PRINCIPAL'S MESSAGE

The academic year 2020-21 had been a very challenging year in all the sense of the term. It unfolded a series of challenging and calamatious events . The Covid 19 pandemic caused ruinous effects on all sections of the society, including the educational system. The teachers, students and all the stakeholders had a tough time in dealing with the havoc of the pandemic and the subsequent lockdown. The courageous teachers, students and the non-teaching staff stood the test of responsiveness, sensitivity and high degree of moral stimulation.

The imposition of complete lock down has not deterred our college staff from executing their duties with great fervor. Even during the lockdown period we conducted our regular lectures from online mode. We used the Microsoft teams app to get with our students.

The most noteworthy part of this exercise was to conduct our examination process with help of new technology that ultimately reduced our drudgery and paper work. In a nutshell we vitalize the spirit of transparency in exam related work even during the lockdown period.

Dr. D. V. Pawar
Principal

FROM THE DESK OF PRINCIPAL

FROM THE EDITOR

The preceding year was really a challenging year due to the outbreak of the global pandemic and its after effects. Human relations during this phase were put to the test in all spheres of public life. Apart from a few moments of abhorrent human conduct towards each other, we all witnessed greater cooperation and egalitarian reciprocity within our civil society.

At the outset, it is important to realise that the spirit of public reason on crucial occasions evokes the essence of loving kindness. Initially, people were petrified and they were not interested in helping each other, but later an ardent act of philanthropy flowed in plenitude.

Towards the end of 2020 and during the first phase of the second wave, a spirit of public reason displayed a notable public social consciousness was displayed to a great degree.

Our entire teaching fraternity of Kirti College lent a helping hand to the family members of those students who experienced unpleasant physical and mental agony. In the wake of this pandemic, our college raised a consolidated fund wherein the alumni were appealed to contribute generously.

We got an overwhelming response from our alumni. This helps us to financially support the economically and socially least advanced students and encourage them to continue their education in an unhindered way. At the outset, it is important to realise that the spirit of public reason on crucial occasions evokes the essence of loving kindness Initially, people were petrified and they were not interested in helping each other, but later an ardent act of of philanthropy flowed in plenitude.

ग्रामीण विकास विभाग

ग्रामीण विकास हा विषय प्रात्यक्षिक कार्यावर आधारित असल्यामुळेn या शैक्षणिक वर्षात विद्यार्थ्यानी प्रात्यक्षिक कार्यासाठी अनेक ठिकाणी प्रत्यक्ष भेटी दिल्या नाही. कारण कोरोना या काळात work from home हे विद्यापीठाच्या व शासनाच्या निर्णयानुसार घरी online mode या पद्धतीने अध्यापन करण्यात आले.

ग्रामीण आदिवासी समाजातील सामाजिक, आर्थिक, राजकीय, सांस्कृतिक, शैक्षणिक, आरोग्य तसेच रोजगार या विविध समस्या विद्यार्थानी समजाव्यात यासाठी online mode या माध्यमाने guest lecture हे प्रात्यक्षित आधारीत घेण्यात आले. त्यामध्ये स्वयंसहाय्यता बचत गट, कृषी आधारित उद्योग, मालती बाग कृषी पर्यटन, कृषी सहकारी संस्था, नैसर्गिक शेती, प्रगतशील शेतकरी, हरितगृह, सहकारी बँक अशा विविध अभ्यासक्रम प्रात्यक्षिक आधारित online mode पद्धतीने विद्यार्थांना मार्गदर्शन देऊन परीक्षा घेण्यात आल्या.

तृतीय वर्ष ग्रामीण विकास विषय विद्यार्थांची प्रत्याक्षित परीक्षा दिनांक २५ व २६ जून रोजी दोन दिवसीय online mode या माध्यमाने प्रत्याक्षित परीक्षा घेण्यात आली. यामध्ये सर्व विद्यार्थांनी सहभाग घेतला.

दिनांक १७ फेब्रुवारी, २०२१ रोजी ग्रामीण विकास विभाग आयोजित "सृजन महोत्सव" या कार्यक्रमात व्याख्याते जव्हार महाविद्यालयातील उपप्राचार्य डॉ. अनिल पाटील यांनी "महात्मा गांधींचे ग्रामीण विकास विषयक विचार" या विषयावर प्रथम, व्दितीय व तृतीय वर्ष ग्रामीण विकास विद्यार्थांना मार्गदर्शन केले.

दिनांक १८ फेब्रुवारी, २०२१ रोजी ग्रामीण विकास विभाग आयोजित "सृजन महोत्सव" या कार्यक्रमात व्याख्याते कृषी विज्ञान केंद्र कोसबाड हील डहाणू जिल्हा पालघर येथील शास्त्रज्ञ व प्रमुख डॉ. विलास जाधव यांनी "स्वयंसहाय्यता गटामार्फत महिला सक्षमीकरण" या विषयावर प्रथम, व्दितीय व तृतीय वर्ष ग्रामीण विकास विद्यार्थांना मार्गदर्शन केले.

CULTURAL DEPARTMENT

Participating in cultural activities and organizing cultural events build your confidence, groom your personality and also make you a better human being. These activities teach us the values of team spirit, co-operation that help us in building our character and developing leadership quality.

The year 2020-21 has been a year of great learning. Humanity across the globe was affected by Covid-19 pandemic. People experienced extreme changes in every walk of life. Citizens were confined to four walls of their houses for weeks and months. Education was badly affected too. Moreover, the morale and confidence of the students of cultural department who love to showcase their skills on various platforms to live audience was very low. They could neither move out of their homes, nor practice with their teams. It was a herculean challenge for them to gather their confidence, look out for alternative way (virtual platform) a nd build themselves as a team.

In order to break the shackles of a prolonged lock-down and boost the confidence of our students, the cultural committee of the college in consultation with the principal and management decided to conduct various workshops on virtual platform and make students participate actively. Besides, looking at the efforts and enthusiasm of the student volunteers, the cultural department could organize its Inter-collegiate cultural festival-ANTARANG-2020 with great success on virtual platform.

1) A series of five workshops on drama, music, dance, literary skills and instruments were conducted under the aegis of Abhivyakti or Expression of Skills.

A)Workshop on Dramatics: 8th Feb.2021. Shri Devendra Pem, well known theater personality, script writer and director interacted with the students and aegis of Abhivyakti or Expression of Skills.

A) Workshop on Dramatics: 8th Feb.2021. Shri Devendra Pem, well known theater personality, script writer and director interacted with the students and discussed intrinsic aspects of acting and drama. Mr. Pem's question answer session was truly an eye opener for the students who believe the field of acting and drama is a cake walk. About 94 students, teachers from different parts of Maharashtra participated in the workshop.

B) Workshop on Instumentals "The Joy of Playing Music--al Instruments": 9th Feb.2021 Mr. Joy Rumade, our current batch student and well known percussion player interacted with the students and showcased his skills at playing various types of percussion instrumentsuch as Tabla, Darbuka, Dholak, Drum and Djembe and engaged in question answer session with the students. The event was attended by 104 students from different parts of Maharashtra.

C) Workshop on Dance "Rhythm in Motion": 10th Feb2021. Ms.Urja Deshpande Narwarkar, well known choreographer, dancer and founder of Urja Art Studio conducted a workshop on bollywood and western dance and she made sure every participant gets hand on experience . It was a session that could be described as 'learning by doing session.' The workshop was attended by 49 participants.

D) Workshop on Oratory Skills " Ten Postulates of Effect-Speaking" : 11th Feb 2021. Mrs Deepali Kelkar, a well known news reader and comparer, interacted with students, teachers and with general public from all over Maharashtra on how to make public speaking more effective. She engaged her session for 90 minutes followed by question and answers. The audience remained there till the end. Her presentation was very lucid and full of day to today events as examples. The workshop was attended by 63 participants.

E) Workshop on Music "Spreading Happiness Through Music": 12th Feb.2021. Mrs Manasi Kelkar Tabe, well known musician and founder of Swarmaanas, a Music School showcased her skills on bollywood songs

engaged her session for 90 minutes followed by question and answers. The audience remained there till the end. Her presentation was very lucid and full of day to today events as examples. The workshop was attended by 63 participants.

E) Workshop on Music "Spreading Happiness Through Music": 12th Feb.2021. Mrs Manasi Kelkar Tabe, well known musician and founder of Swarmaanas, a Music School showcased her skills on bollywood songs and shared basics of popular She believes that anybody can sing and singing can be learnt at any age. The workshop was attended by 74 participants and they all enjoyed this musical feast.

2) "Antarang 2020" Kirti College Inter-collegiate Cultural Festival: This event has created a niche for our cultural activities in the city of Mumbai and will be a benchmark for similar events in future. The core committee of student volunteers with the consent of the Principal, office bearers and Cultural Committee was granted permission to organize Antarang 2020 on virtual platform. The event was live streamed on 20th and 21st February 2021. Total 20 colleges participated in 11 different events and 10 colleges competed for overall championship. Dr. T K Tope Night College from Parel, Mumbai was the overall champion followed by D.G.Ruparel College, Mahim, Mumbai and St.Xaviers College, Fort, Mumbai respectively as 1st runner up and 2nd runner up. This has been a great learning experience for all of us. Students showed their leadership skills, character, commitment and worked relentlessly to make this inter-collegiate cultural festival a grand success. About 30 students volunteered for this mega event. These volunteers worked with core committee of students led by Rushikesh More(CL), Samruddhi Nagvekar(ACL), Akansha Jadhav, Samidha Mahadik, Chetan Ghuge and Joy Rumade.

▶ INDIVIDUAL ACHIEVEMENTS:

(1) Our student Mr. Joy Rumade, FYBMM won 2nd prize at inter- collegiate festival "Flame 2021" organised by Gurukul College of Commerce, Mumbai in the event of Instrumental on 25th March 2021.

DEPARTMENT OF B.M.S.

1) FYBMS Orientation:

- **Date: 20th October 2020**
- **Platform : MS Teams**

"Education is not the learning of facts, but the training of mind to think", this is what we wish to imbibe at BMS Department. An online orientation session was organized for students and parents of FYBMS, where we introduced the course, college infrastructure through virtual images, faculties and some seniors (student mentors). The orientation aims to familiarize the students with the course structure, curriculum, specializations offered and the choice based credit system.

The session was followed by a few rounds of online games/activities planned by the senior students.

- **Games: -**

1) Q&A

2) Pictographs

3) Word hunt

Management concepts to be learned through orientation activities include: -

1) Planning

2) Participation

3) Motivations

4) Time Management

5) Analysis

6) Verbal & non-verbal communication

- **Objectives: -**

1) To orient students to college.

2) An integrated social support & connection with other students

3) To provide information and opportunities to explore academic success strategies.

2) SYBMS Orientation: Choosing the right specialization

Choosing the right path is never easy. It's a decision we make with proper information search and evaluation. An orientation session was organized by NMITD faculties in choosing the right specialization for SYBMS. The Aim of this program was to guide students on the right path for their better future.

Three teams were organized that spoke on three specialization :

(1) Finance

(2) Marketing

(3) HR

Speakers of this event were :

1) Finance : Dr. Anita Bobade

2) Marketing : Prof. Girish Jadhav

3) HR : Dr. Renuka Sawant & Dr. Kasturi Naik

Important Outcome :

1) The presentation was delivered about content of the courses.

2) The students were provided with the information about future career scope of each courses.

Objective :

1) To help student choosing right specialization among HR . Marking , Finance.

2) To give the knowledge about specialized field.

3) To practically expose students to the behavioral aspects of an organization and on the hierarchy-based interaction of the same.

3) TYBMS Orientation

The TYBMS batch began the academic year with an orientation regarding their final year subjects and working towards better academic performance. An emphasis was given towards the compulsory research project as part of their curriculum.

4) Industry Readiness Workshop

"A BMS INITIATIVE TO BRIDGE THE GAP BETWEEN ACADEMIA AND INDUSTRY"

(1) Faculties and industry experts from MBA/MMS programs were also the part of this training.

(2) The main aim of the module was to make the student "Industry Ready". Undergraduate students keen on upskilling, updating their resume and accelerating their corporate journey could participate.

3) The "Industry Readiness Workshop" was not only organized for the students of the college but also for the outsiders.

(4) Overall 20 students participated in the workshop, of which 2 were from other colleges.

Our Trainers: -

1) Mandar Vaze : Manager, Strategic Purchase, Thermax Ltd.

2) Dipanjay Bhalerao : Asst. Prof. Indira Institute of Management, Pune.

3) Priyanka Jinagauda: Asst. Prof & Co-Ordinator, BMS Dept.

4) Dikshit Kothari : Asst. Prof. JS Kothari Business School.

5) Soniya Gawde : Asst. prof, BMS Dept.

6) Maria Achary : TPO and Asst. Prof. JS Kothari Business School.

Students were rewarded a Certificate & Letter of Merit post successful completion of the workshop. The letter of Merit emphasizes on the rigorous nature of the workshop and the contents of the modules included.

5. Srujan :

Aarthik Prerna : A Series Of Webinar On Conte--mporary Socio Economic Issues.

Economic growth doesn't mean anything unless it is inclusive growth. In annual academic festival IQAC an online orientation session was organized on contemporary socio - economic issues. The event was organized by Department of Economics and BMS. The aim of this webinar series was to provide students with more information about economic growth and human development challenges.

Around 50 students & staff members attended the same.

PROGRAMS UNDER THE AEGIS OF BOTANY ASSOCIATIO--N DAFFODILS :

E - Flora fest :

Botany department every year arranges a fest with full enthusiasm shown by participants, volunteers, organizers, our support staff and teachers.

Due to this pandemic situation everything like from meetings, lectures started online. We decided to conduct online fest i,e our E - flora fest !

On 20th March 2021 this intr-college fest was conducted from 10:00 am to 01:00 pm on Microsoft team's app. Our honorable Principal, respected teachers, support staff members and students from FY, SY and TY participated in this event. Fest began with small welcome speech followed by few words of guidance by our respected Principal.

Then the volunteers took over and started with the only live event of the fest that was Know **Our Plants** – PowerPoint presentation event. The enthusiasm among the participants raised the energy of all to next level. Judges, audience and everyone else were enjoying the event and digitally reacted by using the emoticons present on their screens.

Presentation event was fun!

Judges were then given time to decide the results and meanwhile there was some fun planned for all our audience.

Yes, it was time for Herbo Quiz. For about 30 minutes this quiz was conducted. Volunteers came up with such amazing riddles that the audience demanded more and more of them.

Everyone here used raise your hand option that team's app provides for indicating that they know the answer. Volunteers here looked closely who raised their hand first and gave them chance to answer.

Then for all those events for which participants had submitted their content was displayed on the screen so that everyone could look at their beautiful creations. Here including our principal, teachers and everyone praised their work and again all students encouraged them by digitally displaying the emoticons.

After this everyone was excited for the results. Our

respected judges announced the results for each event and we all gave digital round of applause to all the winners. After this was a surprise element for our lovely teachers by T.Y.B.Sc students of batch 2020-2021.

Yes, it was a video filled with a lot of memories, all moments that we had spent together and that we all will cherish for rest of our lives. We all tried to express our feelings and how much we had missed our college, our department, our canteen and everything around from past one year! With vote of thanks and concluding speech the event was declared to be a grand success! After this the atmosphere became nostalgic and everyone started missing each other, college, and all fun that we could have done if this would have been an offline event. But nevertheless, and as it is always said; **"Something is Better than Nothing"**

▶ LIST OF EVENTS :

1) Blossoming rhythm

2) Regard before you discard

3) Capture your stories

4) Bio jewelry

5) Floral catchword

6) Bouquet of blooms

7) Floral rangoli

8) Fruit and vegetable carving

9) Botanical paintings with colored pencils

10) Know our plants

▶ LIST OF VOLUNTEERS :

Led by: -

Pranoti Palkar AND Akshay Jadhav

Members: Siddhesh Khawle, Aniket Gaikwad , Mansi Pawar, Purva Padwal, Pranali Padyal Samiksha Pandare , Anisha Mahadik, Amrapali Kamble, Vaishnavi Chavan, Ashwini Chavan, Shubham Bavkar , Mukesh Choudhary , Diksha Patil , Aniruddha Gamre , Archita Khade

▶ LIST OF PARTICIPANTS :

1) Purva Padwal **(TYBSc)**

2)Mansi Pawar **(TYBSc)**

3) Nidhi Gogavle **(TYBSc)**

4) Dipti Pawal **(SYBSc)**

5) Shweta Pimpalkar **(SYBSc)**

6) Samiksha Pandare **(TYBSc)**

7) Vedant Rane **(SYBSc)**

8) Pranali Padyal **(TYBSc)**

9) Aniket Gaikwad **(TYBSc)**

10) Siddesh Khawle **(TYBSc)**

11) Purva Wairkar **(SYBSc)**

12) Archita Khade **(SYBSc)**

13) Soniya Sangare **(SYBSc)**

14) Yash Lad **(FYBSc)**

▶ SRUJAN ACTIVITY :

1) Webinar on "Skill Development In Horticulture" was conducted on 17th February 2021 time:9.30 to12.30, venue: Microsoft teams online platform, Chief Guests Dr. Ganesh Kadam– Senior Scientist, ICAR - Directorate Of Floricultural Research, Pune. Other Guests Mr. Prasad Khedekar, Agri Peak Trading Company. Content– 2 guest lectures on skills related to horticulture industry, of 1 hr. Duration followed by interactive question answer session. Attended by around 80 students & staff members.

2) Webinar on "Skill Development in Industry" was organized on 19th February 2021 time : 9.30 to 12.30, venue: Microsoft teams online platform. Chief Guests Dr. Nitin Malekar Director Of Onkos Dx, Mumbai. Other Guests Ms. Gauri Gurav, Partner, Oikoessence organization. Content– sharing of their experiences and necessary skills for industry, need for self - growth-2 guest lectures. Attended by around 70 students & staff members.

Botany Alumni Reunion was organized on 3rd April 2021 at 4.30 pm.on Microsoft Teams Platform. Around 30 to 40 alumni attended this meet. The Alumni assured to donate books to the departmental Library.

Research Motivation - Motivated F.Y.BSC student to participate in research activities under the guidance of the teacher Mr. Surendra Ramesh Sawardekar.

DEPARTMENT OF CHEMISTRY

DEPARTMENTAL ACTIVITIES :

The chemistry department in the year 20-21 had organized an intercollegiate event under the aegis of SRUJAN the academic festival of Kirti college

The SRUJA program of the chemistry departme- ent was conceived with the purpose of giving scope to the innovative skills of the students and enhance their research inclination and preparation.

The competitions organized in this ONLINE program were Quiz competition, Poster competition. Power point Presentations. approximately 27 students from all classes FYBSc. SYBSc. TYBSc, Msc participated in these competitions. The Staff members have taken pains to mentor and guide the students to participate in this program. The chairperson of this program was our H.O.D and Vice - Principal ,Dr Seema Sapale.

The competitions were conducted and judged by Dr. Charruta Kulkarnii, Dr. S.B. Sonawale, Dr. Chetna Zaveri. **THANKS** to all the staff members for giving their valuable contribution to this academic event which is a base of enhancing soft skills and academic performance of the students.

In addition this all the staff members are actively involved in college administration and the various programs conducted by all the committees of the college as given below in INDIVIDUAL ACTIVITIES.

INDIVIDUAL ACTIVITIES :

(1) Dr. Seema R. Sapale :

Administrative Responsibilities :

(1) Vice Principal and in charge - Self finance courses.

(2) Acting Principal for the period of 13/9/2021 to 23/11/2021

(3) Member of IQAC

(4) Chairperson of Research promotion Committee and Central instrumentation facility committee.

(5) Convener of Grievance Redressal Cell.

Orientation / Induction Program -

Unsccessfully completed with A grade a 4 -Week Induction/Orientation Programme for Faculty in Universities/Colleges/Institutes of Higher Education" from June 04 - July 01, 2020 organised by Teaching Learning Centre of Ramanujan College, New Delhi & sponsored by Ministry of human resource development Pandit Madan Mohan Malviya national mission on teachers and teaching.

Research Publications :

Published nine research papers in reputed national and international journals.

(2) Dr. Charuu Kulkarnii :

Member of Placement Committee, Result Commit Committee, Counselling committee, Environment Committee, Avishkar Committee.

Paper Setter and Examiner For SYBsc, TYBsc, M - ScI, MScIII. Organised ON behalf of the above mentioned committees also organized intercollegiate Festival in the Chemistry dept. for the SRUJAN festival and judged the Quiz, Power point Presentation, Poster Competitions in SRUJAN.

(3) Dr. Ravindra B. Kawde :

Administrative Responsibilities :

1) Vice Principal

2) Co - ordinator-Admission Committee

4) Member - Examination Committee

5) Member - Gymkhana Advisory Committee

6) Member - Grievance Redressal Cell

7) Member - Research Promotion Committee

8) Member - Central Instrumentation Facility Center

9) Advisor - Environmental-Climate reality committee

▶ Orientation / Induction Program –

Successfully completed with A grade a 4-Week Induction/Orientation Programme for Faculty in Universities /Colleges/Institutes of Higher Education" from June 04 - July 01, 2020 organised by Teaching Learning Centre of Ramanujan College, New Delhi and sponsored by Ministry of human resource development Pandit Madan Mohan Malviya national mission on teachers and teaching.

▶ Seminar Participation -

International Webinar on" Corona, Youth & amp; Yoga" organized by IQAC and Counselling cell of Deccan Education Society's, Kirti M. Doongursee College, Dadar(W), Mumbai - 28 on 21st June 2020.

College Level Webinar on "Train the Trainer : Offline to Online using Microsoft Teams"organised by Department of Computer Science and Information Technology and Internal Quality Assurance Cell of Deccan Education Society's, Kirti M. Doongursee College, Dadar (W), Mumbai - 28 held on 16th,17th and 18th June 2020.

(4) Dr. Chetna M. Zaveri :

1) Presiding Officer Internal complaint committee.

2) An ONLINE Quiz was conducted for the students of FY, SY, TYBSc and MSc on 15thFeb2021.

3) Power Point Presentation competition for FY, SY, TYBSc and MSc On 18 FEB 21.

4) Poster presentation competition for FY, SY, TYBSc and M Sc was conducted On 18 FEB 21.

5) Worked as organizer and Judge for online Quiz that was conducted for the students of FY, SY, TYBSc and MSc on 15th

6) Worked as organizer and Judge for Power Point Presentation competition that was organised for FY, SY, TYBSc and MSc On 18th FEB 21.

7) Worked as organizer and Judge for the Poster presentation competition that was organised for FY,SY,T- YBSc and MSc was conducted On 18 FEB 21.

5) Dr. S.B.Sonawale :

A) Research Publication:

1) "Antioxidant activity of various extracts of leaves of Corchorus fascicularis" Journal of Interdisciplinary Cycle Research (JICR), Volume XIII, Issue IV, April/2021, Pg.no.1580-1585, ISSN NO.: 0022 - 1945.

