ट्र संघाने या स्पर्धेत बचावात्मक खेळावर भर दिला आहे. त्यामुळे उद्या या बचावफळीकडून त्याच कामगिरीची अपेक्षा आहे.

सॉफ्टबॉल : महाराष्ट्र पुरुष संघाने मध्यप्रदेश संघाचा १०-० ने पराभव केला. दुसऱ्या सामन्यात महाराष्ट्र संघाला दिल्ली विरुध्द ०-८ होमरनने पराभव पत्करावा लागला. नंतर महाराष्ट्रने गुजरात संघाला ४-१ होमरनने विजय मिळवत आपल्या गटात अव्वल क्रमांकावर आहे. महिला गटात पहिल्या लढतीत महाराष्ट्र संघाला पंजाबविरुध्द ०-१ होमरनने पराभव पत्करावा लागला. नंतर महाराष्ट्र संघाने तेलंगणा संघाला ६-० होमरनने नमविले. महाराष्ट्राच्या पुरुष संघाकडून पवन गुंजाळ, धीरज बडेकर, जयेश मोरे, सौरभ टोकसे, कल्पेश कोल्हे, सुमेध तळवेलकर तर महिला संघातून स्वप्नाली वायदंडे, कांचन बडगुजर, मोनाली नाबू, करिश्मा कुडचे, ऐश्वर्या बोडके, ज्योती पवार यांनी उत्कृष्ट खेळाचे प्रदर्शन केले.

जलतरण : उत्तिकारी झालेल्या स्पर्धेत महाराष्ट्राच्या ज्योती व आरती पाटील या जुळ्या भगिनींनी १०० मीटर ब्रेस्टस्ट्रोक प्रकारात अनुक्रमे तृतीय (१:१६.६४ से.) व कांस्यपदक (१:१८.२१ से.) जिंकले.

अंतरंगमध्ये आनंदाचे रंग

पार्थ दोशी, पार्ले-टेकडा कॉलेज
muntainbox@gmail.com

कीर्ती कॉलेजच्या सांस्कृतिक विभागाने आयोजित केलेल्या 'अंतरंग' या आंतरमहाविद्यालयीन फेस्टिव्हल अलीकडेच पार पडला. या फेस्टचा 'महाराष्ट्र टाइम्स' हा मीडिया पार्टनर होता.

या फेस्टिव्हलमध्ये ३०हून अधिक स्पर्धांमध्ये विद्यार्थ्यांनी सहभाग नोंदवला. सहभाग विभागामध्ये नकाशा, प्रश्नमंजूषा, फाटीकाढा, कवितालेखन, कथालेखन या स्पर्धा पण्डल झाल्या. फाइन आर्टस विभागात मेहेंदी, रांगोळी, पोस्टर मेकिंग, टेंट मेकिंग, फेस पेंटिंग इ. स्पर्धांमध्ये विद्यार्थी सहभागी झाले. तर ललित कला विभागातील नृत्य, गायन, समूहनृत्य, एकपात्री, वाद्य वादन, रॅप, बिट बॉक्सिंग, एकांकिका, नाट्यछटा, एकपात्री, प्रहसन, माइम, फैशन शो इ. स्पर्धांमध्ये विजेतेपदासाठी अटीतटीची चुरस रंगली. यासह शॉर्ट फिल्म, फोटोग्राफी, ग्रीन फिल्म, पाककला, अंतरंग कलश, ट्रेजर हंट, मोहात्मा पोर इ. इव्हेंट्सही पार पडले. ता. पार्ले-टेकडा कॉलेजचा खेळ पाचवा आणि पेंटर कॉलेजची टिम रनरअप ठरले. फैशनशोमधील विजेत्यांच्या पसंतीचे कॉलेज ठरले. फेस्टिव्हलमधील कलेच अंतरंग या स्पर्धेचे विजेते ठरले. फेस्टिव्हलमधील विजेत्यांच्या पसंतीचे कॉलेज ठरले. फेस्टिव्हलमधील कलेच अंतरंग या स्पर्धेचे विजेते ठरले. फेस्टिव्हलमधील विजेत्यांच्या पसंतीचे कॉलेज ठरले. फेस्टिव्हलमधील कलेच अंतरंग या स्पर्धेचे विजेते ठरले. फेस्टिव्हलमधील विजेत्यांच्या पसंतीचे कॉलेज ठरले.

तारे-तारकांचा विशेष सहभाग

प्रथमेश परब, प्रसाद रावणंग, अक्षिनी कालहर या कलाकारांनी फेस्टिव्हलला विशेष उपस्थिती दर्शवली. अभिनेते मानसी नाईक आणि केतकी विलास पांगे यांनीस समारंभात हजेरी लावली.

"पंढरपूर 'अंतरंग' फेस्टिव्हल' जगभरात रंगला. आंतरराष्ट्रीय पातळीवर भारताचं प्रतिनिधित्व करणाऱ्या संघाचं उद्घाटन कार्यक्रमात मान्यवरांच्या प्रास्ताविक भाषण केली. कॉलेजचे प्राचार्य डी.व्ही. पवार, उपप्राचार्य डॉ. मिलिंद जोग, डॉ. भीमराव मापुस्कर यांनी फेस्टिव्हलसाठी मार्गदर्शन केलं. विद्यार्थ्यांमधील सुप्त गुणांना वाव देण्यासाठी 'अंतरंग' हा फेस्टिव्हल एक सुंदर व्यासपीठ ठरला.

Rudrankksh wins World Championship gold and Olympic quota for Paris 2024 Games

Sports Bureau

Rudrankksh Patil was in brilliant form as he beat Danilo Dennis Sollazzo of Italy 17-13 for the gold in men's air rifle and sealed the Olympic quota for Paris in style in the World Championship in Cairo on Friday.

The 18-year-old Rudrankksh, competing in the men's field for the first time, was a class act as he topped qualification with 633.9 points. More importantly, he was able to ward off the threat from two Chinese shooters, including reigning World and Olympic champion Yang Haoran.

It was the second Olympic quota for India after Bhowneesh Mendiratta had sealed the one in trap at the recent shotgun World Championship in Osijek, Croatia.

Rudrankksh's gold in air rifle was only the second in the event for India, after Abhinav Bindra had won in 2006.

Rudrankksh pipped Sheng Lihao by 0.1 point in the second stage with his score of 261.9 to be eligible for the gold match. Lihao had to settle for bronze and Yang Haoran finished fourth.

In the qualification stage, Rudrankksh shot scores ranging from 105.1 to 106.1 in the six cards, to top a field of 114 shooters. He was 0.6 point ahead of Lihao.

It may be recalled that Anjum Moudgil had won the World Championship silver in women's air rifle in 2018 to qualify for the Tokyo Olympics.

India was second behind China on the medals table, and missed a bronze in the 50m rifle prone mixed event, as Nischal and Surya Pratap Singh were beaten 16-6 by Americans Katie Lorraine Zaun and Rylan Kissell.

The results:

10m air rifle; Men: 1. Rudrankksh Patil 17 (261.9) 633.9; 2. Danila Dennis Sollazzo (Ita) 13 (262.7) 631.9; 3. Sheng Lihao (Chn) 261.8 (633.3); 4. Yang Haoran (Chn) 260.2 (632.1); 8. Kiran Jadhav 154.2 (630.6); 48. Arjun Babuta 625.3.

A day to remember: Rudrankksh who emerged World Champion in air rifle in Cairo on Friday. SPECIAL ARRANGEMENT

भारताची G-20 अध्यक्षता: वसुधैव कुटुम्बकम्च्या माध्यमातून धुरीणत्वाकडे वाटचाल

१ डिसेंबर २०२२ हा भारतासाठी एक संस्मरणीय दिवस ठरला. याच दिवशी भारताने इंडोनेशियाकडून जी-२० चे अध्यक्षपद स्वीकारले आणि २०२३ मध्ये भारतात पहिल्यांदाच जी-२० सदस्य देशांच्या नेत्यांची बैठक आयोजित करण्यात आली. भारतासारखा, लोकशाही आणि बहुराष्ट्रीयत्वाच्या तत्त्वासाठी पूर्णपणे कटिबद्ध असलेल्या भारताला हे जी-२० चे अध्यक्षपद मिळणे, ही देशासाठी एक ऐतिहासिक घटना असून, सर्वांच्या कल्याणासाठी, जागतिक समस्यांवर काही व्यावहारिक तोडगे शोधण्याच्या दृष्टीने, भारताची ही अध्यक्षपदाची भूमिका महत्त्वाची ठरणार असून हे करताना, 'वसुधैव कुटुंबकम' किंवा 'जग हे एक कुटुंब' या तत्त्वाचे पूर्ण दर्शन घडणार आहे.

जी-२० हे काय आहे ?

जी-२० हा १९ देशांचा आंतरशासकीय बहुस्थरीय समूह आहे. यात अर्जेंटिना, ऑस्ट्रेलिया, ब्राझील, कॅनडा, चीन, फ्रान्स, जर्मनी, भारत, इंडोनेशिया, इटली, जपान, कोरिया, प्रजासत्ताक, मेक्सिको, रशिया, सौदी अरेबिया, दक्षिण आफ्रिका, तुर्की, इंग्लंड आणि अमेरिका ही १९ राष्ट्रे आणि युरोपीय महासंघाचा समावेश आहे. जी-२० समूहातील देश जागतिक सकल जीडीपी पैकी, ८५ टक्के वाटा उचलतात. जागतिक व्यापारात त्यांचा वाटा ७५ टक्के इतका आहे आणि एकूण जागतिक लोकसंख्येपैकी दोन-तृतीयांश लोकसंख्येचे प्रतिनिधित्व हा समूह करतो.

१९९९ च्या आशियाई आर्थिक संकटानंतर अर्थमंत्री आणि सेंट्रल बँक गव्हर्नर यांच्यासाठी जागतिक आर्थिक समस्यांवर चर्चा करण्यासाठी एक जागतिक मंच असावा म्हणून जी-२० ची स्थापना करण्यात आली. २००७ च्या जागतिक आर्थिक आणि वित्तीय संकटाच्या पार्श्वभूमीवर हा समूह राष्ट्र/सरकार प्रमुखांच्या पातळीवर आणला गेला. तर २००९ मध्ये ''आंतरराष्ट्रीय आर्थिक सहकार्यासाठीचा प्रमुख मंच'' म्हणून जी-२० ला महत्त्व प्राप्त झाले.

जी-२० शिखर परिषद म्हणजे काय ?

जी-२० शिखर परिषदा दरवर्षी घेतली जाते आणि प्रत्येक वेळी त्याचे अध्यक्षपद एकेका देशाकडे फिरत्या पद्धतीने दिले जाते. सुरुवातीला जी-२० संघटनेचा भर केवळ व्यापक अशा स्थूल अर्थकारणावर होता. मात्र जेव्हापासून त्यांचा अजेंडा व्यापक झाला आहे, तेव्हापासून त्यात व्यापार, हवामान बदल, शाश्वत विकास, आरोग्य, कृषी, ऊर्जा, पर्यावरण, हवामान बदल आणि भ्रष्टाचाराला प्रतिबंध असे विषयही समाविष्ट करण्यात आले आहेत.

जी-२० कसे कार्य करते ?

जी-२० चे अध्यक्षपद एका वर्षासाठी असते. यात तो देश जी२० चा अजेंडा निश्चित करतो आणि शिखर परिषदेचे आयोजन करतो. जी-२० मध्ये दोन समांतर प्रवाह असतात – वित्तीय आणि शेर्पा. वित्त मंत्री आणि मध्यवर्ती बँकांच गव्हर्नर वित्तीय विषयक नेतृत्त्व करतात, तर शेर्पा, शेर्पा संदर्भात नेतृत्त्व करतात. वित्तीय प्रवाहाचे नेतृत्त्व अर्थमंत्री आणि सदस्य देशांच्या मध्यवर्ती बँकेचे गव्हर्नर करतात. दोन प्रवाहांत संकल्पना घेऊन चालणारे कार्य समूह असतात, यात सदस्य देशांच्या संबंधित मंत्रालयाचे ३ प्रतिनिधी तसेच आमंत्रित / अतिथी देशांचे आणि विविध आंतरराष्ट्रीय संघटनांचे प्रतिनिधी भाग घेतात.

जी-२० च्या शेर्पा प्रवाहाची प्रक्रिया, सर्व सदस्य देशांच्या शेर्पाकडून समन्वयीत केली जाते. शेर्पा त्या त्या देशातील नेत्यांचे वैयक्तिक दूत असतात. शेर्पा प्रवाह, १३ कार्यगट, २ उपक्रम (RIIG आणि जी-२० एम्पॉवर) आणि विविध कार्यरत (Engagement Groups) गटांच्या कार्यावर देखरेख करतो. हे सर्व गट वर्षभर भेटतात आणि समांतरपणे त्यांची निरीक्षणे आणि बैठकींचे फलित या संबंधीचे दस्तऐवज वेळोवेळी जारी करत असतात. त्यांच्या बैठकांमध्ये होणाऱ्या महत्त्वपूर्ण चर्चानंतर, शेर्पाच्या बैठकीत त्या विषयांवर सहमती – आधारित शिफारसी ठरवल्या जातात. शेर्पा-स्तरीय बैठकांमध्ये अंतिम स्वरूप मिळालेल्या दस्तऐवजांच्या आधारावरच अखेरीस सदस्य देशांच्या राष्ट्रप्रमुखांच्या घोषणा निश्चित होत असतात. सर्व जी-२० सदस्य देशांच्या प्रमुख, पुढच्या वर्षी सप्टेंबरमध्ये नवी दिल्लीत होणाऱ्या सहमती शिखर परिषदेत अशा घोषणापत्रांवर चर्चा करीत आणि सहमती झाल्यास त्यावर स्वाक्षरी केली जाईल.

याशिवाय जी-२० देशांमधले नागरी समाज, संसद सदस्य, विचारवंत, महिला, युवा, वर्ग, कामगार, व्यवसाय आणि संशोधक यांना एकत्र आणणारे कार्यगट आहेत. भारताच्या जी-२० अध्यक्षपदांतवर्ग पहिल्यांदाच स्टार्टअप जी-२० कार्य गटाची स्थापना करण्यात आली असून यामुळे झपाट्याने बदलणाऱ्या जागतिक परिस्थितीमध्ये आवश्यक असलेला प्रतिसाद म्हणजेच नवोन्मेषाला चालना देणारे बळ म्हणून स्टार्ट अप्सचे महत्त्व लक्षात घेतले जाणारे आहे. या गटांशी सक्रिय विचारविनिमय म्हणजे पंतप्रधान नरेंद्र मोदी यांनी यावर्षी बाली शिखर परिषदेत ज्याची कल्पना मांडली होती त्यानुसार भारताच्या समावेशक महत्त्वाकांक्षी, निर्णायक आणि कृती आधारित जी-२० दृष्टिकोनाचा एक अविभाज्य भाग असेल.

भारताची जी-२० अध्यक्षीय कार्यकाळ –

१ डिसेंबर २०२२ ते ३० नोव्हेंबर २०२३ पर्यंत भारत जी-२० संघटनेचे अध्यक्षपद भूषवत आहे. पुढील वर्षी सप्टेंबर महिन्यात नवी दिल्ली मध्ये होणाऱ्या अंतिम शिखर परिषदेत ४३ राष्ट्रप्रमुखांचे आतापर्यंते सर्वात मोठे प्रतिनिधी मंडळ सहभागी होणार आहे.

भारताच्या राष्ट्रध्वजातील केशरी, सफेद, हिरवा आणि निळा या रंगांचा प्रभाव जी-२० बोधचिन्हावर आहे. भारताचे राष्ट्रीय फूल असलेल्या कमळाचा पृथ्वीशी संबंध दर्शवितो जे आव्हानांमध्ये विकासाचे निदर्शक आहे. भारताच्या निसर्गाशी सुसंवाद साधणाऱ्या वसुंधरा रक्षक जीवनशैली प्रतिबिंब पृथ्वीमध्ये दिसते. जी २० बोधचिन्हाच्या खाली देवनगरीमध्ये भारत असे लिहिलेले आहे.

भारताची जी-२० अध्यक्षकाळाची संकल्पना-

भारताची जी-२० अध्यक्षकाळाची संकल्पना ''वसुधैव कुटुंबकम'' म्हणजेच एक कुटुंब ही संकल्पना, संस्कृत महाउपनिषदातून घेतली आहे. सर्व प्रकारच्या म्हणजे मानव, प्राणी, वनस्पती आणि सूक्ष्मजीव अशा सर्वांच्या जीवनाचे आणि पृथ्वी या ग्रहावर आणि व्यापक विश्वामध्ये त्यांच्यातील परस्परसंबंधाचे महत्त्व या संकल्पनेतून अधोरेखित होते. ही संकल्पना ''लाईफ'' (पर्यावरणासाठी जीवनशैली) या उपक्रमावर त्याच्याशी संबंधित, पर्यावरणीय दृष्ट्या शाश्वत आणि जबाबदार पर्यायांसह भर देते. ज्यामुळे स्वच्छ, हरित आणि नील भविष्य निर्माण करणाऱ्या जागतिक परिवर्तनकारक उपाययोजनांची निर्मिती होते.

भारताचा जी-२० अध्यक्षीय कार्यकाळ अमृतकाळाच्या म्हणजे २५ वर्षाचा काळ जो १५ ऑगस्ट २०२२ पासून म्हणजे भारताच्या स्वातंत्र्याच्या ७५ वर्षापासून सुरू होऊन स्वातंत्र्याच्या शताब्दी वर्षापर्यंत चालणाऱ्या भविष्यवेधी, समृद्ध, समावेशक आणि विकसित समाजाच्या पूर्ततेच्या दिशेने वाटचाल करणाऱ्या आणि मानवकेंद्री दृष्टीकोन केंद्रस्थानी ठेवणाऱ्या २५ वर्षांच्या कालखंडाच्या प्रारंभासोबतच सुरू झाला असल्याने भारतासाठी हा कार्यकाळ विशेष महत्त्वाचा आहे.

जी-२० गटाच्या सामूहिक कार्याला प्रोत्साहन देण्यासाठी तसेच आपत्ती जोखीम कमी करण्याबाबत सर्वोत्तम पद्धतींचे आदनप्रदान आणि बहुशाखीय संशोधन करण्यासाठी भारताच्या अध्यक्षतेखाली आपत्ती जोखीम कमी करण्याबाबत एक नवीन कृती गट स्थापन करण्यात आला आहे.

बांग्लादेश, इजिप्त, मॉरिशस, नेदरलँड, नायजेरिया, ओमान, सिंगापूर, स्पेन आणि युएई हे भारताचे विशेष आमंत्रित अतिथी देश आहेत. संयुक्त राष्ट्र, आंतरराष्ट्रीय नाणेनिधी, जागतिक बँक, जागतिक आरोग्य संघटना, जागतिक व्यापार संघटना, आंतरराष्ट्रीय कामगार संघटना, एफएसबी, ओईसीडी, एयू चे अध्यक्ष, एनईपीएडी चे अध्यक्ष, असियाना अध्यक्ष, आशियाई विकास बँक, आंतरराष्ट्रीय सौर आघाडी आणि सीडीआरआय या जी-२० ने आमंत्रित केलेल्या आंतरराष्ट्रीय संस्था आहेत.

भारताचे जी-२० अध्यक्षपद २०३० अजेंडाच्या महत्त्वपूर्ण टप्प्याच्या मध्यात आले आहे. भारताने कोविड-१९ चे हानिकारक प्रभाव लक्षात घेतले आणि कृती करण्याच्या सध्याच्या दशकाचे पूनर्प्राप्तीच्या दशकात रूपांतर केले. या दृष्टिकोनाशी सुसंगत राहत २०२३० शाश्वत विकास उद्दिष्टे साध्य करण्याच्या दिशेने जी-२० गटाद्वारे प्रयत्नांची पराकाष्ठा करण्यावर भारत लक्ष केंद्रित करेल.

तंत्रज्ञानात्मक परिवर्तन आणि डिजिटल सार्वजनिक पायाभूत सुविधा–

जी-२० अध्यक्ष म्हणून भारत तंत्रज्ञानाच्या मानवकेंद्री दृष्टिकोनावर विश्वास ठेवून सार्वजनिक डिजिटल पायाभूत सुविधा, आर्थिक समावेशकता आणि कृषी पासून शिक्षणापर्यंतच्या विविध क्षेत्रांमध्ये तंत्रज्ञान-सक्षम विकास यासारख्या प्राधान्य क्षेत्रांमध्ये अधिकाधिक ज्ञानाची देवाणघेवाण सुलभ करू शकतो.

एकविसाव्या शतकासाठी बहुपक्षीय संस्था –

अधिक जबाबदार आणि सर्वसमावेशक आंतरराष्ट्रीय संस्थांसाठी सुधारित बहुराष्ट्रीयवादासाठी जोर लावण्याला भारत आपला जी-२० अध्यक्षपद कार्यकाळात प्राधान्य देईल. एक अशी आंतरराष्ट्रीय व्यवस्था, ज्यात सर्वसमावेशक, न्याय्य, सन्मान आणि बहुध्रुवीय प्रतिनिधित्व असेल, अशी व्यवस्था की एकविसाव्या शतकातील आव्हानांचा सामना करण्यास योग्य असेल.

महिला नेतृत्त्वाखालील विकास –

भारताच्या जी-२० चर्चांच्या केंद्रस्थानी महिला सशक्तीकरण आणि प्रतिनिधित्व हे मुद्दे असून सर्वसमावेशक वाढ आणि विकास अधोरेखित करण्यासाठी जी-२० व्यासपीठाचा वापर करण्याची भारताला आशा आहे.

भारताने आपल्या अध्यक्षपद कार्यकाळाच्या कार्यक्रमाची सुरूवात विविध सांस्कृतिक उपक्रमांनी केली ज्यामध्ये विविध लोकसहभागाचे उपक्रम, देशभरातील ७५ शैक्षणिक संस्थांबरोबर विशेष युनिव्हर्सिटी कनेक्ट कार्यक्रम, जी-२० लोगो आणि रंगांसह भारतीय पुरातत्व विभागाच्या १०० स्मारकांवर रोषणाई, आणि नागालँडमधील होंबिल महोत्सवात जी-२० ची ओळख करून देणे, इत्यादींचा समावेश होता. वाळू शिल्प कलाकार सुदर्शन पटनायक यांनी ओडिशातील पुरी चौपाटीवर वाळू शिल्पातून भारताच्या जी-२० लोगोचे दर्शन घडवले. वर्षभर चालणाऱ्या विविध कार्यक्रमांमध्ये युवा उपक्रम, सांस्कृतिक कार्यक्रम आणि कार्यक्रम होणाऱ्या संबंधित शहरांतील प्रेक्षणीय स्थळे आणि परंपरा दर्शवणाऱ्या सहलीचे ही नियोजन केले आहे.

शाश्वत विकास : आंतरराष्ट्रीय स्थरावरील महत्त्वपूर्ण जाहिरनामा

शाश्वत विकास ध्येय हा आंतरराष्ट्रीय स्तरावरचा एक महत्त्वाकांक्षी जाहिरनामा आहे. ज्यात गरिबी, भूक आणि महिलांच्या बाबतीत होणाऱ्या हिंसेला पूर्णविराम देण्याचे महत्त्वाचे उद्दिष्ट समोर ठेवण्यात आले आहे. त्याचप्रमाणे जगातल्या प्रत्येक मानवाला कायदेशीररित्या स्वतःची ओळख मिळावी आणि प्रत्येकाला समान न्याय मिळावा हे देखील उद्दिष्ट त्यात समाविष्ट आहे. संयुक्त राष्ट्र संघटनेच्या सर्व १९३ सदस्य देशांनी सप्टेंबर २०१५ मध्ये एकमताने स्वीकारलेल्या या जाहिरनाम्यानुसार २०१५ ते २०२० या पंधरा वर्षाच्या काळात हा संकल्पित विकास घडवून आणणे अपेक्षित आहे.

ही शाश्वत विकास ध्येये निश्चित करण्यासाठी आंतरराष्ट्रीय स्तरावर ज्या चर्चा पार पडल्या त्यात विकसनशील देशांची भूमिका मांडण्यात आणि विकसित देशांचे उत्तरदायित्व स्पष्ट करण्यात भारताने प्रमूख भूमिका बजावली होती. या ध्येयांचा मसुदा बनवताना सुद्धा भौगोलिक आशा-आकांक्षा आणि उद्दिष्टांना प्राधान्य देते. भारताच्या मताचा प्रामुख्याने विचार करण्यात आला आहे. त्याचप्रमाणे हा जाहिरनामा आता जगातल्या सगळ्या देशांना लागू आहे. ज्याच्या उलट यापूर्वी संयुक्त राष्ट्रांची Millennium Development Goals विकसनशील देशांपुरतीच मर्यादित ही शाश्वत विकासाची भूमिका क्रांतिकारकरित्या बदलली आहे. ज्यात आता केवळ दक्षिणेकडच्या देशांकडेच लक्ष केंद्रित केलेले नसून गरीब आणि श्रीमंत अशा सगळ्याच देशांचा त्यात समावेश आहे. शाश्वत विकास ध्येये निश्चित करून त्यात दृष्टीने पावले टाकण्याची ही पद्धत जरी क्रांतिकारक असली तरी त्यामध्ये काही मूलभूत त्रुटी राहून गेल्या आहेत. यातील उद्दिष्टे पूर्ण करणे बंधनकारक नसून स्वच्छीक आहे. त्यामुळे विकासाची ती परिणामे सत्यात उतरवणे एक समस्याच आहे. त्यासाठी प्रत्येक देशाने, खास करून जे देश अधिक साधनसंपन्न आहेत त्यांनी त्या दिशेने निर्णायक पावले उचलली पाहिजेत. अशाप्रकारे जागतिक पातळीवर सगळ्यांनी सहकार्याची भूमिका स्वीकारली नाही तर हा शाश्वत विकास ध्येयांचा जाहिरनामा म्हणजे सत्यात उतरू न शकणारे एक स्वप्न बनून राहिल.

आज भारत एक जागतिक महासत्ता म्हणून उदयाला येणारा देश आहे. त्याचप्रमाणे संयुक्त राष्ट्रांनी स्वीकारलेल्या शाश्वत विकास ध्येयांचा मसुदा बनवण्यात भारताने दाखवलेले स्वारस्य पहाता त्यांना परिणामकारकरित्या राबवणे हे भारताचे विशेष कर्तव्य आहे. अर्थात पंतप्रधान नरेंद्र मोदी यांनी वेगवेगळ्या आंतरराष्ट्रीय मंचावर या जाहिरनाम्याच्या अंमलबजावणीसाठी भारताची ठाम कटिबद्धता जगासमोर मांडली आहे. जी एक उत्साहवर्धक बाब आहे. नुकताच भारताच्या नीति आयोगाने SDG India Index : Baseline Report 2018 प्रसिद्ध केला.

भारतातील सगळी राज्ये आणि केंद्रशासित प्रदेशांमध्ये शाश्वत विकासाच्या दिशेने किती प्रगती होते आहे त्याचा हा अहवाल आहे. हा अहवाल महत्त्वपूर्ण अशासाठी म्हणता येईल की, या ध्येयांची परिपूर्ती करण्याची तत्परतेने बांधिलकी जाहीर करण्याच्या दृष्टीने हे महत्त्वाचे पाऊल आहे. त्याचे इथे थोडेफार विश्लेषण करूया.

या अहवालाचे वैशिष्ट्य हे आहे की त्यात पारदर्शकता आहे आणि सामान्य माणसासाठी तो समजून घेता येईल असा आहे. त्यातली भाषा सोपी आणि स्पष्ट आहे. ज्यात रंगीत तक्ते आणि चित्रे देऊन विविध उद्दिष्टे गाठण्यासाठी कोणकोणत्या कार्यपद्धतींचा अवलंब करायचा त्याची सुद्धा अगदी स्पष्ट शब्दात माहिती उपलब्ध करून देण्यात आलेली आहे.

इतकेच नाही तर विशिष्ट उद्दिष्टांची परिपूर्ती करण्याची जबाबदारी कोणकोणत्या सरकारी विभागांवर आणि मंत्रालयावर सोपवण्यात आलेली आहे. त्याचीही माहिती एका तक्त्यामध्ये सगळ्यात शेवटी दिलेली आहे. उदाहरणार्थ – SDG-3 नुसार आरोग्यविषय उद्दिष्टांची पूर्ती करण्याचे काम आरोग्य आणि कुटुंब कल्याण कारण की मादक पदार्थाच्या गैरवापराचा प्रश्न सोडवण्याचे काम गृह खात्याच्या अखत्यारीत येते.

मात्र या अहवालात शाश्वत विकास ध्येयांच्या आधारावर भारतातील विविध राज्ये आणि केंद्रशासित प्रदेशांमधील विकासाचा जो तुलनात्मक आढावा घेण्यात आला आहे त्यावरून ही गोष्ट स्पष्टपणे दिसून येते की, संयुक्त राष्ट्र संघाकडून अपेक्षित विकासाच्या दिशेने जायला अजून फार मोठा पल्ला गाठावा लागणार आहे. उदा. भूक निर्मूलनाच्या उद्दिष्टांच्या पुर्ततेच्या बाबतीत गुजरात व झारखंड या राज्यांमध्ये मणिपूर व केरळ या दोन राज्यांची कामगिरी फार चांगली आहे. तर स्त्री-पुरुष असमानता दूर करण्याच्या कामात केरळ व सिक्कीम ही राज्ये मणिपूर व बिहार यांच्यापेक्षा किती तरी पुढे आहेत. अर्थात अशाप्रकारची विविध राज्यांची तुलनात्मक माहिती प्रसारमाध्यमांचे नक्कीच लक्ष्य वेधून घेणारी ठरणार आहे. त्याचप्रमाणे तज्ज्ञ आणि विकासधोरण निश्चित करणाऱ्यांना नक्कीच विचार करावा लागणार आहे की, केरळ साररख्या राज्याने अशी वरची क्रमवारी कशाप्रकारे गाठली आणि जी राज्ये मागे पडली आहेत त्यांच्या कोणत्या कमतरता आहेत.

१५ ते ४९ या वयोगटातील स्त्रियांच्या बाबतीत घडणाऱ्या हिंसेमध्ये पति-पत्नींच्या संबंधामधल्या हिंसेचेही प्रमाण सुद्धा चांगलेच मोठे आहे. कारण की अशा बहुतांशा घटना जगासमोरच येत नाहीत. त्यामुळे या बाबतीतले निष्कर्ष पुन्हा एकदा तपासून घेऊन त्यामध्ये कुठल्या कमतरता वा त्रुटी राहणार नाहीत याची काळजी घेतली गेली पाहिजे.

या अहवालामधील आणखी एक समस्या अशी की अपेक्षित ध्येय गाठण्यासाठी कोणती धोरणे राबवली पाहिजेत याची फारच थोडी माहिती त्यातून उपलब्ध होते. उदाहरणार्थ भूक निर्मूलनाच्या उद्दिष्टांची (SDG-2) पूर्ती करण्यासाठी अहवालामध्ये केंद्र सरकारच्या जवळपास डझनभर योजनांचा अहवाल देण्यात आला आहे. १९७० सालापासून ज्यात Integrated Child Development (ICDS) योजना असो किंवा २०१७ साली प्रारंभ झालेली 'पोषण अभियान' योजना असो. त्यांचा उल्लेख असला तरी त्या मार्फत आवश्यक उद्दिष्ट कशाप्रकारे गाठता येऊ शकेल त्याचे कोणतेच दिग्दर्शन सापडत नाही. अनेकदा एकाच उद्दिष्टाला समोर न गेल्यामुळे पांढरा हत्ती बनून राहतात. त्याप्रमाणे या सगळ्या योजनांचा कशाप्रकारे आर्थिक पाठबळ मिळणार आहे हा महत्त्वाचा प्रश्न अनुत्तरितच राहतो. या विकास ध्येयांची पूर्ती करण्यासाठी एकूण १५ वर्षाची निश्चित मुदत सगळ्या देशांनी मान्य केली आहे. पण त्याकरता आवश्यक असलेल्या आर्थिक पाठबळातील भारताच्या योगदानामध्ये

५३,३०,००,००० कोटी रुपये अर्थात ५.५ ट्रिलियन अमेरिकन डॉलर्सची कमतरता पडणार असल्याचा जाणकारांचा अंदाज आहे.

मानवी संसाधनाचा विकास शिक्षणावर अवलंबून असतो. समस्यांची सोडवणूक, सर्जनशीलता आणि निसर्गावर शांततेने, सहिष्णुतेने राहणे याकरिता शिक्षण उपयुक्त ठरते. प्रत्येकाला गुणवत्तापूर्ण शिक्षण दिल्यास सांस्कृतिक बदल होऊ शकतो. राष्ट्राला गतिमान करण्यासाठी शिक्षण उपयोगी ठरते. शिक्षण हे शाश्वत विकासाची गतिज ऊर्जा मानली जाते.

शाश्वत विकास हा सामाजिक, राजकीय व आर्थिक विचारप्रणालीशी निगडीत असतो. सामाजिक अस्तित्वाची जाणीव ठेवून राजकीय विचारप्रणालीशी तत्त्वे समाज व निसर्ग कल्याण्यासाठी ठेवून मानवच्या उन्नतीसाठी शाश्वत आर्थिक विकास साधणे शक्य आहे.

एकूण पाहता, शाश्वत विकास ध्येयांच्या पूर्ततेसाठी भारताची कटिबद्धता अधोरेखित करणारा हा भारत सरकारच्या नीती आयोगाने प्रसिद्ध केलेला अहवाल म्हणजे त्या दिशेने टाकलेले महत्त्वाचे पाऊल नक्कीच मानता येईल. मात्र त्या संदर्भात भविष्यात टाकल्या जाणाऱ्या पावलांकडे चिकित्सक नजरेतूनच पहावे लागेल. भारत सरकारने तर आश्वासन दिले ओह की, या पुढच्या अहवालांमध्ये सगळी माहिती आणखी काटेकोरपणे नोंदवली जाईल आणि ज्यात संपूर्ण देशभरातून गोळा होणारी माहिती आणखी सखोल असेल. अर्थात जागतिक स्तरावर निश्चित करण्यात आलेल्या या विकास ध्येयांपैकी जी सहजसाध्य ध्येये आहेत त्यांच्याच पूर्ततेवर लक्ष देण्यापेक्षा पुढची जी कठीण ध्येये आहेत त्यांच्या पूर्ततेसाठी जेव्हा सरकार पाठपुरावा सुरू करेल तेव्हा त्याचे कौतुकच होईल. कारण की त्याच माध्यमातून शेवटी आमूलाग्र परिवर्तन घडू शकणार आहे.

एक देश, एक निवडणूक

सत्ताधारी भारतीय जनता पक्षाला 'एक देश एक निवडणूक' हे प्रत्यक्षात साकारायचं आहे.

व्यवहार्य कारणांऐवजी या धोरणामागे राजकीय खेळी आहे.

'एक देश एक निवडणूक' ही आकर्षक पण फसवी घोषणा सध्या गाजते आहे. ती फसवी अशासाठी आहे की साऱ्या देशासाठी म्हणून सध्याही एकच निवडणूक असते. ती म्हणजे लोकसभेची. पण निवडणुकीवर आधारित लोकसाही स्वीकारून सहा दशके उलटून गेली तरी निवडणूक या प्रकाराबद्दल मनात आशंका असणारा एक वर्ग अजूनही आहेच आणि त्याला संभावितपणे निवडणुकांबद्दल तक्रार करायला अधूनमधून काही तरी निमित्त मिळत असतं – तसं या घोषणेनं मिळवून दिलं आहे.

नरेंद्र मोदींनी २०१४ पासून सगळ्या निवडणूका एकाच वेळी घेण्याची कल्पना मांडली. तेव्हापासून निवडणका अशा खर्चिक असतात, त्यांच्यामुळे सरकारच्या धोरणांना कशी खीळ बसते, अशा तक्रारींचे पतंग उडवणं चालू आहे.

लोकसभा आणि विधानसभा निवडणूका एकाच वेळी घेण्याची योजना असं या प्रस्तावाचं स्वरूप आहे. त्याला काही प्रतिभावान मुख्यमंत्री आणखी शेपूट जोडून ग्रामपंचायतीपासून लोकसभेपर्यंत सगळे मतदान एकाच दिवशी घेण्याच्या महाकाव्यापर्यंत नेऊन ठेवत आहे.

आपला देश स्वतंत्र झाला तेव्हा सार्वत्रिक प्रौढ मताधिकाराच्या आधारावर राज्यांमध्ये आणि केंद्रात नवीन कायदेमंडळ निवडणं आवश्यक होतं. त्यानुसार १९५१-१९५२ मध्ये पहिली सार्वत्रिक निवडणूक झाली. आणि तिच्या बरोबरच सर्व राज्यांमध्ये त्यांच्या कायदेमंडळाच्या निवडणुका झाल्या.

आपल्या संविधानाप्रमाणे कायदेमंडळाची मुदत पाच वर्षांनी असते. पण राज्यात मुख्यमंत्री आणि केंद्रात पंतप्रधान मुदतीपूर्वी कायदेमंडळ बरखास्त करण्याची शिफारस करू शकतात. मुदतीपूर्वी अविश्वासाचा ठराव मंजूर झाला आणि दुसरे सरकार बनू शकले नाही. ती कायदेमंडळ मुदतीपूर्वी बरखास्त होते आणि नव्या निवडणूका होतात.

एकाच वेळी का ?

कायदेमंडळ मुदतीपूर्वी बरखास्त होण्याचे असे प्रसंग १९५२ नंतर विरळच आहे. त्यामुळे १९६७ च्या चौथ्या सार्वत्रिक निवडणूकींपर्यंत केंद्राच्या व राज्यांच्या निवडणूका एकाच वेळी झाल्या. मात्र केंद्राच्या आणि राज्यांच्या निवडणूका एकाच वेळेस झाल्या पाहिजेत अशी काही संविधानात तरतूद नाही; निव्वळ योगायोगानं तसं १९६७ पर्यंत होत राहिलं. केंद्रात १९६७ मध्ये काँग्रेस बहुमतानं विजयी झाली खरी, पण अनेक राज्यांमध्ये तिचा पराभव झाला. मात्र एकच एक प्रतिस्पर्धी पक्ष नसल्यामूळे अनेक राज्यांमध्ये कोणत्याच पक्षाला सरकार स्थापण्यासाठी बहुमत मिळालं नाही.

मग ठिकठिकाणी आघाड्यांचे प्रयोग सुरू झाले आणि स्थिर अस्थिर सरकारे आली. काही राज्यांमध्ये पाच वर्षे पूर्ण होण्यापूर्वीच विधानसभा बरखास्त करून निवडणूका घ्याव्या लागल्या. अशा रीतीनं दर पाच वर्षांनी 'सगळ्या' निवडणूका एकत्र होण्याचा प्रघात मोडला. खर्च करण्यासाठी टाळण्यासाठी सर्व निवडणूका एकत्रित घेण्याचा प्रस्ताव विचाराधीन आहे.

त्यातच १९७२ मध्ये होणारी लोकसभेची निवडणुक इंदिरा गांधींनी १९७१ मध्येच घेतली आणि लोकसभेचे पंचवार्षिक चक्र मोडले. ते पुढे पुन्हा मोडले कारण आणीबाणीत संविधानाची आणि परंपरांची जी मोडतोड करण्यात आली तिच्यामुळे निवडणूक १९७७ मध्ये झाली. तेव्हाही

केंद्रातील निवडणूक आणि राज्यांची निवडणूक यांचा सांधा मोडलेलाच राहिला.

पुढे १९९० च्या दशकात अनेकवेळात लोकसभेची मुदत पूर्ण होऊ शकली नाही. आणि मूदतपूर्व निवडणूका झाल्या. हेच काही राज्यांमध्येही झालं. त्यामुळे आता सध्या गेल्या काही लोकसभा निवडणुकांच्या वेळी योगायोगानं आंध्र, सिक्कीम, अरुणाचल प्रदेश आणि ओडिशा यांच्या विधानसभा निवडणूका होत असतात आणि बाकी इतर राज्यांच्या निवडणुका साधारणपणे दर वर्षी तीनचार राज्यांच्या निवडणुका होत राहतात. कारण आधी म्हटल्याप्रमाणे प्रत्येक राज्याच्या निवडणुकीचं वेळापत्रक वेगवेगळं आहे.

तेव्हा 'एक देश एक निवडणूक' मागणाऱ्यांची तक्रार दुहेरी आहे. त्यांच एक म्हणणं असं आहे की, मुदतपूर्व निवडणूक हे नसते लोढणे आहे. निवडणुका ह्या पाच वर्षानीच व्हायला हव्यात. दुसरे म्हणणे असे की, लोकसभा आणि सर्व विधानसभा यांच्या निवडणूका एकाच वेळी झाल्या पाहिजेत.

या दुहेरी मागण्यांच्या समर्थनासाठी जी कारणे दिली जातात ती आधी तपासून पाहू.

खर्चाची चिंता –

वेगवेगळ्या निवडणुका (आणि अर्थातच मुदतपूर्व निवडणका सुद्धा) फार खर्चिक ठरतात आणि म्हणून एकाच ठराविक वेळी निवडणुका व्हाव्यात असा युक्तिवाद केला जातो. इथे अर्थातच, खर्चिक कशाला म्हणायचे हा प्रश्न आहे. म्हणजे मुळात जर आपण असे मानत असलो की निवडणूकांवर म्हणजे निवडणुका घेण्यावर होणारा खर्च फिजूल आहे आणि नाईलाज म्हणून आपण तो करतो, तर मग कितीही कमी खर्च असला तरी तो तक्रार करायला पुरेसा ठरेल! खर्चाचा मुद्दा एकदा मान्य केला की शक्यतो निवडणुका नकोतच किंवा त्या कमीत कमी व्हाव्यात या निष्कर्षाला आपण येऊन पोचतो.

हा खर्च होतो तरी किती ?

सन २०१४ मध्ये लोकसभा निवडणूकीवर प्राथमिक अंदाजानुसारल ३४२६ कोटी रुपये खर्च झाले. हा आकडा कोणी आपल्या तोंडावर फेकला की आपण नक्कीच घाबरून जाऊ, पण असे भले मोठे आकडे पाहताना जर आपण दर मतदारामागे किती खर्च होतो असे पाहू लागलो तर काय दिसते? २०१४ मध्ये नोंदलेल्या एकूण मतदारांचा विचार केला, तर दर मतदारामागे जवळपास ४२ रुपये खर्च झाला आणि तोही एकूण पाच वर्षांनी तर, २०१४ च्या अर्थसंकल्पात एकूण १७,९४,८९२ कोटी रुपये खर्चाची तरतूद होती. एका वर्षासाठी त्या पार्श्वभूमीवर पाच वर्षांनी होणाऱ्या निवडणुकीच्या (आणि लवकर झाली तरी) खर्चाची किती **चर्चा करायची ?**

केंद्रात आणि राज्यात एकाच वेळी निवडणूक झाली तरी मतपत्रिका, पेपर ट्रेल यापाठी यासाठीचा खर्च तर वेगवेगळा करावा लागणारच. फक्त सुरक्षा दलांवरचा आणि प्रत्यक्ष निवडणूक कर्मचाऱ्यांवरचा खर्च वाचेल. तेव्हा खर्चाचा मुद्दा हा दान कोरून पोट भरण्याच्या अविर्भावातला मुद्दा आहे.

धोरणनिर्मिती अटकाव ?

एकाच वेळी निवडणूका घेण्याचं दुसरं समर्थन असे केले जाते की, वेगवेगळ्या निवडणुकांमुळे लोकल्याणाची धोरणं ठरवण्यात अडथळा येतो, कारण आचारसंहिता लागू होते. या आचारसंहितेचा बराच बागुलबुवा नेहमी उभा केला जातो. आदर्श मानल्या जाणाऱ्या आचारसंहितेनुसार निवडणुका घोषित झाल्यानंतर मोठे आणि लोकांवर परिणाम प्रभाव पडतील असे धोरणात्मक निर्णय घेता येत नाहीत. पण मुद्दलान एकदा अंदाजात्मक अंदाजपत्रक मांडल्यानंतर सामान्य परिस्थितीत केंद्र सरकारला वर्षाच्या अधेमधे मोठ्या घोषणा कशासाठी कराव्या लागतात.

निवडणुका साधारणपणे केव्हा होणार हे माहित असल्यामुळे आचारसंहितेत न अडकता घोषणा कशा करायच्या हे तर सर्व पक्षांनी चांगल्यापैकी शिकून घेतलं आहे. त्यामुळे ही अडचण काही खरी नाही. खरा मुद्दा असा आहे की, कोणत्याही सरकारनं सत्तेवर असल्याचा गैरवापर करू नये, यासाठी जास्त प्रभावी आणि सर्वसंमत नियमावली करण्याची जबाबदारी सरकार आणि सगळे पक्ष यांची आहे. त्यांना ते जमत नाहीत म्हणून निवडणुकीचं वेळापत्रकच बदलूयात असं म्हणणे हे डास मारण्यासाठी तोफगोळे वापरण्यासारखे आहे.

सतत प्रचाराचा भार –

एकत्र निवडणुका घेण्यासाठी आणखी एक युक्तिवाद असा केला जातो की पंतप्रधान, मंत्री किंवा राजकीय पक्षांचे उच्च नेते अशा सगळ्यांवरच सतत प्रचाराचा भार पडतो आणि राज्यकारभार, नियमित राजकीय कार्य, सरकारच्या कामाचे मूल्यमापन, संसदीय कामकाज यात अडथळा येतो. हा युक्तिवाद प्रभावी आहे. पण यात गफलत आहे. एक तर राज्यात निवडणूक होत असेल तर पंतप्रधानांनी किंवा पक्षाध्यक्षांनी अतोनात वेळ घालवणे हे अतिकेंद्रित पक्षाचे लक्षण आहे. पण तो मुद्दा सोडून देऊ. आपण थेट एखादे उदाहरण घेऊ. आता लवकरच कर्नाटकात निवडणूक होणार आहे. आणि नुकतीच गुजरातमध्ये झाली. या लागोपाठच्या निवडणुकांमुळे जनता दल (एस) या पक्षावर काय ताण येणार आहे. ताण येणार तो भाजप किंवा काँग्रेसवर ! म्हणजे हा प्रश्न 'राष्ट्रीय' पक्षांच्या सोयी-गैरसोयीचा आहे, बाकीच्यांचा नाही.

आज भारतात खऱ्या अर्थाने फक्त काँग्रेस आणि भाजपा हे देशभर सगळीकडे निवडणुका लढवणारे पक्ष आहेत, बाकीचे पक्ष ठरावीक राज्यांमध्येच लढतात. त्या-त्या निवडणुकीचे वेगवेगळे वेळापत्रक असल्यामुळे दमछाक होते ती या दोन पक्षांची. त्यांना प्रादेशिक पक्षांशी जोमाने लढता यावे म्हणून तर एकत्र निवडणुकांचा घाटा घातला जात नाहीये.

अव्यवहार्यता –

ज्या प्रस्तावामागे खरोखरी गंभीरपणे घ्यावे असे काही समर्थनाचे मुद्दे नाहीत असा हा प्रस्ताव अंमलात आणायचा तर किती उपद्व्याप करावे लागतील. एक तर लोकसभा आणि विधानसभा यांची मुदत काही झाले तरी पाच वर्षे राहीलच अशी तरतूद करावी लागेल. याचा अर्थ, अविश्वासाच्या ठरावाचा आणि कायदेमंडळ मुदतीसाठी मुदतीपूर्वी बरखास्त होऊ शकण्याचा प्रघात बंद करावा लागेल. आणि तरीही सरकार बनू शकले नाहीच तर काय करायचे हे ठरवावे लागेल.

प्रस्तावात काय ?

नीति आयोगाने याविषयी एक बीजनिबंध तयार केला आहे. त्यातील प्रस्तावाप्रमाणे सुचवण्यात आलेल्या गोष्टी अशा –

१) प्रस्ताव – अविश्वास ठराव मांडतानाच त्याच्या बरोबर नव्या

सरकारासाठीचा (विश्वास) प्रस्ताव मांडला पाहिजे अशी तरतूद करावी.

त्याचा अर्थ – अविश्वास ठराव मांडण्याच्या अधिकारावर मर्यादा येणार.

२) प्रस्ताव – काही कारणानं राज्यात सरकार स्थापन होऊ शकत नाही, अशी स्थिती आली तर उर्वरित काळासाठी राष्ट्रपती राजवट लागू.

त्याचा अर्थ – आपलं सरकार आणि आपले प्रतिनिधी निवडण्याच्या राज्यातील जनतेच्या अधिकारावर गदा येणार.

३) प्रस्ताव – राज्यात जर फारच लवकर सरकार कोसळले तर निवडणूक घ्यावी, पण नव्या कायदेमंडळाची मुदत पूर्ण पाच वर्षे न ठेवता पाचातल्या उरलेल्या वर्षांच्या एवढीच ठेवावी.

त्याचा अर्थ – म्हणजे कायदेमंडळ पाच वर्षासाठी निवडण्याची घटनात्मक तरतूद मोडीत निघणार हा सगळा अट्टाहास का ? तर एकदम निवडणुका झाल्या पाहिजेत म्हणून.

मूलभूत ढाचा बदलेल –

हा तुघलकी प्रकार साधण्यासाठी वर म्हटल्याप्रमाणे संविधानात अनेक महत्त्वाचे बदल करावे लागतील. त्या घटनादुरुस्त्या असतील आणि आणीबाणीच्या काळातील ४२ व्या दुरुस्तीप्रमाणे त्या दूरगामी परिणाम करणाऱ्या असतील. अर्थातच, त्यांच्यामुळे संविधानाचा मूलभूत ढाचा बदलेल आणि त्यामुळे केशवानंद भारती खटल्यात सर्वोच्च न्यायालयाने घालून दिलेल्या संकेताचा भंग होईल.

फायदा कोणाचा ?

हे सगळं करून देशाचा काही फायदा होण्याची सुतराम शक्यता नाही. ना निवडणुका जास्त शुद्ध होतील ना जास्त लोकभिमुख सरकारे येतील. उलट, त्याचे परिणाम देशातील लोकशाहीच्या आरोग्यावर विपरीत परिणाम देशातील लोकशाही करणारेच ठरतील. वर उल्लेख केल्याप्रमाणे फायदा झालाच तर राष्ट्रीय म्हणजे मोठ्या पक्षांचा होईल आणि वेळोवेळी जो पक्ष केंद्रात प्रभावी असेल, त्यात आपला फायदा करून घेऊन राज्यांमध्ये सुद्धा आपली सरकारे आणता येतील.

ज्या राज्यांमध्ये १९८९ ते २०१४ या काळात लोकसभेच्या बरोबर निवडणुका झाल्या तिथे असं दिसतं की लोकसभेत जिंकणाऱ्या पक्षाला राज्यामध्ये एकूण जागांपैकी ७७ टक्के जागा एकाच पक्षाला मिळाल्या.

तर जगदीप चोकर आणि संजयकुमार यांनी दाखवून दिल्याप्रमामे (द हिंदू ६ एप्रिल, २०१६) जेव्हा गेल्या पंचवीस वर्षांत केंद्रावर केंद्राबरोबर काही राज्यांमध्ये निवडणुका झाल्या तेव्हा राज्यांमधील एकूण जागांपैकी ७७ टक्के जागा एकाच पक्षाला मिळाल्या.

याचा अर्थ, राज्यातील जनतेला राज्यपातळीवर वेगळा निर्णय घेण्याची मुभा एकत्र निवडणुका घेतल्यामुळे जवळपास नाहीशी होईल. ही गोष्ट संघराज्याच्या दृष्टीने हानिकारक आहे. हे सांगायला कोणा तज्ज्ञाची गरज नाही. भारताच्या पक्षीय राजकारणाचे १९८९ पासून संघराज्यीकरण झाले असा बहुतेक सगळ्याच अभ्यासकांचा दाखला आहे. ही प्रक्रिया रोखून राजकीय स्पर्धा अधिकाधिक केंद्रीभूत करण्याचा दृष्परिणाम एकत्र निवडणुका घेण्याच्या हट्टामुळे होईल.

म्हणजे, छोटे पक्ष, प्रादेशिक पक्ष यांच्या विरोधात असणारा हा प्रस्ताव लोकशाहीची चक्रे उलटी फिरवणारा तर आहेच, पण संविधानाची मोडतोड करून संसदीय प्रणालीमध्ये फेरफार करणारा सुद्धा आहे. कदाचित हा प्रस्ताव अंमलात यायला अजून बराच काळ लागेल, पण त्याची चर्चा ज्या आग्रहानं सरकारनं चालवली आहे ते पाहता संविदानाच्या मूलभूत ढाच्याबद्दल आणि जबाबदार सरकार देणाऱ्या संसदीय पद्धतीबद्दल पद्धतशीरपणे केले जात आहेत असाच संभ्रम निर्माण करण्याचे प्रयत्न सर्व पातळ्यांवरून केले जात आहेत, असा निष्कर्ष काढावा लागेल.

समान नागरी कायदा

समान नागरी संहिता हा भारतातील नागरिकांचे वैयक्तिक कायदे तयार करण्याचा आणि त्याची अंमलबजावणी करण्याचा प्रस्ताव आहे. जो सर्व नागरिकांना त्यांचा धर्म, लिंग आणि लैंगिक प्रवृत्ती विचारात न घेता समान रीतीने लागू होतो. सध्या, विविध समुदायांचे वैयक्तिक कायदे त्यांच्या धार्मिक संस्थांद्वारे शासित आहेत.

आज समान नागरी कायद्याची चर्चा पुन्हा एकदा सुरू झाली. समान नागरी कायद्याबद्दल चर्चा सुरू होण्याची ही पहिलीच वेळ नाही. त्याबद्दल सतत चर्चा सुरू असते. पण हा समान नागरी कायदा नेमका काय आहे ?

समान नागरी कायद्याचा वाद भारतात अनेक वर्षांपासून चालत आला आहे. या कायद्याच्या समर्थनातील लोकांचं म्हणणंय असे आहे की, कायदा असायला हवा, मग ते कुठल्याही धर्माचे का असोत. समान नागरी कायदा म्हणजे कॉमन सिव्हिल कोड किंवा युनिफॉर्म सिव्हिल कोड.