B)Contribution to College/University/College Administration:

Worked as a Member of Expert Committee to scrutinize proposal for new courses as per the University of Mumbai guide lines, (UG & PG) dated 26th February 2021 at RSET's Ladhidevi Ramdhar Maheshwari Night College of Commerce, RSET Campus, Malad, Mumbai-64

1) Worked as a Member of Expert Committee to scrutinize proposal for new Courses as per the University of Mumbai guide lines on 16th March 2021 at Bhavana Trust, College of Commerce & B.Sc. (Computer Science) at Chembur Deonar, Mumbai - 88.

2) Worked as a Member of LIC for first time recognition for Degree Course in the subject of Chemistry for Ph. D Degree on 4th April 2021 at BNN College Bhiwandi, as per the University of Mumbai guide lines.

3) Member of Board of Studies in Chemistry University of Mumbai, Mumbai.

4) Member of College Development Committee (CDC)

5) Member of Research & Promotion Committee

6) Member of Centralized Instrumentation Facility

7) Member of Kirti College Avishkar Committee.

C) Member of Organizing Committee in Online Webnair

1) Online webinar on "IPR-What Researchers need to know" held on 3rd April 2021 organized by IQAC & Research Promotion Committee of Kirti M. Doongursee College of ASC. Mumbai.

2) Successfully completed one-week online FDP on "Ethical Dimensions of Writing in a Research Paper" organized by DES's NMITD and University of Mumbai in association with Kirti M. Doongursee College, JSKBS, CIMDR from 7th-12th June 2021.

(D) Details of Seminar, Conference, Workshop, Symposia attended :

1) Successfully completed one-week online FDP on "Ethical Dimensions of Writing in a Research Paper" organized by DES's NMITD and University of Mumbai in association with Kirti M. Doongursee College JSKBS, CIMDR from 7th -12th June 2021.

(6) Dr. Dattatray V. Patil :

Administrative Responsibilities :

1) Worked in Library committee as a member.

2) Worked in the Time Table committee as a member.

3) Worked in the Research Promotion committee as a member.

4) Attended Online webinar on "IPR-What Researchers need to know" held on 3rd April 2021 organized by IQAC & Research Promotion Committee of Kirti M. Doongursee College of ASC. Mumbai - 28.

(7) Mr. Premchand B. Shelke :

1) Completed/Participated in online five days FDP on the topic " Evolution from Offline to Online Teaching" from 30th May 2020 to 03rd June 2020 held at Satish Pradhan Dnyansadhana College, Thane.

2) Attended the webinar on " AA, ICP-OES and ICP-MS Concepts, Instrumentation & Applications" organized by Chromatographic Society of India (CSI) on 03rd October 2020.

3) Attended the webinar on " Principles and Applications of 1H and 13C NMR Spectroscopy in academic & Industrial Research" organized by Chromatographic Society of India (CSI) on 10th October 2020.

4) Attended the webinar on " Importance of (Chiral) HPLC in Pharma Industry" organized by Chromatogrraphic Society of India (CSI) on 21st November 2020.

5) Attended the webinar on "Analytical Instruments Touching Your Life" organized by Chromatographic Society of India (CSI) on 28th November 2020.

6) Life Member of Chromatographic Society of India (CSI) on 10th October 2020 [LM ID No.080871]

7) Participated in CSI webinar on " Introduction to GCMS: Principles, Instrumentation and Applications" on 12th December 2020.

8) Participated in four days FDP on the theme "Green Chemistry and Technology for Sustainable Engineering" during 18-21st January 2021 organised by School of Engineering, P. P. Savani University, Gujrat.

9) Participated in National level webinar on "Green Chemistry" on 28th January 2021 organised by G. M. Vedak College of Science, Tala, Dist. Raigad.

10) Participated in the State level webinar on " Cyber Security" on 03rd February 2021 at Karmaveer Bhaurao Patil College, Vashi, Navi Mumbai.

11) Participated in National webinar on " Low Temprrature Pyrolysis of Biomass and Polymer Wastes: Challenges and Perspectives" on 05th February 2021.

12) Participated in National level webinar on " Emerging Trends in Artificial Intelligence" on 6th February 2021.

13) Participated in National level webinar on "Intelletual Property Rights" on 22nd February 2021.

14) Participated in online workshop on "Introduction to Intellectual Property Rights" on 15-16th February 2021 at Brihan Maharashtra College of Commerce.

15) Participated in online workshop on "Know your Molecules: Through Sophisticated Instrumentation Techniques" on 17-18th February 2021.

16) Participated in the one-day International level webinar on "Bio-Nano Frontiers" held on 27th February 2021.

17) Participated in the online National seminar on "Introduction to Different IPRs and Present System of IPRs in India" on 09th March 2021.

18) Participated in the online webinar on "IPR : What Researchers Need to Know" held on 03rd April 2021 at Kirti College, Dadar.

19) Participated in National webinar on "Automation in Chemical Analysis" on 26th March 2021 at Kirti College, Dadar

20) Participated in National level one week Faculty Development Programme on Research Methodology from 26th April to 1st May 2021 at Kamala Nehru Mahavidyalaya, Nagpur.

21) Participated in the webinar on " New Amendments in CAS" on 3rd April 2021 at Viva College

22) Participated in National level webinar on "Applications of AI in Industries" on 19-20th March 2021 at Vivekanand Education Society's College of Arts, Science and Commerce.

23) Participated in National seminar on " Current Trends in Medicinal Chemistry" during 23-25th March 20 - 21 at Athalye-Sapre-Pitre College, Devrukh, Dist. Ratagiri.

(8) Dr. Prashant V. Ghorpade :

1) Executive Chairman, Central Instrumentation Facility Centre Committee.

2) Worked as member of Admission Committee.

3) Examiner for TY BSc University Practical Examination and Examiner and moderator for TYBSc University paper evaluation.

4) Committee member, cultural committee.

5) Worked as member of Avishkar Committee.

6) Taken over as Care Taker Officer, NCC Boys Unit, A Coy, 1 Maharashtra Battalion.

(9) Mr. Ankush B. Dalvi :

1) Worked as NSS Area Coordinator for District Mumbai City under University of Mumbai for the year 20- 20-21

2) Worked as NSS program Officer for Kirti M. Doongursee College for the year 2020-21.

3) Worked as member in Gymkhana Committee, Discipline Committee, Environment and climate control Committee.

(9) Mr. Ankush B. Dalvi :

1) Worked as NSS Area Coordinator for District Mumbai City under University of Mumbai for the year 20- 20-21

2) Worked as NSS program Officer for Kirti M. Doongursee College for the year 2020-21.

3) Worked as member in Gymkhana Committee, Discipline Committee, Environment and climate control Committee.

4) Completed/Participated in online five days FDP on the topic " Evolution from Offline to Online Teaching" from 30th May 2020 to 03rd June 2020 held at Satish Pradhan Dnyansadhana College, Thane.

10) Mr. Yunus Umar Makandar :

1) Worked as a member of Environment and Climate control Committee.

2) Actively participated in the online "Six- day FDP titled Reigniting the Research-Spark : Exploring new methodologies and perspectives from 15th to 20th March, 2021.

3) Participated in the online " National level one week FDP on Research Methodology " from 26th April 2021 to 1st May 2021 organized by Kamla Nehru Mahavidyalaya, Nagpur.

4) Participated in Online National Webinar on " Tourism in India : Explore the Unexplored "organized by the department of Geography of Kirti M. Doongursee college, Dadar, Mumbai in March 2021.

- Dr. Seema Sapale
Head Dept. of Chemistry

DEPARTMENT OF COMMERCE

A) DEPARTMENTAL ACTIVITIES :

1) We organized a Guest Lecture online & virtual programme on Microsoft Team platform. As a part of Annual Academic festival **SRUJAN - 2020-21.**

A Guest Lecture keeping in view for the academic benefit and height also a overall personality development of the students details are as follows.

Guest Speaker & Resource Person - Dr. Parag Ajagaonkar, **(Principal, N. M. College Mumbai)**

Chairperson - Principal Dr. D.V. Pawar

Date - 18th February, 2021

Time - 9:30 to 11:00 am

Overwelming response from the students was there 272 students were presence for the programme. Programme was initiated & briefed with their objectives & purpose by Prof.M.G. Kamble, Head of the department.

Prof. Dr. B.R. Kamble has given the introduction of the resource person & formal vote of thanks given by Prof. Y.S. Bhorkade, Head Accountancy Dept also Prof. Meenal Ambavane from the Computer Science department was present for the programme. She has looked after the technical assistance & support Prof. Dipesh More, Prof. Dinesh Sharma, Prof. Nileshwari Gaikwad, Prof. Sidra madam was present for the programme.

On 14th January 2021, on account of Geography Day, under the guidance of Prof. Vrushali Bhalerao, students prepared various cartoons, posters, charts, models etc. based on the theme related to environment. Ms. Tanvi Koli, TYBA student made an affordable electric invertor using household materials.

Overwelming response from the students was there 272 students were presence for the programme. Programme was initiated & briefed with their objectives & purpose by Prof. M.G. Kamble, Head of the department.

Prof. Dr. B.R. Kamble has given the introduction of the resource person & formal vote of thanks given by Prof. Y.S. Bhorkade, Head Accountancy Dept also Prof. Meenal Ambavane from the Computer Science department was present for the programme. She has looked after the technical assistance & support Prof. Dipesh More, Prof. Dinesh Sharma, Prof. Nileshwari Gaikwad, Prof. Sidra madam was present for the programme.

2) We organized online a Alumni Meet jointly with department of Accountancy & Economics for commerce students on 3rd April, 2021 in between 6:00 to 7:30 pm and 50 alumni were present for the meet including prestigious alumni like Mr. Girish Jain CA, Mr. Arvind Gala CA, Mr. Bhausaheb Shinde, Businessman, Mrs. Prachi, Mrs. Riya Jain. Eveyone participated in discussion and also promised to help to the college and providing assistance to employment to our college students. All department professors were present for the meet formal vote of thanks given by our Prof. Dr. B.R. Kamble platform – Microsoft Team. present for the meet formal vote of thanks given by our Prof. Dr. B.R. Kamble platform – Microsoft Team.

B) INDIVIDUAL ACTIVITIES :

a) Prof. M.G.Kamble :

1) Participated in an International webinar on "Corona, Youth & Yoga" held on 21st June, 2020.

2) Participated and attended a state level workshop on "Susanwadache Daha Mantra" held on 11th February, 2021. Under a series of workshop organized by cultural committee of college.

3) Participated and attended a state level workshop on "Spreading Happiness through Music" held on 12th February, 2021, under a series of workshop organized by cultural committee of college.

4) Participated & attended online session on "Mock Share Trading Workshop in Live Market" held on 19th March, 2021 under the IQAC cell and placement cell of college.

5) Participated and attended on online session on "How to set career objectives and work towards better placement" held on 20th March, 2021 under the IQAC cell & placement cell of college.

6) Participated and attended an online webinar on "Fintech" held on 2nd April, 2021 under IQAC cell & placement cell of college.

7) Participated & attended on online webinar on "IPR – what Researchers Need To Know" held on 3rd April, 2021.

B) Prof. Dr. B.R.Kamble :

1) Participated in one day National Webinar on "Impact of COVID – 19 on SMALL SCALE INDUSTRIES" organized by Department of commerce, GOKHALE EDUCATION SOCITIES'S ARTS, COMMERCE AND SCIENCE COLLEGE JAWHAR Palghar – 29th May 2020.

2) Participated in the FIVE-DAY ONLINE FACULTY DEVELOPMENT PROGRAM FROM 30TH MAY, 2020 TO 3RD JUNE, 2020 ON THE TOPIC OF "EVOLUTION FROM OFFLINE TO ONLINE TEACHING" ORGANIZED BY SATISH PRADHAN DNYANASADHANA COLLEGE, THANE.

3) Participated in International Webinar on "INTELLECTUAL PROPERTY RIGHTS ANOVERVIEW : MYTH & REALITIES" Org--nized by KLE Society's & Commerce College Kalamboli, Navi Mumbai, INDIA – JUNE 6TH, 2020.

4) Participated in international Webinar on topic "challenge Post COVID – 19 Period on Indian Economy in Global Perspective" Organized by K. S'S MANJUNATHA COLLEGE OF COMMERCE THAKURLI – 9TH JUNE, 2020.

5) Participated and attended a college level Webinar on "Reverse Migration "Organized by DES'S KIRTI M. DOONGURSEE COLLEGE DADAR – 10TH JUNE, 2020.

6) Participated in two days national Webinar on "Entrepreneurship and New Challenges in the changed Scenario" Organized by V K KRISHNA MENON COLLEGE OF COMMERCE & ECONOMICS BHANDUP - 10TH -11TH JUNE, 2020.

7) Participated and attended a college level Webinar On "EFFECTIVE WORKOUT FOR DEVELOPING HEALTHY LUNGS" Organized by DES'S KIRTI M. DOONGURSEE COLLEGE DADAR – 11th JUNE, 2020.

8) Participated in National Webinar in "HIGHER EDUCATION POST COVID 19 - OPPORTUNITIS & CHALLENGES" Organized by K.K. WAGH ARTS, COMMERCE, SCIENCE COLLEGE

9) Successfully completed "ONLINE AWARNESS QUIZ PROGRAM ABOUT COVID – 19" Organized by RAJARSHI CHHATRAPATI SHAHU COLLEGE, KOLHAPUR – 14TH JUNE, 2020.

10) Participated in the FOUR DAYS FACULTY DEVELOPMENT PROGRAM ON "E- CONTENT DEVRELOPMENT THROUGH ONLINE HELD FROM 12TH JUNE TO 15TH JUNE, 2020 Organized by IQAC, AMET DEEMED UNIVERSITY.

11) Participated in the INTERNATIONAL WEBINAR "SEISMIC HAZARD ASSESSMENT: PREDICTIONS AND CHALLENGES FOR A SAFE ENVIRONMENT. Organized by PILLAI HOC COLLEGE OF ARTS, SCIENCE & COMMERCE, RASAYNI – 15TH JUNE, 2020.

12) Participated and attended INTERNATIONAL WEBINAR ON "EMERGING CONSUMER INTERNET TRENDS & OPPORTUNITIES POST COVID" organized by DALY COLLEGE OF BUSINESS MANAGEMENT, INDORE – 15TH JUNE, 2020.

13) Participated in an International Webinar on "Stress Mangament Problems and Challanges in Higher Education Global Perspective" Organized by G.S. COLLEGE OF COMMERCE & ECONOMICS, JABALPUR (M.P) – 15TH JUNE, 2020.

14) Participated in the RUSA sponsored National Webinar on "INVESTING IN THESE CHALLENGING TIMES AND ASSET ALLOCATION VITAL FOR WEALTH CREATION" Organized by PATKAR COOLEGE OF ARTS AND SCIENCE AND V.P. VARDE COLLEGE OF COMMERCE AND ECONOMICS MUMBAI – 15TH - 16 JUNE, 2020.

15) Participated in Webinar on "STATE OF ENVIRONMENT AFTER COVID – 19 LOCKDOWNS" Organized by PATKAR

16) Participated and attended College level Webinar on "TRAIN THE TRAINER: OFFLINE TO ONLINE USING MICROSOFT TEAMS" Organized by DES'S KIRTI M. DOONGURSEE COLLEGE DADAR – 16th, 17th, 18th JUNE, 2020.

17) Participated in the National Webinar on "CHALLEGES AND REMEDIES BEFORE HIGHER EDUCATION INSTITUTIONS IN INDIA POST COVID – 19 PANDEMIC PERIODS" Organized by SHRI BAPUSAHEB D. D. VISPUTE COLLEGE OF EDUCATION, NEW PANVEL NAVI MUMBAI – 17TH JUNE, 2020. NAVI MUMBAI

18) Participated in an International Webinar on "INVESTMENT PALNNING SIMPLIFIED in the Indian Context" Organized by HAZARIMAL SOMANI COLLEGE OF ARTS, SCIENCE & COMMERCE MUMBAI – 20TH JUNE, 2020.

19) Participated in FIVE DAYS online Workshop on INTERNATIONAL YOGA DAY "YOGA: ZOOM YOUR HEALTH" Organized by BHARAT COLLEGE OF ARTS & COMMERCE BADLAPUR. – 16TH - 20TH JUNE, 2020.

20) Participated and attended the INTERNATIONAL WEBINAR On "NAVIGATING THE COVID – 19 OPPOPRTUNITY THE BANKING WAY" Organized by DALY COLLEGE OF BUSINESS MANAGEMENT, INDORE – 20TH JUNE, 2020.

21) Participated in "TWO DAYS NATIONAL WEBINAR – MEDIA IN THE TIME OF COVID – 19" Organized by KLE Society's & Commerce College Kalamboli, Navi Mumbai, INDIA – 20th & 21th JUNE, 2020.

DEPARTMENT OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

The Department with around 850 students states its vision "To create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in computer science and Information Technology and prepare the students to meet the challenges for a globalized technological society and orient them towards serving the society".

To provide high quality and affordable education to all sections of society including various disadvantaged groups.

The Department is working towards the goals of overall personality development, offering flexibility and encouraging significant research and nurture creativity through industrial orientation by offering Projects.

The Information Technology field allows students to bring their general computer knowledge into a variety of specialized niches. The world of Information Technology is always growing and changing, so learning how to keep up with the pace of technology is one of the most important things students learn when enrolled in a degree and post-graduation program of our Department like B.Sc(IT), BSc (CS), MSc (IT), MSc (CS), MSc (DataScience).

Staying current on trends in technology and the changing online environment can increase job security and upward mobility. The increasing role played by information technology in the development of society calls for increasing number of seats for professional courses like Computer Science and Information Technology.

ACADEMIC :

1) CS-IT Department is known as an incubator for up-and-coming IT talents. In hopes of discovering some new great minds, placements and research development, around 50 students participated in the Infosys, IGATE, Accenture and Tech Mahindra career fair .

2) To educate and create awareness about social responsibility by conducting events related with environment, Department has encouraged students of FY, SY and TY(BSc CS and BSc IT) to visit various NGO's to sensitize them about the social issues faced by the society. Also they had been made to read books on different genres and conducted the book review in order to develop their thinking and communication skills.

3) Almost all of our academic staff are involved in undergraduate and postgraduate teaching. Students are actively involved in internships and projects modules. Many students spend summers as interns in companies. Social activities include participation in Art and Music competitions, Welcoming Fresher's, Sports and Gaming Sessions, IT festivals HORIZON,

Industrial visits. Students often win awards at collegiate and intercollegiate competitions and events. We also encourage the students to take up NCC and NSS at the undergraduate level for overall personality development.

EVENTS LIST :

To foster global competence and support career building of students and faculties through various courses, workshops, seminars, events, competitions and industrial visits. Motivate the students to excel in co-curricular and extra-curricular activities and encourage the sportspersons to excel.

No.	Title of the Programme	Date/ Time	Level	Chief Guest/ other guests	Content ofthe Programme	Outcome/ Achievements
1.	Opportunities in AI	17th Feb 3 to 4 pm	College	Chief guests: Mr. Pritesh Tiwari Other guests: Ms. Sandhya Ozha	The objectives of program were that students must be aware about Artificial Intelligence and its applications. The career opportunities in AI. The different programming languages are necessary to start the career in AI.	In depth knowledge of Artificial Intelligence Application of AI in various areas like voice controlled commands, understanding natural language, weather reports , facial detection, banking insurance etc Career opportunities in AI.
2.	Pandemic effects on tech job and way forward	18th Feb 3 to 4 pm	College	Rajan Kubal	The objectives of program were that students must be aware about what is the effect on pandemic on the jobs and also what would be the future opportunities.	Effect on pandemic on the current jobs based on various technologies like IoT, AI, Data Scie nce etc The future conditions of jobs in various cities Opportunities in the evolving new branches due to online learning and cyber hygiene
3.	Engineering Data Analysis	20th Feb 3 to 4 pm	College	Shubham Bhosale (TYIT, Kirti student)	The objectives of program were that students must be aware about emerging field Data Analytics and its applications.	What is Data Science and future opportunities in Data science Difference between Data analytics and Data Science.What is going in industry and what are future requirements of the industry.

- Apurva Yadav
Head Dept. of Computer Science and IT

DEPARTMENT OF ECONOMICS

The year 2020-21 has been a year of great learning. Humanity across the globe was affected by Covid-19 pandemic. People experienced extreme changes in every walk of life. Citizens were confined to four walls of their houses for weeks and months. Education was badly affected too. Virtual teaching and learning has become a buzz word and probably the way forward. The on line mode of teaching and learning has become so common that the University Grants Commission has introduced the concept of Blended Learning even in post pandemic period . Our parent institution i.e. Deccan Education Society and our college created suitable infrastructure to interact with student fraternity with ease, and to conduct teaching learning process in an uninterrupted manner. Department of Economics also accepted this new challenge of Virtual Teaching and geared up to engage students with a positive frame of mind.

Faculty Development Programme on " Train The Trainer": Initially, faculty members attended faculty development program to equip themselves with the skills of operating Microsoft Teams for conducting classes and organizing programmes.

Orientation of First Year Students : Orientati- on on evaluation practices , discipline, co-curricular and extra-curricular activities is conducted every year particularly for First year students by IQAC and Examination Department. Orientation progammme is the platform where we introduce our students with our support services for the all round development of our most important stakeholders, the students. Faculty from our department actively participate in this programme. This year orientation programme was conducted on virtual platform and was attended by most of first year students.

AARTHIK PRERNA : A Series of Webinar on Contemporary Socio-economic Issues was jointly organized by Department of Economics and BMS, Kirti College for Degree college students. These webinars were organized under the aegis of SURJAN: An Annual Academic Festival organized by IQAC.

a) National Level Webinar: Under Aarthik Prerna, a National level webinar was organized on Human Development Issues and Recent Developments in Banking Sector on 16th February 2021. Dr Sandhya Iyer, Associate Professor, TISS, Mumbai was the resource person for first session. She made a research based critical assessment of India growth story since 1991. 'Economic Growth and Human Development Challenges in India: Outcomes in Post-Economic Reforms Period'. She stressed upon the need for micro level development strategies rather than one size fits all approach to expand employment opportunities and reduced income inequalities. Dr. Sandhya also pitched for investment in education and health for long term sustained economic development and better quality of life. Her presentation and question answer session was well received by more than 200 participants from Mumbai, Maharashtra, West Bengal, Assam, Bangalore and New Delhi.

The speaker of second session was Mr Indreel Pandit Vice-President, Federal Bank Ltd. He spoke about the Recent Trends in Banking Sector. He underlined the significance and disruptions brought by financial technology and artificial intelligence in the banking sector. Post demonetization, banking sector and financial technology companies have huge data trail as a result, the traditional banking system is hugely challenged by fin tech firms. Mr. Pandit's session was very interactive as well. He honestly answered different kinds of question with a calm and composed mind.

b) Guest Lecture on 'Financial Inclusion: Need of the Hour' was conducted on 20th February 2021. Mr Devdatta Dhanokar (Certified Financial Planner) was the resource

person. Mr. Dhanokar stressed upon the need to understand the significance of portfolio management and financial planning at a young age. Student community need to be well versed with financial literacy and inculcate habit of financial management. The question answer session was highly fruitful.