भाजपाचे सरचिटणीस राम माधव यांनी गेल्या वर्षी एका टी.व्ही. चॅनेलला दिलेल्या मुलाखतीत म्हटलं होतं की, तिहेरी तलाक विधेयक आणून आम्ही/त्या दिशेने पाऊल टाकले आहे. समान नागरी कायदा आणण्यासाठी मोदी सरकार कटिबद्ध आहे. म्हणजेच, राम माधळ यांचं म्हणंण असे आहे की, तीन-चार वर्षात समान नागरी कायद्याचं आश्वासन आपण पूर्ण करण्याचा प्रयत्न करणार आहोत.

समान नागरी कायद्यासाठी संसदेच्या अधिवेशनात मागणी –

१७ व्या लोकसभेच्या पावसाळी अधिवेशनात भाजपचे खासदार निशिकांत दुबे यांनी देशात समान नागरी कायदा लागू करण्याची मागणी केली होती. निशिकांत दुबे यांनी प्रश्नोत्तराच्या म्हटलं, राज्य

घटनेच्या मार्गदर्शक तत्त्वांनुसार, देशातील सर्व नागिरक समान आहेत. ''समान नागरी कायद्यासाठी संसदेत विधेयक आणण्याची वेळ आली आहे व यामुळे सर्व नागरिक भारतीय असतील. कुणी हिंदू, मुस्लीम किंवा ख्रिश्चन नाही,'' असं दुबे म्हणाले होते. भारताच्या आजच्या घडीला मुस्लीम. ख्रिश्चन आणि पारधी समाजासाठी स्वतंत्र पर्सनल लॉ आहेत. तर हिंदू सिव्हिल लॉ अंतर्गत हिंदू, शिख, जैन आणि बौद्ध समाज येतात.

मुस्लीम पर्सनल लॉमध्ये महिलांना वडिलांच्या किंवा पतीच्या संपत्तीवर तेवढा अधिकार नाही जेवढा हिंदू सिव्हिल लॉनुसार महिलांना आहे. समान नागरी कायदा लागू झाल्यास लग्न, तलाक आणि संपत्तीचं वाटपही समसमान होईल आणि हीच मोठी अडचण आहे. यूनिफॉर्म सिव्हिल कोडचा अर्थ म्हणजे एक निष्पक्ष कायदा आहे ज्याचा कुठल्याही धर्माशी संबंध नाही. म्हणजेच, जर समान नागरी कायदा लागू झाला, तर धर्मांना एकसारखाच कायदा असेल.

समान नागरी कायदा लागू झल्यास काय होईल ?

भारतीय राज्यघटेनुसार दोन भागात कायद्याचे वर्गीकरण केलं जातं. नागरी कायदे आणि गुन्हेगारी कायदे. लग्न, संपत्ती, वारसदार यांसारखे कुटुंब किंवा व्यक्तीशी संबंधित प्रकरणं नागरी कायद्यांतर्गत येतात. घटनेतील कलम ४४ अन्वये समान नागरी कायदा करण्याची जबाबदारी राज्यांची आहे. मात्र यावरून कायमचा वाद सुरू असतो आणि त्यामुळेच आतापर्यंत यावर कुठलंही मोठं पाऊल उचललं गेलं नाही.

सुप्रिम कोर्टातील वकील विराग गुप्ता म्हणतात, ''भारतात कायदा व्यवस्था साधारणतः राज्यांच्या अधिकार क्षेत्रात येतात. तर काही प्रकरणं अशी असतात की, ती राज्य आणि केंद्राच्या अधिकार क्षेत्रात येतात. केंद्राने कुठलाही कायदा बनवला तरी त्यात बदल करण्याचे अधिकार राज्यांना असतात. किंवा केंद्राने बनवलेल्या कायद्याच्या मॉडेलवर राज्य आपापला कायदा बनवू शकतात.'' दक्षिण भारत असो, ईशान्य भारत किंवा आदीवासी भाग असो, भारतात सर्वत्र लग्नपरंपरा वेगवेगळ्या आहे. वारसाहक्काच्या परंपरा सुद्धा भिन्न आहेत.

विराग सांगतात, समान नागरी कायद्याचा विचार केल्यास त्यात दोन गोष्टी प्रामुख्याने येतात. पहिली गोष्ट म्हणजे सर्व धर्मांसाठी एकच कायदा आणि दुसरी गोष्ट म्हणजे समाजामधील सर्व थरांतल लोकांसाठी एकसारखेच कायदे. ते पुढे सांगतात, ''समान नागरी कायदा अत्यंत गुंतागुंतीची प्रक्रिया आहे. आगामी काळात समान नागरी कायद्याच्या दिशेने आपण प्रयत्न करू, असं राज्यघटनेला मार्गदर्शक तत्त्वांमध्ये उल्लेख आहे. मात्र त्या दिशेने आजपर्यंत पाऊल उचललं गेलं नाही.''

अल्पसंख्याकांना समान नागरी कायद्याची भीती का वाटते ?

समान नागरी कायदा राज्यांची जबाबदारी आहे. राज्यघटनेतील मार्गदर्शक तत्त्वानुसार केंद्र आणि राज्य अशा दोघांचीही जबाबदारी आहे. देशाने भारतीयत्वाची भावना निर्माण व्हावी म्हणून समान नागरीक कायद्याच्या दिशेने प्रयत्न केले जातील. असंही त्यात नमूद करण्यात आलंय. मात्र सगळ्यात मोठी अडचण बहुस्तरी सामाजिक रचना आहे. विराग म्हणतातं, ''समान नागरी कायद्याबाबत चर्चा होतना कायमच हिंदू आणि मुस्लिमांना बोललं जातं. मात्र, मुस्लिमांच्या लग्न आणि वारसाहक्कासंदर्भात वेगवेगळ्या तरतुदी आहेत, तशाच प्रकारे हिंदूंमध्ये येणाऱ्या समाजांमध्येही वेगवेगळ्या पद्धती आहेत. मुस्लीम आणि ख्रिश्चन समाजाच्या भीतीची चर्चा होते. मात्र, भारतात अनेक समाज, अनेक वर्ग, अनेक परंपरा आहेत. त्यामुळे समान नागरी कायला गालू झाल्यास सर्वच समाजांच्या परंपरामध्ये गोंधळ निर्माण होईल. आणि पर्यायाने अडथळे येतील. ''मुस्लीम आणि ख्रिश्चन भारतात भलेही अल्पसंख्यांक आहेत. मात्र, आंतरराष्ट्रीय स्तरावर त्यांच्या काही ठाम परंपरा आहेत. त्यामुळे समान नागरी कायदा लागू झाल्यास त्याचं विशेषत्व धोक्यात येण्याची शक्यता आहे अशी भिती त्यांना वाटते.''

मुस्लीम पर्सनल लॉ बोर्डाचं काय म्हणणं आहे ?

मुस्लीम पर्सनल लॉ बोर्डाचे सचिव जफरायाब जिलानी त्यांच्या म्हणण्यानुसार शरीयत कायदा अल्लाहची देणगी आहे. मनुष्याची नाही. ते पुढे म्हणतात ''आमचा शरीयत कायदा कुरणा आणि हदीसवत आधारित आहे. त्यामुळे कुठलीही संसद यात दुरुस्ती करू शकत नाही. आणि केली तरी आम्ही मानणार नाही. हे आम्ही खूप आधीपासूनच सांगत आलोय आणि यावर आजही ठाम आहोत.'' ''मुस्लीम पर्सनल लॉ मध्ये कोणीही बदल करू शकत नाही. त्यांना तो अधिकार नाहीय. तो नागरी कायदा होऊ शकत नाही. त्यात ना कुणी मुसलमान दखल देऊ शकत, ना कुणी इतर दखल देऊ शकत,'' असं जिलानी सांगतात.

ख्रिश्चन आणि समान नागरिक कायदा –

अखिल भारतीय ख्रिश्चन परिषदेचे सरचिटणीस जॉन दयाल यांनी बीबीसी शी बोलताना सांगितलं, हिंदूंमध्येही समान नागरी कायदा नाहीय. दक्षिण भारतातील हिंदू समाजात एका गटात मामा-भाचीच्या लग्नाला परवानगी आहे. मात्र हरियाणात कुणी असं केल्यास त्याची हत्या होते. हिदूंमध्ये शेकडो जाती आहेत. ते म्हणतात, ख्रिश्चनांमध्येही कॉमन सिविल कोड आहे. मात्र अनेक ख्रिश्चन आपापल्या जातींमध्येच लग्न करू पाहतात. आमच्या रोमन कॅथलिक सुद्धा आहेत आणि प्रोटेस्टंटही. जॉन दयाल सांगतात, ''मी रोमन कॅथलिक आहे आणि आमच्यात घटस्फोट पद्धत नाही. लग्न आमच्यात जन्मोजळीचं बंधन आहे. दुसरीकडे प्रोटेस्टंमध्ये तलाक पद्धत आहे.

ते पुढे सांगतात, ''यात राजकीय पक्षसुद्धा वेगळे नाहीत. समान नागरी कायद्याबाबत कुणीच गंभीर नाहीय. आम्हाला कुठलंतरी प्रारूप दाखवतात. मात्र यातलं काहीच नाहीय.''

सरतेशेवटी मला असे सांगायचे आहे की.... समान नागरी कायदा लागू केल्यास देशातील कायद्यांमध्ये मोठ्या प्रमाणात बदल करावे लागतील आणि हे सर्व अत्यंत अडचणीचे आणि आव्हानात्मक असेल. शिवाय, ही एका झटक्यात होणारी प्रक्रिया नसून मोठी प्रक्रिया आहे.

समाजसेवेचा खरा अन्वयार्थ

समाजाकडून आपणास कळत नकळत काही ना काही मिळतच असते ते आर्थिक स्वरुपाचे असेल किंवा सामाजिक अथवा भावनिक असेल. त्या समाजाचे आपणही काही देणे लागतो त्याकरिता आपल्या वैयक्तिक आयुष्यातील तन- मन-धन या सर्वांगाने समाजास समर्पण करणे म्हणजेच समाजसेवा. समाजसेवा करताना मदतीची किंवा उपकाराची भावना होणे म्हणजे सेवा होत नाही.

लहानपणापासूनच मी विविध क्षेत्रांमध्ये सामाजिक कार्य करण्याचे प्रयत्न केले, मंडळ असो किंवा धार्मिक कार्य असो किंवा सामाजिक संस्था, गट तसेच नोकरीच्या ठिकाणी. असं सर्व क्षेत्रांमध्ये कार्य करण्याची संधी व अनुभव मला आले. परंतु जेव्हा कीर्ती महाविद्यालयाच्या समाजकार्य पदविका अभ्यासक्रमातून प्रवास सुरु केला तेव्हा असे अवगत होत गेले की समाज कार्य करण्याचीही काही पद्धती, मांडणी व वेगळे स्वरूपही असू शकते. प्राध्यापक अमेय महाजन यांच्या सहवासातून आणि संपर्कातून प्रशासन, पोलीस दल, रेल्वे पोलीस दल आणि प्रत्यक्ष नागरिकांमध्ये आणि संस्थेसोबत कार्य करण्याची संधी मला मिळाली.

समाजकार्याचे शिक्षण घेत असताना आम्हा विद्यार्थ्यांना वकृत्व कौशल्य, संपर्काची पद्धती, विषयाची मांडणी करणे व प्रशासनाचे कार्यपद्धती असे

अनेक पैलू हळू-हळू समजायला लागले व कालांतराने त्याचे महत्त्वदेखिल उमगायला लागले. आज रस्त्यातून प्रवास करताना समाजातील प्रत्येक घटकाकडे, घटनेकडे सेवा माध्यमातून एक सामाजिक कार्यकर्ता म्हणून नजर पडते. प्रत्येक क्षणाला काहीना काही आपण या सर्वांचे देणे लागतो ही भावना या पदविका शिक्षणातून मिळाली. आमच्या पदविका अभ्यासक्रमातून फक्त प्रशस्तीपत्रकच मिळवणे हेतू नसून या देशाचा भवितव्य घडवणारा सजग आणि सुजाण नागरिक घडवण्याचा प्रयत्न अमेय सर यांच्या प्रयत्नातून होत आहे. मला आमच्या कीर्ती महाविद्यालयाच्या प्रशासनाचेही आभार मानावेसे वाटतात कारण त्यांच्याच प्रयत्नातून आणि कल्पनेतून हा जणू प्लॅटफॉर्मच आम्हास त्यांनी दिला.

- श्री. उदय रामभाऊ बेलवलकर
कीर्ती महाविद्यालय कर्मचारी व
समाजकार्य पदविका अभ्यासक्रम विद्यार्थी

मुलाखत : दादा इदाते यांचे शैक्षणिक क्षेत्रातील समाज कार्य

आदरणीय व्यक्तीमत्व श्री दादा इदाते यांची मुलाखत घेण्याचे सौभाग्य आज मला लाभले माहे.

एक दूरदर्शी सामाजिक कार्यकर्ता ज्यांच्या समर्पणाने शैक्षणिक परिदृश्य बदलला आहे. त्यांच्या अग्रगण्य प्रयत्नांमुळे अनेक शाळा, महाविद्यालये आणि शैक्षणिक संस्थांची स्थापना झाली आणि अनेक विद्यार्थ्यांना दर्जेदार शिक्षण मिळू शकले. त्यांची कथा केवळ संस्था उभारण्यापुरती नाही; तर आजच्या तरुणांना प्रेरणा देणारी देखील आहे, त्यांना मोठी स्वप्ने पाहण्याची आणि बदल घडवून आणण्यासाठी प्रेरित करणारी आहे.

त्यांना त्यांच्या ह्या समाजकार्यासाठी जीवनगौरव पुरस्काराने सन्मानित करण्यात आले आहे आणि अलीकडेच त्यांना पद्मश्री पुरस्काराने देखील सन्मानित करण्यात आले आहे.

१. आपला संघाशी संबंध कशा प्रकारे आला?

उत्तर - नाव भिकू रामजी इदाते, दादा इदाते नावाने परिचित आहे. मी चौथीत असताना प्राथमिक शाळेत असताना, गोपाळराव भागवत नावाचे शिक्षक मुख्याध्यापक म्हणून आले होते. त्यांच्याशी खुप जवळचा संबंध आला, ते संधाचे कार्यकर्ते होते. त्यामुळे त्यांनी संघाची शाखा सुरु केली आणि वर्गामध्ये सामान्यपणे माझा पहिला क्रमांक असल्यामुळे आणि मी शाखेत जायला लागलो. मी वयाच्या १० व्या वर्षी शाखेमध्ये आलो आणि ती जी गोडी लागली ती आजतागायत जवळ-जवळ ६५ वर्ष अबादित आहे.

२. आठवीत असताना आपण सरोदे समाज शिक्षण सुधारक मंडळ स्थापन केले त्यामागची भावना ?

उत्तर - त्यावेळी गुरुजी आम्हाला शिकवत होते त्यावेळी एक विषय असा आला की आपण शिक्षण घेतले पाहिजे. साधारण पणे शिक्षणाची काही परंपरा अशी नव्हती, आणि त्यावेळी मी आठवीत जायचो. आठवीला जायचं तर कुठे जायचे? असं ठरल की कोळथरे येथे पुढील शिक्षणाकरिता जायचे. तर कोळथरेला एक कृष्णया मामा म्हादया यांनी एक आश्रम शाळा सुरु केलेली होती. त्या आश्रम शाळेमध्ये आठवीसाठी जायचे असे ठरले आणि त्यांनी आम्हाला व गावतील काही मुलांना तेथे पहिल्या ५-६ महिन्यात खुप चांगले शिकविले व खुप मोठा आधार दिला. शिकता शिकता एक गोष्ट माझ्या लक्षात आली, ती म्हणजे एवढ्या मोठ्या व महत्त्वाच्या शिक्षण संस्थेत आपल्या समाजातील मुलांची संख्या ही नगण्य आहे, किंबहुना नसल्यासारखेच आहे.

ज्या समाजातून मी आलो, ज्या वाडीतून मी आलो तिथून तर कोणीच आले नाही, मग हे सगळे शिकणार कसे म्हणजे आपण शिकू कदाचित पण हे पण शिकले पाहिजेत. मी त्यावळी आठवीत होतो वय १४ वर्षे त्यावेळी माझ्यासोबतची जी मुलं आहेत त्यांना आपण प्रेरित असे मला मनापासून वाटत होते. म्हणून सरोदे समाज

शिक्षण सुधारक मंडळ, अशी एक संस्था स्थापन केली त्यांच्या माध्यमातून पुढील १५ वर्ष जवळजवळ ह्या समाजातील प्रत्येक घरातील मुलं शाळेत गेली पाहिजे, कुठल्या शाळेत जाईल, कसं शिक्षण घेईल, आश्रमशाळेत कसं जाईल किंवा अन्य ठिकाणी शक्यता जिथ तिथे आहे तिथे तिथे कसे जातील असा प्रयत्न सुरु केला. सर्वप्रथम माझ्यासारखा सुशिक्षित जो S.S.C. झालेला होता त्याचबरोबर Graduate, Double Graduate झालेलो मी, माझ्या मागून अलिली जी मुलं आहेत, आज मागे वळून पाहताना असं दिसंत की समाजामध्ये १०-२० डॉक्टर, इंजिनियर, वकिल आहेत. त्या पैकी काही राजकीय क्षेत्तामध्ये आहेत, पंचायत समितीचे सदस्य आहेत, काही सरपंच झालेले, काही शिक्षक झालेले आहेत तर काही आज मुख्याध्यापक आहेत.म्हणजे या सगळ्या प्रक्रियेमध्ये ही मुलं नंतर पुढे गेली सुध्दा, याचा परिणाम असा झाला. १००% भटक्या जमातीतला सरोदे नावाचा जो समाज आहे, तो आज १००% शिक्षित आहे व चांगल्या पोस्ट वर देखील आहेत. मी सुध्दा शिक्षक होतो १२ वर्ष, मला पुढे मुख्याध्यापक म्हणून नोकरी करण्याची पण संधी आली होती. एकदा शिक्षण मिळाल्यावर काय होऊ शकतं, व कसा कायापालट होऊ शकतो ते एका छोट्याश्या गोष्टीवरून समजते.

३) **बालपणी मनामध्ये प्रभाव टाकणारे प्रसंग, व्यक्ती व पुस्तके यांची माहीती सांगा ?**

उत्तर - लहानपणी घरामध्ये असणारे दारिद्र्य आणि हे दारिद्र्य दूर करण्यासाठी आई-वडील करत असणारे प्रयत्न त्यामुळे त्यांना पुर्ण मदत करणं, त्यांच्या बरोबर मजुरी करणं त्यांना सर्व कामात मदत केली, पण आपण शिक्षणामध्ये लक्ष दिलं पाहिजे असं मला वाटायला लागलं. विशेषतः संघाच्या शाखेमध्ये जे बाहेरून येत, संघाला भेट देत त्यांच्या बरोबर ओळख करून घेतली. त्यातील अनेक लोक म्हणायचे मी बी.ए. आहे. तर काही जण म्हण्याचे बी.कॉम. आहे. अशी एवढी शिकलेली मंडळी संघामध्ये आहेत. मग ४थी मध्ये असणाऱ्या मुलाच्या मनामध्ये काय येणार म्हणजे ग्रॅज्युएशन करायचे म्हणजे १५वी पर्यंत शिकावं लागलं असं मनात येत होतं. आधी भीती वाटली, पण मग आपण सुध्दा शिकलं पाहिजे असा निश्चय मी केला.

मग मुख्याध्यापक भागवत गुरुजींचे प्रेम, ते सर्व वाडीतल्या मुलांना गोळा करायचे, राष्ट्रीय स्वयंम सेवक संघाच्या शाखेमध्ये न्यायचे. त्यावेळी घरात दिवे सुद्धा नसत, त्यावेळी रात्री सर्व मुलांना शाळेत आणल जात आणि तिथे अभ्यास करायला लावत. त्या गोष्टीचा सर्वांवर सकारात्मक परिणाम झाला? मला अनेक प्रकारची भाषणे लिहून दिली जात व ते मी स्पर्धेमध्ये बोलून सांगत असे. परिणामी मला वाचनाची आवड निर्माण होत गेली आणि अशाच छोट्या मोठ्या प्रसंगांमध्ये एकेदिवशी माझ्या पायाला माशांच्या गळ अडकला. हे भागवत गुरुजींनी समजल्यावर ते धावत आले आणि त्यांनी मला दापोली, रत्नागिरी येथे आणले उपचारासाठी आणि अशा तऱ्हेने सुख दुःखांमध्ये धावणारी संघातील मंडळी मला मिळाली. समाजामध्ये पण होती त्याचा खूप मोठा परिणाम लहानपणी झाला आणि त्यात सर्वात मोठा परिणाम म्हणजे माझ्या आईचे कष्ट. त्यावेळी मला काही वाटले नाही पण आज जेव्हा मागे वळूनपाहतो तेव्हा एखादी महिला आपले घर चालवण्यासाठी जे अपार कष्ट करते त्या गोष्टीचा माझ्या मनावर फार मोठा परिणाम झाला. माझ्यासाठी आई ही एक श्रध्देचा विषय आहे.

ती धावत आली आणि त्यांनी मला दापोली, रत्नागिरी येथे आणले उपचारासाठी आणि अशा तदेने सति सुख-दुखांन मध्ये घावणारी मंडळी ही जी संघामध्ये होती. समाजा मध्ये पण होती त्याचा खूप मोठा परिणाम लहानपणी आला आणि त्यात सर्वात मोठा परिणाम म्हणजे माझ्या आईचे कष्ट, त्यावेळी मला काही वाटले नाही पण आज जेव्हा मागे वळून पाहतो तेव्हा एखादी महिला आपले घर चालवण्यासाठी जे अपार कष्ट करत त्या गोष्टीच्या माझ्या मनावर फार मोठा परिणाम झाला माझ्यासाठी आई ही एक श्रद्धहोचा विषय आहे.

४. **समाजिक क्षेत्रात काम करत असतानाच आपण शैक्षणिक क्षेत्रातही काम सुरू केलेत. दापोली मध्ये आपण *सावित्रीबाई फुले शिक्षण प्रसारक मंडळ, जळगांव* नावाची शैक्षणिक संस्था उभारलीत या मागचा उद्देश.**

उत्तर - मी मागच्या प्रसंगात जे सांगितले, यमगर वाडीला जो प्रकल्प सुरु केला होता तो पुढे नावारुपाला येऊ लागला. मग ते प्रश्न घेऊन विगवेगळ्या ठिकाणी शैक्षणिक विषयांवर पुढाकार घ्यायला लागलो व पुन्हा कार्यक्रम संपला की दापोलीत यायचो. पुढे हे प्रकरणे जसे वाढत गेले तसं नाव होतं गेलं. दापोलीतील लोक म्हणू लागले तुम्ही तिथे जाऊन माराठवाड्यात शैक्षणिक संस्था स्थापन केली, शाळा सुरु केली मी म्हणालो मी सारखा फिरत असतो त्यावेळी दौऱ्यांवर, मी कसं करणार? मग तु इथे का नाही अशी एखादी शिक्षण संस्था सुरु करत तेव्हा मला महात्मा फुले यांचे शब्द आठवले कि विद्ये विना मती गेली, मती विना निती गेली, निती विना वित्त गेलं, वित्ता विना शुद्र खचले, सारा अनर्थ एका अविद्येने केला." शिक्षण नसल्यामुळे ही सर्व गडबड झाली. म्हणून शिक्षणाची आवश्यकता आहे. मी जेव्हा एकदा, भाषण देत होतो, तेव्हा हे शब्द मला आठवतात. त्यावेळी मी विचार केला की शिक्षण नसल्यामुळे सर्व घोटाळे झालेले आहेत. आणि आत्ता पण तिच स्थिती आहे, काही फरक पडला नाही. मग मी विचार केला की माझे काम फक्त भाषण देणं नाही, तर शिक्षण व्यवस्था निर्माण करून शिक्षणाचे महत्त्वात लोकांन पर्यंत पोहचविणे आहे, तेव्हा माझ्या डोक्यात जे आले ते मी अमंलात आणलं आणि "सावित्रीबाई फुले शिक्षण प्रसारक मंडळाची स्थापन केली. महात्मा फुले यांचे वचन, आंबेडकरांचे शिक्षण डोळ्यासमोर होतेच. हे लक्षात घेऊन मी ठरवलं की शिक्षणाची खरी गरज कुठे आहे जिथे शिक्षण नाही. मग असे कळलं की मंडणगढ़ मध्ये एक ही कॉलेज नाही मग तिथे एक कॉलेज सुरु केलं. मग आंबवड्यात बाबासाहेबांच्या गावी ४ थी पुढे शाळाच नाही, मग तिथे ४ थीच्या पुढची शाळा सुरु केली. मग पुढे University चा मेंबर झाल्यावर तिथे कॉलेज ही सुरु केले. मग जिथे कोणी जात नाही तिथे आपण जायच हेच ब्रीद मी अमंलात आणले आणि शिक्षणाचा प्रसार केला.

५ **भिकू-भिकूजी-दादा- कर्मवीर - पद्मश्री असा प्रवास आपण कसा केला.**

उत्तर - साधारणपणे आपल्यामध्ये जुन्या पद्धतीचे दगडू, भिकू, अश्याप्रकारे नावं ठेवण्याची पद्धत होती पण त्यालाही काही कारणं आहेत. माझ टेटवली हे गांव आहे. माझे आई-वडील त्यांच लग्न होण्या अधीपासून माझे वडील माझ्या आजी सोबत सुखदर या तिच्या भावी राहत असत. काही वर्षांनी माझे काका पुन्हा आम्हाला आमच्या गावी टेटवली येथे घेऊन गेले व तिथे त्यांच्या जमिनीतील थोडी जागा आम्हाला दिली आणि तिथे घर बांधले.

माझ्या आई-वडीलांची माझ्या अगोदरची ५ मुले म्हणजेच माझे ५ भावंड जन्मा नंतर लगेच दगावली. त्यावेळी आई-वडिलांनी देवा पुढे मागणं मागितलं की आमची मुलंच जगत नाहीत त्यामुळे भीक म्हणून तरी एखाद मुलं आमचं जगू दे, असा त्यांनी नवस केला, हे मला नंतर समझले म्हणून माझे नाव 'भिकू' ठेवले. माझ्या अर्डिवडिलांनी माझे जे हे नाव ठेवले आहे त्याच्याशी त्यांची भावना जोडली गेली आहे. त्यामुळे या नावाबददल मला आनंदच आहे. पुढे मग संधा मध्ये अनेक काम वाढत गेली. मग तालुका कार्यालयात भिकूचं, भिकूजी झालं, मग आणखी काही जण भिकूजी राव, भिकूजी पंत अस म्हणायला लागले. पुढे मी B.SC. नंतर शिक्षक झालो नंतर नोकरी सोडली आणि फार्मसीच्या दुकानात जायला लागलो. पण फार्मसीत जाण्यासाठी त्याचा कोर्स करण्याचं ठरवलं. त्यानंतर मी कऱ्हाडला आलो. त्यावेळी १०वी नंतर फार्मसीचा कोर्स करण्यासाठी मुलं यायची आणि मी B.Sc. नंतर आलो होतो. जवळ जवळ १५ वर्षानी तेथे गेलो होतो.