Both the programs got overwhelming response from students and teachers. The faculty from the department worked relentlessly to make these programs meaningful and fruitful. We would like to appreciate the cooperation & support extended by college management and IQAC.

4) Ms. Shubhshree V. Parab :

Due to COVID-pandemic the decision was taken by authorities to accomplish all task online this year. It was altogether different experience and unexpected changes were waiting for us.

At the beginning of academic year, she presented paper titled 'Reverse Migration in India' at online webinar organized by Kirti IQAC on 10th June, 2020. The reason for this humble but sensitive topic chosen for the webinar was that during lockdown (imposed by government to arrest spread of COVID pandemic) many lost daily wages and were forced to come on streets. They were left with no option but to return back to their hometown. We came across large scale of migrants walking back. We have all been witness to harrowing, nerve-wrenching and bone-chilling images of the exodus (migration) of these marginal and "invisible" drivers of the informal economy of urban India. Overall, we witnessed process of reverse migration in India. As an important stakeholder of society, we need to introspect this process. We need to understand this problem as it will affect our economic growth and create social problems. The presentation received good response from the staff of the college. AARTHIK PRERNA : A Series of Webinar on Contemporary Socio -economic Issues was jointly organized by Department of Economics and BMS, Kirti College for Degree college students. This webinar took under the banner of SURJAN: An Annual Academic Festival organized by IQAC. Being part of organizing committee of AARTHIK PRERNA, she drafted letter of invitation and compare for both the programmes under AARTHIK PRERNA. The first programme was conducted on Tuesday, 16th February 2021. The speaker of first session was Dr Sandhya Iyer Associate Professor, TISS. The topic was 'Economic Growth and Human Development Challenges in India: Outcomes in Post-Economics Reforms Period'. The speaker of second session was Mr Indreel Pandit Vice-President, Federal Bank Ltd. The second programme was conducted on 20th February 2021. The topic was 'Financial Inclusion: Need of the Hour'. The speaker for this programme was Mr Devdatta Dhanokar (Financial Planner). Both the programmes got thundering response and it was liked by students. She was invited as Judge for PPT Competition organized by Kirti College Department of Political Science for SURJAN: An Annual Academic Festival organized by IQAC held on 15th Feburary

2021.

This year witnessed triumph for students who were encouraged and mentored by her to participate in Inter-collegiate Elocution Competition. Students who had participated in this competiton Ms Vedanti Gide (FYBCOM-A), Samiksha Mahadik (FYBCOM-A), Aham Nahar (FYBCOM-B), Kunal Khanolkar (TYBA-Eco) and Sneha Ambekar (TYBA-Eco). Ms Vedanti Gide (FYBCOM-A) bagged FIRST position in Inter-Collegiate Elocution Competition organized by Nirmala Memorial Foundation on 10th November 2020. She came FIRST out of 44 participants in the competition.

Ms Vedanti Gide (FYBCOM-A) bagged FIRST Prize in the Intercollegiate Elocution Competition named 'Eminence 2021' organised by S.I.A College, Dombivali held on 12th Feb 2021. She won FIRST prize in both Elocution Competition and Interview Competition among 25 participants in the competition.

Mr Aham Nahar (FYBCOM-B) and Ms Vedanti Gide (FYBCOM-A) bagged FOURTH Prize in the National Level Debate competition titled 'Has Gender Equality Achieved in India' organised by VPM's B.N.Bandodkar College, Thane held on 8th March, 2021. It was a part of International Women's Day celebration.

We also had winners in Birla Lit Festival 2020-21 which was held on 16th and 17th March 2021. Ms Arya Sant (FYBCOM-B) got Second prize in Literary Quiz and Test you Lexcion. Ms Vedanti Gide (FYBCOM-A) got First prize in Elocution Competition.

In SAYBA Fest 2020-21 organised by Smt. Janakibai Rama Salvi College, Thane we had two winners in Inter-Collegiate Elocution Competition. Ms Vedanti Gide (FYBCOM-A) got Third Prize and Mr Aham Nahar got Consolation Prize.

This year attended various workshop and seminars too. First, Kirti IQAC College level Online Webinar on 'Effective Workout for Developing Healthy Lungs' on 11th June, 2020. Second, Kirti College IQAC and Dept of Computer Science and Information Technology on 16th, 17th and 18th June 2020 titled 'Train the Trainee: Offline to Online using Microsoft Teams'. Third, Participated in one day Online Training Workshop on Understanding and Addressing Sexual Harassment on Campus' organised by Women Development Cell, University of Mumbai and S. M. Shetty College, Powai on 5th February, 2021. Fourth, Attended Kirti College IQAC and Department of Political Science an Online Webinar on 'Global Order and India: Challenges and Choice' held on 29th March, 2021.

The research paper titled 'Income Inequality: A Different Theoretical Perspectives' published in UGC CARE Listed International peer-reviewed and referred Journal named SHODH SARITA Vol.No.8 (29), January-March 2021 and ISSN 2348-2397. This paper is co-authored with Dr Prakash Salvi (Retired HOD, D.G.Ruparel College).

This year worked in various college committees such as Women Development Cell (Convenor), Avishkar Committee, Anti-Ragging Cell and Online Exam Committee member. I also helped in Admission Committee work.

She has volunteered to help support staff (security and sweepers) and senior citizens during quarantine phase (COVID-19) of her residential society. She was one of the co-ordinators of the society's group managing food and essentials for them. She has also provided breakfast and lunch to supporting staff during lockdown period of COVID-19 as and when required. She has helped senior citizens in society to get essentials like food, mask etc from the market.

- Dr D.S.Manwar
(Head, Dept of Economics)

DEPARTMENT OF GEOGRAPHY

Department of Geography started its academic and extracurricular activities for the year with great enthusiasm as well as with many challenges and limitations. This year 45 students took admission for TYBA with Geography as a special subject.

Geo Nature Club formed by our department carried out the first activity in the current academic year on 25.08.2020. Prof. Rohan Rajapkar along with second and third year geography students conducted beach cleaning activity at Dadar Beach. They collected several Lord Ganesh idols and handed over to BMC authorities for proper disposal.

When the city of Mumbai was battling with COVID -19 pandemic, staff and students in our department helped in various ways. Prof. Rohan Rajapkar along with an NGO supplied food kits and to around 130 needy people for six to seven months. He organized and conducted COVID-19 screening tests for people in Sion area. He also donated blood at the BMC blood bank. Prof. Lalita Salvi and her friends helped needy people in her area with COVID-19 kits which contained Sanitizers, Masks, Grocery items, etc. TYBA Geography student Omkar Gole voluntarily distributed food kits to factory workers. He participated in 11th Mass Screening program at Ramabai Nagar, Ghatkopar as well as Chembur during 10th to 21st June 2020 and became COVID warrior. He volunteered to draw social distancing circles in front of essential goods shops in Village Road area, Bhandup.

Followed by an appeal made by Dr. Sharadji Kunte, Chairman, Deccan Education Society, "Nisarg Pujan" was organized by Prof. Vrushali Bhalerao and it was organized by Prof. Vrushali Bhalerao and it was,students prepared various cartoons, posters, charts, models etc. based on the theme related to environment. Ms. Tanvi Koli, TYBA student made an affordable electric invertor using household materials.

On 14th January 2021, on account of Geography Day, under the guidance of Prof. Vrushali Bhalerao, students prepared various cartoons, posters, charts, models etc. based on the theme related to environment. Ms. Tanvi Koli, TYBA student made an affordable electric invertor using household materials. Under the banner of the Annual Academic Festival 'Srujan 2020-21', Department of Geography organized three different activities :

1) 15th February 2021 : Workshop on "Hands-on Training in Q-GIS Software" was conducted. Prof. Dr. Sameer Butala, gave demonstration and training of Q-GIS software which was attended by 62 students.

2) 15th February 2021 : Guest lecture by Prof. Dr. Anita Awati was organized on "Maharashtra Tourism Potential" which was attended by 121 students. It made the students understand the huge potential to develop tourism in Maharashtra and also made them aware of different upcoming trends in the field of tourism.

3) 17th February 2021: Interdisciplinary Guest lecture on "Tissue Culture and Polyhouse Farming – Modern Trend in Agriculture" by Prof. Alisha Pimple was organized which was attended by 144 participants. Prof. Alisha gave guidance on the specific topic and made the biotechnology concepts clear for the Geography students.

On 3rd March 2021, One Day National Webinar on the theme "Tourism in India: Explore the Unexplored" was organized by Dept. of Geography, convened by Prof. Vrushali Bhalerao. This webinar was massive success and was attended by participants across 25 states all over India. Feedback for this program was received from more than 550 participants. Many unexplored locations from various parts of India were highlighted and the participants had active interaction with the speakers. This webinar was very informative for the students as it was based on their syllabus topic.

On 17th March 2021, Guest lecture on "Mapping

Essentials – A case study of Forests in Konkan Region" by Prof. Dr. Prakash Dongre, Associate Professor, Dept. of Geography, N. K. College, Malad was conducted on the occasion of World Forest Day. It was attended by more than 85 students. This lecture raised awareness about the importance of all types of forests in keeping the ecological balance. It also helped to understand essential techniques of map making using QGIS software.

On 9th May 2021, Alumni meet was arranged in order to interact with Alumni and establish connection and networking between current students, staff members and past graduates. It was attended by 34 past students.

Prof. Vrushali Bhalerao successfully completed Online Faculty Induction Programme from 18th December 2020 to 19th January 2021 conducted by the University Grants Commission, Human Resource Development Center, University of Mumbai and obtained 'A' Grade.

Prof. Rohan Rajapkar successfully completed four-week Induction/Orientation for "Faculty in University/ Colleges/ Institutes for Higher Education" from 10th November 2020 to 9th December 2020 and obtained 'A+' Grade conducted by Teaching Learning Center, Ramanujan College, University of Delhi.

During this academic year Prof. Vrushali Bhalerao, Prof. Rohan Rajapkar, and Prof. Lalita Salvi participated in various Faculty Development Programmes, International & National Conferences, Webinars organized by Kirti College and various other institutes.

DEPARTMENT OF MATHEMATICS

Dr. Seema Purohit was transferred as In-charge Principal to Brihan Maharashtra College of Commerce, Pune in December 2020, after 30 years of service in the department of Mathematics , Kirti College. She has served the college in many capacities including life member and Vice - Principal. The department wishes her all the very best in all her future endeavors.

Two teaching staff members joined the department. Prof R.N. Garje from Brihan Maharashtra College of Commerce, Pune and Prof Sunil Howal from Fergusson College, Pune. Due to the pandemic and subsequent lock down all classes were conducted online throughout 2020-21. It was a unique experience teaching Mathematics online. Powerpoint slides, Microsoft whiteboard and digital board and smartboards were used by the faculty to conduct lectures from remote locations.

The department conducted three online programmes for students during the academic Festival SRUJAN :

"Counter examples of Continuous and Differentiable functions" by Dr. Y.M. Borse, Professor, Dept. of Mathematics, Savitribai Phule Pune University on 19/02/2021.

A lecture on ISOPERIMETRIC PROBLEM By Dr. Rajesh Raut, Department of Mathematics, National College, Bandra , Mumbai on 19/02/2021.

A PPT Presentation on Applications of Mathematics by students of FYBSc, SYBSc and TYBSc on 20/02/2021

Prof. Mathew Samuel :

Prof. Mathew Samuel is the IQAC Coordinator of the college.

As IQAC coordinator and in collaboration with other committees/cells/depts the following programmes were organized :

1) Reverse Migration : College level webinar

2) Effective workout for developing healthy lungs: College level webinar

3) Orientation programme for FY students

4) Career counselling seminars

5) Seminars regarding placement

6) Kargil Vijay Divas

7) 3 day programme on digital safety of women(Digital Stree Shakti, Cyber Sakhi, Building Digital Guardians,

Sexual Harassment Act, with NGO Responsible Netism and ICC , Kirti College)

8) Avishkar activities

9) Srujan – the academic festival

10) Cultural workshop series – Abhivyakti

11) Annual cultural festival ANTARANG

12) National webinar on tourism by Geography dept.

13) National Webinar " Global Order and India : Challenges and choices" with Pol. Science Dept.

14) A webinar on " IPR : What researchers need to know"

In addition he has participated in the following webinars/online workshops :

1) Principals Conclave: "Sustainability Education in Covid era": Climate Reality Project on World Environment Day

2) Train the trainer" Offline to online using Microsoft team" 3 day FDP by CS-IT dept. Fergusson College

3) Webinar "Online Content preparation": organised by DES

4) Webinar" Effective ways to develop e-content": DMC college of Arts Science and Commerce, Ahmednagar

5) Webinar "Kargil Victory : An inspiration for Indian youth" Celebration of Kargil Victory Day, NCC, Kirti College.

6) One day workshop " An insight into CAS and an insight to its recent amendments in accordance with 7th Pay Commission": P.D. Dalmia Lions College of Commerce and Economics

7) Online Instructional workshop for FYBSc syllabus Paper 1 organised by Board of Studies, Mathematics, University of Mumbai in association with D.G. Ruparel College, Matunga.

8) Online Instructional workshop for FYBSc syllabus Paper 2 organised by Board of Studies, Mathematics, University of Mumbai in association with A.V. College **of Arts, K.M. College of Commerce and E.S.A. College of Science, Vasai.**

9) Webinar "Waste management in Cities" : Institute of Environmental Architecture and Research, Mumbai He has completed a four week Induction/Orientation programme organized by Teaching learning Centre of Ramanujan College, University of Delhi under the Ministry of Human Resource Development and PMMMNMTT receiving a grade of A+.

Prof. Sunil Howal :

Prof. Sunil Howal has completed a two week refresher course in Mathematics organized by Ramanujan College, University of Delhi . He also coordinated and organized the PPT presentation by students during SRUJAN.

Prof. S.N. Garje, and part time teachers **Prof. Sagar Rawool** and **Prof. Yogini Mhatre** were a strong support and epitome of cooperation to every activity especially the numerous online theory and practical examinations that were conducted by the department and tech support required for all the programmes.

NCC GIRLS

The Kirti College Girls NCC Unit under the auspices of 5 MAH GIRL'S BN NCC began its activities with prodigious challenges in June 2020. The training year 2020-21 started under the command of Major Dr. Urmila Sarkar and under the dynamic leadership of Ex-CSUO Jagruti Patil and Ex-CSUO Shivani Pandey. They were well assisted by Ex- CJUO Ankita Upade Ex- CJUO Manali Palshetkar and Ex- Seema Solanki. This year was indeed a challenging one because when we say NCC we think nothing other than filed activities. Situations were worst due to the pandemic. Still cadets with great courage continued to do as many activities they they could do. This report showcases the series of virtual event of our girl cadets. Our enrollment was carried out through google link which was shared on the social media. Though there was a mad rush to join NCC due to the strength constrains, 43 cadets new were enrolled in 1st year.

Independence Day was celebrated in different way where National flag was hoisted at the hands of Honorable Principal Dr. D. V. Pawar sir in college premises with all the necessary precautions and oath was taken by the cadets virtually. Cultural programme was presented through Microsoft teams Platform. The theme for the Independence Day was 'Atmanirbhar Bharat'. Various group dance, songs

and acts were exhibited by our current cadets and Ex-seniors. Ex-seniors who are settled abroad also joined the celebration. On a lighter note, we can say that India's Independence Day was celebrated Internationally. Staff members and Parents who witnessed the show were highly delighted to see a very different yet wonderful celebration of Independence Day. **A brief of various camps attended by our cadeets for the year 2020-2021 are as follows :**

1) Yoga day camp : 17th June 2020 to 21st June 2020

Kirti college NCC girl's unit organized a 5 days virtual yoga camp. More than 100 cadets attended this camp along with teachers, and students of various colleges of 5 MAH GIRLS BN. Various Yogasanas and Pranayama were taught to all the participants. The main objective of this camp was to indulge everybody into keeping themselves fit through Yoga during the lockdown.

2) Combined Annual Training Camp : 1st July 2020 to 4th July 2020

Kirti college NCC girl's unit conducted online Combined annual training camp. 100 Cadets from Mumbai University and NCC SNDT women's University attended this camp. During the camp various activities were conducted like Debate Competition, Poster Making Competition, mask making competition, essay writing competition. That time of hour it was only Kirti College NCC unit who conducted such virtual camps during the lock down.

3) Ek Bharat Shreshtha Bharat camp :

CDT Sejal Chaugule attended Ek Bharat Shreshtha Bharat camp (EBSB) from 6th July 2020 to 11th July 2020 through Google meet hosted by Uttarakhand directorate. She secured gold medal in "Dekho Apna Desh" presentation.

CDT Eliza Singh attended Ek Bharat Shreshtha Bharat Camp (EBSB) from 22nd March 2021 to 27th March 2021 through Microsoft teams which was hosted by Uttar Pradesh Directorate. She also attended an EBSB Kerala and Lakshwadeep Directorate.

4) 32 Cadets this attended the **Combined Annual Tra Training Camp - 411 'B'** certificate examination from 1st March 2021 to 3rd March 2021. Various topics like Health and hygiene, Map Reading, Judging distance and Field signals, Firing, and drill were taught during in this camp.

5) 25 Cadets of Kirti College attended **Combined Annual Training Camp - 412.** for 'C' certificate examination from 1st March 2021 to 5th March 2021. Various topics like Health and hygiene, Map Reading, Judging distance and Field signals, Section formation, Firing, Communication skills and drill were taught during in this camp.

6) NCC Help Program : NCC Help Program was conducted by 5 Mah girls Bn NCC from 10th November 2020 to 4th 2020 to 4th December 2020. Due to COVID-19 Pandemic many people are suffering from anxiety and depression. In order to help such people, cadets were taught how they can help such people and how their help can make their life peaceful. Lcpl Komal Chavan and CDT Eliza Singh had participated and had shown their efforts and empathy. An insight of Social Activities conducted by our cadets.

1) Awareness Videos : In this pandemic **awareness videos acted as a powerful tool to** Raise awareness, educate people and inspire people to act, to take a specific action.

a) On 21st March 2020 Cadets created a videos on how to take care of safety due to Janta Curfew which was held because of COVID-19. 39 cadets had participated and had made beautiful message giving videos which was shared on social media too.

b) On 17th April 2020 32 Cadets created videos on precautionary measures and rules that need to be followed during pandemic. These videos were posted on social platforms of our college and also among the masses.

2) Earth Day : On 22nd April 2020 cadets created awareness by preparing posters on Protecting Earth expressing their love toward Mother Earth. 42 posters were then posted on Social Media.

3) Short Film Making Competition: On 26th April 2020 we organized a short film making competition , where cadets made films on boosting our immune system Topics for the film making were Quality time Quarantine, COVID-19 and yoga, COVID-19 Do's and Don'ts. 28 cadets participated in making the videos.

4) Mask Making Competition: On 6th May 2020, an Intercollegiate mask making competition was held where 60

cadets of many colleges like MD College, SPN Doshi College, SNDT College, MMP Shah College, Ruia college, Ruparel College, PL Shroff College, SPH Bordi school and Anushkati Nagar Schools participated in this competition and had showed their creativity.

5) World Environment Week:

a) The "World Environment Day" was observed on 5th June.

On 5th June 2020 World environment day was celebrated virtually due to Covid-19 pandemic. We held National Level Essay writing competition for cadets on the topic "Effects of COVID-19 on Environment" and 150 cadets from all over India participated. Every 150 cadets from all over India participated. Every Cadet participated with full dedication. Cadets of Uttarakhand, Uttar Pradesh, Goa, Kerala, Gujarat and Maharashtra participated in this competition.

On 6th June 2020 an Elocution Competition was held in our unit which was massively responded by 42 cadets who had boldly spoken out their words. On same day itself Tree plantation activity was held too. same day itself Tree plantation activity was held too. 35 Cadets planted trees and also made an activity video.

On 7th June 2020 Poster making competition was conducted on the theme of COVID-19. PowerPoint Presentation regarding the theme was been made and was shown to Participants wherein 35 cadets had participated.

On 8th June 2020 A compost bin activity was conducted. Activity video was recorded by the cadets for the same in which 25 cadets had participated.

6) On 9th June 2020 Cadets made educational video on topic "Benefits of segregating waste" in that video 28 cadets performed activities that shows how useful things can be created from the waste materials which are thrown.

7) On 10th June 2020 Best out of waste Competition was conducted. In this competition 45 cadets made projects like Rakhi, Toys Cars, etc. out of the waste. Cadets made video on how they made those projects and were shown to everyone.

8) International Yoga Day : On 21st June 2020 Inter International Yoga Day was celebrated virtually via Zoom. 105 cadets of our unit and 40 current ex cadets and cadets of other colleges also participated and various forms of Yoga were performed.

9) International Day Against Drug Abuse and Illicit Trafficking: On 26th June 2020 Cadets Participated in International Day Against Drug Abuse and Illicit Trafficking. Poster Making Competition was conducted, different posters were made to create awareness on treacherous effects of Drug abuse and Illicit Trafficking.

10) Diksha Training App : - On 1st august 2020 cadets got a chance to train their self with the help of Diksha training app through an online process. There were various courses and videos on the precautions against Covid-19. 80 cadets had downloaded and completed the training.

11) NCC training app : After the Diksha app, Defence Minister Rajnath Singh with DG NCC Lt General Rajeev Chopra had launched DGNCC Mobile Training Rajeev Chopra had launched DGNCC Mobile Training App for the benefit of NCC cadets to help train themselves during COVID-19 time in which 85 cadets from our unit downloaded and completed the training.

12) Human Right's Day: On 10th December 2020 Poster making competition was conducted on the topic Human rights. 26 cadets had participated. The main motto of this activity is to make cadets aware of human rights.

13) Swachhta Pakhawada (Swachata Week) : Swachta Pakhawada was observed to create awareness about cleanliness. Various activities were conducted, from 13th December 2019 to 16th December 2019.

On 13th December 2020 Wall Painting activity was conducted on Segregation of Waste were cadets painted on the available wall near their home. The main motto of this activity is to create awareness about segregation waste (Swachh Bharat). 12 cadets had made beautiful paintings and then shared its photos on the social media.

On 14th December 2020 Plogging was conducted on Swachhbharat. The main motto of this activity is to create awareness among cadets towards clean India and to be proud litter pickers. 15 cadets had contributed their

participation.

On 17th December 2020, 12 Cadets performed Nukkad Natak at Worli sea face area to help people know about importance of Swachh Bharat.

14) Blood donation: On 11th February 2021 Cadets participated in blood donation activity which was organized by Kirti college along K. E. M. hospital and Jagjivan ram hospital, Parel. This activity was held at Dadar station and NCC cadets were willing to volunteer. 5 Cadets also donated blood. Each cadet donated 1 bottle of blood which contains 450ml of blood. In total 108 bottles were collected with proper safety and precaution.