सगळी मुलं माझ्या पेक्षा लहान होती म्हणून मी मागे बसायचो. तर तिथे ती सगळी मुले मी त्यांच्यापेक्षा मोठा असल्याने मला दादा म्हणू लागले. तर अश्याप्रकारे ते मला दादा म्हणायला लागले आणि दादा हे माझे नाव त्यांच्या कडून मला मिळाले. संघामध्ये मी काय येवढं रुळलेलो नव्हतो तरी नंतर विभागाची जागा माझ्याकडे आली आणि नंतर प्रांताची जागा आली. महाराष्ट्रांच्या एका प्रांताच्या बैठकीमध्ये प्राताचे संघ चालक रामनाथजी अभ्यंकर हे देखील होते, आणि मी प्रांत सहकारी आणि बैठक वगैरे घेतली. आणि ती बैठक संपत आल्यावर त्यांनी एकाला येकाला पेढे आणण्यास पाठविले आणि त्याच्या आधी त्यांनी सांगितले हे आमचे प्रांत सहकारी व त्यांचे नांव आहे इदाते. आणि हेच इदाते तुमच्या सर्व सभा घेतील. आज मी तुम्हाला एक आनंदाची गोष्ट सांगतो ती म्हणजे आज पासून हे आपले दादा आहेत, सगळ्यांचे दादा आणि सगळ्यांना पेढे वाटण्यात आले. त्यांनंतर दादा हे नांव सर्व महाराष्ट्रात पसरले. त्या नंतर माझे कार्य वाढत गेले त्याच बरोबर मला कर्मवीर अशी उपाधी मिळाली. मग हेच कार्य करत असताना मी दादा पासून **कर्मवीर दादा इदाते** झालो आणि आत्ताच्या पद्मश्री पुरस्कारामुळे मी मी पद्मश्री दादा इदाते बनलो आहे.

धन्यवाद.

मुलाखत करती - **कनिशा किशोर कीर**

आयुष्य कस जगायच हे ज्याच त्याच त्याने ठरवायच असत...

जन्माच्या वेळीस
मृत्यु उरलेला असतो
मधला काळ कसा जगायच
हे ज्याच त्याच त्याने ठरवायच असत...

इतरावर टीका करत बसायच
की जीवनाचा आनंद घेत जगायच
हे आपल आपण बघायच असत
आयुष्य कस जगायच हे ज्याच त्याच त्यनि ठरवायच असत...

दु:ख किती भोगायच
सुख किती दयाच
सार काही ठरलेल असत
आयुष्य कस जगायच हे ज्याच त्याच त्याने उरवायच असत...

आयुष्य एक कोड आहे
सोडवाल नितक थोड आहे
आयुष्यात येऊन माणस मिळवावी
एक-मेकांची सुख दुम्से ऐकमेकांना कळवावी ...!!

एकटेच शब्द माझे

एकटेच शब्द माझे
सोबतीला सूर नाही
दाटले डोळ्यांत अश्रू
पण आसवांचा पूर नाही
हाच आहे तो किनारा
येथेच होती भेट झाली
अन संपली जेथे कहाणी
तोही पत्थर दूर नाही
तू जिथे असशील तेथे
पौर्णिमेचा चंद्र नाही.
दोन आंधळ्या माझ्या नभाला
चांदण्यांचा सूर नाही
ही मेजवानी चालली
माझाच केला घात ज्यांनी
त्यांच्या पंगतीला या बसावे
मी एवढा मजबूर नाही.
माझे हरवलेले शब्द
येथील का ओठांवरी
तू दिसशील की नाही
त्याची उत्सुकता अकति उरी.
रात्र त्यांची झिंगलेली
पण आत्मे अस्थिर झाले
शांत आहे झोप माझी
अंतरी काहूर नाही
पाहताच तुला जेव्हा
शहारे येतात अंगावरी
माझे हरवलेले शब्द
येतील का गं ओठांवरी

निसर्गाचे महत्त्व

उंच हिरवी झाडे आणि निळे-निळे ढग
सुंदर सुंदर फुले मनी सुंदर वाटे हे जग
निसर्ग लावी मनाला मधुर साद
कोकिळेचा आवाज लावी मना संगित्मयी नाद

निसर्गाचे सौंदर्य मायेने कुशीत घेई
डोंगर, नद्या, धुंद हवा अंगणात व्हाई
बांधल्या उंच-उंच इमारती, कारखाने जे यशा कडे नेती
परंतु जंगल, तर नाहीसे झाले
आपल्या नशबी कसे हे दुर्दैव आले

सुंदर-सुंदर नद्यान मध्ये वाहे
प्लास्टीकचा कचरा हीच वेळ आहे निर्सगाला वाचवा
झाडे देती तीच, गार हवा, किमान एक झाड लावून तरी पहा
अन्न, वस्त्र, निवारा या गरजांसाठी
मानव निसर्गावर अवलंबून आहे
अन्न, वस्त्र, निवारा या प्राथमिक
गरजांसाठी मानव-निसर्गावर अवलंबून आहे.
वनस्पतीच निसर्गाचे स्तंभ आहेत.
वनस्पती नसतील तर जगणं अशक्य आहे.
मानव वनस्पती मुळेच जीवंत आहे.

निसर्ग, झाडे, पाने, फुले देई जीवनास नवीन अर्थ
यांच्या सौंदर्या शिवाय जीवन वाढे व्यर्थ
आयुष्य झाडांच्या सावली खाली जावे
किमान एका वर्षी एक झाड तरी लावावी

- तेजस्वी सावंत प्रथम वर्ष, विज्ञान

आई

झिजली खरी ती आई, चंदन जसे झिजावे
अणि काळजी घराची डोळे सदा झिजावे.
जन्म दिला तु माते, सोडून जाता जाता
परतुन यावे वेगे सांभाळण्यास आता.
दु:खात आम्ही राहावे देवास काय म्हणावे
झिजली खरी ती आई चंदन जसे झिजावे.
शितल छाया तुझी दुनियेत विकत नाही.
शोधण्यास गेला जीवन, आता मिळत नाही.
झिजली खरी ती आई चंदन जसे झिजावे.
हातात हात माझ्या, नेहमी सोबतच राही
झिजली खरी ती आई चंदन जसे झिजावे.

मानसिक आरोग्य जागृतीचे महत्त्व

आपल्याला कोणताही शारीरिक आजार होणार नाही याची काळजी घेत असताना लोक सामान्यतः त्यांच्या आरोग्याचा समतोल विचार करताना शारिरीक शारिरयष्टीकडे जास्त लक्ष देतात. पण सशक्त व तंदुरुस्त मनाकडे लक्ष अजिब देत नाही. भावनिकदृष्ट्या सशक्त व्यक्तींमध्ये नैराश्य, चिंता, तणाव आणि नकारात्मक विचारसरणीशी लढण्यासाठी चांगली ताकद असते. मानसिक आजार असलेले लोक नेहमीच निराश, नाराज आणि समाजात आपले अस्तित्व दाखवू शकत नाहीत. मानसिक आरोग्यामध्ये एखाद्याचे मानसिक, भावनिक आणि सामाजिक कल्याण असते. एखाद्याचे मानसिक आरोग्य त्यांच्या विचार, भावना आणि कृतीवर परिणाम करते..

मानसिक आरोग्य म्हणजे एखाद्या व्यक्तीचे मानसिक स्वास्थ्य म्हणजेच कोणत्याही मानसिक आजाराची अनुपस्थिती होय. मानसिकदृष्ट्या तंदरुस्त असण्याचा अर्थ असा आहे की एखादी व्यक्ती तणावाचा सामना करू शकते. आणि कठीण परिस्थितीत सामान्य जीवन जगू शकते. मानसिक आरोग्य महत्त्वपूर्ण आहे. मानसिक आरोग्यामध्ये एखाद्या व्यक्तीचा मानसिक, भावनिक आणि सामाजिक विकास समाविष्ट असतो. आपल्या आयुष्याच्या प्रत्येक वळणावर योग्य मानसिक आरोग्य आवश्यक आहे. बालपण आणि पौंगडावस्थेपासून ते प्रौढत्वापर्यंत आयुष्यभर एखादी व्यक्ती कोणत्याही क्षणी मानसिक आरोग्याची समस्या अनुभवू शकते. याचा परिणाम केवळ त्यांच्या मनःस्थितीवर आणि वर्तनावर होत नाही तर त्यांची विचार करण्याची पद्धत, जीवनाकडे पाहण्याची आणि आव्हानांचा सामना करण्याची पद्धत देखील बदलते. जरी मानकि आरोग्य ही एक वैयक्तिक गोष्ट असली तरी एका व्यक्तीवर काय परिणाम होतो ते इतर व्यक्तीवर परिणाम करू शकते. या घटकांमध्ये गैरवर्तन आणि मानसिक आरोग्य समस्यांचा कौटुंबिक इतिहास देखील एखाद्या व्यक्तींवर परिणाम करू शकतो. मानसिक आरोग्य आणि मानसिक आजार एकत्र होऊन जातात. इष्टतम मानसिक स्थिती असलेल्या व्यक्तींना मानसिक आजाराचाही सामना करावा लागू शकतो. मानसिक आजार नसलेले लोक देखील मानसिक आरोग्य खराब करू शकतात. अलिकडच्या काळात, लोकांनी मानसिक आरोग्यास गंभीरपणे घेणे आणि मानसिक आरोग्याच्या कोणत्याही समस्यांना तोंड देण्यासाठी योग्य पावले उचलणे सुरू केले आहे. तेथे मदत उपलब्ध आहे; मानसिक आरोग्य समस्या असलेले लोक मदत मिळवून चांगले होऊ शकतात.

माणसाला नेहमी सरासरी ७ ते ९ तासांची झोप लागते. पण जेव्हा तुम्ही थकलेले असतात आणि तरीही तुम्हाला झोप येत नाही, तेव्हा तुमचे मानसिक आरोग्य बिघडत असल्याचे हे लक्षण आहे. कधी कधी जास्त काम केल्याने केवळ शारीरिक थकवा येत नाही तर तीव्र मानसिक थकवाही येऊ शकतो. परिणामी लोक निद्रानाश म्हणजेच झोप न लागणे असा आजारात गुरफटून जातात. चिंता आणखी एक लक्षण असू शकते. या मानसिक दडपणामुळे व्यक्तीला छातीत दुखणे आणि श्वास घेण्यास त्रास होऊ शकतो. मनाची एकाग्रता कमी होणे हे सुद्धा मानसिक आजाराचे आणखी एक लक्षण आहे. असे घडते जेव्हा तुम्हाला असे वाटते की तुम्हा निष्काळजी चुका करण्यास सुरुवात करता, ज्यामुळे कोणत्याही ठिकाणी तुम्हाला कुठेही नीट लक्ष केंद्रित करता येत नाही. सतत टोकाच्या भूमिकेत असणे हे सुद्धा आणखी एक लक्षण आहे. जेव्हा तुम्हा छोट्या छोट्या घडामोडी किंवा टिपण्यांमुळे नाराज होतात आणि तुमच्या कुटुंबातील सदस्य, मित्र किंवा सहकारी याच्याशी भांडण करता तेव्हा हे लक्षात येऊ शकते. यामुळे तुम्हाला एकटेपणा वाटू शकतो आणि ते तुम्हाला निराश करू शकतात

उत्तम मानसिक आरोग्यामुळे आनंद मिळतो. यामुळे तुम्ही तुमच्या प्रियजनांसोबत अधिक वेळ घालवू शकता आणि तुमचे आवडते छंद जोपासू शकता. तुम्ही स्वतःसाठी आणि इतरांसाठीही वेळ काढता. तुम्ही मानसिकरित्या चांगले असाल तर तुम्ही आजारी सुद्धा पडत नाही. स्थिर आणि चांगले मानसिक आरोग्य तुम्हाला खूप पैसे वाचवण्यास देखील मदत करते. तुम्हाला डॉक्टरांच्या भेटी, मानसशास्त्रज्ञांचा सल्ला, औषधे इत्यादींसाठी पैसे द्यावे लागणार नाहीत. चांगले मानसिक आरोग्य असते तेव्हा तुम्हाला नेहमी उत्साही वाटेल. तणाव आणि नैराश्य यासारख्या गोष्टींमुळे आरोग्याच्या अनेक गंभीर समस्या उद्भवू शकतात. काहीवेळा खूप जास्त मानसिक त्रास असेल तर अशा प्रकरणांमध्ये आत्महत्या देखील होऊ शकतात. मानसिकदृष्ट्या निरोगी राहल्याने तुमचे आयुष्य दीर्घायुष्य वाढते कारण तुम्ही अधिक आनंद आणि समाधान अनुभवता. तुमच्या मानसिक आरोग्याची काळजी घेणे हे तुमचे शारीरिक आरोग्य राखण्या इतकेच महत्त्वाचे आहे. मानसिकदृष्ट्या तंदुरुस्त राहणे म्हणजे क्षणात जगणे आणि आपल्या जवळच्या आणि प्रियजनांसह जीवनाचा आनंद घेणे हे सुद्धा खूप महत्त्वाचे आहे.

मन हे शरीरातील सर्वात शक्तिशाली अवयवांपैकी एक आहे. जे इतर सर्व अवयवांच्या कार्यप्रणालीचे नियमन करते. शारीरिक आणि भावनिकदृष्ट्या दोन्ही तंदुरुस्त असणे ही जीवनाच्या सर्व बाबींमध्ये यशस्वी होण्याची गुरुकिल्ली आहे.

Exploring Cultural Diversities and its Benefits

Cultural diversity is the hallmarks of humanity, encompassing the myriad ways in which people express their benefits, traditions, languages, arts and values. It is a tapestry of unique perspectives and experiences that enriches our collective existence and fosters understanding and harmony among diverse communities. In today's interconnected world, exploring cultural diversities and recognising its benefits is not just and academic pursuit but a vital aspect of fostering global cooperation, innovation and mutual respect.

First and foremost, cultural diversity promotes tolerance and acceptance by exposing individuals to different ways of life and perspectives. When we interact with people from diverse backgrounds, we gain a deeper understanding of their customs, traditions and beliefs. This exposure fosters empathy and compassion, breaking down stereotypes and prejudices that arise from ignorance and fear of the unknown. Embracing cultural diversity encourages us to celebrate our differences rather than view them as barriers, fostering a sense of belonging and inclusivity in our communities.

Moreover, cultural diversity fuels creativity and innovation by bringing together individuals with unique talents, experiences and viewpoints. When people from diverse backgrounds collaborate, they bring a wealth of ideas and perspective to the table, sparking innovation and problem solving. Diverse teams are more likely to generate creative solutions to complete challenges, drawing on a variety of cultural influences and approaches. By embracing cultural diversity, organisations and societies can tap into a rich reservoir of creativity and ingenuity, driving progress and prosperity.

Furthermore, cultural diversity enhances social cohesion and resilience by fostering cross-cultural understanding and co-operation. In a world marked by increasing globalisation and interconnectedness, the ability to navigate and engage with diverse culture is essential for building strong and resilient communities. By promoting dialogue, mutual respect and intercultural exchange, cultural diversity builds bridges of communication and co-operation across borders helping to address common challenges such as poverty, conflict, and environmental degradation.

Additionally, cultural diversity contributes economic growth and prosperity by creating opportunities for trade, tourism and exchange of ideas. Countries and regions with rich cultural heritage often attract visitors from around the world, stimulating economic activity and creating jobs in sector such as hospitality, tourism and the arts. Furthermore, cultural diversity fosters entrepreneurship and innovation by encouraging the exchange of ideas and knowledge across different industries of sectors. By harnessing the economic potential of cultural diversity, society discrimination in equality and marginalisation continue to post barriers to the full inclusion of diverse community perpetual cycles of poverty and exclusion. Therefore efforts to promote cultural diversity must be accompanied by measures to address systematic barriers and promote social justice and equality for all.

In conclusion, exploring cultural diversity and recognising its benefits is essential for building inclusive resident and prosperous societies. By embracing cultural diversity we can promote tolerance creativity and social cohesion driving progress and innovation in an increasingly interconnected world. However to fully realise the benefits of cultural diversity we must address systemic careers and promote social justice and equality for all members of diverse communities. By working together to celebrate our differences and build bridges of understanding and cooperation we can create a world where cultural diversity is celebrated as a source of strength and richness.

Social Cohesion, Egalitarian Reciprocity and Cultural Diversity

Introduction

Cultural diversity is a cornerstone of human civilization, encompassing the rich tapestry of tradition, benefits, beliefs, languages and customs that define various societies around the globe. In recent years, there has been an increasing recognition of the importance of embracing cultural diversity, not only for its intrirric value but also for the humerous benefits its brings to individuals, communities, and society as a whole. This essay explores the multifaceted aspects of cultural diversity, delving into its benefits and the profound impacts its has on social, economic and personal leveles.

Understanding Cultural Diversity

At core, cultural diversity refers to the coexistence of different culktural identities may be shaped by various factors, including ethnicity, nationality, religion, language and socioeconomic status. Each cultual brings with it a unique set of norms, values and practices that contribute to the richness and complexity of human experience. By embracing cultural diversity, societies can faster inclusivity, promote tolerance, and celebrate the unique contributions of each cultural group.

Benefits of Cultural Diversity

1) Enriched learning and Creativity & Exposure to diverse perspectives stimulates critical thinking and creativity, leading to innovation and problem solving. In educational settings, students benefit from engaging with diverse view point broadening their understanding of the world and enhancing their cognitive skills.
2) Economic Growth and Innovation & Culture by fostering creativity and innovation. Diverse terms bring a wider range of Skills, experience and ideas to the table leading to more effective problem solving and product development. Moreover, business are better equipped to secure diverse markets, enhancing t heir competitiveness in an increasingly globalized world.
3) Social cohesion and harmony & Embracing cultural diversity promotes social cohesion and harmony by fostering mutual respect, understanding and empathy among individuals from different background. When people feel valued and respected for their cultural identities they are more likely to collaborate and cooperate, leading to stronger social bonds and a sense of belonging within communities.

4) Cultural Exchange and Application & Cultural diversity provides opportunities for cultural exchange and appreciation allowing individuals to learn from one another and celebrate the richness of human expression. Through festivals, art exhibitions, music concerts and other cultural event, people can gain insight into unfamiliar traditions and broaden their cultural horizons fostering mutual respect and appreciation.
5) Professional Growth and Development Interacting with individuals from diverse. Cultural backgrounds encourages personal growth and development by challenging one of assumptions biases and stereotypes. By stopping outside of their comfort zones and engaging with unfamiliar perspectives, individuals can cultivate empathy adaptability and inter cultural competence, essential skills for navigating an increasingly interconnected world.

Conclusion

Cultural diversity is a fundamental aspect of human society that enriches our lives in myriad ways. By embracing cultural diversity, we can harness its myriad benefits to promote learning, creativity, innovation, economic growth, social cohesion and personal development. Moreover cultural diversity faster inter cultural understanding, empathy and cooperation laying the foundation for a more inclusive equitable and harmonious world. As navigate the complexities of an increasingly inter connected global society, embracing cultural diversity becomes not only a moral imperative but also a pathway to building more sustainable and thriving communities for generations to come. Through dialogue, collaboration and mutual respect, we can create a future where culture diversity is celebrated as a source of unity, resilience and collective flourishing for all humanking.

Tree's : An Epitome of Knowledge, Wealth & Wisdom

It is an incomparable journey where the Guru leads you from the visible to the invisible, from the material to the divine, from the ephemeral to the eternal.

I think trees due to its emmence value and sustainability deserves to be rated as an epitome of knowledge, wisdom and wealth. Therefore they can rightly be described as teacher or Guru. I have made it as a practice to bow down my Guru our trees.

I bow down to my Guru, our trees for importing the immense wealth of knowledge and wisdom. From childhood, we have heard that trees are our guru's but in practical life, we didn't see anyone who treats trees as their guru. Although they are the most valuable life form in a direct or indirect way. And the earth is connected to them to maintain a natural balance. In this article, I wish to discuss as to why our guru's need saving.

Trees play a crucial role in our environment and are essential to the well-being of both humans and animals. They provide us with Oxygen, clean air, and shade and they help prevent soil erosion and flooding. Trees also serve as habitats for a variety of wildlife and contribute to the overall erosion of our planet. Apart from their environmental benefits trees also have numerous economic and social advantages. They are a source timber, fuel and medicine and they provide employment opportunities in the forestry industry. Studies show that even looking at trees can calm us. Spending time in the forest is known to reduce stress, anger and feelings of depression. Unfortunately, deforestation is a major threat to the health of our planet. The destruction of forest contributes to the climate change, soil erosion, and loss of biodiversity. It is essential that we take action to protect and conserve our forests and plant more trees to mitigate the impacts of deforestation. By recognizing the importance of trees and taking steps to protect them. We can ensure a better life for ourselves and our future generations.

Trees influence the climate. They cool the air and they attract rain. The roots of trees keep the soil firm. This prevents soil erosion during the rains and floods. Plants are responsible for keeping the air clean by the process of photosynthesis. Trees also prevent soil erosion which is a big reason for the infertility of the soil. The more trees we have, the less global warming there will be in the world. Trees are important not only for humans but also for protecting all the biodiversity around them. Trees are a little part of the carbon cycle, as they partake in photosetters they absorb carbon dioxide from the air and release Oxygen.

Some strees are very beautiful and graceful I write the same poem line's for tree's as our friends :

I think that I shall never see
A poem lovely as a tree

A tree whose hungry mouth is prest
Against the eaith's sweet flowing breast;
A tree that looks at God all day's,
And lifts her leafy arms to pray's

A tree that many in summer wear
A nest of rabins in her hair;

Upon whose bosom snow has lain;
Who intimately lives with ran.

Poems are made by fools like me,
But only God can make a tree

- Ashwini Katare
S.Y.B.Sc.

Shiva Trilogy

I'd been hearing a lot about The Shiva Trilogy and thought of giving it a try.

[Since I had no background knowledge about Shiva and his journey, I read a few pages and dropped it down. Some days later my sister educates me with what the books hold Tense and I start again and this time I could not wait back until I finish all three of them…]

The first edition of the trilogy being "The Immortals of Meluha" which is followed by "The Secret of the Nagas" and the final one being "The Oath of the Vayuputras" by the author Amish Tripati.

Amish Tripathi with his words of wisdom has smartly drafted the lessons for life at different stages in the trilogy. The book has some really catchy lines :

"Evil is not a person, it is an idea or belief."

"You don't live with the consequences of other people's karma. You live with the consequences of your own."

"Anything in excess is always harmful."

Each and every character has been beautifully created, portrayed and described. Be it Sati, the better half of Shiva. Or Veer Bhadra, Shiva's close friend. Or be it the hooded Naga. The characterization leaves the readers with a lot of imagination. Shiva, The Neelkanth along with his confederates travel across the length and breadth of India in search of the evil and learns that nothing seems the way they appear. There is a deeper philosophy behind the definition of Evil.

Impact wise, the first book did a wonderful job of engrossing the readers into the book with its simple colloquial writing style, grand historical and mythological descriptions and detailed characterizations.

The second of the trilogy was a powerful display of the author's capability to sustain readers' interest with razor sharp twists and turns in the plot. Of all the three, the second of the trilogy is the fastest paced story-line; with some unexpected turn every third chapter.

The third one, although a bit drag but that part of the story which wraps up the trilogy in a pleasing way and concludes how a man becomes so lovable that we still love, fear and worship him to this day.

The part I loved the most in the trilogy is the scientific reasoning behind the positive and negative effects of the magical drink Somras.

While reading the books, in my mind's eye it was a movie playing out. I could imagine the characters, the cities, the rivers and the wars so vividly throughout the book.

This trilogy is for sure worth having as a collection.

Har Har Mahadev!!!

Life in a Metro
a tale of survival in the big,bad City

Here I express my inner thoughts about daily survival in the maximum city where running against time is our biggest preoccupation.

Words fail me, As I put pen to paper.
Who can bail me, Lest I disappear like vapour!

What am I talking about you say?
"Life in a Metro," no easy way,
Nowhere to run about, Nowhere to play…..
Run, run ,run and reach everywhere In body, never in spirit, Extremely stressful life, Just live it anyway!!

Run to the market, run to the school, Then run to your workplace and run to the moon,
Stay awhile everywhere, express your apologies, Being unproductive is fine,
Seize the day and make it shine!

The Child's school-teacher complains,
"Madam, you're not at any school meeting",
What do I say to her?
I don't even have time for eating!

The Husband complains," You are always busy".
The Wife shoots back, "It's because you never help me!"
Then ensues another complaint from the child,
"Mom, all you do is run around like a hamster-in-a-wheel,
Never stopping, never breathing, you don't know how I feel!"

Round and round I go, In circles everywhere,
Taking the crumbs of time where every minute is accounted for like an accountant's notebook,
Where is the freedom, the joy and the independence, stolen away by Time, the biggest crook.

Life in a Metro, Oh! Life in a Metro,
Makes you strong, resilient, street-smart but don't forget to be kind,
Keep your wits about and keep monitoring your mind,
For this in chaos, you become more focused, sharp and you will also find,
The holy-grail of selfhood, of compassion, of joy in that beautiful daily grind.

Now people will ask, "Why do you write such long poetic spiel?".
All I can mutter is, "I would rather write than make a vacuous Instagram reel"!
Touche'.

I love Life in a Metro…

Teacher, Department of English, Junior College

Is Humanity Dead?

Imagine living without sufficient water, food supplies, electricity, fuel for days coupled with bombs explosions every few minutes. You're unsure whether you'll be dead in the next few seconds or not. This situation is faced by residents in Gaza every day. Residents in Gaza are in a fix whether to go the devil or the deep blue sea. Is it justified to wage a war to protect the interests of some citizens and to endanger the lives of other citizens?

On October 7, Hamas went house to house brutally killing civilians of all ages and taking hostages just a few miles from border of Gaza. The militants were rejoicing over the number of deaths and hostages they picked up. They were seen putting out videos and reels to mark their victory. The response form the Isarel army was persistent bombing killing more than 2000 children.

On October 17, a large explosion and fire occurred at the Al Ahli Arab hospital, killing hundreds of people and injuring many. Around 500 people were killed in hospital blast. Doctors having limited medical supplies and infrastructure had to perform surgeries on hospital floors without anaesthesia.

Orders to leave the north of Gaza and evacuate hospitals is issued by the Israeli government. Hospitals face an impossible choice of leaving critically ill patients to their deaths. The WHO has condemned this step. Many caregivers, nurses and medical staff have chosen to remain with their patients in an act of selfless service which they have sworn to provide. Health workers are expected to make this disturbing choice to choose the lives of their patients or their own families. Where are we as a society headed? The lack of responsibility shown by the either of the parties in this case shows the amount careless institutions we run.

Moreover, the Israeli government is headed most probably for an inground strike in Gaza. The cost of human life of both Palestinians and Isarelis alike will cause immense impact. Videos surfacing of innocent children, physically impaired citizens, aged population and women and men running helter-skelter for medical help and resources. The people are asked to evacuate as fast as possible. They have to leave the house they grew up in and pack it all in a few suitcases and leave in such traumatic environment. They are forced to leave their own country and to live as refugees in neighbouring states. With Egypt fearing mass exodus of crossings into their state including the militants, they are urging Palestinians to "remain steadfast on their land." For a few militants Isarel has chosen to sacrifice the lives of millions of people. In today's modern era, where democracy and freedom are a given, why are people having to go through this? Is it acceptable to countries to kill aimlessly and brutally without having a drop of humanity in the name of freedom and protection of their state. Indeed, who are they protecting? Because the common man is left helpless and in danger of death.

On October 18, The United States vetoed a UN Security Council resolution and United Kingdom and Russia abstained from voting. This resolution would have been a guardian spirit for allowing 'humanitarian aid' to millions in Gaza. The Council's claim to peacefully solve international disputes falls flat in the name of Israel's territorial sovereignty. The faith people put in organizations like United Nations leaves doubt in the minds for the relevance of these institutions.

Gaza has the highest number of young population and the mental and physical impact they will endure throughout their life can't be cured. It will scar them forever. These children who were the building blocks of development and are thrown into the fire. Do you think they will be able to live a normal life with a proper job? They are most likely to engage in acts of violence and terrorism. It will result in generational loss.

Is war going to solve the issue? The images of death and destruction, disrupted socio-economic growth, and immense psychological impact are long-lasting consequences of war. Israel in the fit of rage has taken such drastic steps to curb down the Hamas militants but has ended up injuring the whole population. As the British Prime Minister Rishi Sunak has said "This is our darkest hour". We have seen the consequences of war since ancient history and still continue to do it. It is often stated that difficult times are true reminiscent of true character of the relationship of the two countries. Israel and Palestine have to forgo their differences and work towards solving immediate issues through deliberation. There is still light at the end of the tunnel.

Being A Kirtikar : Reflecting on the Emotional Landscapes That Defined My Life

College days, memories we hold dear,
A journey of growth, knowledge, and cheer.

Kirti M. Doongursee College of Arts, Science & Commerce, fondly known as Kirti College, has been an incredible journey for me. I recall the day I nervously entered college, a world unknown, No friends, no familiarity, feeling like a bird with wings unflown. But today, I stand amidst friends, and peers Half the college known, friendships formed, a journey that's a atmosphere

Kirti college has given me so much more than just education. The college has become my second home, and I had the privilege of meeting various supportive professors who have played a pivotal role in shaping my academic and personal growth.

Participating in numerous competitions at Kirti College has been a rollercoaster ride. From impromptu anchoring to speeches, event management to effective communication and many more the college provided me with opportunities to enhance my skills.

I have also learned about different events and reached state and national levels, which has been an enriching experience. Participated in the activities of both Cultural and NSS and I also learned a bit of NCC parade.

One of the most memorable experiences I had at Kirti College was through the National Service Scheme (NSS), where I got an opportunity to anticipate in the National Integration Camp (NIC).As the representative of state Maharashtra from Mumbai University, held at Nagpur. I interacted with volunteers from different states. More than 11 states participated in the camp and I learned bit of their languages, such as Gujarati, Tamil, and Malayalam. It was an enriching experience that broadened my horizons and allowed me to understand different cultures. I even won a prize in a dance competition, competing with more than 11 states at the national level.

Another experience of The Youth Parliament competition which is a unique competition aimed to make students familiar with the practical working of the real Parliament of the country. It provides an opportunity to act like parliamentary candidates, gives opportunity to interact with students

from different colleges, and discuss a wide range of topics related. The competition follows the pattern of the working of the Lok Sabha and includes procedures such as Question Hour, Laying of Papers, and Legislative Business. How questions are asked, how ministers respond, and the list of items discussed in the Parliament are acted by the students. I got an opportunity to participate in this huge competition. First our team participated in the state level competition and we won at first stage and got selected for the national level competition where our team ranked 3rd and 8 of us got the award for the Best Speaker's. I was one of them.

There are many experiences of different types of events and different levels of competitions which I enjoyed participating. I have experienced the thrill of victory and the lessons in defeat. It was thoroughly an amazing and joyful experience.

Despite the naysayers, who questioned the value of Kirti College, I always believed in and loved my college. It has been a place where I have not only gained knowledge but also developed as an individual. Kirti College has taught me to embrace challenges and strive for excellence. As a proud "Kirtikar," I have come to understand the true essence of dedication. The college has instilled in me the spirit to never give up and to always believe in myself.

One of the greatest highlights of my time at Kirti College has been the privilege of learning from a diverse and supportive faculty. College principal and vice principal's are so supportive. Specially Vice Principal Dr. Minal Mapuskar ma'am she has supported me a lot. Both Principal and Vice principal have granted permission for each and every event. The professors here are not only knowledgeable in their respective fields but also display an unwavering commitment to their students' success. Their guidance and mentorship have been instrumental in my academic development, pushing me to reach new heights and explore my potential. Professors like Dr. Harshad Bhosale Sir, Chandramohan Joshi Sir, Ankush Dalvi Sir, Jyoti Mundhe Ma'am, Priyanka Punjabi Ma'am, and many

other professors.Special mention to non-teaching staff. Who have always been there on one call. It can be Rupesh dada, Prash dada, Sopan mama, Mayuresh dada. They have been so calm and supportive in each and every event of us.

Kirti College has become more than just a place of learning; It has become my cherished second home.From roaming around the vibrant campus to sharing laughter-filled moments with friends, every corner of this college holds a special place in my heart.

In the words of Walt Disney, "All our dreams can come true if we have the courage to pursue them." So, fellow Kirtikars, let us embrace our dreams, defy expectations, and prove that greatness resides within these walls. Together, let us soar to new heights and etch our names in the annals of success.

In the end, my love for Kirti College knows no bounds. It has given me wings to fly, a place to call home, and a faculty that believes in my potential. I am proud to be a Kirtikar, forever and always.

- Mrunmayi Supal

SYBA

Maybe Always a Poet not a Poem...

Maybe I was always meant to be the writer, never the song, always the artist, never the muse, maybe I was meant to be the poet, not a poem. No one has written anything for me, or made something beautiful for which I was the inspiration. I have always been a romantic daydreamer, I've always wondered how it would feel to have someone make something for me. Perhaps a poem, a song, a painting or a very beautiful art piece. I wouldn't lie and say I haven't ever thought about that, when I have and I still do sometimes. I am a writer and it's always me writing a poem inspired by my love for a certain person. It's not like I don't like that, I really do love putting the emotions I feel into words. I love expressing the unsaid thoughts or the unspoken words. How beautiful is it to have someone who inspires you to create art.

How wonderful is it to have someone who makes it hard to let the unspoken words be left unsaid and makes you believe that if those things are left unsaid all hell would break loose. How admirable is it, that a loved one makes you feel this plethora of emotions, that sometimes you don't even know what you are feeling. Equally admirable it is to have someone who would express those things for you. When a person isn't afraid to tell you that you are loved and admired. Someone who thinks you are so enchanting and marvellous, that it is astonishing you exist.

How joyous it is to have someone who looks at you and finds only beauty, even in the places you see the flaws. Today, when I was wondering about having someone to do

those things for me I came around the thought that isn't the poet, the artist or the writer important too? Isn't it important for someone to put those emotions into words, or give those feelings a physical form to just exist. For someone to write, "I could never say it to you for I lack the courage, but I still love you more than I could ever put in words" isn't that love all together, maybe not the same but still 'Love' after all. For even if beauty was all around us, what worth is it if it wasn't admired by an artist, what worth is it if we weren't made aware of the true importance of that beauty by the artist. Someone had to pick up the pen or brush to make it last forever, to make it immortal. Someone had to say it, to give it a shape. I am glad that I can say it, put it in words and give it a physical form to make it eternal. Because if everyone became the muse, who would be the one to write a song. If everyone became a painting who would paint it, if everyone wanted to be a poem then who would be the poet. Hence, maybe I was never meant to be the song but the writer, never the muse but always the artist. Maybe I was never meant to be the poem, but always the Poet.

- Mrunal Nikam

M.A. English-Part 1

One With Nature's Bliss

As usual I sat to read that morning,
Blending with the stillness of my surrounding.
Suddenly glittering sun rays shone on my face,
Me, who was trying to keep the reading pace.
I am a book worm, who reads to fill myself with all the wisdom,
Soon I felt in it, there is no complete inner freedom,
Thoughts wavered in my wandering mind,
Cause my soul desired of peace of all kind.
When I looked around at a beautiful scene,
Filled with grandeur and plants so green.
A gentle breeze passed through my hair,
I was thrilled with its soft touch on my skin so fair
What peace, what joy do I feel?
Being close with nature, seeking myself to heal.
I do now realize its strength to form,
It's after all beautiful nature, not pressurized by norm.
Exciting and adventurous is our nature,
Much more to learn from it than any teacher.
We may read a thousand books to gain more knowledge,
But great is the nature's wisdom, so we do acknowledge.
I have found in nature a dazzling sense,
From where I can learn to its dense.
Some may wonder and consider me wrong,
But I know I am part of nature, who is strong.
Nature is my teacher, who guides my life,
I learn everything, without any strife.
May I always be open to learn abundantly,
Gain more knowledge from nature very obedience.

मै.....

औरो से अलग मुझे मेरा स्वभाव बनाता है।

शक्त नही बस डर से डरना नही डर को डराना आता है।

हर बात का जवाब बेधड़क देना आता है।

यही अंदाज़ तो मुझे मेरा पसंद आता है ।

इस जमाने मे भी खुद को खुद से छुपाना नही बल्कि खुद के लिए लड़ना आता है।

औरो जैसे बनने का शौक नही यही अंदाज़ ही तो मुझे खुद मे बेइंतिहा पसंद आता है।

खुद मे अव्वल बनने का सपना ही तो मुझे हैरान कर जाता है।

डरूँगी नहीं मै लडूंगी यही वादा मुझे हर बार याद आता है।

मेहनत ,आत्मविश्वास , निडरता और हौसले की उस लगन से खुद को आसमां की उचाईंयो मे पहुँचाना है।

आत्मा की आवाज

बहुत हो गया सबका साथ देना ।
बहुत हो गया सब की बातें सुनना ।
बहुत हो गया सबको रीझाना,
बहुत हो गया सबको -रीझाना और मनाना ।

केहते हो, हमे खुशी मिलीती है।
पर क्या आपने पुछा आत्मा से ?
वह तो कहेती है,
खूशी मुझे नही दुसरौंको मिलीती है।

तो बेटा, अब वक्त है खुद का साथ देने की।
अब वक़्त है अपने शरीर के साथ रहने की।
अब वक्त है अपने मनकी बातें सुनने की।
अब वक्त है अपने सांसों के साथ रहने की।
आत्मा आपको पुकार रही है,
अब वक्त है उसे साथ देने की।

सुनो कहो करो
जो आपकी आत्मा कहे,
जो आत्मा कहे।

पता नहीं आज क्यों खुश हूँ मैं ?

पता नहीं आज क्यों खुश हूँ मैं।
हालत खस्ता हैं , फिर भी दिल में सुकून हैं
जो मसले पहले लगते थे गंभीर ,
अब बड़े मामूली से लगने लगे हैं
पता नहीं क्यों उदास होने के बहाने,
अब काम पड़ने लगे हैं।

पहले सवेरा भी संद्या सा लगता था।
आज पता नहीं क्यूँ निशा में भी
रोशनी दिखाई दे रही हैं
ना अतीत का गम ना कल की उत्कंठा हैं।
पता नहीं कैसे मैंने इस आज को सवारा हैं।
समस्या चाहे कितनी भी कठोर हो,
मुझे निराश करने में विफल हैं।
क्यूँकि जिस सुख की तलाश
लोग बहार कर रहे हैं
वो सुख मेरे भीतर हैं

सोशल मीडिया का बढता दायरा

हमारे देश मैं आज सोशल मीडिया का दायरा बहुत बढ चुका है । या कहाँ जाए की अधिक से अधिक कार्य सोशल मीडिया के माध्यम से ही हो रहे है ।

सोशल मीडिया के सकारात्मक प्रभाव

आमतौर पर देखा जाएँ तो हमारे लिए सोशल मीडिया वरदान से कम नही है । परंतु इसका उपयोग हम सिर्फ सकारात्मक प्रभाव मे करे तो हमे बहुत सारी सुविधाएं प्राप्त होती है जैसे की, आज हम अपने परिवार सें दूर होकर भी उनसे जुडे होते है । वह भी सोशल मीडिया के कारण बहुत सारे विद्यार्थियों को भी पढाई मे काफी सहायता मिलती है और तो और सब से बड़ा उदाहरण जो हम सब ने खुद देखा है की जब पुरे शहर में कोरोना का बढता प्रभाव या जिसके वजह से सब कुछ बंद हो चुका था तब हमे हमारे मोबाईल के जारिए घर बैठे बैठे पुरी दुनिया दारी का पता चल रहा था । और हमे अपने स्वास्थ्य का ध्यान कैसे रखना चाहिए सब बताया जा रहा था सोशल मीडिया पर हमे कैसे रहना चाहिए, खुद का बचाव कैसे करना चाहिए सोशल मीडिया से हमे बहुत जानकारी मिलती थी और हमे सोशल मीडिया के वजह से दुनिया की भी खबर हो जाती है क्यों आजकल सभी लोग समाचार नही देख पाते परंतु इंस्ट्राग्राम, व्हॉट्सअप पर सभी समाचार देख लेते है । सोशल मीडिया इतना आगे बढ चुका है की लोग इसे कमाई भी कर लेते है । अगर हम सोशल मीडिया का उपयोग सही और सरल करे तो हमें काफी जानकारी भी प्राप्त होती है । और हमे जहाँ भी जाना हो उसका पता भी आसानी से प्राप्त हो जाता है इसलिए हमारे जीवन में सोशल मीडिया काफी लाभदायी होता है ।

''एक – दूसरे की मदत करते चलें
सोशल मीडिया से जुडते रहें''

सोशल मीडिया के नकारात्मक प्रभाव

हमारे देश मे सोशल मीडिया का महत्त्व तो बहुत है, परंतु इसके नकारात्मक प्रभाव बहुत है । आजकल के बच्चे सोशल मीडिया का इतना उपयोग कर रहे है, जिसकी वजह से उनकी आँखे कमजोर हो रही है और तो और वह परिवार के साथ होकर भी नही होते. अपने मगन मे ही रहते है. सामने क्या हो रहा क्या नही उनको फर्क नही पडता जिसके कारण उन्ही का भविष्य उज्ज्वल नही हो पाएँगा आजकल तो परिवारों मे भी छोटे बच्चे रोते है तो माता-पिता उन्हे फोन दे देते है और अपने काम में व्यस्त हो जाते है, वह यह नही सोचते है की छोटे बच्चो को फोन देने से वह खुद को उनसे दूर कर रहे है और उनकी आँखे भी जल्दी कमजोर हो सकती है फिर उन्हें उसी की आदत लग जाती है ।

इसलिए हमें बच्चो को फोन से दूर रखना चाहिए । आजकल तो कुछ लोग सोशल का इतना बेकार प्रयोग करते है जैसे, कुछ लोग किसी भी चित्र का प्रयोग करते है जैसे की एक लडकी के चित्र को ज्वलंत बना देना फिर उसे पैसे हासिल करना आदि कार्य लोग करते है । सोशल मीडिया का उपयोग अगर सही सें न किया जाए तो लोगो को संकट होता है सोशल मीडिया मे कुछ लोग ज्यादा डूब जाते है । जिसकी वजह से फिर उन्हे ही सहना पडता है । बच्चे कैसे सोशल मीडिया का उपयोग कर रहे है, ये उनके माता-पिता को देखना चाहिए क्यों की कभी-कभी बच्चे कूछ गलत काम भी कर लेते है । उन्हें जो प्रयोग नही करना चाहिए वह उससे जुड जाते है । इसलिए हमें सकारात्मक रूप में सोशल मीडिया का प्रयोग करना चाहिए ।

''सोशल मीडिया के
जाल मे जो फँस जाता है ।
वह दुनिया की मान्यताओं से दूर चला जाता है ।

- आचल गुप्ता

वास्तविकता

जैसे जिस्म जला होगा वैसे रूह भी तो जली होगी,

अब राख को समेटने से क्या फायदा,

कुछ इशारों से कहते हैं की तु है कौन और तु है क्या ?

अरे तू इंसान ही तो है फिर इतना गुमान कैसा।

खुदा को किसी ने नही देखा लेकिन पूरी दुनिया खुदा को मानती है

ये दुनिया तो फिर भी खुदा नही बस ये खुद को मानती है , जरा से जख्म मिलने के बाद तो अपनो को भी नही जानती है।

रहो तुम नाव के सहारे मै पानी की गहराइयों मे खुश हुं,

तुम आसमान देख लेना मै नीचे अंधेरे मे डूबता खुश हुं।

कोई अगर पूछने का कष्ट करे तो कह देना की सरफिरा कहता था की मै इस वीरान समन्दर मे जमीन ढूँढने के लिए रोज कूदता हू।

मै जीने के लिए अब ईश्क भी जरूरी नही समझता क्युंकि मैने थोड़ी सी बारिश मे सालों की गाँठ बिछड़ते देखी है।

जात पूछकर लोगो की रोजी रोटी जलती देखी है,
वही खून, वही माँस उतनी ही आँखें लेकिन उन,
इंसानो ने इंसानियत दूर फेकी है।

इन धर्म के ठेकेदारो ने जलती लाशो से रोटी सेंकी है।

तुम समझते होगे खुद को सबसे सर्वश्रेष्ठ तुम्हारे हिसाब से नीच जात समझ कर नकार देना मुझे मै उपर वाले के कदमों मे भी खुश हु,

मुझे नही लगता वो उपर मुझ से मेरी जात पूछेगा,
लेकिन तूने क्या किया ये बात हर बार पूछेगा।

नफरत फैलाना बिलकुल मेरा मकसद नही,
सच का कड़वा जाम पीता हूँ और पिलाता हूँ।

अगर तुम उसे जहर कहते हो तो मैं अक्सर यही दोहराता हूँ,

इस जहर से अगर मेरी मौत भी जाए तो मेरा कोई हमदर्द नही पूछेगा तुमसे की आना है या नही आना है।

चाहे मेरी लाश पड़ी रहे मगर अपने मुह से ये मत पूछना की जलाना है या दफनाना है।

- महिमा मिश्रा

एड्स - एक रोग कथा

बात पते की कह रहा हूँ, इसे नजरअंदाज न कीजिए
प्यारा है अगर आपको आपका जीवन तो जरा ध्यान यहाँ दीजिए।

एक बार यह रोग हो जाए, तो पीछा न छोड़े जीवन भर
अगर यह रोग हो जाए, तो पीछा न झोडे जीवन भर।

विज्ञान ने कई सालों में किया है विकास
परंतु बिमारी है ये नाईलाज और करे जीवन का नाश।

एड्स एक जानलेवा बिमारी है, यह आपके जीवन पर भी भारी है।

लक्षण दिखने में कई वर्ष निकल जाते है,
इससे लढते - लढते कइयों के प्राण चले जाते है।

माना, एड्स से मृत्यू टाली जा सकती है,
परंतु संक्रमित व्यक्ती की जान न बच सकती है।
जीवन समापन इसका अंत है, कारण संक्रमण,
हो जाए तो बचना मुमकिन नहीं, न बचेगा आपका जीवन।

एड्स आपकी रोग प्रतिकार क्षमता को खत्म करता है,
व्यक्ती को तड़पा तड़पाकर, मौत के मुंह में ढकेलता है।

रोगी रोग से नहीं, ताणों से मर जाता है,
समाज के नजरिए को देख उससे रहा न जाता है।

व्यक्ती इस रोग से लढते लढते अपनी आशा खो देता है,
लोगों के बीच अकेला रह, निराशा से जीवन छोड देता है।

और, अगर मेरी बात पर ध्यान न दोगे, एड्स की गंभीरता को न मानोगे,
तो संभाल जाना, कल आप भी इसकी चपेट मे आ जाओगे
आखिर मछली की तरह पडपोगे,
और मौत के दरवाजे पर, खुद को पड़ा पाओगे।

मर जाएंगे आप और हम, अगर एड्स हमारे संग है,
लढ़ना होगा हम सभी को मिलकर
क्यूंकी यह आपकी, मेरी ओर हम सभीकी एक जंग है।

रोग माना लाईलाज है, और मृत्यू ही इसका अंत है।
विश्वास रखो हमारे विज्ञान पर, इसमें संभावनाएँ अनंत है।

जरूर आज निशा की निराशा है
परंतु उम्मीद का सूरज अवश्य खिलेगा।
मेरा भारत और पूरा विश्व इससे जरुर जीतेगा।

एड्स माना तु बहुत बड़ा रोग है,
तुझसे जीतना असंभव है।
लेकिन हस रहेंगे जीतकर और न फैलाएँगे संक्रमण,
पहुंचेगी मेरी यह पंक्तियॉ और जागृक होगा जन-जन,
होगा एड्स मुक्त हमारा भारत ओर बचेगा हर रोगी का जीवन।

मजहब नहीं सिखाता, आपस में बैर रखना

महान व्यक्ति इकबाल ने अपने शेर के माध्यम से कहा 'मजहब नही सिखाता आपस मे बैर रखना।

मजहब नहीं सिखाता आपस में बैर रखना। इससे हमे यही समझ आता है की धर्म हमे सिखाता नही है आपस में लड़ाई झगड़ा करना। हम अगर देखें तो इसी समय की बात है। राम मंदिर और बाबरी मस्जिद के मध्य का युध्द। आपस मे ही लड़ रहे थे हमारे देशवासि भाई।

यदि हम गोर करें तो समझ आएगा कि धर्म के नाम पर लोग एक दूसरे के बीच का गुस्सा और जलन को देख के लड़ते है। कुछ लोग तो धर्म पे ही राजनिती भी चलाते है। हमारे 'संत', 'कवि', 'लेखक', आदि विद्वानो ने ये सिखाया है कि हमे हमेशा साधू होना ही चाहिए। ये धर्म को बीच मे लाने की कोई जरूरत नही है। हमें सबसे पह ले अपने नजर मे ये रखना चाहिए कि हम 'मानव' है। हमें मानवता वादी दृष्टि रखनी चाहिए। सबके मन मे मानव जाति पहले होना चाहिए।

यदि धर्म हर लड़ाई का मूल रूप होता तो 'महाराणा प्रताप' के सेनापति 'हकीम खाँ सूर' ना होता। हमे हमारे धर्म को कभी इतना बीच मे लाना ही नही चाहिए था वरना आज अंग्रेज के गुलाम हम ना कहलाते। यदि हमारे मे एकता होती तो ऐसा कभी ना होता। भारत देश धर्म मे भेद-भाव को ना मानने वाला सर्वश्रेष्ठ देश कहलाता है। इसलिए हमारे पड़ोसी देशो को हमारा साथ होना हजम नही होता।

ये धर्म के कारण कितनो की मृत्यु भी हो जाती है। किसी भी व्यक्ति को युध्द के बाद शांति नही मिलती है। यदि हम एकता का भाव रखें तो क्या साथ में जी नही सकते ? चलो माना की सबके लिए अपना – अपना धर्म बहुत उच्च स्तर पर है। हाँ ठीक है। लेकिन लोक इससे एक दूसरे के धर्मो को नीचा दिखाने लगते है। और युद्ध शुरू कर लेते है। जिसका फायदा हमारे दुश्मन अच्छे से उठाते है।

धर्म एक शांति का प्रतीक माना जाता है। यदि हम सबके धर्म मे देखे तो यहि समझ आएगा कि, सब धर्म मे मिल-जुल के रहना सिखाया जाता है। और शांति, प्रेम, प्यार, एकता, समानता, बंधुता, ही सिखाई जाती है।

मुझे तो ये ही लगता है। अगर लोगो के मन से धर्मो के प्रति गुस्सा, भेदभाव, खत्म हो जाए तो हम हमारे देशवासियो के साथ और खुश रह सकते है। इसलिए इकबाल कहते है।

मजहब नहीं सिखाता आपस मे बैर रखना।
हिंदी है हम वतन है हिन्दोस्ताँ हमारा ॥

आज भी और पहले भी हम युध्द का कारण देतें तो धर्म हि सामने आता है। आज के लोग तो बहुत पढ़ लिखें भी हो गए है। परंतु 'एकता का पाठ' कोई नही पढ पाया है। हर किसी मे अपने धर्म को लेकर सबसे अच्छा चाहते है। मेरे अनुमान से किसी को अच्छा बनना भी है तो सबसे पहले एक अच्छा इंसान बनो जो सब धर्म से बहुत उपर और उच्चस्तर का है।

हम ध्यान दे तो सबसे ज्यादा युध्द हिंदू और मुस्लिम में होता है। परंतु हमे इससे ये सिखना चाहिए कि हम सब एक है और 'हम' शब्द का अर्थ कहें तो (ह) से हिंदु और (म) से मुस्लिम जिससे 'हम' निर्माण होता है। और एकता का भाव उत्पन होता है। ये धर्म असल मे सिर्फ धर्म हि है। लेकिन लोगो ने इसे युध्द करने का साधन बना लिया है। यदि समाज मे कुछ नही हो रहा है तो चलो एक-दुसरे के धर्म को ही बुरा भला बोल देते है। जिससे लढाई तो शुरू हो। समाज आज भी बहुत पिछे की सोच रखने वाले मे से ही है। मुझे नही लगता है कि किसी भी धर्म मे ये बोला हो की आप अपने धर्म का प्रदर्शन करें या किसी को जबरदस्ती अपने धर्म मे ले लेकिन ऐसा भी होता है।

यदि सबको एकता का भाव समझना है तो सबका मन डॉ. अब्दुल कलाम जी के तरह और विवेकानंद जी के तरह होना चाहिए। तभी हम एक दूसरे से प्रेम भाव रख सकते है। नही तो आपस मे ही लड़ते रहेंगे और एक दिन अंग्रेजो के तरह हमारे देश पर फिर से कोई कब्जा कर लेगा। और इकबाल जी का कहा हुआ भी असत्य हो जाएगा। इसलिए सब एकता और प्रेम से साथ रहो क्यो किं मानवता धर्म ही सर्वश्रेष्ठ धर्म होता है।

MILLETS

भरडधान्य-मिलेट

संयुक्त राष्ट्रांनी 2023 हे वर्ष • आंतरराष्ट्रीय भरडधान्य' म्हणून साजरे करण्याचे ठरवले आहे. यामध्ये भारताचा मोठा सहभाग आहे. भरडधान्य उत्पादनात भारताचा वाटा आशिया खंडात ८०% तर एकूण जागतिक उत्पादनात २० % आहे. यानिमित्तान भरडधान्य म्हणजे काय? त्याचे विविध पैलू आणि भरडधान्य उत्पादक शेतकऱ्यांना मिळणाऱ्या नवीन संधी याचा उहापोह या लेखान करणार आहोत.