15) Joy of Giving : On 2nd March 2021 Joy of giving activities was carried out near Dadar station area. 10 Cadets distributed food to poor people by wearing proper mask and sanitization.

16) Women's Day: On 13th March 2021 An inter-company Poster making competition and elocution competition was conducted on the occasion of women's day depicting the contribution of women's in every field. 39 cadets had participated and had shown their efforts.

17) PowerPoint Presentation competition: On 5th April 2021 NCC girl's unit of Kirti college in collaboration with Internal Complaint Committee conducted a state level PowerPoint Presentation competition on Safety of women, gender equality and gender sensitization. 87 students from all over Maharashtra Participated in the same.

18) Webinar on say no to plastic: On 13th April 2021 we organized a webinar on "Say No To Plastic" through Microsoft Teams. Ms. Gauri Gurav designated partner of Oikoessence was the Guest speaker. 110 had participated in this session including the cadets of other colleges.

19) COVID-19 Awareness: On 22nd April 2021 an inter-company Poster making competition and Video making competition was conducted where cadets made poster to spread awareness about COVID-19 with giving beautiful and meaningful message and videos were posted on their social media account. 32 cadets had participated in the same.

20) Webinar on 'Refuse to be a victim; Claim your Power': On 23rd April 2021 guest lecture was held by Brihan Maharashtra College of Commerce, Pune. Major Dr. Urmila Sarkarwas the speaker for this webinar. The Theme of the webinar was 'Refuse to be a Victim; Claim your Power'.

Examination :

1) B' Certificate Examination :

On 21st March 2021, 'B' Certificate examination was held at SNDT College, Churchgate. 33 cadets appeared for 'B' Certificate examination for year 2020-21.

2) C' Certificate Examination :

On 4th April 2021, 'C' Certificate examination was held at M. D. Shah College, Malad. 25 cadets appeared for 'C' Certificate examination for year 2020-21. Maj Urmila Sarkar was one of the Board members of C certificate examination.

-Dr. (Maj) Urmila Sarkar
Coy - Commander

NATIONAL SERVICE SCHEME (NSS)

National Service Scheme (NSS) is a community service-oriented unit. At present Mr. Ankush Dalvi is the program officer of the unit.The NSS unit observes and organizes various programs on all International and National Importance days like Yoga Day, Transgender Visibility Day, National Voters Day, Environment Day, AIDS, Women's day, so on. Kirti college NSS unit has done some important activities during Covid-19 pandemic. Some of them are as follows :

1) On 20th April 2020, NSS volunteers sanitized their own and nearer building Two NSS volunteers were participated in building sanitizing activity.

2) On 27th April 2020, NSS volunteer in leadership of Ms Mayuri Jadhav distributed hand made mask to on duty police during Covid-19 Pandemic. The about 20 mask was prepared and distributed by our volunteers during that hard time.

3) On 10th June 2020, volunteers of kirti college made mask and distributed these hand made mask to police who were working for covid-19 pandemic as Covid yodhha. Kirti college volunteers (TWO) distributed about 35 mask.

4) On 24th June 2020, our Last year NSS Volunteer helped during Covid19 Pandemic for screening of Covid-19 Cases with one of the organization.

5) The quarantine period has been difficult for all people. In this time it is our solemn duty to help out those who need the help most .On Sunday i.e 26-07-2020 we the NSS volunteers of Kirti M.Doongursee college distributed cloth masks, senitizer, cloths, rice and wheat to the more than 100 homeless and migrated children's and families at dadar western railway station under the project of Kirti Kiran. where the Food ,Mask & cloths material collected by the volunteers itself and the sanitizer's are provided by OPCR (organization for protection of children's right) NGO.

The main volunteers participated in this activity are Parmeshwar Ufade, Rishikesh kannoujiya, Mayuri Jadhav, Mansi Berde, Nisha humbre.

6) The doners were Neha khan, Samruddhi Jarande, Kiran Khambal

The distribution included Sanitizer - 36 bottles, Mask - 155 , Rice -75 kg, Wheat - 50 kg, Ladies Dresses - 16 , Girls & boys' Cloths – 30 & Footwear - 4 pair's. We distributed total 366 items in this distribution campaign.

7) On 11th Feb 2021, Kirti college NSS and NCC unit organised a Blood Donation Camp at Dadar station with KEM blood bank. Principle Dr D. V. Pawar motivated to program officer Mr Ankush B. Dalvi to initiate this activity. Total 117 blood bottle was collected in that period of covid-19 pandemic.

Also, Kirti college NSS volunteers participated in different online activities during this year such as selfie with nature, international yoga Day, Tree plantation at home.

Also, volunteer was organised and participated in online intercollegiate Competitions like Poetry, slogan writing, Poster Making etc. under the banner of 'Vanmahotsav'

NSS Unit - Degree College

DEPARTMENT OF PHYSICS

Department of Physics conducted various activities throughout the academic year 2020-2021 to encourage students . Teachers from department worked under various committees at College level and also were actively involved in Research .

Dr. M S Jog :

1) Worked on various committees at College level which are as follows :

i) Chairman - Gymkhana Advisory Committee.

ii) Member - Examination Committe

iii) Member - Research Promotion Committee

iv) Member - Cultural Committee

2) Appointed as Board Of Studies (BOS) member for Physics of B. N. Bandodkar College. Thane (Autonomous College) for next three years

3) Got recognition as Ph.D. Guide in Physics for University of Mumbai.

4) Published eleven research papers in the field of Luminescence (Physics) in various international and national level journals.

5) Published one book in Physics and Registered one patent .

Prof K. V. Dagadkhair :

Worked as :

1) The member of Result Committee, Gymkhana Committee and Avishkar Committee constituted by the Principal of the college.

2) Mentor for writing research proposal by students in University of Mumbai, AVISHKAR Research Convention : 2020 - 21.

3) Organizing member of departmental events- Jidnyasa: Power Point presentation and physics Aptitude test by students and Srujan : Guest lecture on Aerodynamics.

2) Mentor for writing research proposal by students in University of Mumbai, AVISHKAR Research Convention : 2020 - 21.

3) Organizing member of departmental events- Jidnyasa: Power Point presentation and physics Aptitude test by students and Srujan : Guest lecture on Aerodynamics.

Participated in following online events :

1) "Reverse Migration" webinar organized by Internal Quality Assurance Cell of Kirti College on June 10, 2020.

2) "Classroom to Web room" webinar organized by Internal Quality Assurance Cell of Kirti College on Sept. 4, 2020.

3) "Train the Trainer: Offline to Online using Microsoft Teams" webinar organized by Internal Quality Assurance Cell of Kirti College on 16 - 18 June, 2020.

4) "15thInter-collegiate/ Institute/ Department Avishkar research Convention Workshop" organized by University of Mumbai, Department of Students Development on March 24, 2021 .

5) "IPR - What Researchers Need to Know" Webinar organized by Internal Quality Assurance Cell of Kirti College on April 3, 2021.

Prof. A. A. Nimbekar :

1) Published a research paper entitled " Plasma-Assisted Grafting of PPY on Polyester Fabric as Gas Transducer" in the international journal IEEE Transactions on Plasma Science in July 2020.

2) Published a research paper entitled " Plasma-induced grafting of polyaniline on polyester fabric for gas sensing application" in the international Journal of Material Science: Materials in Electronics in November 2020.

3) Incharge of organizing the Physics Aptitude Test (PAT-2020) on 15 February 2021 in "JIDNYASA" a departmental event during a college Academic Festival "SRUJAN -2020-21."

4) Participated in the international "Material Science e-

conference -2021" organized by School of Physical Sciences, KBCNMU, Jalgaon, India during 18-20th March 2021.

5) Presented a paper titled "Polypyrrole Grafting on Oxygen plasma processed Nylon 6 fabric for gas sensing Application" in the international e-conference on "Advances in Plasma Science and Technology" organized by Sri Shakthi Institute of Engineering and Technology, Coimbatore, India during 27-29 May 2021.

Dr. J. R. Mahajan :

1) Published research papers in UGC listed and peer reviewed journals.

2) Convener of "IPR - What Researchers Need to Know" Webinar organized by Internal Quality Assurance Cell of Kirti College on April 3, 2021.

3) Worked as cocoordinator of IAQC, and worked in different committees of the institution

4) Organizing committee member of "JIDNYASA" on 15 February 2021 a departmental event during a college Academic Festival "SRUJAN-2020-21."

Various activities were conducted by department for F.Y. , S.Y., T.Y. Physics students through our scientific annual festival ' JIDNYASA ' . The activities conducted were :

1. PAT (Physics Aptitude Test)

2. PPT competition on concepts based on Physics.

3. Physics popular lecture.

No.	Title of the programme	Date/ Time	Level International / National/ State/ University /College/etc	Chief Guest/ other guests	Content of the programme	Outcome/ Achievements
1.	Physics Aptitude Test (On line)	15 Feb 2021 8 am	College Level	------	Aptitude Test in Physics for F.Y./S.Y. /T.Y Physics Students	25 students participated
2.	Power Point presentation Competition On Concepts of Physics (on line)	16 Feb 2021 8 am	College Level	------	F.Y./S.Y./T.Y Physics Students Presented PPTs on Basic concepts of Physics given to them.	31 students participated
3.	Physics Popular Lecture(on line) 'Introduction To aeromodelling'	17 Feb 2021 8 am	College Level	Dr.Rajesh Joshi	College Level	Students Were Highly Motivated

Students were highly motivated and very much enthusiastic to attend all these activities . The interaction of students with guest speaker was very much appreciated by speaker. The success rate of passing F.Y. , S.Y. , T.Y. students in annual exams was observed to be very high.

- Dr. M.S. Jog
Head , Department Of Physics

DEPARTMENT OF POLITICAL SCIENCE

ACTIVITIES :

During Srujan- 21, an academic festival, the department had organized a Guest Lecture by Shri Milind Thatte, on the subject of 'Tribal Issues and Movement in Maharashtra-Issues and Challenges'. Shri. Milind Thatte is a Tribal Rights Activist and Founder of Vayam, an NGO for the tribal welfare. This Guest Lecture was organized on 18th February 2021. It had an audience of Faculty members and students of Political Science from various colleges in Maharashtra. It was attended by 213 students and teachers from various colleges besides Kirti College. This includes M.D. College, Parel, Bhavan's College, Charni Road, Sathaye College, Vile Parle, Ratnam College, Bhandup, R.J. College, Ghatkopar, Wilson College and some colleges from Kokan as well as PG Department of Civics and Politics, University of Mumbai. Guest speaker delivered an engaging and inspiring talk on the topic. Program began with the Welcome address from HOD, Ms. Medha Dhapre. TYBA student Tanvi Mestry introduced the Speaker and another student Ms. Ashwini Bhagane proposed the Vote of Thanks. Dr. Minal Mapuskar compered the program.

On 15th February 2021, PPT Competition was organized , to encourage students to acquire new skill of PPT making and presentation and an attempt to make the students tech-savvy :

Competition – two themes :

1) Portrayal of Indian politics in films

2) Laws regarding Indian citizens

Judges :

1) Dr. Jyoti Mundhe, Dept of English

2) Prof. Shubhashri Parab, Dept of Economics

Results :

Theme 1 - <u>Issues of Indian Politics projected through films</u>

1) Surabhi Padmere TYBA

2) Ashwini Bhagane TYBA

3) Rujuta Sakpal FYBSc

Theme 2 - <u>Laws regarding Indian Citizens :</u>

1) Ankit Yadhav FYBSc

2) Nishi Shah FYBA

3) Juilee Kadam FYBA

Consolation - Tanvi Mestry TYBA

Results –

The department has a legacy of impressive results, with the brilliant grades acquired by the students. This practice has prevailed in the current academic year. The department has 12 meritorious students and the topper is Rahul Lokhande, who has achieved a CGPI - 7.56. Our department organised one day national webinar on 29th March 2021. The webinar was organised on a broader theme titled Global order and India: Challenges and choices. Dr. Jabin Jacob,Dept. of International Relations & ernance Studies , Shiv Nadar university, Greater Noida gave inaugural address.

eakers of international repute were invited to talk on wide variety of themes. Amongst the dignitaries were

Professor, Dr. Mrudul Nile, University of Mumbai Dr. Arawind Yelary, Peking University, China, Dr. Uma Purushothaman, Central University,Kerala, Preksha CHHETRI, JNURohan Chaudhari, MAKAIS ,Kolkata, Sumedh Lokhande, Dalian Meritime University ,China .Prof.Janhavi Kolte compered the entire session.

INDIVIDUAL ACHIVEMENTS :

1) MS. JANHVI RAJESH KOLTE :

A) 10th February 2021 :

Participeted in University Level Workshop on " Dissertation Writing" organised jointly by department of Political Science and English, Kirti M. Doonguree College.

B) 9th March 2021 :

Member of organizing committee and compered workshop titled " Competitve Exams in India UPC Exam" organized by Carees Cell of Kirti M. Doonguree College.

C) 12thApril 2021 :

Presented Paper in "One Day International Interdisciplinary E- Conference on India asa an emerging global power.

D) 22nd May - 29th May :

Attended " Capacity building program & Pre- phd Caurse on Research methodology" in Social Science organized by centre for innovation of Gujrat Research Societys Hasraj Jivandas College, Khar

- Prof. Medha Dhapre
Head, Dept. of Political Science

DEPARTMENT OF STATISTICS

Our academic year 2020-21 has started with new visiting faculty members Ms. Ruskhar A. Shaikh, Ms. Namrata M. Gajare and Mr. Siddhant M. Marathe.

DEPARTMENTAL ACTIVITIES:

1) Under Annual Academic Festival **'SRUJAN 2020-21',** we have conducted the following activities :

Poster Making with Poster Presentation competition was conducted on 15th February 2021 for F.Y.B.Sc. & S.Y. B.Sc. Statistics students, for evaluating a student's knowledge and creates opportunities for active discussion and participation.

The competition is arranged for F.Y.B.Sc. & S.Y. B.Sc. Students separately with the **Following Current Topcis :**

▸ F.Y.B.Sc.:

1) The future of Machine learning and Deep learning in next 15 years.

2) Statistics as the base of Artificial Intelligence (A.I.)

▸ S.Y.B.Sc.:

1) The Impact of Covid-19 in Health sector.

2) Deferred Indian Census 20 -21.

The objective of giving current topics is to help them to stimulate the flow of ideas and encourage students to think out of the box. This competition facilitates them, enhances their creative thinking and encourages extensive research and reading.

'Research Project Presentation by T.Y.B.Sc. Stdents' was arranged on 17th February 2021. Overall, six teams in a group of five members have done their presentation on virtual platform. The aim behind Conducting this event is for expressing their ideas for the projects selected by them through statistical analysis.

Two-day workshop on PYTHON-Software was conducted on 18th & 19th February 2021 for all Statistics students. The resource person was Mr. Shubham Dhumal, Analyst Modelling from Nielsen Company.

Three - day Intercollegiate seminar was arranged by the alumni on 20th, 21st and 23rd February 2021. On 20th Fed 2021, the resource person was Mr. - Amit Naik, Ancillaire President & Head of Clinical Data Services and Managing Director of Catawba Research India Pvt, Ltd. He had a discussion on "Opportunities for Statistics Graduates".

1) On 21st Feb2021, the resource person was Mr. Swapnil Kadam, Senior Consultant, Fractal Analytics. He had a talk on "Market Research Analysis". On 23rd Feb 2021, the resource person was Mr. Vaibhav Kerkar, Deputy General Manager of Cognizant Technology solutions. He had introduced, "The Role of Statistician In Pharmaceutical Industry" and made them proactive to face the challenges that may emerge in their career path.

2) The Department has conducted certificate course, 'Data Analysis Using Excel Package' in January 2021 for F.Y. B. Sc. & T.Y.B.Sc. Statistics students. The resource person was one of our in-house faculty Prof. Siddhant M. Marathe and some of the sessions were engaged by Dr. S.R. Patgaonkar. The workshop was successful, and it was appreciated by the students.

3) Our eight S.Y.B.Sc. and thirteen T.Y.B.Sc. Students participated in Avishkar Research Convention 2021 on 3rd April 2021, conducted by University.

The six projects were :

1) E-LEARNING, IS BENEFICIAL!!

2) PANDEMIC BRUNT TO THE FEMALE DOMESTIC WORKERS IN MUMBAI SUBURB REGION.

3) STATISTICAL ANALYSIS OF MENTAL HEALTH.

4) STUDY OF SMALL VENDORS ON MUMBAI RAILWAY STATIONS WITH REFERENCE TO HUNGER AND SAFETY.

5) TRASTIC.

6) A STUDY OF SPATIAL MARGINALITY OF STREET

VENDORS IN MUMBAI-A CASE STUDY OF DADAR AREA.

Out of six projects, first five projects were done under the guidance of Dr. S. R. Patgaonkar, Prof. Siddhant M. Marathe and last project is guided by Dr. Harshad Bhosale, Politics Department. Also, one project named "E-LEARNING, IS BENEFICIAL!!" was selected for final round and is guided by Prof. Siddhant M. Marathe.

Dr. S.R.PATGAONKAR :

1) She has published two research papers in Fergusson college, Pune titled " STATISTICAL ANALYS IS OF THE TIME SPENT BY THE KIRTI COLLEGE DEGREE STUDENTS DURING LOCDOWN" AND "STATISTICAL ANALYSIS OF COVID-19 PATIENTS OF THANE CITY AFTER FIRST LOCKDOWN AND ITS IMPACT ON SECOND LOCKDOWN"

2) She has attended Avishkar Research Convention 2021 workshop on 24th March 2021 conducted by University of Mumbai.

3) She has guided two research projects titled "PANDEMIC BRUNT TO THE FEMALE DOMESTIC WORKERS IN MUMBAI SUBURB REGION" and "STUDY OF SMALL VENDORS ON MUMBAI RAILWAY STATIONS WITH REFERENCE TO HUNGER AND SAFETY", at UG level at the Selection Round of 15th InterCollegiate Avishkar Research Convention 2021.

PROF. S. M. THIK :

1) She has cleared SET examination in March 2021.

PROF. S. M. MARATHE :

1) He has guided three research projects titled "E-LEARNING, IS BENEFICIAL!!", "STATISTICAL ANALYSIS OF MENTAL HEALTH" & "TRASTIC", at UG level in the Selection Round of 15th Inter - Collegiate Avishkar Research Convention 2021.

- Dr. S.R. Patgaonkar.
Head, Department of Statistics.

WOMEN DEVELOPMENT CELL

The formation of a college level Women Development Cell was made mandatory by the University of Mumbai after the Vishaka Judgment in the year 2001. In compliance with this mandate of the University, the Women Development Cell of Kirti M Doongursee College was established in the year 2004. This cell also works with ICC of college for effective impl- ementation of women related programme.

The Women's Development Cell (WDC) is a statutory body with the main objective to look into the grievances of gender discrimination and sexual harassment of female students and staff. It also promotes activities related to create awareness regarding gender free society and to change mindset of young budding students towards women. This cell wants to encourage weaker sex of our college to be financially independent, for this reason we orient them with entrepreneurship programmes.

Overall, the main role of Women Development Cell is to promote general well - being of girl students and teaching and non-teaching women staff of the college.

ACTIVITIES (2020-21) :

Online Survey regarding improving 'Safety of Women in India' was conducted by WDC members in month of December, 2020. Suggestions were given by students in form of Developing app with all the emergency services (GPS Tracking with Accurate Information), More strong laws for women's safety, developing special equipment in case if any emergency, Free Martial Arts Training in very institution for Females, Changing mindset of society towards women etc.

Online (Microsoft Teams) Guest lecture on Understand- -ing Gender Equity' by Mr Pravin Thote on 30th Jan 2021. He explained Sex vs Gender, the identity of male and female, heterosexuality, homosexuality, transgender and bisexuality. He focused on the representation of women in all sectors which should be balanced so as to improve gender equity in India.

Online One day Training Workshop by UGC Prevention, Prohibition and Redressal of Sexual Harassment of Women Empowerment and Students in Higher Education Institutions on 5th Feb. 2021. The aim of training was to brief about functioning of ICC and WDC to handle various types of sexual abuse or sexual harassment cases. Prof. Shubhshree Parab (Chairperson, WDC) & Dr Chetana Zaveri (Presiding Officer, ICC and Member, WDC) attended the training programme.

Online Meeting by University of Mumbai on 18th Feb.2021. The agenda of meeting was to examine the functioning of WDC in all colleges. It was chaired by Ms Chandramukhi Devi (Member, National Commission for Women New Delhi). Prof. Shubhshree Parab (Chairperson, WDC) & Dr Chetana Zaveri (Presiding Officer, ICC and Member, WDC) attended meeting and represented college.

Online 'Skill Based Programme' to celebrate International Women's Day on 8th March, 2021. Chief Guest for this programme was Ms Suman Shrivastava (Entreprenuer and Social Worker). She emphasized on Empowerment, Health and Skills development in India. She explained about the achievement of women in society. She also briefed about women having various opportunities to do work or create a niche for one-self in society. Her belief regarding progress of women that 'Successful women should transfer her 'Crown' to other women, as help to other women and it's a 'Chain' which should go on!'.

WDC committee members encouraged students to participate in inter-collegiate events. To mention few events as follows:

A) Online National Level Debate Competition on 8th March 2021 organised by Bandodkar College, Thane & Bedekar Institute of Management. Ms Vedanti Gide and Aham Nahar from FYBCOM participated and bagged Fourth place in this competition.

B) Online Panel Discussion organized by Shroff College on topic 'Balance for Better' on International Women's Day on 8th March 2021. Some students were encouraged to participate in this event.

MEMBERS :

1) Prof. S.Parab (Chairperson)

2) Dr. D. Sangore (HOD, Zoology)

3) Dr. C. Zaveri (Presiding Officer, ICC)

4) Dr. D. Manwar (HOD, Economics)

5) Dr. H. Bhosale (Convenor, Magazine Committee)

6) Prof. N. Kumar (Co-ordinator, BMM)

7) Prof. A. Nayak (Faculty, CS)

Guest Lecture

Chief Guest : Ms Suman Shrivastava
(Entrepreneur and Social Worker).

- Prof. Shubshree Parab
Coordinator, WDC

DEPARTMENT OF ZOOLOGY

DEPARTMENTAL ACTIVITIES :

Associate Prof. D.D. Sangore :

1) Attended Kirti College, IQAC Organized College Level Webinar on "Reverse Migration" held on 10th June 2020.

2) Attended Kirti College, IQAC Organized College Level Webinar on "Effective Workout for Developing Healthy Lungs" held on 11th June 2020.

3) Participated in Patkar College IQAC and Chemistry Department organized a Webinar on "State of Enviro- -nment After COVID-19 Lockdown", on June 13, 2020.

4) Attended International Webinar on Corona, Youth Yoga" held on 21 st June 2020 organized by Kirti Colle- ge, IQAC - UMED –The Ray of Hope.

5) Participated in Sophia College and BOS Zoology Mumbai University organized a Webinar on "The Online Peer Review Workshop of Semester II Zoology Books", on January 20th, 2021.

6) Participated in Sophia College and BOS Zoology Mumbai University organized a Webinar on "The Online Peer Review Workshop of Semester IV Zoology Books", on January 21st, 2021.

7) Attended seminar on Coral Treasures of Sea organi- -zed by Kirti M. Doongursee College, E.V.S Committee, IQAC, on - 11th of March, 2021.

8) Participated in MD College and BOS Zoology Mumbai University organized a One Day Workshop on Revised Subject of Zoology (Oceanography and Fishery Techno- -logy) ", on March 13th, 2021.

9) Attended Kirti College, IQAC and Political Science department Organized an Online Webinar on Global Order and India: Challenges and Choices" held on 29th March 2021.

10) Attended Kirti College, IQAC Organized an Online Webinar on "IPR- What Researchers Need to Know" held on 3rd April 2021.

Dr. Subhash Donde :

1) "Reverse Migration" held on 10th June 2020.

2) "Effective Workout for Developing Healthy Lungs" held on 11th June 2020.

3) "Classroom to Webroom" held on 20th May 2020.

4) "Impact of Covid -19 on Global Economy" held on 18th May 2020.

5) National Webinar Samkaleen Vaishvik Sankat Main Buddha Ki Deshana (07-08 May 2020)

6) International Webinar On "Impact of COVID-19 on The Public Health and Global Economy" held on 28th June, 2020 organized by Laboratory of Public Health Entomology, Department of Zoology, University College of Science, Mohanlal Sukhadia University, Udaipur.

7) External refree for M.Sc. Semester IV Project/ Internship. 22nd and 23rd July 2020 of K.J Somaiya Autonomous College Vidyvihar

8) State level seminar Anapan & Vipasana Meditation Shri Shivaji College Parabhani 2nd August 2020

9) "Common Errors in Academic Communication" held on 6th May 2020."Blooms Taxanomy" held on 29th April 2020.

10) Paper Setter of PET exam in Zoolohy for admission to Ph.D. Organizing Committee member Competititve Exam 9th to 13th March 2021

11) Moderator for M.Sc. exam of Mithibai College (Autonomous 12th April 2020 Fostering Research Culturein Higher Education Institutes" SIES College 17th April 2020.

4) Attended a College Level Webinar on "Classroom to Webroom" held on 20th May 2020 organised by IQAC ,Kirti College.

5) Participated in live webinar on Understanding the New Normal : Coming to face with the anxieties faced by teachers after lockdown held on 3rd June 20 organised by Fergusson college.

6) Attended a College Level Webinar on "Reverse Migration" held on 10th June 2020 by IQAC , Kirti College.

7) Attended a College Level Webinar on "Train the Trainer: Offline to Online using Microsoft Teams" held on 16th,17th&18th June 2020 organised by Kirti College, IQAC.

8) Participated in the National Webinar "Tourism in India: Explore the Unexplored", organised by Department of Geography in association with IQAC on 3rdof March, 2021.

9) Presented research paper ' Sanitary Pads - Need of Menstrual Hygiene and Curse for sustainable environment in semi virtual national conference 'Environmental Pollution : Causes, Effects ,Status and remedies organised by Vishwanath Dalvie college on 29th March 2021

10) Attended an Online Webinar on ""IPR- What Researchers Need To Know" held on 3rd April 2021 conducted by IQAC, Kirti College.

11) Presented a paper ' Climate change - An overview' in one day international interdisciplinary online conference 'Recent Trends in Social Sciences on 18th April 21 organised by Kankavli College.

12) Presented a paper 'Sustainable Development Goal no 13 Climate Action : An Overview in a two day international conference 'Emerging advancement and Challenges in Science, Technology and Management organised on 23rd - 24th April 21 by Shrimati Shobhanatai Chandulal Sheth College of Science, Khed Ratnagiri.

Jeetisha Chavan :

1) Participated in quiz organised by True Healthy held on 6th of January, 2020.

2)Awarded Certificate of Participation for successfully four days "E-learning Course on Basics of Oceanography" jointly organized by Department of Zoology and Sindhu Swadhayay Sanstha, University of Mumbai from 5th June to 8thJune 2020.

3) Awarded Certificate of Participation for attending webinar on "Indian Wildscapes -Voyage and Experiences on field" organized by R.D and S.H National College and S.W.A Science college's Department of Zoology under the aegis of IQAC and DBT STAR College Scheme on 29th of June, 2020.

4) Participated in quiz organized by Srishtiutkarsha in collaboration with Vanyaprani Sanrakshan Sansthaa on the event of World Tiger's Day on 29th of July, 2020.

5) Attended Corals – Treasure of Seas By Harshal Karve organized by Environment Committee in association with IQAC, Kirti M Donngursee college held on 11th of March, 2021.

6) Attended workshop on Revised MSc Part II syllabus ,organized by M.D College on 13th March, 2021.

7) Successfully cleared MU-PET on 27thof March ,2021.

8) Helped organize Alumni Meet , Dept of Zoology, Kirti M, Doongursee College held on 10th of April, 2021

Anjni Gohil :

1) Participated in E-learning Course on Basics of Oceanography, organized by Department of Zoology and Sindhu Swadhayay Sanstha, University of Mumbai from - 5th June to 8th June, 2020.

2) Participated in the Quiz on "Antibiotics v/s Bacteria" Organized by Department of Microbiology of Khandesh College Education Society's, Moolji Jaitha College, Jalgaon, On - 7th of June, 2020.

3) Participated in the National Level Online Quiz on "Biotechnology" Organised by the PG and Research Department of Botany, Holy Cross College (Autonomous), Nagercoil, On- 17thof July, 2020.

4) Participated in the Online Eco Quiz, ECO CLUB – Holy Cross College (Autonomous), Nagercoil, on 22nd of July, 2020.

5) Attended seminar on Coral Treasures of Sea organized by Kirti M. Doongursee College, E.V.S Committee, IQAC, on- 11thof March, 2021.

6) Participated in the One day workshop on the Revised Syllabus in the subject of Zoology (Oceanography and Fishery Technology) of M.Sc. II (Sem IV) Jointly organized by Zoology Department, Maharshi Dayanand College in collaboration with Board of Studies (Zoology) University of Mumbai on 13th of March, 2021.

7) 10th of April, 2021 – Attended Zoology Alumni Meet-2021 organized by Department of Zoology, Kirti M. Doongursee College.

Dr. Pravin Bhise :

1) Attended 3 days training workshop on Value Addition Bamboo Technology Organized by YMC and Indian Councilof Forestry Research and Education – 19th to 21st January 2021.

2) Attended 7 days Capacity Building program on Flexible Packaging for SC/ST Budding Organized by Indian Institute of Packaging Mumbai and MSME – 17th – 25th Feb 2021.

- Prof. D.D. Sangore
Head, Dept. of Zoology

WORKSHOP ON COMPETITIVE EXAMS

Competitive exams conducted by UPSC, MPSC, IBPS, SSC etc are gateway to a successful career. Though the awareness about these exams is increasing, there seems to be a dearth of proper orientation and guidance during the undergraduate years. Given the peculiar socio-economic background of our Kirti College students, right guidance on competitive exams at the right stage is indispensable. Hence, the Workshop on various competitive exams was organized by the Career Counselling Cell of Kirti College. The Workshop was also open for interested students from other colleges especially as it was conducted via online mode.

The workshop was conducted in 6 sessions from 9th March to 13th March 2021.The Online Platform used was Zoom and was streamed live on YouTube Channel of Kirti College IQAC.

THE DETAILS OF THE SESSION WERE AS FOLLOWS :

Inauguration - On 9th March 2021, the workshop was inaugurated by Supriya Devast- hali, (Indian Civil Accounts Service) Director, Department for Promotion of Industry and Internal Trade, Ministryof Commerce, GOI. Following sessions were organized as a part of the five day workshop on competitive Exams.

UPSC Civil Services Exam- 9th March 2021. Guidance on pattern and preparation strategies for Civil Services Exam was given by renowned faculty Shri. Bhushan Deshmukh, Director, Lokayan Academy. Total attendance Zoom- 231, YouTube-1300

MPSC Exam-Session 1 - On 10th March 2021, session on MPSC exam was conducted by Vaibhav Patil, Asha Career Academy. Session 2 preparation strategies for MPSC exams was conducted by Shri Suhas Patil, former Assistant Commissioner. Zoom-238, YouTube-858

Staff Selection Commission Exams - On 11th March 2021, Anand Salve, Sr Audit Officer, Group A, GOI gave comprehensive overview of various posts that one can get after passing the Combined graduate Level Exam conducted by Staff Selection Commission. Total attendance - Zoom - 204, YouTube - 765

Director, Lokayan Academy. Total attendance Zoom - 231, YouTube -1300.

MPSC Exam-Session 1 - On 10th March 2021, session on MPSC exam was conducted by Vaibhav Patil, Asha Career Academy. Session 2 preparation strategies for MPSC exams was conducted by Shri Suhas Patil, former Assistant Commissioner. Zoom-238, YouTube - 858.

Staff Selection Commission Exams - On 11th March 2021, Anand Salve, Sr Audit Officer, Group A, GOI gave comprehensive overview of various posts that one can get after passing the Combined graduate Level Exam conducted by Staff Selection Commission. Total attendance - Zoom - 204, YouTube - 765.

Banking Exams - In the beginning, Smt. Anuradha Gaikwad, Branch manager, bank of Maharashtra, Shivaji Park, shred her valuable experiences in the field of nationalized banks. On 12th March, popular columnist, and banking expert Shri. Sanjay More, conducted session on banking exams. He gave many practical tips and taught many practical techniques to the participants. Total attendance- Zoom-190, YouTube- 1000

Entrance exams and career options in Management after Graduation - On 13th March 2021, Dr. Shriram Nerlekar, Management Expert, CEO, DES conducted session enligh- tening the students on various career options in Management stream and entrance exams for admission. Total attendance -Zoom- 97, Youtube - 455.

Law Entrance Exam - On 13th March, 2021, Adv. Sudhanva Bedekar, practicing advocate of Mumbai High Court, guided the students on preparation for law entrance exam and career options after LLB. Total attendance- Zoom- 94, YouTube- 455.

KIRTI COLLEGE : AVISHKAR REPORT

THE SUDDEN OUTBREAK OF COVID-19 HAS FORCED US TO CONDUCT ALL THE ACTIVITIES OF AVISHKAR RESEARCH CONVENTION ON VIRTUAL PLATFORM, MICROSOFT TEAM.

The activities conducted during first half of 2021:

In association with Internal Quality Assurance Cell Avishkar Research Convention committee had organized a guest lecture on 27th January 2021, Topic: " **"Exploring the Basics of Research Methodology"**. Dr. R .G. Sapre, Head of Department of Mathematics, Gogate Joglekar college, Ratnagiri was invited as a resource person. The program was chaired by our princiipal Dr. D. V Pawar and our Ex-Principal & D.E.S Prabhaandak Dr. M. B. Kekre.

The main objective of arranging this program was :

1) To Enlighten students as well as teachers with overall idea about Avishkar research convention 2021.
2) To create awareness about, the research can be done in any subject irrespective of faculties.
3)The program was attended by 81 participants.

The orientation program was arranged for Avishkar participants on 20th March 2021. In this program 'What are the Do's of participating in Avishkar researrch convention' were discussed and Q & A session was held. Over all ninety-one participants has attended this program. Avishkar Research convention-2021 was held on virtual platform therefore the mode of convention was based on the research proposal and the preliminary work. In the present circumstances, Avishkar committee had taken new initiative by conducting workshop for four days on 22nd,

23rd, 25th and 26th March 2021 for Avishkar participants.

1) On the first day, the session started with 'How to Prepare Questionnaire?' by Dr. S. R. Patgaonkar, Head, Dept.of Statistics. This was followed by 'Creating Google form' by Prof. P.P. Kamble, Dept. of Biotechnology.

2) On the second day, Dr. S. R. Patgaonkar started the session with clearing basic concepts and major steps involved in Data analysis.

3) On third- & fourth-day Dr. Meena Rao, RKT College, Ulhas Nagar was invited as a resource person for two sessions viz. 'Literature Review' and 'Research proposal writing'.

The workshop was attended by 62 participants.

In Avishkar Research convention-2021 with the overwhelming response of departments and hard work of mentors & students', we would be able to registered seventeen projects under UG level for the Selection round. Over all sixty students participated in this competition. petition. In this round students' as well as mentors were felicitated with participation certificates by University of Mumbai.

THE DETAILS OF PARTICIPATED PROJECTS DEPARTMENT WISE WITH MENTORS AND THE NUMBER OF STUDENTS IS ENLISTED BELOW:

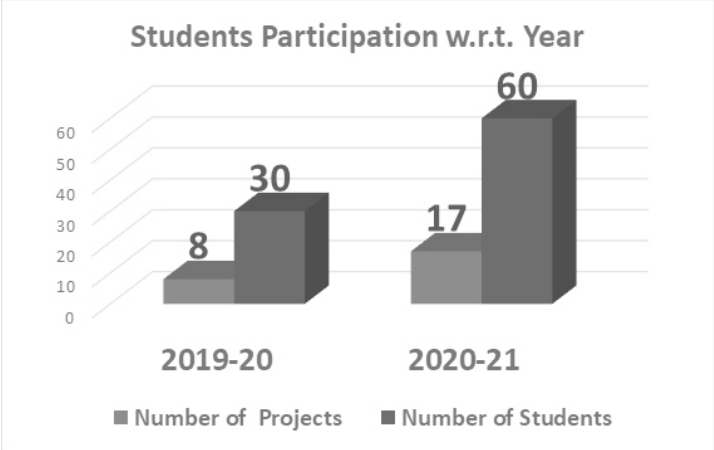

No.	Project Title	Department	Mentor Name	Number of Students
1.	Electric Automobiles_ The Need of an Hour.	Physics	Prof. K.V. Dagadkhair	2
2.	Pandemic Brunt to the Female Domestic Workers in Mumbai Suburb Region.	Statistics	Dr. S. R. Patgaonkar	2
3.	Study of Small Vendors on Mumbai Railway Stations with reference to Hunger and Safety.	Statistics	Dr. S. R. Patgaonkar	4
4.	Statistical Analysis of Mental Health..	Statistics	Prof. S.M. Marathe	4
5.	Statistical Analysis of Impact of Covid-19 on Travelling.	Statistics	Prof. S.M. Marathe	3
6.	Is E-LEARNING, IS BENEFICIAL!!	Statistics	Prof. S.M. Marathe	4
7.	Study of Spatial Marginality of Street Vendors in Mumbai: A Case of Dadar Area.	Politics	Dr. H. Bhosale	4

8.	Behavioral Analysis of Students using Emo Sentiments App.	Computer Science	Dr.S.M. Margaj	1
9.	Global diets - A link to Environmental Sustainability and Human Health.	Biotechnology	Prof.A.M.Pimple	4
10.	Stevia Rebaudiana - A better Alternative for Artificial Sweeteners.A Bio- Sweetner.	Biotechnology	Prof.A.M.Pimple	5
11.	Hydrophilic Edible Films Prepared from Sodium Alginate and Calcium lactate.	Biotechnology	Prof.A.M.Raul	4
12.	Comparative Study of Adsorptive Removal of Dyes from Textile Effluents by using Natural Coagulants.	Biotechnology	Prof.A.M.Raul	3
13.	Investigation of Antiacaricidal Activity and Antibacterial Activity of Herbal Plants against Ticks.	Biotechnology	Prof.P.P.Kamble	5
14.	Investigating the Anti-Dandruff property from the Plant Extracts of Couroupita Guianensis.	Biotechnology	Prof.P.P.Kamble	4
15.	Data Privacy and Digital Marketing.	BMS	Prof. P.S.Jinagouda	5
16.	Consumer Awareness and Perception Regarding Benefits and Carbon Footprint of an Electric car.	BMS	Prof. P.S.Jinagouda	5
17.	ott platform	BMS	Prof. P.S.Jinagouda	1

IMPORTANT ACHIEVEMENTS :

1) Analysis of Participation in Avishkar Research Convention-2021:

Graph shows the participation in Avishkar Research Convention-2021 (Number of projects = 17& Number of Students' = 60) is doubled as compared to Convention-2019 (Number of projects = 8 & Number of Students' = 30).

2) Out of seventeen projects which were registered for selection round, a project titled, "Is E-LEARNING, IS BENEFICIAL!!" of Statistics department guided by the mentor Prof. S. M. Marathe, was selected for final round held on 22nd June 2021at district level.

- Dr. S. R. Patgaonkar
Convenor, Avishkar Research Committee

CORONA SECTION

आकस्मिक संकट

कोरोना।

एक भयंकर महामारी जिसने आते ही पूरे दुनिया को हिला दिया। जबसे कोरोना ने दरवाजे पे आहट दी है, तबसे सब लोग घरपरही बैठे है । बच्चे मोबाईलसे 'ऑनलाइनपढाई' करते हुए दिखाई दे रहे है और उनके माता-पिता लॅपटाप या संगणक पे 'वर्कफ्रॉमहोम' करते हुए। बाहर सब मुखावरण पहनकेही घूमते है, कोरोना से डरकर। और दुसरी तरफ डॉक्टर्स, मेडिकल स्टाफ, पोलिस, पत्रकार इत्यादी कोरोना को रोकने की कोशिश कर रहे है डटकर।

इस ऑनलाइन युग की वजह से अच्छे काम भी हो रहे है , लोग अपने मोबाइल से सारे काम करना सिख रहे है , व्यापर भी ऑनलाइन हो रहा है , और सबको अपने पसंद की पढाई करने का मौका मिला है । यह एक अच्छा वक़्त है , यह वक़्त हमे बर्बाद न करके अपने विकास के लिए लगाना है । हम घर बैठे और सस्ते दामों में अपने पसंद के यूनिवर्सिटी से पढाई कर सकते है , क्युकी पहले लॉक डाउन के वक़्त कई नामचींद यूनिवर्सिटी ने अपने कुछ कोर्सेज मुफ्त रखे थे।

लॉक डाउन के समय में सब का स्वास्थ भी ख़राब हो रहा है । लोगों की की दुरी की वजह से कुछ लोग खुद को अकेला समझ रहे है । इस वजह से कई लोग मानसिक बीमारी का सामना कर रहे है।

यह अच्छा समय है , हम घर से शारीरिक व्यायाम और योगा कर सकते है , और इस समय में हमे इस्सकी जरुरत भी है । हमे अपनी इम्युनिटी बढ़ने के लिए व्यायाम करना चाहिए । और यही सलाह बाकि घरवाले, दोस्तों को भी देनी चाहिए ।

कोरोना की वजह से लोग बेरोजगार हो रहे है। जिनके घर में एक ही व्यक्ती कमानेवाली है और जिसकी नौकरी चली गई है उन घरोमें खानेपिनेका हाल हो रहा है। लॉकडाऊन में आनाजाना आसान नही था। इसी वजह से कई घरोंमें काम करनेवाले लोग नही आ सकते थे। पर्यटन, वाहतूक जैसे व्यवसाय, जिनकी वजह से कईयों के पेट पलते थे, वो रोजगार इस लॉकडाऊन के वक्त ना के बराबर हो गए थे। कई मजदूरों ने इस संदिग्ध माहोल में अपने गाव प्रस्थान किया। दिनबदिन स्थिति और खौंफनाक होती गई।

जिन लोगों की की कोरोना के वजह से मृत्यु हो जाती है ,उनके घरवालों पे भी कई संकट आते है , कई छोटे बच्चों के माता पिता भी इस कोरोना के महामारी में उनका साथ छोड़कर चले गए है । पर एक अच्छा है , की उन बच्चों की जिम्मेदारी सरकार ले रही है, और कई लोग आगे आये है अनाथ बच्चों की जिम्मेदारी लेने के लिए।

एक समय सपना लगनेवाला अब सच्चाई हो चुकी है। पूरी दुनिया सिर्फ एक साल में डिजीटल हो चुकी है। पर जब कठिनाइयाँ बहुत होती है, तो इंसानियत भी बहुत होती है।इस लॉकडाउन में कई लोगोंने तारीफकी अपेक्षा ना करते हुए लोगों की निस्वार्थ सेवा की।एक दुसरे के लिए साथ मुसीबत में खडे रहे और लोगों की जानें बचाई।

इस 'न्यूनॉर्मल' की वजह से हमे बहोत दिक्कतें होती है पर हमे शुक्र मनाना चाहिए कि हम अब भी जिंदा है।इस व्हायरस के कई म्युटेशन्स हुए, इससे भी खतरनाक। उसके बाद ये ब्लॅकफंगस, व्हाईटफंगस और कईबीमारियाँ आई। तो इसी लिए हमे सावधान रहना चाहिए।सोशल डिस्टन्सिंग के नियमों का पालन करना चाहिए।साथही साथ हमें हमारे शरीर को तंदुरुस्त करने के लिए योगा,प्राणायाम और आहार पे ध्यान देना चाहिए।

जितने भी परेशानियां आये हमें एक साथ रहना है, इस महमारिका डटकर सामना करना है , और सारे सूचनाओं का पालन करना , इसके साथ ही हमे इंसानियत का रिश्ता भी निभाना है।

हमे अगर इस महा मारी से बचना है , तो अभी हमारे पास एक ही उपाय है , और वो है वाक्सिनेशन । हमे जल्द से जल्द वैक्सीन लेनी चाहिए । क्युकी जितने लोग वैक्सीन लेंगे उतना देश सुरक्षित होगा ।

वैक्सीन को लेकर कई सारी अफ़वाए भी है। हमे उन अफवाओं पे ध्यान नहीं देना चाहिए । जो भी मैसेज आया है वो सच्चा है या नहीं इस्सकी जाँच करनी चाहिए । गलत मैसेज को आगे बढ़ने से रोकना चाहिए । जितना डर असलि यत का नहीं उतना डर अफ़वाओं के वजह से बनता है। इस्सलिये बाकि लोगों तक सही जानकारी पहुँचाने की कोशिश करनी चाहिए ।

- प्राची गावडे

कोरोना का आक्रमण

कोरोना ऐसा वायरस है | जिससे लोगों से लोगों तक संक्रमण होता है. सांस लेने में तकलीफ, बुखार, खांसी यह उसके लक्षण है | इस कोरोना ने हमें अच्छा सबक दिया है | जैसे हाथ अच्छे से धोना, अपने शरीर को स्वछ रखना, बोलते वक़्त दुरी रखना |

जब लोकडाऊन शुरू हुआ था तब हमें घरवालों से वक़्त बिताने को मिला | नयी चीज़े सीखने मिली, जैसे की - हम अपने कला से फिर से परिचित, जो घर में अकेले रहते थे वो भी मोबाइल के जरिये अपने घरवाले, दोस्तों से बाते करते थे |

यह एक ऐसा समय है, जहाँ लोगों को अपनों की जरुरत है, क्योकी हर कोई अकेला महसूस कर रहा है | हम सब लॉक डाउन की वजह से एक दूसरे से दूर क्यों न हो पर तंत्रज्ञान की वजह से एक दूसरे से बाते कर सकते है, मिल सकते है | हमे लोगों से बाते करनी चाहिए, क्योकी कई लोगों को इस समय मानसिक बीमारिया शुरू हुई है, अगर हमने उनसे बाते की तो उनको अकेला महसूस नहीं होगा |

हमे इस समय को बर्बाद न करके अपने भविष्य को सफल बनाने में लगाना चाहिए | यह अच्छा समय है, की हमे अपने बारे में सोचने के लिए वक़्त मिला है, इस वक़्त को हमें सिखने में लगाना चाहिए | अभी हवा दूषित नहीं हो रही है | क्योकी ज्यादा गाडियों का इस्तमाल नहीं हो रहा है | भीड़ भाड़ वाली जगह भी अभी स्वच्छ दिख रही है क्योकी लोग बाहर कम निकल रहे है |

हमें इस समस्या से बाहर पड़ना है पर सावधानी के साथ, अपने परिवार का, अपने दोस्तों का और अपने आस पड़ोस के लोगों का ख्याल रख कर | अगर हमने वैक्सीन भी ले ली तो भी सरकार ने दिए सूचना का पालन करके, लोंगोन के बिच बाते करते वक़्त दूरिया बनानी है | अपने आरोग्य को हमेशा अच्छा रखना है | सबने पहले लॉकडाउन के वक़्त अपने यादों को फिरसे उजाला दिया | किसी को नहीं पता था की अगली बार फिर से लॉकडाउन होगा |

इस लॉकडाउन में जिस घर में वृद्ध लोग रह रहे उनके हाल बेहाल हो गए है | क्योकी उनको संभालने वाले केयर्स टेकर्स भी लॉकडाउन के वजह से आ नहीं पा रहे है | जो घरों मे काम करते थे उनकी नौकरिया भी इस महामारी के वजह से चले गयी है| जो बच्चे विदेश रहते है वो फिर से अपने देश में आ नहीं पा रहे है | और जो बच्चे विदेश में पढाई करने जाना चाहते थे वो भी जा नहीं पाए | और अभी की भारत की स्थिती देख के कुछ दे शो में भारत में आना जाना मना है | इस वजह से भी अभी लोग बाकि देशों में फसे हुए है |

२०२१ का लॉकडाउन थोडासा डरावना है, क्यो की सबको अपनी अपनों की जान की चिंता हो रही है, इस वक़्त का कोरोना का नया रूप बहोत खतरनाक है, और अभी हमारे पास इससे बचने का एक ही रास्ता है,वो है टीकारण, देश में जितने लोग टीका लेंगे उतना देश सुरक्षित होता जायेगा, इसलिए हमे अपने आप को और अपने घरवालों को टीका लेकर सुरक्षित करना चाहिए, और जो लस के खिलाफ अफवाहे है, उनसे बचना है, और बाकि लोगोंको भी टीकारण के लिए जागरूक करना है |

A JOURNEY THROUGH DIFFERENT STATES!