भरडधान्य / मिमिट Millet

निसर्गशेतीसाठी उत्तम पीक असलेले, कमी पाण्याची आवश्यकता असणारे मिलेट हे निसर्गस्नेही पिके आहेत. पृथ्वीच्या व माणसांच्या आरोग्याची उत्तम काळजी घेणारी ही जादुई धान्य समजून घेणे खूप रोचक आहे. गहू व तांदूळ सोडून इतर जे धान्य नियमित आपल्या आहारात वापरले जाते त्याला आपण भरडधान्य असे म्हणू शकतो. ज्वारी, बाजरी, नाचणी ही भरडधान्य आपण जसेच्या तसे पीठ करून खाऊ शकतो तर वरई, राळा, बर्टी, कोदो, डेंगळी ही इतर भरडधान्य त्यावरील असलेली साल बाजूला केल्यावर खाण्यायोग्य होतात. जसे तांदळाला साळ असते तशीच या बारीक धान्यांना साळ आवरण असते. पूर्वी उखळात कांडून किंवा मातीच्या जात्यावर भरडून हे आवरण काढले जाई. आता ते काम मशिनद्वारे केले जाते. अशा साल काढलेल्या भरडधान्यांचा वेगवेगळ्या प्रकारे आहारात वापर केला जातो.

एकूण ११ प्रकारचे भरडधान्य आतापर्यंत या गटात समाविष्ट आहेत. सध्या त्यातील ९ भारतीय मिलेटची नावे व प्रकार खालीलप्रमाणे आहेत.

१) **ज्वारी (SORGHUM) Great Millet** (ज्वारी, मालदांडी शाळू, सुलतान शाळू, लाध्याची ज्वारी)- महाराष्ट्राची जवळजवळ ८०% शेती ही कोरडवाहू आहे. ज्वारी हे खास कोरडवाहू पिक म्हणून मराठवाडा, विदर्भ ने नंदुरबार आणि इतरही भागांत ज्वारी पिक मोठ्या प्रमाणात घेतले जात होते. त्यामुळे ज्वारीची विविधना मोठीच आहे.

उदा. सह्याद्रीच्या पट्ट्यात १३ ते १४ फूट उंच • वाढणारी उत्तानळी, गोड चवीची दुरड्याची गुळभंडी तर • नंदुरबार भागातील भरदार गोंड्याची सफेद व ज्वारी असे खूप प्रकार आहेत. भारतात ज्वारीच्या ४०,००० जातींची नोंद झालेली आहे.

ज्वारीच्या भाकरी सोबत भाज्या, फळे आणि योग्य प्रथिनयुक्त आहार घेतल्यास अनेक आजार होण्याची शक्यता खूपच कमी होते म्हणून रोजच्या आहारात ज्वारीची भाकरी आणा व आरोग्य मिळवा.

२) **बाजरी Pennisetum Glacum / Pear! Millet**

कोरडवाहू जमिनीत अगदी कमी पाण्यावर येणारे बाजरीचे पीक पूर्वीपासून घेतले जात होते. काळया मातीत बाजरीची वाढ जोमाने होते, काळसर, राखाडी रंगाचे हे धान्य हृदयरोगाला दूर ठेवणारे गरिबांचे खाणे म्हणून ओळखले जाते. बाजरीमध्ये कमी कॅलरीज असल्यामुळे ती वजन कमी करण्यासही मदत करते.

भारतात महारष्ट्र, गुजरात, मध्य प्रदेश आणि हरियाणा मध्ये बाजरी मोठ्या प्रमाणात पिकते.

बाजरीमध्ये ऊर्जा भरपूर असते शिवाय चांगल्या दर्जाचे प्रथिने यात असतात. जीवनसत्व अ आणि शिवाय जस्त, मॅग्नेशिअम, तांबे, पोटॅशिअम यांचे योग्य प्रमाण असते. शिवाय लोह, कॅल्शिअम मोठ्या प्रमाणान असतेच. बाजरी हे हृदयरोग, वाढलेले कोलेस्ट्रोल कमी करण्यासाठी अत्यंत लाभदायी आहे.

३) नाचणी / रागी / नागली / मंडया / Finger Millet आजच्या आधुनिक शास्त्रात नाचणीला 'सुपरफूड' असेच म्हटले जाते.

महाराष्ट्रातील कोकणपट्टी आणि खानदेशामध्ये नाचणीचे पिक खरीप हंगामात घेण्यात येते. महाराष्ट्राशिवाय कर्नाटक, राजस्थान, तामिळनाडू, आंध्रप्रदेश, ओरिसा, उत्तराखंड, गोवा व बिहार या राज्यांमध्येही हे पिक घेण्यात येते. नाचणीचे दाणे गडद विटकरी रंगाचे असून आकाराने मोहरी सारखे बारीक असतात. लोह, कॅल्शिअम व इतर खनिजांचा भरपूर साठा • असलेली नाचणी अनिमियासारखे (रक्न कमी असणे) व कुपोषणासारखे आजार दूर करण्यास मोठीच मदत करते. शिवाय हाडे मजबूत ठेवणे व रक्तवाढीसाठी विशेष महत्त्वाची आहे, म्हणून लहान बाळांना सुद्धा नाचणी सत्व खाऊ घातले जाते. गुणाने शीत असलेल्या नाचणीचा अनेक प्रकारे घरगुती उपायांमध्ये वापर केला जातो जसे ताप आला तर शरीराचा अशक्तपणा कमी होण्यासाठी नाचणीची आंबील, सत्व आहारात घ्यायचे माहिला व पुरुषांमध्येही हिमोग्लोबिनची मात्रा नीट ठेवण्यास नाचणी खाणे हितावह आहे.

४) **वरी किंवा भगर Proso Millet**

वरी हे जास्त करून कोल्हापूर भागात घेतली जाते. little millet आणि Proso millet शेप, कणीस दिसायला सारखेच असतात. पण अगदी सूक्ष्म बदल यात आढळतात. वरीचा दाणा वरईच्या दाण्यापेक्षा आकाराने जरासा मोठा असतो. पण गुणधर्म व पोषकतत्वात मोठा बदल जास्त असतो. प्रथिने व फायबर यांचे प्रमाण असल्याने आरोग्यास हे धान्य पोषक समजले जाते

५) **तरई Little millet**

अत्यावश्यक पोषक तत्वांनी समृद्ध वरई शतकानुशतके पारंपारिक आहाराचा एक भाग आहे.आकाराने लहान असलेली वरई प्रथिने, फायबर, जीवनसत्त्वे आणि खनिजांसह आवश्यक पोषक तत्वांनी पूर्ण आहे. आजही आदिवासी व कोकण भागात हे पीक मोठ्या प्रमाणात घेतले जाते. डोंगर शेतीतील हे मुख्य नगदी पीक आहे यात कमी दिवसांच्या ते जास्त दिवसांच्या अशा विविध जाती आहेत.

६) राळा / भादली - Foxtail Millet

अतिशय आकर्षक रंगांचे असणारे हे धान्यपिक विविध रंगांन येते. जस कि लाल, सफेद, पिवळा, राखाडी आणि त्याच्या घय अगदी छोट्या आकाराचे कणीस असणारे ने उत्तर भारतातीला य मोठ्या आकाराचे कणीस असलेले विविध राळा हे आतापर्यंत पृथ्वीवर शिल्लक असलेले सर्वात जुने पिक. आजच्या काळात मुधुमेही रुग्णांना जगवण्यासाठीचे योग्य धान्य आहे. प्रधिने व चोथा मोठ्या प्रमाणात तर कर्बोदके अतिशय कमी, शिवाय ग्लुटेन मुक्त असल्यामुळे मधुमेहींसाठी आदर्श आहार म्हणजे राळा.

७) कोदो / हरिक Kodo millet

कोदो या धान्यावर एकावर एक सात थर असनान याचे वैशिष्ट्य म्हणजे आवरण काढले नाही तर हे अनेक वर्ष ठेवता येते. म्हणूनच' कोदो दाणा न होय पुराना.. ही ओळ तंतोतंत खरी ठरते. पूर्वी कोकणात हरिक म्हणून, गडचिरोलीत कोद्र म्हणून असणारे चे आना फक्त राज्यांमध्ये होते. जसे भारतातल्या काहीच महाराष्ट्र, तमिळनाडू, कर्नाटक, मध्यप्रदेश, गुजरात, छत्तीसगड, पश्चिम बंगाल व बिहार राज्यांच्या अनेक भागात कोदोची लागवड केली जाते. 'गरिबांचे पीक' मानले जाणारे हे कोदो कमी पावसाच्या काळात चांगले तग धरून राहते.

पीक ऑक्टोबर - नोव्हेंबर मध्ये तयार होते नेव्हा कापतान- कोदो धान्याला रंग लाल, तपकिरी दिसतो. यामध्ये प्रथिन, खनिज व तंतुमय पदार्थ मोठ्या प्रमाणात आहेत. विशेषतः उच्च रक्तदाब वाढलेले कोलेस्ट्रोल नियंत्रित ठेवण्यासाठी तसेच ग्लुटेनची अलर्जी असणाऱ्यासाठी योग्य आहार आहे. मोनोयोजनंतर हृदयाशी संबंधित आजार असलेल्या महिलांनी याचे नियमित सेवन करणे खूप फायदयाचे आहे.

८) बर्टी / बार्नयाई Barnyard Millet

सर्वात कमी दिवसात तयार होणारे हे धान्य, बर्टी या पिकाची लागवड मुख्यत्वे डोंगराळ भागांत अन्न जनावरांचा चारा म्हणून केली जाते. लहान, गोल व पिवळसर पांढऱ्या रंगाचे दाणे असणारे बहीं महाराष्ट्र, तामिळनाडू, कर्नाटक मध्ये हे पीक घेतले जाते. खाण्यासाठी चविष्ट पौष्टीक असे हे भरड धान्य,

९) ब्राऊनटॉप Browntop Millet

मूळचे भारतीय असलेले हे भरडधान्य मध्यंतरी हे फक्त दक्षिण भारतातच घेतले जात असे. याचे वैशिष्ट्य म्हणजे हे धान्य खाल्यानंतर अनेक तास भूक लागत नाही भरपूर ऊर्जा यातून मिळते.

*** मिलेट, भरडधान्य महत्त्वाचे का? ***

ऊर्जा व पोषण देणाऱ्या भरड धान्यांपासून मिळणारे आरोग्य संबंधीचे फायदे खूप असल्याने त्याविषयी जनजागृती होणे आवश्यक आहे. भविष्यात धान्याचा तुखण पडू नये हणून भरड जगभरानच धान्यांचे millet चे उत्पादन वाढवण्याचे प्रयत्न आणि प्रक्रिया करण्यात येत आहे.

अन्नसुरक्षा व पोषण सुरक्षा

सर्वच देशांत गहू व तांदूळच सर्वात जास्त वापरला जातो. पुरवठा मात्र वाढत्या लोकसंख्येनुसार त्याचा कितपत करता येईल, हाही एक प्रश्न आहे. त्याला जमीन, पाणी खूप लागते आणि तसे हवामानही. मणून त्या धान्यांना पर्याय म्हणून या भरड धान्यांचा विचार व्हावा, जी ऊर्जा व पोषण दोन्ही देऊ शकतील. त्यामुळेच अन्नसुरक्षे बरोबरच पोषण सुरक्षा ही भरडधान्य देतात.

आरोग्य सुरक्षा:-

भरडधान्य ही ग्लुटेन फ्री आहेत. तसेच या पिकांच्या वाढीसाठी वरखतांची आवश्यकता नसते. यावर कोणतीही कीटकनाशके, बुरशीनाशके वापरावी लागत नाहीत त्यामुळेच यांच्या सेवनाने शरीर, आरोग्य उत्तम राहते. रोगप्रतिकार शक्ती अधिक वाढते. तसेच अनेक आजारांमध्ये पचनशक्ती कमी झालेली असताना देखील यांचे सेवन उपयुक्त ठरू शकते.

जनावरांच्या चाऱ्याची सुरक्षा :-

धान्यांच्या काड्यांचा / कडब्याचा उपयोग जनावरां- साठी चारा म्हणून केला जातो.

शेतकऱ्यांच्या उपजीविकेची सुरक्षा:-

ज्या भागात शेतीला पाण्याची सोय नाही अशा

* कोरडवाहू हलक्या जमिनीत भरडधान्य / मिलेट पिकाचे चांगले उत्पन्न मिळते. खताची आवश्यकता नाही.

कोणत्याही हवामानात यांचे पीक येते. यामुळे शेतकऱ्यांना उपजीविकेची शाखतना ही धान्ये मिळवून देतात.

*** पर्यावरणीय सुरक्षा:-**

ज्या रानात भरडधान्य/मिलेट पिकवले जाते, तेथील जमिनीतील नत्रांचे प्रमाण वाढून जमिनीचा कस वाढतो. पीकविविधता जपली जाते. काही पक्ष्यांचे हे आवडते खादय आहे. तसेच ज्या शेतात मिलेट घेतले जाते, तेथे अनेक रानभाज्या व इतर वनस्पतींची वाढ होते त्यामुळे पर्यावरणाचा समतोल राखला जातो. कोदो, कुटकी, सावा, राळा, वरई, भादली, नाचणी, राजगिरा, ज्वारी, बाजरी या सर्वच भरड धान्ये वा मिलेट्सचे सेवन आपण वाढवले पाहिजे कारण ते पौष्टिक आहे. जेवढे जास्त उत्पादन तेवढे जास्त खरेदी करणारे वाढतील. याचा शेतकऱ्यांचे उत्पन्न आणि मिळकत वाढण्यासाठी उपयोग होईल आपल्याला जमेल तसा भरड धान्यांचा वापर स्वयंपाकात केल्यास हळूहळू या धान्यांची सवय होईल आणि मग ती निश्चितच मुलांनाही आवडू लागतील या धान्यांच्या सवयीने मैद्याचे पार्थ पर्यायाने फास्ट फूड खाण्याची सवयही सुरू शकेल. त्यासाठी भरड धान्याच्या कल्पक पाककृती सुचायला हव्यात.

लेखासाठी संदर्भ !

1) लोकसत्ता- 12 ऑगस्ट 2022.
जयश्री पेंढरकर

2) कळसुबाई मिलेट - निलिमा जोरावर

मिलेट

मिलेट का हिन्दी अर्थ ज्वार, बाजरा, कोदो आदि मोटे अनाजों को अंग्रेजी में सम्मिलित रूप से (Millet) मिलेट कहते है।

जौ, बाजरा, जुवार, जुआर, कुंकनी, कोदी, मोटा अनाज
1. मोटे दानेवाला अनाज (Major millets)
2. छोटे दानेवाला अनाज (Minor millets)

1] मोटे दानेवाले अनाज को Naked grain के नाम से भी जाना जाता हैं । जैसा की नाम से ही पता चल रहा हैं इन धान्यों के बीज मोटे होते है। तथा बीजों पर लगी भूसी को उतारने के बाद सीधा भंडार गृहों में रखा जा सकता हैं।

जैसे रागी, बाजरा, ज्वार, चेना, मूंग। इतना ही नहीं मोटे अनाजों की प्रमुख विशेषता यह हैं कि-

यह सूखा सहन करने की क्षमता रखते हैं।
• इन फसलों को उगाने में कम लागत आती हैं।
• इन फसलों में कीटों से लड़ने की रोगप्रतिरोधक क्षमता होती हैं।
• इस कारण कम उर्वरको और खादय की आवश्यकता होती है।

2] छोटे दानेवाले अनाज (Miner millets): छोटे दानेवाले अनाज को Husked grain) के नाम से भी जाना जाता हैं ।

जैसा की नाम से ही पता चल रहा हैं। इन धान्यों के

बीज छोटे होते हैं। तथा इन लघु धान्य अनाजों के बीज पर लगे

छिल्कों (बीजावरण) को हाथ से उतारने के बाद ही भंडार गृहों में सुरक्षित रखा जाता हैं। लघु धान्य अनाजों है। कंगनी, कुटकी, कोदो, चावला

लघु अनाजों के बीजावरण को हटाने के लिए किसी मशीन का निर्माण नहीं हो सका शायद यही वजह रही कि चावल को छोड़कर बाकी सभी धान्य कहीं पीछे छुट गए। वास्तव में मोटे अनाज की तुलना में लघु अनाज में अधिक पौष्टिक तत्व पाए जाते है। यही कारण है की लोग वापिस इन अनाजों की ओर रुख करने लगे है।

मिलेट्स की मुख्य किस्में इस प्रकार हैं।
1] ज्वार (शबर्त) Jowar (sorghum)
2] बाजरा / bajar (pearl millet)
3] रागी / Ragi (Finger millet)
4] झंगोरा / Jhangora (Barnyard millet)
5] बैरी / Barri (proso / common millet)
6] कंगनी / kangani (Foxtail/Italian millet)
7] कुटकी / Kutakee (Little millet)
8] कोदो /kodo (Kodo millet)
9] चेना/ chena (proso millet)

भारत में मिलेट की पैदावर -

आज से 300-400 साल पहले बाजरा भारत की परंपरागत फसलें थी। जिसे 1960 के दशक में हरितक्रांति आने के बाद से काफी नुकसान पहुँचा। क्योंकि बाजरा उगाए जानेवाले बड़े क्षेत्र को हरितक्रांति के अंतर्गत उगाई जानेवाली फसलों (गेंहू और चावल) के लिए प्रयोग किया जाने लगा था। जिससे हमारी परंपरागत फसलों को असाधारण नुकसान पहुँचा। भले ही हरितक्रांति का मुख्य कारण हमारी बढ़ती जनसंख्या एवं आर्थिक परिस्थितियाँ थी। किंतु इससे हमारी परंपरागत बाजरा फसलों को काफी नुकसान पहुँचा था। यह कहना गलत नहीं होगा कि बाजरा विलुप्ती के कगार पर पहुँच चुका था। भारत सरकार के कृषि और किसान कल्याण मंत्रालय के ताजा आंकड़ो के अनुसार 2016-2017 में बाजरे की खेती में 60% कमी आई है।

वर्तमान समय में मिलेट्स भारत के गुजरात, हरियाणा, उत्तरप्रदेश, छत्तीसगढ़, राजस्थान, मध्यप्रदेश, महाराष्ट्र, कर्नाटका तमिलनाडु, आंध्रप्रदेश और तेलगांना राज्यों में उगाया जाता है।

बाजरा के रोचक तथ्य :-

1. मिलेटस फसलों के बीज लगभग 60-65 दिन में निकल आते हैं और यह फसलें 3 महीने के अंदर पक कर तैयार हो जाती हैं।
2. बाजरा आकार में छोटे बीज होते हैं। इसलिए यदि इन्हें ठीक से संग्रहित किया जाए तो इन्हें दो साल से अधिक समय तक सुरक्षित रखें जा सकते हैं।
3. घनी आबादी वाले क्षेत्रों में मिलेट खाद्य स्मस्या के समाधान भी प्रस्तुत करती है।
4. बाजरे को आसानी से store किया जा सकता है। यही कारण हैं कि बाजरे को भारत में 'आकाल रिजर्व' (Famine Reserves) का दर्जा प्राप्त हैं। 5. मिलेट को 'चमत्कारिक अनाज' (miracle grain) या 'भविष्य की फसल' (crops of the future) भी कहा जाता हैं क्योकि इनमें अनुकूलन की अद्भूत क्षमता होती हैं। यह केवल अनुकूल परिस्थितियों में ही उत्पन्न नहीं होते बल्कि यह कठोर परिस्थितियों में भी उत्पन्न होने की क्षमता रखते हैं। इसलिए यह आंध्र प्रदेश के तटीय क्षेत्रों से लेकर उत्तर-पूर्वी राज्यों और उतराखंड के पहाड़ी क्षेत्रों में भी उगाए जाते हैं।

• डॉ. खादर वली को 'भारत का मिलेट मैन' कहा जाता हैं। उन्होंने मिलेट में पाए जाने वाले पोषक तत्वों के द्वारा रोगों से मुक्ति के विषय में जन-जन को जागरूक करने का कार्य किया।

बाजरा में पाए जानेवाले पोषक तत्व :-

बाजरा में पाए जाने वाले पोषक तत्वों की सूची लंबी हैं। इस लिए मिलेट को अपने भोजन के रूप में लेने से अनगिनत फायदों की प्राप्ति होती हैं। जिनके विषय में हम अपने आनेवाले लेख में आपको जानकारी देंगे। तब तक आप विज्ञान के अनुसार निर्धारित पोषक तत्वों पर एक नज़र डाले।
मिलेटस में पाए जाने वाले खनिज (minerals) हैं-
कैल्शियम | Calcium
लोहा | Iron
जस्ता | Zinc
फास्फोरस | Phosphorus

मैग्नीशियम | Magnesium
पोटेशियम | Potassium
फाइबर | fiber
विटामिन बी-6 | Vitamin B-3
विटामिन बी-3 | Vitamin B-6
कैरोटीन | Carotene
लेसितिण | lecithin आदि समृद्ध मात्रा पाए जाते हैं।
निष्कर्ष | Conclusion:

आशा है कि अब आप समझ गए होंगे कि मिलेट यानि कि बाजरा क्या है? इसमें कौन कौन से पोषक तत्व पाए जाते हैं? भारत में मिलेट की पैदावार कहाँ कहाँ होती हैं।

50 दशकों से भी अधिक समय से यह हमारी थाली से गायब रहा। जिसके परिणामस्वरूप मानव स्वास्थय को अनेक बीमारियों ने आ घेरा हैं। किंतु अब धीरे-धीरे ही सही इस ओर लोगों का ध्यान आकर्षित होने लगा हैं।

(हिंदी विभाग)

तृणधान्ये पिकांची लागवड

गेल्या दोन-तीन दशकांपासून नगदी पिकांकडे शेतकऱ्यांचा कल वाढला आहे. त्यामुळे पौष्टिक धान्यांची लागवड कमी झाली आहे. श्रीधान्यांबाबत जनजागृतीसाठी भारताच्या संकल्पनेनुसार संयुक्त राष्ट्र संघातर्फे २०२३ हे 'आंतरराष्ट्रीय श्रीधान्य वर्ष' म्हणून साजरे केले जात आहे. त्यामुळे नागरिकांना श्रीधान्याचे महत्त्व समजत आहे. असे असले तरी श्रीधान्यांच्या लागवडी संदर्भात शेतकऱ्यांचे प्रबोधन होणे आवश्यक आहे. कृषी क्षेत्राच्या विकासकार्यात लघु तृणधान्य (श्रीधान्य) पिके दुर्लक्षित राहिली आहेत. पण आंतरराष्ट्रीय श्रीधान्य वर्षामुळे या पिकांचे महत्त्व पुन्हा एकदा अधोरेखित झाले आहे. या पार्श्वभूमीवर वरई व राळा, बर्टी या पिकांची सुधारित पद्धतीने लागवड कशी करावी ? याविषयी माहिती घेवू या.

आपल्या देशात पूर्वापार श्रीधान्यांची लागवड केली जाते. या धान्यांच्या उत्पादनासाठी कमीत कमी खर्च येतो. पौष्टिक श्रीधान्यांचे उत्पादन, काढणीपश्चात व्यवस्थापन, प्रक्रिया करणे अशी श्रीधान्याची मूल्यसाखळी विकसित करण्यासाठी प्रथम लागवडीचे क्षेत्र वाढणे गरजेचे आहे. यंदाच्या खरीप हंगामाच्या पार्श्वभूमीवर वरई, राळा आणि बर्टी या श्रीधान्यांची सुधारित पद्धतीन कशी लागवड करावी. याविषयी माहिती घेऊ या.

वरई (Little Millet)

वरई या पिकास भगर/वरी/कुटकी या नावांनीसुद्धा ओळखले जाते. पौष्टिक तृणधान्य गटातील इतर पिकांच्या मानाने या पिकाचे धान्य सर्वात लहान आकाराचे आहे, म्हणून याला इंग्लिशमध्ये लिटल मिलेट (Little Millet) असे म्हणतात. भारतातील पारंपारिक पिकांपैकी हे एक पीक आहे. महाराष्ट्रात अमरावती (चिखलदरा, धारणी), अहमदनगर (अकोले), नाशिक, नंदुरबार, पुणे, कोल्हापूर, सातारा, पालघर, रायगड, रत्नागिरी आणि सिंधुदुर्ग इ. भागात या पिकाची लागवड केली जाते. वरई हे दुर्गम प्रदेशात राहणाऱ्या लोकांचे प्रमुख अन्न आहे. उपवासाकरिताही प्रमुख अन्न म्हणून भारताच्या स्वरूपात याचे सेवन करतात.

वरई हे एकदल प्रकारातील पीक असून याची उंची वाणानुसार ३० ते १५० सें.मी. पर्यंत वाढते. पाने गवताच्या पात्याप्रमाणे मऊ असतात. खोड काडीसारखे बारीक व सरळ वाढणारे आहे. भात पिकासारखी फुले येतात. ४ ते २५ सें.मी. लांबीच्या लोंब्या येतात. दुष्काळजन्य परिस्थितीत तग धरणारे पीक आहे. जास्त पर्जन्यमान प्रदेशात चांगले उत्पन्न मिळते. वरईचे 'फुले एकादशी' हे सुधारित वाण आहे.

आहाराविषयक महत्त्व : या पिकात पुढीलप्रमाणे पौष्टिक घटक भरपूर आहेत. धान्याचे पोषणमूल्य प्रति १०० ग्रॅम

प्रथिने	१२.५ ग्रॅ.	लोह	५.० ग्रॅ.	तंतुमय पदार्थ	७.२ ग्रॅ.
खनिज द्रव्ये	१.५ ग्रॅ.	कर्बोदके	७०.४ ग्रॅ.	फॉलिक आम्ल	३६.२० मि.ग्रॅ.

अनुकूल हवामान :-

वार्षिक पर्जन्यमान २५०० मि.मी. समुद्रसपाटीपासून २१०० मी. उंचीपर्यंत प्रदेशात होतात. वाढीसाठी पोषक तापमान २३ ते २७० सें.

जमीन :- हलकी ते मध्यम चांगल्या निचऱ्याची निवडावी. अतिशय हलक्या जमिनीत चांगले उत्पन्न मिळत नाही. उताराच्या जमिनीमध्ये लागवड करताना अशा जमिनीमध्ये मशागत आणि लागवड उताराच्या आडव्या दिशेने करावी. शेवटच्या कुळवाच्या पाळीपूर्वी हेक्टरी १५ ते २० गाड्या कुजलेले शेणखत जमिनीत चांगले मिसळून घ्यावे.

लागवड :- या पिकांची रोप लागण पद्धत पारंपरिक आणि प्रचलित आहे. यासाठी प्रथम रोपवाटिका गादीवाफ्यावर तयार करून २०-२५ दिवसांची रोपे पुर्नलागवडीसाठी वापरतात. दोन ओळीत २२.५ सें.मी., तर दोन रोपांमध्ये १० सें.मी. अंतर ठेवून रोपण करावे. यासाठी ४ ते ५ किलो/हेक्टरी बियाणे वापरावे.

रोपवाटिका :- एक एकर क्षेत्र लागवडीकरिता २ ते ३ गुंठे रोपवाटिका लागते. गादीवाफा १ मी. रुंद, ८ ते १० सें.मी. उंच आणि उतारानुसार लांबी ठेवावी. गादीवाफ्यावर ३ किलो शेणखत प्रति चौ.मी. प्रमाणात बी पेरणीपूर्वी थर द्यावा. दोन ओळीत ७-८ सें.मी. अंतर ठेवून १-२ सें.मी. खोलीवर बियाणे गादीवाफ्यावर पेरावे. प्रतिगुंठा १ किलो युरिया द्यावा.