I have attended Ek Bharat Shreshtha Bharat Camp for the year 2020-2021. When we all talk about Ek Bharat Shreshtha Bharat Camp the first thing which comes to our mind is different cultures and traditions coming together. EBSB camp is organised to develop leadership skills, to enhance knowledge base, peer learning through mutual interaction to foster team spirit and indeed develop esprit de corps.

This year 2020 due to the global pandemic situation of Covid-19 the EBSB Camp was held online via Goggle Meet platform. All the selected cadets withstand during this harsh period of Covid-19. Through this E-learning method also there were least difficulties but yet the camp was conducted very smoothly.

The camp I attended was jointly organised by the Maharashtra and Uttarakhand Directorate. It was been conducted by 31 UK BN, Uttarakhand. Col. Shankar Trivedi Sir was the Commanding Officer of Uttarakhand Directorate. I represented Maharashtra Directorate with a deep depth of gratitude and pride. Our officiating ANO Officer was Major Dr. Urmila Sarkar Maam. Even if I couldn't attend this camp physically due to the global pandemic of Covid-19, I could enjoy it with immense pleasure.

The camp included various activities like Quiz Competition, and Debate Competition. The Quiz Competition was conducted on the basis of the issues and the Debate Competition was conducted on the topic of Covid-19 in which many cadets participated with enthusiasm. Best Presentation Competition was held between both the states. I participated in the presentation of "Dekho Apna Desh" where I represented different places of Maharashtra like Forts, Hill Station, Monuments and many more places. The historical and famous places to visit Uttarakhand are Rishikesh, Mussoorie, Kedarnath, Mukteshwar, Almora, Ranikhet, Uttarkashi, Dehradun, Haridwar, Badrinath and so famous fruit of Uttarakhand is Khumani which also known as Apricot. The famous dance form of Uttarakhand is Chholiya and famous culture of Uttarakhand is Kumauni. The Kumbh Mela is one of the biggest and the most popular festival of Uttarakhand and also the Ganga-dusshera, purnagiri-mela, nandadevi-mela, basantpanchami, kumaoni-holi, bhitauli and harela and many other festivals are also been celebrated in Uttarakhand. The famous cuisines of Uttarakhand is aloo ke gutke, kafuli or kapaa, bhang ki chutney, madva ki roti, pinao ka sag, phaanu and many more dishes. It was very interesting to learn the two major languages of Uttarakha--nd which is Kumauni and Garhwali. I not only came to know about the historical and geographical aspects but also the different life style, cultures, festivals, cuisines and language of Uttarakhand. It was very fascinating to learn all this new things.

In the end I got inspired by the speech given by Officer ADG Major General Sudhir Bahl and ADM Col. Praveen Bhatt as it was very inspiring and motivational. I created some good memories as well, and after listening to all this things I wish I should visit this beautiful place once in my life!! Till now I have only heard that Uttarakhand is known as Devbhoomi but it's true it is really the "Land Of God".

- Ms. Sejal Sunil Chaugule
SYBCOM

जिंदगी की सुर्खियां बटोरता चला

ज़िंदगी मै क्या चल रहा है,
बेअसर चारो तरफ दवा चल रहा।
लगा लेते है नकाब निकलते ही घरों से
सहर में ज़हरीला हवा चल रहा है।
अभी मिले है कुछ, कुछ आगे भी मिलेंगे,
ये तो फिर भी कम थे इससे ज्यादा भी मिलेंगे।
और किस किस से बचाओगे दामन अपना
यहां शराफत की शक्ल में बुरे इरादे भी मिलेंगे।
आज बुराई कल अच्छाई तुम्हारी करनी के मुताबिक,
लोगो के लफ़्ज़ बदल जाते है।
जुबान वहीं रहती है मेरे दोस्त
बस निकले हुए शब्द बदल जाते है।
पता नहीं इन लोगो को,
ये मै कैसी कला दे राहा हू।
खुद टूटा हुआ हू अंदर से,
मगर खुश रहने की सलाह दे राहा हू।
जैसा लोग बोलते है वैसा भाषा मत बनो,
बनना है तो खिलाड़ी बनो किसी का पासा मत बनो।
अगर कंगाल हो जेब से तो खुद तक ही रखो,
किसी और को बता कर उसका तमाशा मत बनो।
शक्ल तो नहीं सुंदर मेरी,
काम से भी मै खराब हू।
टूटने बिखरने के बाद लोग मिलते है मुझसे,
मै जीता जागता शराब हू।

भरोसा दरवाजे पर रखो मेरे दोस्त,
इन पहेरो में क्या रखा है।
मोहब्बत करना ही है तो दिलो से करो,
इन चेहरो में क्या रखा है।
तेरे वजूद ने,
मुझे मुझसे रूबरू कर दिया।
जैसा सुना था लोगो से बारे में तेरे,
तूने किस्सा आज वैसा हूबहू कर दिया।
उदासियां बड़े करीब है मेरे,
खुशियां इतराती है पास आने से।
सिख चुके है अब जीना अकेले,
फर्क पड़ता नहीं किसी के जाने से।
ना ही दौलत ना ही शौहरत,
ना ही ये आसमा चाहता हू।
मै तो इस छोटे से घर में,
बस ज़िन्दगी भर मेरी मा चाहता हूं।
यूं राह चलते मेरा हाल पुछा ना करो,
ऐसे पूछोगे तो ठीक ही बताऊंगा।
पर मिले कभी फुरसत तो आना हमारे घर,
चाय पीते पीते पूरा किस्सा सुनाऊंगा।
पता नहीं इन लोगो को,
ये मै कैसी कला दे रहा हू।
खुद टूटा हुआ हू अंदर से,
मगर खुश रहने की सलाह दे रहा हू।

CHALLENGES IN NCC TRAINING DURING COVID - 19

The outbreak of Covid - 19 has unsttled all of us in the year 2019. In the year 2019 it began to rise due to which it became a pandemic and the government proclaimed a complete lockdown. It adversly affected not only on our day to day life but also on our physical life. It was difficult for everyone at the initial phase but as the time progressed we tried to admit with it.

The outbreak of Covid - 19 has unsttled all of us in the year 2019. In the year 2019 it began to rise due to which it became a pandemic and the government proclaimed a complete lockdown. It adversly affected not only on our day to day life but also on our physical life. It was difficult for everyone at the initial phase but as the time progressed we tried to admit with it.

Even though we couldn't go out in this pandemic for practice it didn't stop us NCC cadets to take our regular fall-in on an online platform via Zoom or Microsoft Teams. When we got our permission from Major Urmila Sarkar we asked the cadets to join and get ready for the daily practice. On the online platform cadets faced problems like connectivity, phone and electricity issues but this didn't stop our cadets instead they tried joining through their parents' phone. Even though cadets had less space to practice at their homes which was difficult at the beginning, some cadets went on their terrace to practice. At the starting there was adaptivity issue as not everybody was familiar to the online fall-in or lecture. There were time management issues that our cadets faced. But after discussing there was a proper time scheduled for the practice. This shows their enthusiasm, compassion and love towards NCC. Even the enrolling process wasn't easy as it was for the first time. A link created and after that it was shared on all the groups so that students could see and enroll. After enrolling 43 cadets, the 1st year cadets showed high interest and their willingness to participate was also seen. We had more than 50 cadets joining regularly on the Saturdays for the fall-in. Cadets were first trained with the warmup exercise following the newspaper reading, yoga, group discussion and other activities and challenges which made them active even during the lockdown. Everyday we had one mile walk exercise so that we could be fit. Cadets even posted their videos so that they could motivate others to be fit and healthy. Various blogs and vlogs were made to create Awareness about the pandemic; the precautions that should be taken and even how being at home we could fight this virus.

Even though we are in the lockdown situation, our spirits are high and this gives everybody around us a message to never give up even if the situation is worse. The challenges were only a way to test us whether we had in us the strength to fight. This pandemic has rightly made us value life, family and those around us.

देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

गुजर जाएगा ये वक्त भी, सब होगा पहले जैसा...
तकलीफ तो बहोत दि तूने, पर शुक्रगुजार हु तेरा.....

टेंशन भरी दुनिया को लंबी छुट्टी दे कर, अपने परिवार से मिलवाया
फास्ट फूड-फास्ट लाइफ के generation को रोक कर,
माँ के हात के खाने मैं जो प्यार है, वो प्यार हमे चखलाया....
देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

वीडियो गेम छोड़ के सांपसीढ़ी लूडो से पेहेचान हुई
परिवार के साथ वक्त गुजार के, रिश्तों मैं मिठास आई.....
देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

हैलो, Hi छोड़ दिया, सारा जग नमस्ते पे आया
पूरे विश्व को भारत कि संस्कृति से पेहचान करवाया..
देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

हिंदू हो या मुसलमान सब ने मानवतावाद अपनाया
इंसानियत के उपर कोई धर्म नही, यही आके तूने सब को सिखाया.....
देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

आँखों पे थी अंधश्रद्धा की पट्टी, जोड़ते थे हात जो सिर्फ पंडित मौलवी के आगे
डॉक्टर, नर्स, सेवाभावी और पुलिस के आगे नतमस्तक तूने करवाया.....

देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....
देखो दुनिया, ये कोरोना ने क्या कर दिखाया.....

नई पैन्डेमिक

उमर छोटी इसकी पर कारनामे बड़े है,
कोविड - १९ नाम इसके अनेक है।
उमर घूमने की हमारी ओर घूम रहा ये है,
बताओ भाईयो-बहनों वर्ल्डटूर पे निकलाये है।
पुरी दुनिया को अपनी मुट्ठि मैं रखने का ख्वाब है इसका,
इन्सान को अन्दर से खोकला करने का काम है इसका,
निमोनिया का ये दोस्त है लंग्स का आशिक़,
इसने बना डाली एक नई पैन्डेमिक।
चाइना का माल है बड़ा ताजदार है,
हम को रख के घर मैं घूम रहा बहार है,
ना मरेगा ये बॉम्ब से ना मरेगा मिसाईल से,
सैन्तिस्त आर्मी ने बना दालि ऐसी भी दवाई है।
इसकी मौत अब वेकसिन के हाथ है,
सैनिटीझर ओर मास्क भी हमारे साथ है,
इस जानी दुश्मन को मारने मैं ये ही मददगार है।

रखो खुद पर विश्वास

उलझे हुए लोग है
शांत सारी दुनिया,
भयभीत है सबके मन
पर रहना है निडर और आत्मनिर्भर।
नियमों का पालन है हमारा फर्ज,
निभाएंगे सब मिलकर और थोड़ी दूरी बनाकर।
जरूर आएगी उम्मीद की नई किरण,
बस रखो विश्वास खुद पर।
जब आजाद हो जाएंगे हम,
पा कर छुटकारा इस करोना महामारी पर।

कोरोना महामारी

सब लोग नए साल का जशन मना रहे थे | नए उम्मीदों के साथ सबने साल की शुरुवात की थी, पर अचानक से देश में एक कोरोना रुग्ण की जाँच हुई, और यह संख्या बढ़ती ही गयी और एक दिन पुरे देश में जनता कर्फ्यू लगाना पड़ा, उसके बाद लॉक डाउन का सिलसिला चलता ही गया |

यह कोई महामारि का पहला समय नहीं था | इस्सके पहले भी फ्लू, स्वाइन फ्लू, सार्स, HIV, मर्स, इस तरह के महामारी पुरे दुनिया के सामने संकट बनके आये थे, उस समय भी सारे लोग घर पे बैठे थे और पूरी दुनिया रुक सी चुकी थी |

कोरोना यह मुँह नाक, और आंखोंसे हमारे शरीर में प्रवेश करता है, और हमारी श्वसन प्रणाली उसका लक्ष होता है | इस वजह से सांस लेने में तकलीफ होती है | यह वायरस लोगोंसे लोगोंतक पहुँचता है, तो उस समय सब जानकर लोग सलाह देते है, की लोगों से बात करते वक़्त दूरिया बनाकर रखे, ज्यादा भीड़ भाड़ वाली जगह न जाये, अपने हाथ साफ़ रखे |

लॉक डाउन के शुरुआती दिनो में किसीको पता नहीं था की यह वायरस इतना भयंकर रूप लेगा | कुछ दिनों का लॉक डाउन अपने परिवार के साथ खुशीसे बिताएंगे यही सबने सोचा था, पर यह लॉक डाउन इतना बढ़ता गया की कई लोगों की नौकरिया चली गयी, जो सुबह कमाते थे और तभी रात को उनको खाने मिलता ऐसे कामगारोंके तो हाल हो गए, क्युकी उनके घर में खाने के लिए कुछ नहीं बचा था | कुछ काम ना होने के कारण कई लोग अपने गाव लौटने लगे |

एक तो खाने की चिंता थी ही और दूसरी तरफ जिन घरों मे कोरोना के रुग्ण की जॉच हुयी है, वो घर, बिल्डिंग कुछ दिनों के लिए आने जाने के लिए बंद करवा दिए गए थे | परिवार के लोगों को रुग्ण की चिंता होती थी | रुग्ण की दवाईया, ऑक्सीजन सिलिंडर की वजह से उनके परिवारों को बहोत जगह घूमना पडा | कुछ समय हालत ऐसे थे की परिवार के लोगों को डर रहता था की जो अपने करीबी रिश्ते दार आज अस्पताल में है, वो कल होंगे या नहीं |

सब लोग घर पे थे पर सेवाएं देने वाले लोगों को तो काम के लिए जाना पड़ता था | उनको भी चिंता थी की अपने वजह से अपने घरवालों को भी कोरोना नहीं हो जायेगा | हमे इन कोरोना के वक़्त, हमे सेवा देने वाले सारे कर्मचारियों को धन्यवाद देना चाहिए क्युकी उन्होंने अपनी जान की परवाह न करके हमे सेवाएं दी है |

यह महामारी जल्दी से ख़तम होगी पर हमे कुछ बातों का ध्यान रखना जरुरी है | हमे हमेशा अपने शरीर को साफ़ रखना चाहिए, मास्क निकालने के बाद भी दूसरों से बात करते वक़्त दूरिया बनानी चाहिए, क्युकी अपने मुँह से जंतु दूसरों को ना जाये | भीड़ भाड़ वाली जगह पर थूकना मना है, पर अगर कोई थूकते हुए दिखे तो हमे उनको मन करना चाहिए | यह एक महामारी है, और यह पूरी तरह से ख़तम नहीं हो सकती इस्सलिये हमे हमेशा अपना और अपनों का ध्यान रखना चाहिए | कोरोना ने दिए सिख को लेकर हमे आगे बढ़ना चाहिए |

THE ONLINE EBSB SAPTAH

The recently held Ek Bharat Shreshtha Bharat Camp on an online mode depicts an efforts to bring the cadets together from different parts of the country together with the use of new technology. The safety of the cadets has been taken by keeping this camp online and giving a remembrance of Covid-19 government guidelines and by still creating a sense of being together and cohesiveness in the participation.

I attended "Ek Bharat Shreshtha Bharat" (EBSB) camp for the year 2020-2021. The aim of the camp was to foster spirit of national integration and solidarity among NCC cadets of different regions. The first camp I attended was with Uttar Pradesh Directorate This camp was conducted by UttarPradesh directorate and My Officiating Commanding Officer was Yogendra Dimri. Whereas, My Officiating Officer was ANO Rajesh Narayan Naikade of SSS High School, Ghansoli of 3 MAH NCC BN Unit. In this camp I represented Maharashtra Directorate, I actively participated in the cultural programmes and different competitions like poetry recitation. In this competition I narrated a poem on "Chhatrapati Shivaji Maharaj". Which is written by me and after that the officer gave me a lot of praise and because of this my confidence increased, after this discussion on leaders of Maharashtra, learning language of each other, debate competition on "NCC is the strongest force for indicating Societal changes in the country", Group discussion and Quiz competition on Jallianwala bagh hatyakand, Fit India Movement and on Single use of plastic or SWOT Analysis was also held between both the states.

While undergoing this training in this camp I felt like actually attending the programme physically. Because of this camp my knowledge has increased and I got to learn something new.

I also got a golden opportunity to attend the Second EBSB Camp with Kerala and Lakshwadeep Directorate. In this camp the aspects of bonding, peer learning, team building and thrill of physically seeing the natural, cultural, different life styles, festivals, cuisines, languages or geographical beauty of both the states was done by presenting the presentations and screening of the videos online.

It was a very great experience that I got the chance to do this both camp, this camps taught me discipline, infused courage and strength, motivated me to do something for my motherland and respect her and ultimately it made me a better person. I saw a Mini India or "Chota Bharat" in short span by sitting at my home but still It was really a great experience and I really enjoyed it I just wish I could attend such more Camps in my NCC life.

अच्छा या बुरा

अच्छा या बुरा
समझ नहीं आता कोरोना को अच्छा कहुँ या बुरा |
एक तरफ उस ने बंद कर दिया व्यापार, बंद कर दी दुकान
और दूसरी तरफ उस ने दिया लोगों को वक़्त |
एक तरफ उस ने मारा लोगोंको, दिया उन्हें दर्द
और दूसरी तरफ उन्होंने दिया जानवरोंको खुलके जीने का हक |
जैसे भी है यह कोरोना, बहोत कुछ सिखा रहा है इंसानों को |
सही से चलना बता रहा है सबको |

- अलिशा शेख (XII)

ऐ कोविड - १९

शहर-शहर, देश-देश
तुम घूम रहे हो |
हमें परेशान कर रहे हो
नजर तो आओ
कहां हो तुम |
छुपकर बैठे हो हमलावर हो तुम |
जिस शहर से गुजरे हो तुम,
वह बयार यहां भी आयी है |
खौफ़ज़दा चेहरे बता रहे हैं,
वह तुमसे मिल कर आयी है |
क्यों कठिन परीक्षा करते हो
अब बस भी करो |
हम तुमसे डरने वाले है नहीं,
हम राम-कृष्ण के वंशज हैं |
मर्यादा को भी निभायेंगे |
अनुशासन के इन अस्त्रों से
तेरा अस्तित्व मिटायेंगे |

- हर्षदा तिरमारे

कोविडदशा

उडती उडती खबर आली, आताच इतक्यात 'केस' गेली.
कोरोना ने घात केला, ऑक्सिजन अभावी तुटली दोरी.

बराच वेळ होता धडपडत, करत प्रार्थना देवाची.
एक तरी बेड मिळू दे, कळ अजून काढू किती!

शेवटी कसाबसा, मिळाला आसरा.
पण दवाखान्यातल्या आगीत; उरला नाही एकही दुआ.

आज विचार आला मनात, जाऊ का एकदा डॉक्टरपाशी?
पण झालेल्या घातपाताची; कडवी आठवण होती तशीच.

कसा वाचवू स्वतःला, कळेनासे झाले आता;
घरात राहून भिरभिरु लागले, बाहेरही काटेरी रस्ता!

महामारीतील महासंकट

जगविख्यात 'राजकीय तत्त्ववेत्ता' अरिस्टॉटल ने जसं सांगितलं आहे की “Man is a social animal.” म्हणजेच मानव हा सामाजिक प्राणी आहे. त्याचप्रमाणे, कोरोना महामारीमध्ये या समजिकतेवर आलेलं संकट कोरोनापेक्षाही किती घातक ठरलं हे आपण सगळेच अनुभवत आहोत. कोरोनाचा प्रादुर्भाव रोखण्यासाठी 'quarantine', 'social distancing' यांसारखे निकष पुढे आले. अर्थातच, ते अंमलात आणणं गरजेचं होतंच; परंतु, त्यामुळे झालेले दुष्परिणाम, मानसिक तणाव, ओढाताण यांची पराकाष्ठा झाली हेही नाकारता येणार नाही.

सर्वप्रथम 'शैक्षणिक क्षेत्र' ज्याप्रकारे कोलमडून पडलं; त्याचा परिणाम विद्यार्थ्यांवर अगदी खोलवर झाला. भारतासारख्या देशात 'ऑनलाईन शिक्षण' म्हणजे नवीनच संकल्पना होती. इलेक्ट्रॉनिक उपकरणे, स्मार्टफोन, इंटरनेट, वीज, इत्यादींच्या अभावाने शिक्षणाला मुकलेली ग्रामीण व काही प्रमाणात शहरी भागातील मुलं आजही आपल्या डोळ्यांसमोर आहेत. लोकसत्ता वृत्तपत्रातील “ऑनलाईन विद्यार्थ्यांना वाचवा!” या लेखानुसार जे विद्यार्थी दिवसभर घरातून शिकवणीसाठी बसतात ते खूप चिडचिडे होत आहेत. सततचा थकवा आणि मरगळ यामुळे शिव्या देणं आणि वादविवाद होणं स्वाभाविक आहे. अनेक विद्यार्थी लेखाचा हा आशय स्वतःशी जुळवून घेऊ शकत आहेत. जेव्हा अचानक एखादी आपत्ती आपल्यावर येऊन कोसळते तेव्हा, नकळत होत जाणारे बदल पेलवणे सोपे नाही. शाळेच्या मैदानातील खेळ, वर्गात बसून ऐकलेल्या तासिका, शिक्षकांचे धपाटे, शिक्षा,मित्रमैत्रिणींसोबतच्या गप्पाटप्पा अनपेक्षितरित्या बंद झाल्या आणि घराच्या एका कोपऱ्यात किंवा खोलीत लॅपटॉप, स्मार्टफोनसमोर बसून जवळजवळ एकसुरी कार्यक्रम सुरू झाला. काही पालकांनी हे समजून घेतलं; काहींनी नाही. काही मुलांना घरातूनसुद्धा मदतीचा हात मिळाला नाही. अशा वेळी राग, चिडचीड, गोंधळ, अस्वस्थपणा, स्वभावात बदल यासगळ्या गोष्टींसोबत नकोशी मैत्री आपोआप होत गेली. आपण ज्यांना 'Young generation' म्हणून पाहतोय त्यातील बरेचसे युवक आणि भावी युवक सध्या या परिस्थतीशी झुंज देत आहेत.

यानंतरचा वर्ग म्हणजे मध्यम वयोगट जो कुटुंबाच्या उदरनिर्वाहासाठी काम करतो. कोरोना महामारीने फार मोठ्या प्रमाणात उदरनिर्वाहाचे साधन हिरावून घेतले. दररोजच्या जेवणाचीही सोय न करता आल्यामुळे आत्महत्या करणाऱ्यांबद्दलही आपण वृत्तपत्रात वाचले. याचबरोबर स्थलांतरीत वर्गाचे जे काही हाल झाले मग ते त्यांचे पायी आपापल्या मूळ गावी परतणे असो किंवा त्याच प्रवासात स्वत:च्या आयुष्याला गामावणं असो. ही मानवासाठी खूपच लाजीरवाणी गोष्ट ठरली. स्वतःजवळ काहीही नसताना आपल्या कुटुंबाची देखभाल कशी करावी, त्यांना आपल्यामुळे उपाशी राहायला लागू नये या सर्व विचारांचं वादळ या वर्गाच्या मनात घोंगावत होतं आणि अजूनही आहे. लॉकडाऊनमुळे 'Work from home' संकल्पना समोर आली. पण, जेव्हा कोरोना लसीकरणाच्या माध्यमातून भारतात असलेलं 'Digital divide' म्हणजेच डिजिटल विभाजन समोर आलं, त्यावरून हे नक्कीच सांगू शकतो की आपल्याकडे संगणक साक्षरतेचा अभाव आहे. त्यामुळे वर्क फ्रॉम होम हा सर्व अडचणींवरील उपाय नाहीच. अजूनही कितीतरी लोक कामाच्या शोधत वणवण फिरत आहेत. शेतकऱ्यांचे ही मागील वर्षी अतोनात नुकसान झाले. टनाच्या मापात कांदा, टॉमेटो यांसारखी पिकं फेकून द्यावी लागली. शेतमालाची नासाडी झाली. वर्षभरातून होणारी कमाई पणाला लागली. यातील एकूण एक गोष्ट मानसिक खच्चीकरणास खतपाणी घालणारी ठरली.

कोरोना महामारीने मानवाच्या स्वातंत्र्यावर गदा आणली. एकाच जागी, एकाच वातावरणात आणि प्रसारमाध्यमांद्वारे होणारा कोरोना बाधितांचा व कोरोना बळींच्या आकड्यांचा मारा मती सुन्न करत गेला. ज्यावेळी अनलॉकला सुरुवात झाली त्यावेळी काही प्रमाणात आशा उत्पन्न झाली. परंतु, आरोग्य विभागाची असंवेदशीलता आणि संभाव्य परिस्थितीचा अंदाज बांधता न आल्याने कोरोनाची दुसरी लाट बसत असलेली घडी विस्कटून पहिल्या लाटेपेक्षा हानीकारक सिद्ध झाली. अर्थातच, या सर्व गोष्टींबद्दल केवळ तक्रार करत न राहता प्रभावी मार्ग काढणे आवश्यक आहे. लोकांना नव्या उमेदीची व मानसिक आधाराची गरज आहे. महामारीतील हे महासंकट टाळण्यासाठी व आयुष्य पुन्हा पूर्व-महामारी काळात जसं होतं तसं करण्यासाठी शासनाचे सद्यस्थितीला अनुसरून आखलेले धोरण, त्याची अंमलबजावणी तितक्यात प्रभावीपणे करणारे प्रशासन आणि सर्वांत महत्त्वाचे म्हणजे आपली इच्छाशक्ती व हातभार मोलाचा ठरेल.

MA राज्यशास्त्र

THE BATTLE THAT WE FAUGHT & STILL FIGHTING

It was time of December 2019 and January 2020 when we got to hear about something called as 'Coronavirus.' Initially we acted as an ignorant towards it; may be due to insufficient knowledge about its severity and the kind of havoc it can cause to our lives or we can say up to some extent that the delay by World Health Organization to declare it as pandemic and warn all the countries. It was totally an unexpected 'pandemic' which has shaken the world upside down.

Even after the passing of period of almost one and half year and efforts of various institutions; we are still not confirmed about the origin of the virus. Lack of sufficient evidences has made the process of finding out proper fully effective medicine against Covid-19 ceased. As the first case of the infection was detected in China, some call it 'Chinese Virus.' No doubt that this blame game will continue till the actual origin is known.

This pandemic has brought the failure of health systems even of the developed countries in the front. In case of India, the current shortage of vaccines, oxygen cylinders, drugs such as Remdesivir stressed a lot and took away many lives. At the start of the pandemic, India has been praised globally as it supplied hydroxychloroquine to country like USA when there was not certainty about vaccines. Production of face masks, sanitizers, PPE kits, etc. needed to boost up. We can definitely say that no country was prepared for this disaster. Countries like US, India, Brazil, France, Turkey, UK, Italy faced a lot of tensions and suffered the lasting consequences. Social media was abandoned with the videos and images of showing shortages of graveyards with bundles of dead bodies in polythene bags. Total 17.6 crores of people got infected and 38.1 lakhs of people died till date because of Covid-19 globally. As part of the people who survived the pandemic, we are fortunate enough to share our experiences and help our respected countries to formulate future policies. Another major concern arose was 'Migrants Crisis.' India saw migrants walking miles of distance and deaths of some while returning to native places. People were also stuck abroad because of complete lockdowns over entire globe. There was immense fear among the world regarding the ways to end this pandemic.

India came up with a initiative naming 'Aatmnirbhar Bharat' that is self-sufficient India which aimed to empower domestic industries, health systems, infrastructure, etc. India also sent number of vaccines to different countries as part of the 'vaccine diplomacy' and initiatives such as 'Maitri' to strengthen the ties with neighboring countries and countries of importance with regard to international relations. Countries like US, China, Russia also being part of vaccine diplomacy supported their strategic partners like Bangladesh, Nepal and India. Vaccines with different efficacies like Russia's Sputnik V, USA'S Pfizer, Moderna, Johnson and Johnson, India's Covidshield and Covaxin, China's Sinopharm and Sinovac were part of the diplomatic ties. Global initiative such as 'Covax' aimed to supply vaccines worldwide to help poor and developing countries which was backed by World Health Organization. It has not proven that effective as Bangladesh has not received number of doses as promised in it's recent statement.

India is also coming across the post-covid infections such as black fungus (Mucormycosis), white fungus, yellow fungus in patients. Experts are researching on the medications and putting forward wide range of theories. World is waiting and eager to see if there is any change in world order and International relations.

Positive side to this pandemic is that the countries are working together at global forums to tackle these post-pandemic challenges. The best example can be a recent 'G-

7' meet which happened on 12th and 13th June. The developed countries like US and UK have shown concerns about poor countries and decided to give 1 billion vaccines to them. It's really a welcoming step that leaders like Joe Biden and Boris Johnson are taking responsive roles as representatives of Superpowers. Still, there's long way to go for all of us. Just like Biden and Johnson have said that unless the entire world is vaccinated, no country will be safe. This is the effect of 'Globalization' which has built connectedness between Nations in such a way that problems within or between any countries automatically affects others even if they are not directly involved.

We must learn from the mistakes made during Covid 19 pandemic and strengthen our health care systems and services more extensively so that no person will be deprived of life-saving essentials and no person shall die because of mis management.

- धनश्री संजय टोहके

बताओ कैसे चल रही है जिन्दगी

बताओ कैसे चल रही है जिन्दगी,
जैसे बिना पानी के रेगिस्तान मे हु,
वैसे हि कट रही है ये जिन्दगी|

जो हाथ भरे है डिग्री से फेला रहे,
झोली पर नौकरी ने जैसे अपने,
हाथो पे बान्ध लि है डोरी |

भूक कोई सैनिटाइज़र या मास्क को नहीं मानता,
क्या करे ये भूखा पेट तो सिर्फ अनाज को हि है जानता|

सासे भिग रही है इन बाजारों में हर घडी,
जलती चिता भि जलते रो पड़ी कहने,
लगी बस करो नहीं देखी जाती, अब मुझसे,
ये मौत की घड़ी|

हस्ते हुये मौत ने भि पुछा जिन्दगी से,
बताओ कैसे चल रही है जिन्दगी,
बताओ कैसे चल रही है जिन्दगी|

- संजना कसारे

आता माणसेच माणसांना घाबरू लागली.....

माणसे होती सुखात - आनंदात
कोरोनची दृष्ट लागली या पृथ्वी नावाच्या गोकुळात.....
नोकरी गेली माणसे गेली,
माणसे सारी बेरोजगारी झाली
शाळा, कॉलेज, ऑफीस, दुकाने
साऱ्यांना कुलूप लागली .....
माणसे सारी आता घरी बसु लागली
वर्क फ्रॉम होम करू लागली.....
सामाजिक अंतर पाळू लागले
तोंडाला मास्क लावून घराबाहेर पडू लागले.....
एका व्हायरस ने घेतले अनेक जीवांचे प्राण
आता तरी माणसांनो व्हा जरा सावधान.....
लॉकडाऊन काळात खुप काही अनुभवले
माणसांचे खरे चेहरे कोरोनाने दाखवून दिले....
गरीब - सामान्य माणसांची होतेय उपासमार
अन श्रीमंती लोकांचीच जाहिरात होतोय फार .....
माणुसकी होती ती ही नाहीशी झाली
आता माणसेच माणसांना घाबरू लागली.....

- शिवानी तांबे

USE MASKS TO PROTECT OUR NATION

Use for all of us
Use it for our support
And because we care about you.

Use it bravely
For light
For protect
For safety!

Use bravely
Use for your safety!

Use it for encouraged others
For encouraged our nation
For every citizens,
Every religion, every caste.

Going out of home
Any place, every time
Use masks all the time

Use your own masks
For your family
For our nation

Use your masks
And be ready to light!

- Pranjal Kamble

COVID-19 AND PUBLIC HELPLESSNESS.

"Covid-19" What can we say about this pandemic situation. This situation has ruined everyone's life. But on the contrary this can be said as the most favourable time for everyone. Even if peoples are not able to go to their jobs but still deep down they are thankful for this pandemic situation. Corona virus, the word which had scared the whole world, has affected the real faces of our own relatives and trustworthy peoples. When someone is sick, their beloved peoples take care of them, but in this pandemic situation not a mother was helpless to look after her childhood infected with corona. What is corona virus? How does it affects the human beings? What a person have to suffer when he/she is corona infected? Being a frontline worker, daily I have to see the separation of peoples from their families. In this pandemic time, each and everyone has to stay away from each other. It is known to everyone that isolation is the best way to stay safe from Corona virus. there are some peoples who are so discourteous that they don't admit their old parents. They just give up on them and lefts them on road. At the time when senior citizens needs the most help, they are hated by their own children and other family members too. Once a man brought his old father aged around 60/65 years, and admited him in a hospital and asked us to do a favor on him. The favor was, he said, "Once my father gets well from this virus don't send him home, send him to any orphanage." Yes this is true he was thinking about his family, his wife, his children but not about his father. This is the cruelty of today's time. People don't think of others not even of their own old parents. This time has made rich the richer and poor the poorer. Everyone thinks that one day corona will be over and we will be free from wearing masks. Even if corona will get over, but still mask will become the necessary protective gear. Corona virus can vanished not by thinking of ownselves, but by thinking of others. We have to fight with this virus not with our beloved, families and others. Stay safe, stay pure and help others who are really needy.

COVID-19 AND SOCIAL DISTRETS

It's a very dangerous situation in our country and in the world due to covid-19 since the past one year. The first covid case in India arose in Kerala, but after that no one took it seriously and today it's a cruel monster which is affecting us till now.

In inital phase the rural areas in india were not affected by covid. But late on the rural areas were badly affected by covid because of various factors like lack of testing, lack of literacy, and ignorance towards the disease. Even people of our country fear from rumors spread on the social media such as fake posts and videos of how patients are being cheated by stealing their heart, kidneys and lungs once they enter into the hospital.

Covid has also influenced the education system in serve measure. Due to which students like us face problems such as how and when the Schools and Colleges, will open and our online classes will resume how to hold boards and lack of technology in the rural areas. And due to such challenges the government had to permit internal assessments to students and to promote them.

In such a dangerous and havoc situation some of the Chemists and Doctors of our country are showing such inhuman behavior by selling the injections, vaccines, oxygen pumps in black and some innocent people whose family member is in danger, purchase it in black, paying extra money on it. Such self-centered insensitive people should be exposed in front of the society.

The business industry and the agricultural industry has also faced the consequences of covid - 19 a lot. Due to the lockdown situation they are being dep their bread and butter for a year and it's a very big period for the families whose children eat their food when their father earns something for the day and comes home e.g. Vegetable and fruit vendors, party businessmen etc.

- Ashutosh Satyanarayan Sharma

✦✦✦✦

LET'S STOP THE WHISPERING & SAY IT LOUD

LGBTQ+ is a community comprising of all the people who do not identify with the both the genders on the either side of the spectrum (i.e., MALE AND FEMALE). LGBTQIA+ is an abbreviation of Lesbian, Gay, Bisexuals, Transgender, Queer, Intersex, Asexual/Ally. For the sake of strangely 'human' instinct of scheduling anything or anyone who do not fit into the primitive bookish definition of NORMALITY it comes as no surprise that people from the LGBT community had battles to fight and win against oppression in their war to conquer basic human rights and equality. Repulsed by recurring atrocities subjected by the authorities' violet protest erupted on June 28th of 1969 in the Greenwich village of New York, the riots lasted for 5 days, what came was a dusk of the new morning for the LGBT+ community.

On 28th June 1970 the FIRST PRIDE PARADE in New York was held commemorating the protest of 1969 and, the month of June is therefore observed as PRIDE MONTH. The first ever pride march in India was organized on 2nd of July 1999 on the streets of Kolkata. The rainbow flag is the pride flag symbolizing the community which was adopted in 1978 designed by GILBERT BAKER. Albeit, now with the progressive mentality, protests, years of fight for civil rights and the coming-of-age social media which further strengthened the movement many countries have legalized Homosexulaity, India proudly being the one of them with the historic judgement of reversing section 377 of the Indian Penal Code passed on 6th of September 2018, the community still has a far-fetched, tedious way ahead to attain equality.

Gender inclusivity is not something taught to a lot of us either in schools and definitely not at our homes which has brought no good but only fuel our ignorance and lack of empathy for people belonging to the community. This

absurd notion of abnormality sometimes has people from the community develop major self esteem issues from a very young age especially when they are not backed by supportive family or friends. The episodes of horrifying abuse and bullying are only proofs of how we have failed as a society. The A in LGBTQIA is said to stand for 'ALLY' comprising of people who identify as male or female, it is our culminative responsibility to build a more empathetic society, be more human to people around us, create a safe space for multifarious stories and people to strive together. Question is how can we???...

We can become better allies by increasing the gender inclusivity in our society by extremely minimal efforts like specifying our pronouns, educating ourselves to shrink the ignorance, which now through social media is easier than ever with many LGBTQ+ individuals such as influencers like Shushant Digekar, activists like Laxmi Narayan Tripathi, Gauri Sawant who have went out of their ways for their community and made a remarkable name for themselves

Being a better Ally is not only about the betterment of the people resonating to the community but also, for us to be better and kinder individuals. After all it isn't about just gender and sexuality but about RESPECT, HUMANITY, COMPASSION and precisely about LOVE!

मसीहा

ये कैसा सन्नाटा शहरों में पड़ा है,
हमारे लिए कोई और बाहार खड़ा है
दिल देखो न उसका कितना बड़ा है,
पुरे शहर के लिए करोना से जा लढ़ा है
वो घर जाने को तरस रहा है
और हम बाहर जाने को
उसे घर का खाना खाये अरसा हो गया है,
और हम रोज नये पकवान कर रहे है
हम घर मै बहोत खूश है जनाब
क्योंकि वो मसीहा बाहर है,
इसलिए हम खुश है |

- Pooja Mahadik

A free verse poetry on bystander effect. There are so many examples on this. The recent Delhi incident when man stabbed his wife in public, Kitty Genovese case, 2002 example when woman was raped in local train presence of five other commuters and many more which clearly shows how people are being ignorant.

IT'S ABOUT A GROUP TOGETHER BUT NOT A SINGLE PERSON'S PLANE

The term people itself means a group together, a bunch together. But together is something special it makes
When something comes together, strong they stay and when people come together they work to the best and beauty they make, bond they make.
Come together when someone needs help, when someone fail and trying to raise them. Staying together in every phase.
But these people hardly understand the phrase.
Because paralyzed these people are who know that they have to move their feet but unfortunately remain still.
They see everything, they feel something but why they remain quiet,
they pretend to be blind.
They don't care who's being killed, because not their blood flowing miserably, not their own blood to cry and not their own blood to fight for.
They don't care if a woman is being raped because not their mother or sister.
They failed. The people failed when they thought as an individual but not as a group instead.
Responsible people are as much as criminal when they except the crime happening in front of their eyes. They allow monster to move freely and themselves stay trapped when not fetter with chain in actuality.

- Shraddha Nagwekar

✦✦✦✦

LIFE VS EDUCATION

The effects of the year 2020 has still not been erased from our lives. The trauma and the discomfort which all of us have been through the past months have had a great impact on every individual be it financially, emotionally, mentally. With the world looking forward to move past the stagnant lifestyle and trying to cope up with its repercussions and accepting the new normal; the students of the society showed a high opinion of ourself with ways for handling the aftereffects of Covid-19 and its lockdown.

The education and careers of the students have been hampered but with the acceptance of digital platform they are trying to manage academics in the times of pandemic, but we wish we could say the same for the students of standard 10th and 12th of our country.

The students are into the same academic year as before the pandemic and are struggling for a ray of hope towards the future, the chaos and confusion only kept growing without any final verdict from the government. But there was some hope that every act would be put together by the end of their academic session 2021 but this covid horror does not seem to end!!! On the 14th of April 2021, the government decided to put an end to the misery of the students by announcing that the board examination of 10th standard would be cancelled and for 12th it would be post pone. Although the news was as refreshing as it seemed it paved a way for a plethora of discussions and arguments. On the 13th of May 2021, a Pune based professor Dhananjay Kulkarni through Uday Warunjikar filed a PIL in the Bombay high court challenging the government's decision for standard 10th as invalid and against the academic interest of the students. He raised concerns stating how the decision will have a larger impact in the near future with respect to the FYJC admissions as the unequal's will be treated equally and the consequences of that would be the opportunities being snatched from the deserving pupils.

While for standard 12th a PIL was filled in the Supreme court by advocate Mamta Sharma for the cancellation of 12th boards and declaring the results very soon within the time frame through objective methodology. The hearing was adjourned on 31st May 2021 by vacation bench of Justice A.M Khanwilkar and Dinesh Maheshwari. Finally on 1st June CBSE announced is decision in the interest of the students to cancel the 12th boards followed by ICSE and other state boards following the trail. Albeit an applause worthy decision it did have a few to many loopholes. On 24th June 2021, the CBSE and ICSE boards reported they would announce the results for standard 12th by the evaluation process of 30:30:40 criteria. The other boards have been asked for a concreate evaluation plan for the 12th results by the Supreme Court and declare the results by the end of July.

One of the many loops of the decision was that in was impulsive one without considering the other alternatives. The class 12th and 10th exams are a pedestal for every student's career and therefore the argument against the cancellation of boards held a strong grip raising concerns such as further difficulty during the admission processes, unequal evaluation criteria and the CET that was in talks to be conducted. This concern raised the sparks of the dissolved fire by bringing up the Supreme Court's decision of the previous year for the final year students who were not allowed any passage to complete their graduation without proper assessment. The Supreme Court has asserted that it would not pass any direction for having a uniform scheme for evaluation across the country and would not endorse any validity for the same.

To wind up the entire argument LIFE weighs more than Education. We all know now that a few points raised were valid, since 10^{th} and 12^{th} are the steppingstones for students' career but it out reaches the deed that life is too precious to be meddled with. The discussion for the boards of 10^{th} and 12^{th} is supposed to be the matter of Life VS Education yet a few

people have managed to propagate their own political agenda. The resolution should be into the interest of students and not a vendetta for some political issues. At the end we just hope that whatever decisions are to be made are done with having an overall outlook towards every aspect, be it life or education and this, their decision is to be respected. We hope for a fair and just decision and that the distress of every student, their parents, teachers and the others remotely connected to them are put to ease.

- Harshita Sangam and Pahel Jain.

पाऊस आणि प्रेम

पावसाचा आणि प्रेमाचा
एक अतूट नातं असतं
खूप दाटून आलं कि खूप
दोघांनाही बरसाव वाटत.

बरसून झाल्यावर कधी कधी
त्याला इंद्रधनुष्याच्या रूपात प्रकटाव लागत
सप्तरंगाच्या दुनियेत प्रेमाला
धुंद होऊन गाव वाटत.

पाऊस ही वेडा असतो
प्रेम ही वेड असते
थांब म्हणून दोघांना
थांबणं मान्य नसतं.

पावसाच्या थेंबा थेंबातून
धरणीचा अंकुरण असतं
प्रेमाच्या पावसातून आयुष्याचे
नव्याने जन्म घेणं असतं .