बीजप्रक्रिया :- बियाणे पेरणीपूर्वी प्रतिकिलो बियाणास प्रथम ३-४

ग्रॅम थायरमची प्रक्रिया करावी. यानंतर झेचिरियम ब्रासिलेब्स आणि स्परजिलस अवोमोरी या जीवाणू संवर्धकाची बीजप्रक्रिया २५ ग्रॅम प्रतिकिलो बियाणे या प्रमाणात केल्यास उत्पन्नात १०-१५ टक्के वाढ होते.

पाणी व्यवस्थापन :- लागवडीनंतर पावसाचा खंड पडल्यास, २०-२५ दिवसांनी पहिले पाणी आणि ४०-४५ दिवसांनी दुसरे पाणी द्यावे.

आंतरमशागत :- तणामुळे उत्पन्नात २५ टक्क्यापर्यंत घट होते. ती टाळण्यासाठी लागवडीनंतर एक महिन्याच्या आत गरजेनुसार खुरपणी कोळपणी करून पीक तणमुक्त ठेवावे. आवश्यकतेनुसार तणनाशक वापरावे. यासाठी पेरणीपूर्व आयसोप्रोल्युरॉन १ किलो क्रियाशील घटक प्रतिहेक्टरी अथवा पेरणीनंतर २०-२५ दिवसांनी २, ४ डी सोडियम क्षार (८०%) क्रियाशील घटक प्रतिहेक्टरी या प्रमाणात फवारणी करून पीक तणमुक्त ठेवावे. खत व्यवस्थापन – ४०: २०:२० किलो नत्र, स्फुरद. पालाश प्रतिहेक्टरी, पैकी अर्धे नत्र व संपूर्ण स्फुरद, पालाश लागवडीच्या वेळेस द्यावे.

आंतरपीक :- या पिकामध्ये आंतरपीक म्हणून उडीद, तीळ, सोयाबीन, तूर ही पिके २: १ या प्रमाणात घेता येतात.

पीक संरक्षण :- पीक पक्व झाल्यानंतर, लोंबीतील दाणे झडण्याच्या आत जमिनीलगत पिकाची कापणी करून मळणी करावी. धान्य स्वच्छ करून उन्हात वाळवून हवेशीर ठिकाणी साठवण करावी. कडब्याच्या पोळ्या बांधून गुरांच्या चाऱ्यासाठी गंजी रचून ठेवावी.

राळा (Fotail Millet)

या पिकास भादली, जर्मन मिलेट असेही संबोधतात. या पिकाचे कणीस झुपकेदार असून पक्वतेच्या वेळेस कोल्ह्याच्या शेपटीसारखे अर्धगोलाकार होते, म्हणून इंग्लिशमध्ये याला 'फॉक्सटेल (कोल्ह्याची शेपटी) मिलेट असे म्हणतात. हिंदीमध्ये कागनी, गुजरातीमध्ये कांग, तर पंजाबीमध्ये कंगनी म्हणतात.

राळा हे एकदल प्रकारातील पीक आहे. जातीनुसार ६०-१०० सें.मी. पर्यंत उंच वाढणारे, खोड काडीसारखे सरळ वाढते. डॉ. पंजाबराव देशमुख कृषी विद्यापीठाने शिफारस केलेले राळ्याचे 'पीडीकेव्ही यशश्री' हे सुधारित वाण आहे. फुटव्याची संख्या ३-५ पर्यंत असते. पाने गवताळ असून मऊ किंवा त्यावर लव असते. कणीस १०.३० सें.मी. लांब, अर्धगोलाकार, केसाळ झुपकेदार असते. पीक पक्वतेच्या अवस्थेमध्ये कणसात दाणे भरल्यामुळे कणसे खाली झुकतात. वाणपरत्वे पक्ष्यांसाठी (Love Birds साठी) खाद्यान्न म्हणूनसुद्धा राळा पिकाच्या धान्याचा उपयोग होतो. जनावरांसाठी चारा म्हणून या पिकाच्या कडब्याचा उपयोग केला जातो.

आहारातील महत्त्व राळ्यामधील पोषणघटक :- धान्याचे पोषणमूल्य प्रति १०० ग्रॅम.

प्रथिने	१२.३० ग्रॅम	लोह	५.० ग्रॅ.	८.० ग्रॅ.	०.८२ ग्रॅम.
खनिज द्रव्ये	३.३ ग्रॅ.	कर्बोदके	६०.९ ग्रॅ.	३.२० ग्रॅ.	०.५९ ग्रॅ. १.४० ग्रॅम

दोन रोपांत ८-१० सें.मी. अंतर राहील अशा बेताने २-३ सें.मी. खोलीवर पेरणी करावी. बियाणे प्रमाण हेक्टरी ५.७ किलो या प्रमाणात बियाणे पेरावे.

शिफारशीत वाण – पीडीकेव्ही यशश्री (डॉ. पंजाबराव देशमुख कृषी विद्यापीठाचा महाराष्ट्रात २०२३ मध्ये प्रसारीत झालेले पहिले वाण), पीएस-४.

पाणी व्यवस्थापन – लागवडीनंतर पावसाचा खंड पडल्यास २०-२५ दिवसांनी पहिले पाणी आणि ४०-४५ दिवसांनी दुसरे पाणी द्यावे.

आंतरमशागत :

तणामुळे उत्पन्नात २५ टक्क्यापर्यनंत घट होते. ती टाळण्यासाठी लागवडीनंतर एक महिन्याच्या आत गरजेनुसार खुरपणी कोळपणी करून पीक तणमुक्त ठेवावे. आवश्यकतेनुसार तणनाशक वापरावे. यासाठी पेरणीपूर्वी आयसोप्रोल्युरॉन एक किलो क्रियाशील घटक प्रतिहेक्टरी अथवा पेरणीनंतर २०-२५ दिवसांनी २.४ डी सोडियम क्षार (८० टक्के) क्रियाशील घटक प्रतिहेक्टरी या प्रमाणात फवारणी करून पीक तणमुक्त ठेवावे.

सुधारित लागवड तंत्रज्ञान –

अनुकूल हवामान – उष्ण व समशीतोष्ण प्रदेशात, समुद्रसपाटीपासून २००० मी. उंचीपर्यंत आणि वार्षिक पर्जन्यमान ५००-७५० मि.मी. असलेल्या भागात राळा पीक चांगले येते.

जमीन – विविध प्रकारलच्या जमिनीमध्ये तग धरून राहण्याची क्षमता जरी या पिकामध्ये असली, तरी अधिक उत्पन्नाच्या दृष्टीने निचऱ्याची, पोयटा असलेली जमीन अधिक उत्पन्नासाठी योग्य समजल जाते. अतिपावसाच्या किंवा दलदलीच्या प्रदेशात चांगले पीक येण्यास अडचणी येतात.

पेरणी – महाराष्ट्रात खरीप हंगामामद्ये जुलैमध्ये तिसऱ्या आठवड्यापर्यंत राळा पिकाची पेरणी केली जाते. पेरणीपूर्वी जमिनीची नांगरट करून कुळवाच्या साहाय्याने जमीन भुसभुशीत करावी. शेवटच्या कुळवाच्या पाळीपूर्वी हेक्टरी ५ टन कुजलेले शेणखत टाकावे. दोन ओळीत २५०३० सें.मी. अंतर ठेवून.

खत व्यवस्थापन – ४०:२०:२० किलो नत्र, स्फुरद, पालाश प्रतिहेक्टरी द्यावे. पैकी अर्धे नत्र व संपूर्ण स्फुरद व पालाश लागवडीच्या वेळेस द्यावे.

आंतरपिके–राळा+कापूस (५:१) ही आंतरपीक पद्धती फायदेशीर आहे.

काढणी आणि मळणी – राळा पीक वाणपरत्वे ७०-१३० दिवसांत काढणीस तयार होते. पक्व झालेल्या पिकाची जमिनीलगत कापणी करावी किंवा पक्व झालेली कणसे वरची वर कापून घ्यावीत. कणसे उन्हात वाळवून मळणी करावी. स्वच्छ केलेले धान्य उन्हात ळावावून हवेशीर ठिकाणी साठवण करावी. कडब्याच्या पेंढ्या बांधून व्यवस्थित गंजी रचावी.

उत्पादन – धान्य उत्पादन १८-१८ क्वि. प्रतिहेक्टरी आणि कडबा उत्पादन २०-४० क्वि. प्रतिहेक्टरी.

बर्टी (Barnyard Mitlet) –

बर्टी या पिकास सावा, शमुल, सावऱ्या या नावांनीही ओळखतात. इंग्लिशमध्ये याला 'बार्नयार्ड मिलेट' म्हणतात. गुजरातीमध्ये सया, हिंदीमध्ये झंगोरा, तामिळमध्ये कुधिरवाली, तर कन्नडमद्ये ओडलू या नावो बर्टी परिचित आहे.

बर्टी हे एकदल वर्गातील पीक असून वाणानुसार ५०-१३० सें.मी. सरळ

उंच वाढते. पिकास ४-७ फुटव्याची संख्या असते. पाने गवताच्या पात्याप्रमामे असून पानावर बारीक लव असते. हे पीक दुष्काळजन्य तसेच अतिपर्जन्यमान असलेल्या भागात तग धरून राहते. धान्य आणि चारा अशा दुहेरी उद्देशासाठी बर्टी या लघु पौष्टिक तृणधान्याची लागवड केली जाते. भारतात उत्तराखंड, मध्य प्रदेश, आंध्र प्रदेश, आसाम, ओडिशा, तामिळनाडू, गुजरात आणि महाराष्ट्र या राज्यांत याची लागवड केली जाते. भारतात ०.९३ लाख हेक्टर क्षेत्र या पिकाखाली असून ०.७३ लाख टन उत्पादन मिळते. सरासरी उत्पादकता ७५८ किलो/हेक्टर एवढी आहे. उपवासासाठी बर्टी भारताप्रमाणे शिजवून त्याचा वापर केला जातो. नवरात्रीमध्ये, तसेच इतर उपवासाच्या दिवशी पचण्यास हलका अन्नपदार्थ म्हणूनही बर्टी भगरीला अनेकांची पसंती असते.

आहारातील महत्त्व – धान्याचे पोषणमूल्य प्रति १०० ग्रॅम

प्रथिने	१२.३० ग्रॅम	लोह	१५.० ग्रॅ.	९.८ ग्रॅ.	फॉस्फरस	२८० मि.ग्रॅ.
खनिज द्रव्ये	४.४ ग्रॅ.	कर्बोदके	६५.५ ग्रॅ.	४.२० ग्रॅ.	स्निग्ध झिंक	२.२ ग्रॅ. ३.० मि.ग्रॅ.

बर्टी धान्य हा प्रथिनांचा चांगला स्रोत असून हे प्रथिन सहज पचण्याजोगे आहे. यात पिष्टमय पदार्थाचे प्रमाण कमी असून शरीरात त्यांचे सावकाश पचन होत असल्यामुळे आधुनिक जीवनशैलीत कमी श्रमाचे किंवा बैठे काम करणाऱ्यांसाठी बर्टी धान्य वरदान आहे. यातील नियासिन घटकामुळे त्वचेचे आरोग्य चांगले राहण्यास मदत होते.

बर्टी धान्यात असलेल्या लिनोलिक, पामेटिक आणि ओलिक या असंपृक्त स्निग्धाम्लांमुळे हृदयरोगी व मधुमेही यांच्यासाठी हा उपयुक्त आहार आहे. रक्तातील साखरेची आणि लिपिडची पातळी कमी करण्यासाठी बर्टीचे सेव प्रभावी ठरते. बर्टी धान्य ग्लुटेनमुक्त (Glutenfree) असल्यामुळे ग्लुटेनची ॲलर्जी असणाऱ्यांना उपयुक्त आहार आहे.

सुधारित लागवड तंत्रज्ञान –

जमीन – हलकी ते मध्यम जमीन उपयुक्त. पाणी धरून ठेवण्याची क्षमता उत्तम. बर्टी हे एकदल पीक.

हवामान – उष्ण व समशीतोष्ण प्रदेशात येणारे पीक. समुद्रसपाटीपासून २७०० मी. उंचीपर्यंतच्या भागात पीक लागवड. वार्षिक पर्जन्यमान २०० ते ४०० मि.मी. आवश्यक.

हंगाम – खरीप हंगाम.

पेरणी – बर्टीची लागवड पेरणी पद्धतीने केली जाते. जास्त पावसाच्या प्रदेशात रोप लागवड करतात. पेरणी अंतर ३० सेंमी.x १० सें.मी. बियाणे ३ ते ४ कि. प्रति हेक्टरी. पूर्वमशागत, बीजप्रक्रिया, खत व्यवस्थापन, पाणी व्यवस्थापन राळा पिकाप्रमाणेच.

आंतरपीक पद्धती – बर्टी + राजमा ४:१ प्रमाणात फायदेशीर.

पीक संरक्षण – पीक सहा आठवड्याचे झाल्यापासून खोड माशीचा प्रादुर्भाव जास्त होतो. ऑगस्ट महिन्याच्या सुरुवातीला जास्त प्रमाणात दिसतो. क्विनॉलफॉस २ मि.ली. प्रतिलिटर या प्रनमाणात फवारावे. मावा आणि लष्करी अळीसाठी क्लोरोफायरिफॉस ५०% प्रवाही २० मि.ली. प्रति १० लि. पाण्यात सायंकाळच्या वेळेस फवारावे.

काढणी व मळणी – पक्व झालेले पीक जमिनीलगत कापावे किंवा वाळलेली कणसे पीक उभे असताना कापावी. उन्हामध्ये वाळवून बडवावे किंवा मशीनद्वारे मळणी करून स्वच्छ धान्य उन्हात वाळवून साठवण करावी.

उत्पादन – धान्य १८.२० क्वि./हे. कडबा २०.२५ क्विं./हे.

शेतकऱ्यांनी पेरणी करण्यापूर्वी पुरेसा पाऊस पडल्यानंतर जमिनीत पुरेशी ओल निर्माण झाल्याची खात्री करूनच पेरणी करावी.

नाचणी (Finger Millet or Ragi)

मधुमेहीसाठी नाचणी ही वरदानच. अनेक वर्षापासून खरीपात भाताची व नाचणीची लागवड केली जाते. नाचणी हे एक वैशिष्ट्यपूर्ण पीक आहे. नाचणीला 'नागली' असेही म्हटले जाते. कोकणात 'हळव्या'; 'पितरपटा', 'निमगरवी' अशा नाचणीच्या स्थानिक जाती आहेत. डॉ. बाळासाहेब सावंत कोकण कृषी विद्यापीठानेही स्थानिक वाणांतून 'दापोली-१', 'दापोली-२', 'कोकण सफेद' या सुधारित जाती विकसित केल्या आहेत.

लागवडीसाठी ठोंबा पद्धत (रोप उताराच्या आडव्या दिशेने ठोंबा पद्धतीने ओळीत उथळ आणि उभी लावणे) अंगीकारतात. हळव्या जातीची रोपे २१ दिवसांची झाल्यानंतर २२.५ सें.मी. x १० सें.मी. अंतरावर पुनर्लागवड केली जाते. लागवडीपूर्वी बीजप्रक्रिया केली. त्यासाठी प्रतिकिलो तीन ग्रॅम थायरम, २५ ग्रॅम ॲझोस्पिरिलम ब्रासीलेन्स आणि २५ ग्रॅम ॲस्परजिलस ओवोमोरी जावाणू संवर्धकांची प्रक्रिया करतात.

बियाणासाठी डॉ. बाळासाहेब सावंत कोकण कृषी विद्यापीठाच्या शिफारशीतील 'दापोली १' या सुधारित जातीचे १०० ते ११० कमी कालावधीत परिपक्व होणारे (दिवस) तसेच १५ ते २० (क्विंटल) धान्य उत्पादन क्षमता आणि विशेष गुणधर्म मध्यम खोल जमिनीस योग्य व उत्पादनक्षम जात, रासायनिक खतास व व्यवस्थापनास प्रतिसाद देणारी जात आहे.

पिकाची लागवड करण्यापूर्वी पहिल्या पावसानंतर हलक्या लोखंडी नागराने शेताची आडवी नांगरणी करावी. नंतर धस्कटे वेचून जमीन स्वच्छ करून पुनर्लागवडीपूर्वी प्रतिहेक्टरी पाच टन गोमय शेणखत जमिनीत मिसळावे. हेक्टरी २५ किलो नत्र, ४० किलो स्फुरद, २५ किलो पालाश अशा अन्नद्रव्यांची मात्रा द्यावी. साधारणपणे दोन वेळा खुरपणी करावी. शिवाय २० ते २५ दिवसांपर्यंत विरळणी करून एका जागी एकच जोमदार रोप ठेवावे.

करपा, काणी, पानावरील ठिपके व केवडा हे रोग नाचणीवर पडतात. यापासून संरक्षण करण्यासाठी आम्ही रोगविरहित बियाणे पेरणीकरिता वापरल्याने रोगांचा प्रादुर्भाव कमी झाला. तुरळक प्रमाणात रोग आढळून आले होते. व्यवस्थापनामध्ये रोगट रोपे उपटून नष्ट करावी. तसेच कार्बेन्डाझिम १ ग्रॅम प्रतिकिलो बियाणास प्रक्रिया करावी.

नाचणी पीक तयार झाल्यावर कणसे विळ्याने कापून उन्हात वाळवून नंतर काठीने मळणी करावी. नंतर वरावणी करून चांगले दाणे वेगळे करून हेच पुढील हंगामात बियाणे म्हणून वापरावे. नाचणी हे अत्यंत औषध गुणधर्म असलेले पीक आहे. त्यामुळे नाचणी हे गरीब शेतकऱ्यांना श्रीमंती मिळवून देणारे पीक ठरणार आहे. ही संधी ओळखून नव उद्योजकांनी येत्या काळात नाचणी प्रक्रिया उद्योग सुरू केला पाहिजे.

TRAVELOGUE

किल्ले गगनगड

नाताळच्या सुट्ट्या चालू होणार हे समजल्यावर मी व माझ्या बाबांनी आमच्या गावी म्हणजे कोंकणात जाण्याचे ठरवले. २३ डिसेंबरला आम्ही मुंबई हुन गावाकडे रवाना झालो. मुंबई ते वैभववाडी असा आमचा प्रवास निसर्गाच्या सोबतीनं खूप छान व सुंदर झाला. घरी पोहोचल्यावर दोन दिवसांनी आम्हाला समजले की २६ डिसेंबर ला ''किल्ले गगनगड '' म्हणजेच गगनबावडा येथील ''श्री क्षेत्र गगनगिरी महाराज आश्रम'' येथे मोठी जत्रा आहे. काहीही ठरलेलं नसताना आम्ही गावातल्या काही माणसांसह गडावर जाण्यास रवाना झालो. सर्व काही अचानक ठरल्यामुळे माझी व बाबांची धांदलच उडाली होती.

आम्ही नऊ जणं असल्यामुळे आम्हाला दोन टम-टम बोलवाव्या लागल्या, परंतु त्या वेळेस फक्त एकच टम-टम आम्हाला उपलब्ध झाली. त्या एका टम-टम मध्ये आम्ही नऊ जणं गच्च-चिरगुड बसलो व वैभववाडी, जिल्हा सिंधुदुर्ग इथून आमच्या सुंदर अश्या प्रवासाला सुरूवात झाली. आम्ही कितीही कोंडून बसलेलो असलो तरी आम्हाला खिडकीतून येणारा गारवा छान-छान दिसणारे पशु-पक्षी, उंच-उंच असे दगड, ही खोलच्या खोल दरी, अनेक ठिकाणाहून जाताना माकडेही आढळून आली. जवळ-जवळ एक ते दीड तास आम्ही हे सर्व पाहता-पाहता कधी गडाच्या जत्रेपाशी येऊन सुद्धा पोहोचलो हे कळलेच नाही.

गाडीतुन उतरता क्षणी वेळ न वाया घालवता आम्ही पुढच्या प्रवासासाठी चालायला लागलो. सुरूवातीलाच आम्हाला अनेक अशी रस्त्याच्या कडेला स्टॉल असलेली दिसली, त्यांच्याकडे लहान मुलांची खेळणी, वेगवेगळ्या देवांच्या वस्तू जसे माळ, कडे, अंगठ्या. काही दुकांनात पुस्तके देखील होती. भगवत गीता व रामायण ह्या सारखे ग्रंथ, व अनेक वेगळी-वेगळी खाण्याची दुकाने देखील होती. आमच्या डाव्या बाजूला घाट होता तर उजव्या बाजूला ही अशी खोल दरी. जरा पाय सरकला तर सापडू की नाही हाच मोठा प्रश्न. परंतु एवढं असतानाही मी खाली जराशी मान डोकाऊन पाहिली. बापरे!!! जीव मुठीत घेऊन राहवं असच काहीसं वाटलं. पुढे चालता-चालता दरी, उडणारे पक्षी, दुर-दुर पसरलेले निळे आकाश व दुरून फडकत दिसणारा किल्यावरचा लाल झेंडा याचे आम्ही छायाचित्र आमच्या फोनसोबत मनातही कैद करून घेतले. अर्धा एक तासात आम्ही गडाच्या पायथ्याशी येऊन थांबलो, आमच्या सोबत काही वयस्कर माणसे सुद्धा होती, तर आम्हाला त्यांच्यासाठी तिथे थांबावे लागले होते. गडाच्या पायथ्याशी एक सेल्फी पॉइर्ट आहे. तिथे आम्ही थांबलो. मागे वळून पाहतो तर हा लांब-सडक रस्ता जवळ-जवळ परळ ते दादर इतकं ते चालण्याचं अंतर होतं. आम्हाला त्या जागेवरची माणसे देखील मुंग्यांसारखी दिसत होती. परंतु एवढा मोठा रस्ता आम्ही सर्वांनीच मजेत व न थकता पार पाडला.

पहिल्या पायरीच्या पाया पडून आम्ही गड चढायला सुरूवात केली. काही पायऱ्या चढताच एक मोठे असे प्रवेशद्वार होते. त्यावर श्री क्षेत्र गगनगिरी महाराज आश्रम, किल्ले गगनगड असे मोठ्या अक्षरात होते. आत प्रवेश करताच आम्हाला एक पिंडी लागली. तिथे सर्वांनी नारळ फोडला आणि पुढे निघतच होत, पण माझ्या डोक्यात एक प्रश्न होता तो म्हणजे ही पिंडी कसली व आपण तिथे नारळ का फोडला? हे मी बाबांना विचारत असताना तिथल्या एका भटजी काकांनी ऐकले व त्यावर त्यांनी असं उत्तर दिलं की हा प्रवेश द्वार आहे म्हणून आपण इथे शुभ सुरूवात म्हणून नारळ फोडण्याच्या रिती ठेवल्या आहेत. गगनगिरी महाराजांच्या मंदिराजवळ आम्ही एक तासाच्या आत पोहोचलो. परंतु दुपारी १.३० च्या वेळेला पोहोचल्यास आम्हाला आत मध्ये आरती चालू असल्या कारणामुळे एक पंधरा - मिनिटांच्या कामासाठी दोन तास लागले. परंतु त्या दोन-तासांत बरीच ओळखीची माणसे, काही नातेवाईक आम्हाला भेटले. उंच गडावरून दिसणारी गावे व छोट्या छोट्या वस्त्या आम्ही वरून पाहत होतो. मी तर वर गडावर मंदिराजवळ होतो. तिथे पूर्ण वेळ सर्व काही जाणून घेण्याच्या उत्सुकतेतच होते. तिथे उपस्थित एक वयस्कर आजोबा सर्व लहान-लहान मुला-मुलींना गगन गडाची गोष्ट सांगत होते. मी सुद्धा ते ऐकत बसले होते. तर त्यांनी सांगितले की, जे गगनगिरी महाराज जेव्हा लहान होते, तरी १० वर्षांचे तेव्हा ते घरातून पळून ह्या गगन गडावर येऊन तप करायला बसले. तप करायला ते मंदिराच्या थोडेच दूर तलाव आहे त्या मध्ये एक पाय टाकून तप करायचे. महाराज तप करताना इतके गुंग होऊन जायचे की माशांनी त्यांचा एक पाय खाऊन गायब झाला होता हे देखील त्यांना नाही समजले. हे सर्व दृष्य पाहून लोकांनी त्यांना महापुरुषाचा दर्जा दिला व त्यांच्या तर्फे आश्रम जिथे म्हातारे लोक व असे काही लहान मुलं ज्यांना आई-बाबा नसतात ते सर्व तिथे वस्तीस असायचे. हे सर्व ऐकून मला मंदीरात जाण्याची आणि महाराजांची मुर्ती पाहण्याची उत्सुकता वाढली. माझ्या बाबांच्या आईने देखील महाराजांना समोरून पाहिले आहे. गोष्ट व गडाचा इतिहास ऐकण्यात दोन तास कसे निघून गेले कळलेच नाही. त्याहून मोठी बाब म्हणजे गडावरील व्यवस्था खूप छान होती. कितेक तिथले कर्मचारी पाणी घेऊन फिरत होते. तेही थंडगार. ह्याने सर्व माणसांना उन्हातून आसरा भेटत होता. आम्ही मंदिरात अखेर प्रवेश केलाच. आतमध्ये फोटो काढायला परवानगी नव्हती. परंतु असलेल्या मूर्त्या मधून त्यांनी सांगितलेल्या कथा खूपच सुंदर वर मन भरवणार्या होत्या. दर्शन झाल्यावर आम्ही सर्व जण प्रसादाचा लाभ घेण्यास गेलो. प्रसाद सुद्धा काही साधा नाही तर पूर्ण जेवणच होते. मस्त थंडी मध्ये गरमा-गरम पुलाव. त्यानंतर होती लॅपसी. प्रसाद खूपच स्वादिष्ट होता. पोट तर इतके गच्च भरले होते की आता इथेच ह्या निसर्गाच्या कोणत्यातरी कुशीत जाऊन झोपावं. आम्ही सर्व जण काही आठवणी, माकडांसोबत केलेली गंमत, पाहिलेला असा अवाढव्य निसर्ग, त्याच्या सोबतीला असलेलं निळे आकाश आणि सोबतच किल्ल्याचा रुबाबदारपणा ह्या सर्वाचा अखेरचा निरोप घेऊन आम्ही परतीच्या प्रवासाला निघालो.

JAPAN; A Blend of Rich Culture and Cutting Edge Technology

This year in month of May me and my family went to japan. We stayed in Nishikasai a town in Tokyo. This was my second time visiting Japan.

One thing which I would recommend is to learn a bit of Japanese since Japanese people are not that fluent in english as they had banned from speaking English after the World war II which has now become a challenge for them to communicate with the world.In my trip I visited Tokyo skytree, Thunder Dolphin roller coaster, Zōjō-ji temple, Sumida aquarium and since I was staying with my relative I had visited several convenience stores and marutsu (supermarket). If you are a person who like seeing city life at night at good height and talking about your life with your friends, Tokyo skytree should be a must in your list. They offer two desks for sightseeing, one is tembo desk at height of 350m costing 1800 yen which is 1055 INR and another is tembo gallery, currently there is no package for tembo gallery alone but there is a combination of both for 2700 yen which is 1583 INR.I would suggest to go to tembo desk only as there is not much difference between them in terms of view. In desk you also get a complimentary photo. If you are a person who likes thrills then thunder dolphin roller coaster should be a must in your list. It has a whopping speed of 130km/h with height of 260 ft and drop of 217 ft costing 1200 JPY which is around 703 INR.

Although I am not a Buddhist but Zōjō-ji temple was on my bucket list for the longest time mainly because Lord Buddha played a vital role in my mental health and the market around it for street food and collectables, a must try will definitely be crab stick. It also has incredible scenary for painting, photography etc. The most fantastic thing which I found at Sumida aquarium were definitely jellyfish and a drink where they put light inside the drink served over there. As I had mentioned earlier that I was living with my relative so I went to supermarket almost everyday. The thing about Japnesse supermarket is that its really organised and has most of your requirements from daily groceries to stationaries to warm up meals even flowers. There was one similarties that was there was always a convenince store attached to it. The amount of trust Japanese people have on each other totally blew my mind as there are many selfcheckout procedure and no security at the exit. For shopping do visit Ginza, It's a paradise for affluent shoppers as it is home to elegant department stores, posh boutiques, and high-end brand shops. Shibuya is a great place for shopping on a budget. Akihabara for electronic shopping you can also visit GU and Daiso incase you don't want to travel a lot for shopping. My main highlight of this trip was late night walks, sunset and going to riverside to enjoy cool breeze. I felt as if I was a part of Studio Ghibli movie. My advice will be to book your hotel a couple of kms away from Tokyo city as there hotels are really expensive. Incase if you are planning to travel a lot, do buy pass from India itself as its a bit cheap and in Japan pass are not easily available. In case you are planning for direct flight book your tickets 5 to 6 months before. Must try food will definitely be Ichiran Ramen, tempura, Tonkatsu, Tsukemen and a place named coco curry which to some extent will fullfill your indian curry with rice cravings but remember Japanese use pork (JPY) broth as a base.so.if you are a vegetarian, do research and come. Keep in mind that the per head cost would easily be 1.5 to 2 lakh for 20 days stay including visa, flights tickets, hotel stays and budget shopping. Other then that enjoy and make it a memorable trip. Bye Folks

BOOK REVIEW

वॉशिंग्टन कार्व्हर द ब्लॅक सायंटिस्ट

जॉर्ज वॉशिंग्टन कार्व्हर अमेरिकेतल्या मिसोरी राज्यातल्या कार्व्हर डायमंड ग्रोव्ह पाड्यातल्या मोझेस कार्व्हर नावाच्या एका शेतकऱ्याने स्वतःच्या पत्नीच्या मदतीसाठी विकत घेतलेल्या मेरी नावाच्या गुलाम स्त्रीचा मुलगा होता. तो जगेल की नाही याची शाश्वती नव्हती. कोणाला ही वाटल नसेल की पुढे जाऊन हाच मुलगा एक जगविख्यात शास्त्रज्ञ बनेल. अशा या शास्त्रज्ञाची ही कथा लेखिका वीणा गवाणकर यांनी आपल्या **एक होता कार्व्हर** या पुस्तकात शब्दबद्ध केली आहे.

मुलांना वाचनाची गोडी लागावी म्हणून आमच्या कॉलेजने चालू केलेल्या उपक्रमामधलं हे दुसरं पुस्तक आणि मी परिक्षण केलेलं दुसरं आत्मचरित्र. ह्याआधी फक्त लहान मुलांच्या गोष्टी आणि रोजची शाळेची पुस्तकं इथपर्यंतचं माझं वाचन मर्यादीत होतं. पण आता कुठेतरी हळूहळू पुस्तकांना आपला मित्र का म्हणतात, त्यांना बुद्धीचं खाद्य का मानतात या प्रश्नांची उत्तरं मिळायला आणि वाचनाची गोडी निमार्ण व्हायचा सुरवात झाली आहे.

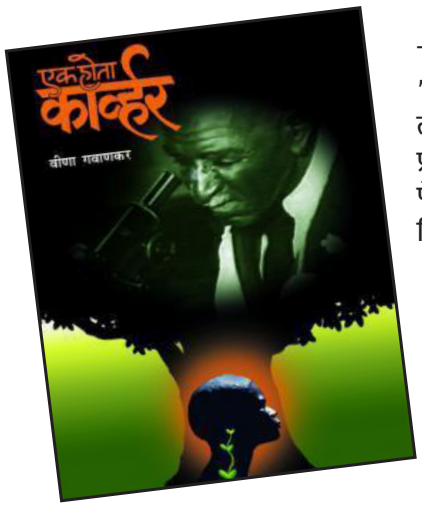

या पुस्तकाची कथा १९६०-७० च्या दशकातली आहे. ज्यावेळी अमेरिकेमध्ये यादवी आणि गुलामगिरी प्रचंड प्रमाणात वाढली होती. गुलामांच्या हाता-पायांना साखळदंड बांधून ओढत फरफटत त्यांना जहाजात बसवून नेले जायचे. एका जहाजात एखाद्या सामनाप्रमाणे हजारो गुलाम कोंबले जायचे. त्यांना शेतात मदत करणारे मजूर म्हणून तसेच स्त्रियांना मोलकरीण म्हणुन दुसऱ्या राज्यात, देशात विकले जायचे. हे गुलाम दुसरे कोणी नसून निग्रो होते ज्यांना अमेरिकेत अत्यंत हीन दर्जाची समजले जाई आणि त्यांना अत्यंत हीन दर्जाची वागणूक अमेरिकेच्या गोऱ्या लोकांकडून दिली जाई.

अशाच एका विकत घेतलेल्या गुलाम स्त्रीच्या पोटी जन्माला आलेल्या मुलगा मोझेस कार्व्हर नावाच्या एका शेतकऱ्याच्या घरी एका खोपट्यात जन्माला आला. जन्माला आल्याबरोबर त्याला आणि त्याच्या आईला पुन्हा एका टोळीकडून पळवून नेण्यात आलं. मोझेस यांनी गावक-यांच्या मदतीने मेरी आणि तिच्या मुलाला परत मिळविण्याचा प्रयत्न केला पण त्यांच्या शेतीच्या तुकड्याच्या आणि घोड्याच्या बदल्यात त्यांना फक्त मेरीचा मरायला टेकलेला मुलगा मिळाला. ज्याची साऱ्यांनीच आशा सोडली होती पण मोझेस यांच्या पत्नी सुझान यांच्या प्रयत्नाने ते मुल पुन्हा एकदा जीव धरु लागलं.

या छोट्या मुलाला पाना-फुलांचे, झाडांचे प्रचंड वेड होतं. त्याला निसर्गात नुसतं रमायला आवडायचं नाही तर अवती-भवतीच्या प्रत्येक झाडाकडे त्याच बारकाईने लक्ष असायचं. एखाद्या पानावरची लहानशी कीडही त्याच्या नजरेतून सुटायची नाही म्हणून सगळे त्याला छोटा माळी म्हणायचे. या छोट्या माळ्याला झाडांच्या देखभालीसाठी अनेक ठिकणांहून बोलावणी यायची. असच एकदा बेनायम बाईच्या गुलाबांची ऊन मिळेल अश्या ठिकाणी ठेवण करून तीच गोष्ट त्यांना सांगायला येत असताना तो दिवाणखान्यात थबकला जिथे त्याला त्याच्या नव्या छंदाची ओळख झाली म्हणजेच चित्रकलेची त्याला आवड निर्माण झाली. तो विविध पाने-फुले, फळं कुस्करून त्याचे रंग बनवीत असे. पक्ष्यांच्या पिसांपासून बनवलेल्या कुंचल्याच्या आधारे लाकडी फळकुटांवर काहीच नसेल तर स्वच्छ कातळावर चित्रे काढून तो रंगवत असे.

त्याचा मोठा भाऊ जिम हा धट्टा कट्टा असल्याने तो मोझेसबाबांना शेतात मदत करत असे. हा छोटा मुलगा दुबळा आणि कमकुवत असल्याने तो सुझान बाईच्या सोबत राहून त्यांना घरच्या कामात मदत करीत असे. त्यांच्याकडून विविध गोष्टी घरच्या घरीच करायला शिकत असे. मोझेस कार्व्हर यांनी या छोट्या मुलाचं नाव जॉर्ज असा ठेवलं. अमेरिकेच्या एका थोर नेत्याचं नाव होतं ते! जॉर्ज कार्व्हरच्या या निसर्ग प्रेमाला स्विस शेतीतज्ञ हरमन यायगर याचं मार्गदर्शन लहान वयातच मिळालं. ज्या गावात ते यायागरना भेटायला गेले होते त्याच गावात एक शाळा होती. त्या नीग्रोच्या शाळेत शिक्षण घेण्यासाठी आणि आपले आयुष्य घडवण्यासाठी छोट्या जॉर्जने कार्व्हर कुटुंबाचा आणि डायमंडग्रोव्हचा निरोप घेतला. टस्कगी या अलाबामा राज्यातल्या शहरात जॉर्ज वॉशिंग्टन कार्व्हर यांच्या शेती संशोधनाला सुरवात झाली.

त्यांनी टस्कगीतील शेतकऱ्यांना ज्यांना फक्त कपाशीची लागवड करण्याची सवय होती. त्यांना इतर पिकांची माहिती देऊन युक्ती प्रयुक्तीने दुसऱ्या पिकांची लागवड करण्यास प्रवृत्त केले. टस्कगीतल्या शेतकऱ्यांना रताळयाच्या पिकाची लागवड करण्यास प्रोत्साहित केले. १८९९ साली डॉ. वॉशिंग्टन यांच्या मदतीने पहिल्या फिरत्या कृषी विद्यालयाचा जन्म झाला. जॉर्ज कार्व्हर आपल्या विद्यार्थ्यांसह एका छोट्या हातगाडीवर संशोधनासाठी लागणारं सगळं सामान घेऊन टस्कगी मधल्या प्रत्येक घरी जाऊन शेतीविषयक माहिती सोप्या भाषेत प्रत्येक शेतकऱ्याला समजावून सांगत. पण काही गोरे शेतकरी त्याचं बोलणं ऐकून घेत नसत. टस्कगीमध्ये टोमॅटो हे विषारी फळ मानलं जायचं पण कार्व्हर यांनी टोमॅटो पासून ११५ पदार्थ तयार करून ते चुकीचं सिद्ध केलं. तसच तेथील शेतकऱ्यांना त्यांनी कुकुटपालन, वराहपालन इत्यादी शेतीशी संबंधित जोडधंद्याची ओळख करून दिली. तसेच अलाबामा मधील शेतकऱ्यांना शेंगदाण्यापासून १०५ पदार्थ बनवून दाखवले आणि

तिथल्या शेतकऱ्यांनी शेंगदाण्याची लागवड सुरू केली. कार्व्हर यांच्या प्रयत्नाने टस्कगीतील शेतकऱ्यांची आर्थिक स्थिती सुधारण्यासाठी मदत झाली. तसेच तेथील निग्रो शेतकऱ्यांकडे जमिनीची मालकी आली.

थॉमस कॅम्पबेल या आपल्या सहकाऱ्यासोबत ते हे प्रदर्शन घेऊन गावोगाव फिरत असत. बैलगाडीवर वस्तू मांडणे, त्या पुन्हा खोक्यात भरणे इत्यादी गोष्टी स्वतः ते जातीने करत. ही सर्व खबरदारी घेण्यामागे आणखी एक कारण होते, ते स्वतः टस्कगी संस्थेचे प्रतिनिधी म्हणून वावरत असत. त्यांच्या साधेपणामुळे तिथल्या शेतकऱ्यांना ते परके वाटत नसत. या दोघांच्या प्रयत्नांमुळे टस्कगी शहराच्या शाळेचा आणि अमेरिकेच्या दक्षिण प्रदेशाचा कायापालट व्हायला सुरवात झाली. तिथल्या शाळेचे संस्थापक वॉशिंग्टन यांनी आपली स्वप्न डॉ. कार्व्हर यांच्या प्रयत्नामुळे पूर्ण झाली म्हणून त्यांना पगारवाढ देऊ केली पण त्यांनी ती नाकारली. त्यांच्या या फिरत्या कृषी विद्यालयाचा व्याप खुप वाढला आणि तो आग्नेय.

A Splendor of Imagery and Positive Inspiration

The Story of My Life" is a autobiography written by Helen Keller. It was first published in 1903 and portrays a sketch of Helen Keller reading a book and in the background we can see words written in Braille script. Since it's first publication the book has inspired a large crowd and the literary masterpiece is a part of English curriculum of schools and universities all around the world.

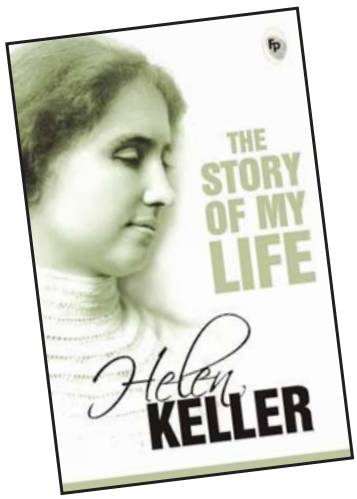

The book "The Story of My Life" tells us how Helen Keller, who was deaf, blind and dumb defied the odds to become one of the most celebrated personalities in the world. The story is set in Alabama in the year 1887.

In the first half of the book Helen Keller writes about how she was affected with Scarlet fever while she was still a baby and how the illness left her deaf, blind and dumb. The story highlights the frustration Helen Keller experienced as a child alone in the dark and silent world, unable to communicate with anybody. The author then goes on to say how her life changed with the arrival of the newly employed teacher and nanny Anne Sullivan.

The second part of the book related how she studied the deaf, dumb languages and learned how to write using the Braille and then she went to college and graduated with a degree. The story then talks about how she spent the rest of her life helping the deaf and dumb all around the world.

I enjoyed reading every page of the book. I found some sections of the book, specially those dealing with her early life, poigant and touching. It made me realise how life might be for the handicapped. I admire Helen Keller for her determination and her diligence. I appreciate the efforts her teacher put into her.

The book has a good moral lesson for each and every reader. It shows the triumph of the human spirit in the phase indomitable obstacles. It makes us wonder within, if Heler Keller was just another victim of cruel fate and whether her birth had a specific significance. It wouldn't be wrong to say Helen Keller was unlucky to have suffered the cruel twist of fate but the world is lucky to have had a person like her. Her life is a spinning example to prove "Where there is a will, there is a way".

A Motivating Journey of Self Discovery, Resilience and Self Esteem

Introduction:

In the buzzing chaos of rigorous studying, a book found its way into my hands and, little did I know, it would become the compass guiding for the coming years. David Goggins' "Can't Hurt Me" transcended the pages, weaving its way into the fabric of my daily life and reshaping my understanding of discipline, mental fortitude, and self-discovery.

Unveiling the Power of the Mind:

As a student wrestling with deadlines, exams, and the constant juggle of responsibilities, Goggins' tales of conquering obesity, poverty, and racism struck a chord. The idea that our minds hold the key to overcoming any challenge became a beacon of hope. Inspired, I embraced Goggins' "cookie jar" concept, digging into my own mental reservoir of triumphs

during moments of despair. It transformed the way I approached challenges, infusing a resilient spirit into my academic pursuits.

Embracing the 40% Rule:

The revelation of the 40% Rule hit me like a tidal wave. Goggins' experiences as a Navy SEAL and ultramarathon runner illustrated that when we feel we've hit our limit, we've merely scratched the surface of our capabilities. Applying this principle, I began recognizing the signs of my own self-imposed limitations, pushing beyond what I thought possible in my studies. The 40% Rule became my silent companion, urging me to venture into uncharted academic territories.

Facing the Accountability Mirror:

Goggins' Accountability Mirror concept became my reflection ritual. In the mirror of self-accountability, I saw not only my accomplishments but also my shortcomings. Radical honesty with myself became the catalyst for personal growth, prompting me to acknowledge weaknesses, celebrate strengths, and set intentional goals. The mirror, once a mere

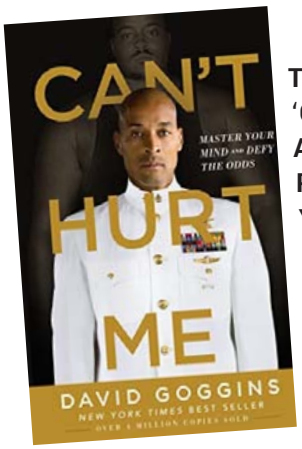

reflective surface, transformed into a portal of self-discovery.

Embracing Discomfort:

In a world that often seeks comfort, Goggins advocates for discomfort as the crucible for transformation. The trials he faced – Hell Week thrice and grueling ultramarathons – became my inspiration. I started seeking discomfort willingly, participating in public speaking events and tackling challenging research projects. Each venture outside my comfort zone became a stepping stone in my journey of self-improvement.

Conclusion:

"Can't Hurt Me" isn't just a book; it's my personal odyssey through college. It has been my companion in the wee hours of the morning, my motivator during late-night study sessions, and my guide through the maze of challenges. Goggins' wisdom is not confined to the pages; it lives in the choices I make, the mindset I embrace, and the resilience I exhibit. As I navigate the unpredictable seas of college life, the echoes of "Can't Hurt Me" continue to reverberate, shaping my path and transforming challenges into opportunities for growth.Each page turned is a step further into a journey of self-discovery, resilience, and the unwavering belief that, indeed, I can't be hurt.

FILM REVIEW

Nil Battey Sannata : A Poignant Film that Transcends the boundaries of a Bollywood Film

Nil Battey Sannata (2016), directed by Ashwiny Iyer Tiwari, is a poignant and inspirational film that transcends the boundaries of a typical Bollywood drama. It delves into the intricacies of mother-daughter relationships, the significance of education, and the socio-economic challenges faced by the underprivileged in India. The title, a colloquial phrase meaning "good for nothing," sets the tone for a story that ultimately proves this notion wrong.

The story revolves around Chanda Sahay (Swara Bhasker), a high-spirited domestic worker, and her teenage daughter, Apeksha "Appu" Sahay (Ria Shukla). Appu, a lackadaisical student, believes that her destiny is confined to low-wage jobs, much like her mother. Chanda, determined to break this cycle of poverty, enrolls herself in the same school and class as her daughter to motivate her to study and achieve greater heights. The narrative follows their journey through personal and academic struggles, underscoring the importance of perseverance and education. One of the central themes of Nil Battey Sannata is the aspirational struggle against socio-economic constraints. The film poignantly captures the societal pressures and internalized limitations that often stifle the ambitions of those from disadvantaged backgrounds. Chanda's character embodies resilience and determination, challenging the fatalistic mindset that Apu initially adopts.

The film also addresses the broader issue of educational disparity. Through its narrative, Nil Battey Sannata critiques the systemic inequalities that plague the Indian education system, where quality education often remains inaccessible to the underprivileged. Chanda's journey underscores the belief that education is a potent tool for empowerment and social mobility.. The narrative posits that access to education can dismantle generational poverty and open avenues for personal and professional growth. "Nil Battey Sannata" poignantly portrays the theme of motherhood. Chanda's sacrifices, her relentless pursuit of a better future for Appu, and her willingness to endure societal scorn for her daughter's sake are central to the narrative. This theme resonates deeply with the audience, highlighting the universal value of maternal love and dedication.

The characters in Nil Battey Sannata are richly developed and portrayed with depth. Swara Bhaskar delivers a standout performance as Chanda, capturing the character's unwavering resolve and deep maternal love. Riya Shukla, as Apu, effectively portrays the transformation from a disillusioned teenager to an inspired student. Ratna Pathak Shah and Pankaj Tripathi provide strong supporting performances, adding layers to the narrative with their nuanced portrayals of a supportive employer and a strict yet empathetic school principal, respectively.

The film does not shy away from depicting the harsh realities faced by the underprivileged. The barriers to education, the societal prejudices, and the financial struggles are depicted with authenticity, providing a stark contrast to Chanda's optimism and determination.

At its core, "Nil Battey Sannata" is a story about dreams. Appu's gradual realization of her potential and Chanda's unwavering belief in her daughter's capabilities underline the importance of nurturing dreams, regardless of one's socio-economic background. The film's setting in the modest households and public schools of Agra adds to its authenticity. The use of local dialects and the depiction of everyday struggles lend a realistic texture to the narrative. The title itself, "Nil Battey Sannata" (meaning zero divided by zero equals nothing), symbolizes the perceived futility of efforts without education. This mathematical metaphor is cleverly woven throughout the film, underscoring the central theme.The visual and auditory elements work in tandem to create an immersive experience.

Nil Battey Sannata" is a poignant and inspiring film that addresses critical social issues through a heartwarming mother-daughter relationship. It is a narrative that celebrates the indomitable human spirit, the significance of education, and the power of dreams. Through its compelling characters, realistic setting, and evocative themes, the film offers a profound commentary on the socio-economic challenges and aspirations of the underprivileged, making it a significant contribution to contemporary Indian cinema.

अमेरिकन नागरिकांच्या सामाजिक-सांस्कृतिक अंतरंगाची विवक्षित मांडणी करणारा 'नोमॅडलँड'

'क्लोरे झाँव' ह्या तरूण दिग्दर्शिकेचा 'नोमॅडलँड' हा चित्रपट एखाद्या माहितीपटाच्या पठडीत बसावा असा गंभीर विषयावर आधारलेला आहे. ज्यामध्ये अनेक विषयांचे न्याय्य संयोजन मोठ्या ताकदीने दिग्दर्शिकेने केले आहे. या चित्रपटात सौम्य, जिज्ञासू व मानवी जीवनाचा सौंदर्याविष्कार अत्यंत सामर्थ्याने निर्मात्याने आपल्यापुढे मांडला आहे. झाँव यांनी या चित्रपटाच्या माध्यमाने आपली अव्यवसायिकतेची (Unprofessionalism) पोतडी खोलून एका कल्पनाविश्वाचा अविष्कार केला आहे. हे करताना मध्यमवयीन स्त्रीचे चित्रांकन, तिचे शब्दचित्र वर्णन त्यातून व्यापून आलेली संवेदनशीलता बारीक-सारीक तपशीलाने दिग्दर्शकाने आपल्या चित्रपटातून प्रस्तूत करण्याचा प्रयत्न केला आहे. मानवी भावना त्याची प्राथमिक भावना, समाजभान, विवंचना, आपल्या ध्येयाचा अविरत शोध व सार्वजनिक विवेक एवढ्या लक्षपूर्वकतेने एकाग्र चित्ताने आपल्या चित्रपटात मांडणे सोपी गोष्ट नाही. म्हणूनच मला असे वाटते की ऑस्कर ने ह्या चित्रपटाला उत्कृष्टतेचा जो पुरस्कार दिला आहे ते योग्यच आहे.

नोमॅडलँड हा चित्रपट अमेरिकन नागरिकांच्या सामाजिक-सांस्कृतिक आंतरंगांची मांडणी करणारा चित्रपट आहे. २००८ मध्ये जे महाआर्थिक संकट अमेरिकेवर कोसळले, त्यामध्ये ज्येष्ठ नागरिक कश्या पद्धतीने भरडून गेले होते याची रंजक पण हृदयस्पर्शी कहाणी 'नोमॅडलँड' सांगतो. आपले घर चालवण्यासाठी अजिबात सेवानिवृत्ती न पत्करणारे पण वाढत्या वयामुळे कोणतीच नोकरी / व्यवसाय करण्यास असमर्थ असणारा हा वयोगट, स्थिर नागरिकत्वाची ओळख गमावून कसा बसतो व त्याला 'नोमॅड' म्हणजेच भटक्यांचे आयुष्य कशाप्रकारे व्यतीत करावे लागते, या मुख्य आशयाचा चित्रपट म्हणून ह्याचा उल्लेख करावा लागेल.

अमेरिकेत २००८च्या आर्थिक संकटात खूप मोठा वरिष्ठ नागरिकांचा वर्ग मोठ्या प्रमाणात भरडला गेला. कँम्पर व्हॅन मध्ये आपले छोटेसे घरकुल थाटून अमेरिकेच्या रस्त्यांवर फिरणारा हा वर्ग वंचिततेची परिभाषा पूर्ण बदलतो आहे. आजही ह्या परिस्थितीमध्ये विशेष सुधारणा झालेली नाही. अमेरिकेत मोठ्या व्हॅनमध्ये किंवा S.U.V. मध्ये राहून आपली गुजराण करणारे अनेक लोक तेथील रस्त्यांवर भटकंती करताना दिसतात. हे सर्व बहुतांशी बेघर नागरीक आहेत, ज्यांची घरे बँकेचा हप्ता न भरल्यामुळे जप्त झालेली आहेत. असे भटकंतीचे आयुष्य लाभलेल्यांना अमेरिकेत 'Neo-Nomads' म्हणतात. हे नव-भटके लोक स्थानिक बार, रेस्टोरंट, मॉल, खानावळ, कॉफी शॉप, आइस्क्रीम पार्लर इ. मध्ये काम करतात व रात्री व्हॅनमध्ये झोपतात.

ह्या चित्रपटातील मुख्य पात्र नेवाडा राज्यातील Amazon च्या गोदामामध्ये काम करणारी स्त्री आहे. नोमॅडलँड हा चित्रपट प्रख्यात लेखिका जेसिका बृडर लिखित Nomadland: Surviving America in the Twenty-First ह्या पुस्तकावर आधारलेला आहे. चित्रपटाचे कथानक 'फने' ह्या ६० वर्षाच्या एकाकी आयुष्य जगणाऱ्या महिलेभोवतीच फिरते. ती विधवा असल्यामुळे आपल्या व्हॅनमध्ये भटकंती करते, त्यातच राहते, कमी वेतनाच्या नोकऱ्या करते, ती आपले घर कायमचे सोडून देते व व्हॅनमध्येच भटकते. वेगवेगळ्या ठिकाणी लहान-मोठ्या नोकऱ्या करून रात्री गारव्यातच राहते. तिचे एकाकी जीवन, भटकंतीतील अनुभव व प्रवासामधील प्रसंग याचे वर्णन ह्या चित्रपटात आहे. तिच्या बरोबर अनेक नव-भटके घर नसलेले भटकंतीचे आयुष्य जगणारे ऍरिझोनामध्ये एका शिबिरात एकत्र येतात. या शिबिरात खूप चांगले संवाद दिग्दर्शिकेने समाविष्ट केले आहेत. ह्यातून प्रामुख्याने नव-भांडवलशाहीने अरिष्ट्ये निर्माण केली आहेत त्यावर टिकात्मक प्रतिक्रिया नव-भटकंती करणाऱ्या पत्रांमधून सतत येत असतात. शिबिराची सांगता होताना रात्रीच्या चांदण्यात शेकोटीसमोर गोलाकार बसून आपापले अनुभव हे नोमॅड सांगतात. वस्तूंची देवाणघेवाण करतात, एकमेकांना शिकवतात, शिकतात.. आणि गुडबाय न म्हणता, 'सी यू डाऊन द रोड' म्हणत पुन्हा भेटीचं आश्वासन देत एकमेकांचा निरोप घेतात.. पुन्हा भेटणार का माहीत नाही, पण जगण्याची चिवट विजिगीषु वृत्ती असतेच आत प्रत्येकाच्या.. एकेक गाडी मार्गस्थ होत जात राहाते आणि मागे राहातो दिग्दर्शिका क्लोरे झाँव हिला दाखवायचा असतो तो... अर्थहीन रितेपणा..