I TOO HAD A LOVE STORY

Author : Ravinder Singh
Genre : Romantic Tragedy
Published : 2012

In his debut novel'I Too Had a Love Story', Ravinder Singh delves into the relevance of 'truelove' in this fast-paced modern world,where 'commitment' has absolutely lost its essence and importance.

The book kicks off with the story of the protagonist - Ravin and Khushi, and their passionate love story that is free from societal norms and stereotypes. From being a complete stranger with diverse dreams and ambitions who meton a matrimonial websiteto occupying an eternal place in each other's heart, this book has redefined the faith in the magicof love.The book beautifully depicts their blossoming love with the romantic telephonic conversation, face-to-face meetings and traditional engagement preparations. Everything goes well until a tragedy changed the entire lifeof Ravin and gave a shock that no reader would have expected.This tragedy perfectly illustrates that not every love story has an 'Happily Ever After' tagline on it; some love stories remain incomplete due to fate but stay immortal in our hearts.

On a closing note, this book is a memoir of a romantic courtship that didn't reach its final destination – marriage. If a heart-rending and mushy love story quenches your thirst, then this is a perfect catch for you!

RIGHT AND WRONG

(Film Review)

Naxalism is such an organization, on hearing its name, people feel that this organization has become an internal threat to our country. But the thing to think about is whether this organization has become a threat to the country, or is being created. You will get to see the answer to this question in the movie (Chakravyuh).

Which was made by PRAKASH JHA in his direction in 2012. This movie is based on this story, here some tribal people do not support the government but those people to get their land and their rights. Those who want to fulfill their demands on violence and at gunpoint.

Arjun Rampal and Isha Gupta (IPS officer) have been shown in the movie. Arjun Rampal is one such person in the movie. Those who have faith in the judiciary go according to it. Abhay Devol has been shown such friends of these two. Who is always ahead to fight for the rights of others. There is another character in this movie, which would not be right to ignore And that is Manoj Bajpayee who has given a different twist to this movie with his art.

problem. Like water, electricity, and education cannot remove them. Still, why do these people support those people? Maybe that's why the government considers these people only as part of its voting. Or else before the government, the Naxalite people understand their pain, that's why. And take advantage of the same thing.

It has been many years since the movie was released. But once you guys must watch this movie. Because even today this movie will force you to think, about who is right and who is wrong in this. Because the movie has tried to justify Naxlisam. A real-life villain is shown as the hero in the reel. What, right, they are some people. Who is taking their land to make their project and making them homeless from their own house? And the government is also supporting them all. Or right those people who have taken up arms against the government for their land and rights.

मुहाजिर

(मुहाजिरो की दास्तां बया करनेवाली फिल्म)

कि कैसे लोग चंद पैसो के लिये बुरा काम करने लगते है। और ये बुरा काम करने के लिये उन्हे मजबूर करते है, उनके ये हालात पैदा करती हैं। देश कि राजनीती।

तो पुरी कहानी मुहाजिर शब्द में घुमी हुई हैं, चंदनपुर एक ऐसे गाव से जहाँ के आदिवासी लोगो तक हमारी सरकार और सरकारी सुविधा पहूच नहीं पाती, और इनही आदिवासी लोगो का फायदा उठाते आतंकवादी और उन्हे हमारे देश के खिलाफ़ भडाकातें है। और हमारे हि देश में रहने वाले लोगो के साथ मिलकर गैरकानूनी तरीकेसे उन तक हाथियार पाहुचातें है। और इन आदिवासी लोगो का मुखिया (विरण) इनही हाथीयारों से मासूम लोगो को मारता है और उनके गेहने ,पैसे लुटता है। और यह केस Mr Parfect (अमीर खान) के पास चला जाता हैं ,जो इस कहाणी में IPS ऑफिसर कि भूमिका निभा रहे हैं। और हमेशा खलनायक कि भूमिका करने वाले (मुकेश ऋषी) इस कहानी में जन्म से मुसलमान और दिल से एक सच्चे हिंदुस्तानी इमानदार पोलीस इन्स्पेक्टर कि भूमिका कि है। पर इन्हे इस केस से हटाया जाता हैं ,क्योकी वो मुसलमान थें। और हमारी छोटी सोच कहतीं हैं की, वो हमारे देश से वफादार नहीं रह सकतें ।

और हमारे दुसरे व्हर्सटाईल ऍक्टर (नसरुद्दीन शहा) ने अपने खलनायक की दमदार अदाकारी से कहाणी को एक अलग हि उचाही परं लेके गये है। उन्होने इस कहाणी में एक पाकिस्तानी गजल कलाकार कि भूमिका कि है। पर उन्हे पाकिस्तान से ज्यादा हिंदुस्थान के लोग जाणते है और उनसे प्यार करते है और उनकी गजल को पसंद करते है। लेकिन इस कहानी मे उनके उपर मुहाजिर कहने लगे। इसी बात का फायदा उठा कर आंतकवादी (नसरुद्दीन शहा) का ब्रेनवॉश करते हैं। और उन्हे अपने साथ मिला लेते हैं। और फिर वो उन्हे हथियार पहुचानें में मदत करते हैं। हमें बनाने वाले भगवान ने भेदभाव नही किया लेकिन हम इन्सान कर रहे है। यही इस कहानी में बताने की कोशिश कर रहे हैं। वैसे तो इन्सान मंगल ग्रह परं दुनिया बसाने कि सोच रहा है, लेकिन धरती परं कैसे रहना है उसे आज तक पत्ता नहीं चला।

खास कर के, मुझे इस मूवी में, जो सबसे अच्छा लगा, वो था इस कहानी का अंत। जब खलनायक (नसरुद्दीन शहा) खुदको हि गोली मार देते है, क्योकी उन्हे लगता है कि उन्होने जो किया वो गलत किया। लेकिन कहानी के अंत में IPS officer (अमीर खान) दुनिया को ये नहीं दिखातें कि वो देशद्रोही थे। बल्की वो ये दिखातें है, कि उन्होने अपनी किसी निजी समस्या से खुदखुशी कि, क्योकी वो नहीं चाहते थे कि लोगों का उनके उपर का प्यार कम हो जाए और भरोसा तूट जाए।

तो इस कहानी से सिखने वाली बात ये है कि,
हम हिंदुस्तानी दिमाख से नहीं दिल से सोचते है।

चंचल मन

किताब को पढं कर आपको हंसी भी आएगी और थोडा दु:ख भी होगा, और ये दावा करता हु की, इस किताब को पढ़कर आप में परिपक्वता (matureness) भी आ जायेगी।

तो किताब का नाम हे, यही सच हैं, और इसे सुप्रसिद्ध कहाणीकार मनु भंडारी ने लिखा हैं।

तो कहाणी की नायिका दिपा को निषिध नाम के नायक से प्यार हो जाता हैं और वो दोनो तब किशोर अवस्था में होते हैं। और ये नायिका का पहिला प्यार होता हैं। और पहिले प्यार की ताकद आप जानते ही हो।

एक दिन किसी कारण दिपा के पिताजी की मौत हो जाती हैं, और कुछ समय के बाद निषिध भी उसे छोड के चला जाता हैं। इसी वजह से दिपा अंदर से पुरी तरह तूट जाती हैं। और वो, ये मानने के लिए तयार ही नहीं होती, की जिसे वो इतना चाहती थी वही उसे इतने कठीन हालात में, अकेला छोड कर चला गया। लेकीन बाद में उसकी संजय नाम के पात्र से मुलाखात होती है, और संजय उसकी इस बुरे समय में बहुत मदत करता है। इसलिए दिपा को संजय से प्यार हो जाता है। और संजय भी उसे बहुत प्यार करता है। कुछ दिन बाद दिपा को (interview) के लिए कलकत्ता जाना होता है, लेकीन उसका मन कहेता की मत जा, क्योकि निषिध भी वही रहता हैं। और दुसरा मन कहेता की, अगर ये काम मुझे मिल गया तो संजय और मेरी इस जिंदगी की एक अच्छी शुरुवात हो जाएगी। इस लिए वो कलकत्ता जाती हैं। लेकीन जिंदगी में हम जो नहीं चाहते, वहीं होता है। दिपा के साथ भी कुछ ऐसा ही हूआ। उसकी फिर से मुलाकात निषिध से होती हैं। उसे देख कर दिपा मन में सोचने लगती है की...निषिध ने अपने बाल बढाए है और उसने शादी भी नहीं की, शायद अभी वो मुझसे प्यार करता हैं, लेकीन बोल नहीं पा रहा हैं। पर में भी उसे नहीं बोलूंगी क्योकि, वो मुझे छोडकर चला गया था, में नहीं।

फिर (interview) हो जाने के बाद दिपा अपने घर कानपूर आने के लिए निकलती हैं, तो निषिध उसे छोडने के लिए स्टेशन पर आता है। दिपा फिर से अपने मन में सोचने लगती है कि, अब निषिध कुछ बोलेगा...पर निषिध कुछ नहीं बोलता। सिर्फ उसकी आँखों में देखता है। फिर दिपा ट्रेन में चढती है और फिर से वो अपने मन में सोचने लगती है की, निषिध ही मेरा सच्चा और आखरी प्यार है, संजय तो मेरा सहनुभूती का प्यार है , क्योकि बुरे समय में उसने मेरी मदत की, सच्चा प्यार तो मेरा निषिध हैं। लेकीन मेंने ये उसे स्टेशन पर क्यों नहीं कहा, शायद वो मेरे सामने था इसिलिए, लेकीन में घर पहुंचते ही उसे पत्र लिखूंगी और उसमें में अपनी सारी मन की बात बताउंगी। फिर घर पहुंचते ही दिपा देखती है, की संजय कहीं बाहर गया हैं। फिर वो निषिध को पत्र लिखती है और उसके जवाब का इंतजार करती हैं। पांच

किताब कहना चाहती है कि, प्यार उससे मत करो जिसे आप चाहते हो, प्यार उससे करो जो आपको
चाहता हैं। और सिखने वाली बात ये है की,

मन की इतनी भी मत सुनो की, हम ये तय करना भूल जाए ,की ये प्यार है, की बचपना ।

बाप

घर में बुरे हालात आने से पहिले ही,
रोक लेता हैं, वो होता हे बाप।

बच्चों के सपनें नहीं, लेकिन हर
जरुरत पुरी करता हैं, वो होता हे बाप।

हमें थोडी सर्दी-खासी हो जाती हैं,
हम छुट्टी लेके घर बैंठ जाते हैं,
लेकिन छुपकेसे दवांई खा कर
काम पे जाता हैं, वो होता हे बाप।

वीरगळ

सहयाद्रीच्या दरी-खोऱ्यांमध्ये फिरतांना आपल्याला हे अश्या प्रकारचे दगड बऱ्याच ठिकाण ठदसतात. गावाच्या,राज्याच्या, धमााच्या रक्षणासाठी ज्यांनी आपले प्राण वेचले तयांची पूवीच्या माणसांनी अशी दगडी स्मारकां उभारली, पढुच्या पपढीला ह्यातनू स्फूर्ती आणण प्रेरणा ममळावी हाच ह्या मागील हेतू होता..वीरगळ म्हणजे युद्धाच्या स्मारक मशळा, एखाद्या शुराला कोणतया कारणासाठी वीरगती प्राप्त झाली आहे, तयाचां चचत्रण ज्या मशळे वर मशल्पाांकीत के लां जातां तयास वीरगळ म्हणतात..इांग्रजीत hero stone, stone images,उत्तर भारतात तयाला पवरब्रह्मा,दक्षक्षणेत कानडी मध्ये कल्लू, केरळात तरी असं म्हंटल जाते.

वीरगळ हा कानडी शब्द. कळ म्हणजे दगड ह्या कानडी शब्दा वरूनच वीरगळ हे नाव पडलां असावां. पवरगळाांची अनेक प्रकार आहेत १ फुट ते १२ फुट पर्यंत वीरगळ बनवलेले ठदसून येतात. साधारणपणे दगडाांच्या ३-४ चचत्र चौकटीत वीराांची प्रसांग चचत्रे कोरलेली ठदसतात. खालच्या तळाशी असलेल्या चचत्र चौकटीत वीर मरण पावल्याचां चचत्र ठदसतां, तयाच्या वरच्या चचत्र चौकटीत पवरस कोणतया करणास्थव मरण आलां तयाचांही चचत्र कोरलेलां ठदसतां, म्हणजे पायदळाच युद्ध असेल तर रणाांगणावर शत्रूशी दोन हात करताांना तयाला मतृय आल्याच शुचचत के लेलां असत, तयाच प्रमाणे घोडदळ, नवकादळ अशे प्रसांग दाखवलेले दिसतात.

कधी गाई गुराांच्या सौरक्षणासाठी वीर लढतांना दिसतो. त्याकाळी गोधन हे श्रीमांतीच लक्षण मानलां जायचां.अश्या तऱ्हेने वीराला कोणत्या कारणामुळे मरण आलाय हे खालून दुसऱ्या चौकटीत दाखवल्या नंतर तयाच्या वरच्या चौकटीत अप्सरा वीराला वाजत गाजत सन्मानाने घेऊन जाण्याचां चित्र दिसते, त्या नंतर वरच्या चौकटीत वीर मशवमलांगाची पूजा करताांना व ब्राम्हण आणण गुरव पूजा साांगतानाचित्र कोरलेलां असतां. त्याच्या वरच्या शीर्ष भागात कलश व चांद्र सूया कोरलेले असतात.ह्याचा अथा म्हणजे जो पर्यंत चंद्र सूर्य या आसमंतात आहेत तो पर्यंत ह्या वीरांची कीर्ती विलतांत कायम राहील असा अर्थ निघतो. वीराांनी केलेल्या बलिदानाची उचित स्मारके आज आपल्या समोर आहेत पण ह्या विरगळांवर वीराांची कोणती नाव आढळत नाहीत. त्यामुळे हे वीर कोण कुठले हे आपल्या ठाऊक नाहीत, माहिती आहे ते त्याचे कार्य आपण पुढच्या पिढीसाठी केलेले बलिदान.अश्या ह्या वीराांचे आपण कायम ऋणी राहू, माझ्या ह्या सगळ्या अज्ञात वीराांना

- तन्मय उडायराज चव्हाण

मुसाफिरसारखं जगायचय...

मला काय साध्य करायच आहे, मध्यन्तरी हा विचारच नाकारला होता
पण आताशा परत स्वीकारायचा आहे.
मला किती काय काय करायचं आहे, असं वाटू लागत की ..
एकटेपणात नाही तर एकटं राहायला शिकायचय, स्वतः सोबत.
अल्लड गुलाबी रंगावर कर्तृत्वाच, स्वाभिमानाचा लाल रंग रेखाटायचा,
मन धावेल त्या दिशेने स्वार होऊन, प्रत्येक नव्या गोष्टीचा वेध घ्यायचा
वसंतात जशी झाडाला नवी पालवी फुटते, तसा नाविन्याने सजायचं
नवेसे नवेपण अनुभवत, वारा अंगावर घेत कळीसारखं बहरायचं
फेसाळलेल्या समुद्राकडून निर्भड्पणा आणि अंतरंग स्वच्छ ठेवायला शिकायचं आहे,
कधीतरी किनाऱ्याला लागू या विश्वासावर क्षणोक्षणी प्रयत्न करणारी लाट व्हायचं आहे.
स्वतः तील चमक ओळखून शुक्रासारख अंधारलेल्या आभाळात तोरयात चकायचय.
कस्तुरीसारख दरवलायचय, परिसरासारख झळकायचय.
ध्येयाची, शहाणपणाची शिदोरी घेऊन वेड्या मुसाफिरसारखं जगायचय.

- प्रतिक्षा गायकवाड

COVID 19 AND SOCIAL REALITY

COVID 19 a diaster which none of us would shake the entire world also made us familiar with the shocking reality of society.

As we came back to our normal lives, let us not forget the times of terror where finding beds in hospital was a matter of luck, where first come first serve basis on Cowin to get our doses was a daily task, where our only source of social interaction was standing at our windows and clapping hands and utensils. Also, let us not forget how the time made us realize with the poor health infrastructure we have and also at individual level how easily we ignore our healths.

COVID 19 had shown us how earning millions and travelling around the world may give you peace but in times like such staying home in the presence of our loved ones is a blessing which all of us have taken for granted. It's not the MNC'S, the big glamours Bollywood actors, the luxurious cafe's and pubs that serve us truely but the minimal work by our milkman, ambulance driver, maids and nurses, the policeman are the true heros that never come in light.

It showed us the struggle of humans walking miles to reach home, it showed us the privilege of being able to eat food with our parents alongside.It showed us how million struggled to even get a days meal.It showed us how commons shared food so everyone could get a meal.The race didn't matter, the age didn't matter when we sat at our table to play games at night we all were lost kids in adult world's responsibility.

Countries United, Humanity arose what UN, ASEAN, BRICS couldn't do COVID 19 could do it.Humans remembered to be humans as trapped inside, nature lived freely as humans weren't around to destroy or use her anymore.Alot of lives were lost, staying living itself was a blessing. Running 9 to 5, 24/7 around the clock stopped and the smiles exchanged while dinner and movie nights were the days we will never forget.

COVID 19 may be a chaos that got the world economy down and shattered alot of countries money making ideas but it indeed was a reality check for all of us at individual levels to what extend have we what our lives in reality.

कोरोना

कधी सरणार राण, किती मरण अजून
एका आजाराने माणूस कसा आलाय शरण

आयुष्याच्या वळणावर थकलीय
ही दुनिया जबाबदारीचं ओझं झेलून
असे वाटतं नको मागे फिरून बघायला
अंत तर कधीच होणार नाही या वाटेचा
कसे जगावे अन्कसे मरावे...
हा प्रश्न पडला???... मज

विसरले लोक सुखदुःख... विसरले भांडण...
माणसातून माणुसकी निघून गेली...
माणसातला माणूस निघून गेला...
रडतोय माणूस कोरोनाला भिऊनी...
सांगूनी- वाचूनीही कविता काही बदलनारी नाही...
अंधारलेल्या वाटेत डॉक्टरसारखे
देवमाणूस प्रकाशाची ज्योत विजवतात
आणि आपण आपल्याच हाताने
आपली कब्र खोदत जातो...

अफवांचा बाजार पसरला जातो
स्वतःची बुद्धी मात्र गहाण ठेवली जाते
काय तर म्हणे त्याची नल शिव्या घालातात.
पण इथे मात्र काहीकाही लोक
आपल्याच डॉक्टरांना दगड मारतात.

ही लढाई आहे आपल्या patience ची
आपल्या जिद्दीची अन्... आपल्या ताकदीची
आपापल्या त्या गोड नात्यांची...
तर ही ताकद स्वतः पासून सुरु करानार...
आणि हया ताकदीच्या लढाईला संपूर्णपणे मी सामोरे जाणार
ही काळजी प्रत्येकाने आपापल्या कुटुंबाची घ्यावी...

माझे आरोग्य माझी जबाबदारी Corona हरेल देश जिंकेल

माझा फौजी भाऊ

सांग किती त्या वाटेला नजर मी लावू
आई सांग मला कधी येणार माझा फौजी भाऊ.
वाटा सरल्या अडल्या संकट काट्यांनी
काळजी चिंता करुनी घरा दिवे लागे सांज तिन्ही.
सर्व लोक त्याला करती नतमस्तक वंदन
त्याच्या माझ्यातील सुंदर अतुट नात्याचे बंधन.
सांग किती त्या वाटेला नजर मी लावू
आई सांग मला कधी येणार माझा फौजी भाऊ.
आहे मला फौजी भावाचा खूप अभिमान
जसा वृद्ध माता-पित्यांचा लाडका बाळ श्रावण.
जसा उंच बर्फाचा तो हिमालय पर्वत
नाही एक दिवस पण गेला तुझी आठवण करत.
कधी सांग तू येणार आहेस अरे मला
आनंद अश्रू भरल्या डोळ्यांनी पाहत राहीन रे तुला.
तुझ्या संगत अनेक फौजी देती सीमेवर पहारा
देशातल्या जनतेला आहे तुमच्या सर्व फौजींचा सहारा.
किती तुझ्या आठवणीत सांग दिवस घालवत राहू
आणि तुझ्यातल्या आनंद क्षणात किती दिवस स्वतःला वाहू
सांग किती त्या वाटेला नजर मी लावू
आई सांग मला कधी येणार माझा फौजी भाऊ.

A free verse poetry on bystander effect. There are so many examples on this. The recent Delhi incident when man stabbed his wife in public, Kitty Genovese case, 2002 example when woman was raped in local train presence of five other commuters and many more which clearly shows how people are being ignorant.

IT'S ABOUT A GROUP TOGETHER BUT NOT A SINGLE PERSON'S PLANE

The term people itself means a group together, a bunch together. But together is something special it makes
When something comes together, strong they stay and when people come together they work to the best and beauty they make, bond they make.
Come together when someone needs help, when someone fail and trying to raise them. Staying together in every phase.
But these people hardly understand the phrase.
Because paralyzed these people are who know that they have to move their feet but unfortunately remain still.
They see everything, they feel something but why they remain quiet, they pretend to be blind.
They don't care who's being killed, because not their blood flowing miserably, not their own blood to cry and not their own blood to fight for.
They don't care if a woman is being raped because not their mother or sister.
They failed. The people failed when they thought as an individual but not as a group instead.
Responsible people are as much as criminal when they except the crime happening in front of their eyes. They allow monster to move freely and themselves stay trapped when not fetter with chain in actuality.

- Shraddha Nagwekar

✦✦✦✦

बाबा म्हणे मला....

बाबा म्हणे मला
अस रुसू नको बेटा
मी आहे ना तुझ्यासोबत
मग तू का उदास आहेस बेटा
शिकलेलो नसलो तरी
तुझाच आहे मी बाप
तुला काही कमी पडू नये म्हणून
मी घेतो डोक्याला ताप
शांत हो माझ्या बेटा तुला खूप जग
पाहायचं आहे
कोणची तरी आई किंवा बाबा म्हणून
तुला पण या जगात वावरायचं आहे

तरुणांना प्रेरणा देणारे अनुभव कथन

भारतीय प्रशासकीय व्यवस्था ही जगातील सर्वोत्तम व्यवस्थेमधील एक आहे. ह्या मध्ये आय.ए.एस अधिकारी हा एक महत्वाचा केंद्रबिंदू मानला जातो. भारताच्या शासकीय व्यवहारात आय.ए.एस ची भुमिका फक्त महत्त्वाचीच नाही तर ती नीर्णायक सुद्धा आहे. लोकशाहीचा पोलादी कणा समजला जाणाऱ्या सनदी अधिकारी होण्याचे स्वप्न सगळ्यांचेच असते. त्यामुळे आपल्याला त्या संदर्भातील एखादे पुस्तक वाचायला मिळाले तर आपल्यामध्ये उपजत गुणवत्ता जी असते, त्याला चालनाच मिळते. प्रस्तुत पुस्तक हे ह्याच प्रकारचे, तरुणांना प्रेरणा देणारे प्रस्तक आहे. प्रशासनात कार्यरत २१ अधिकार्यांच्या प्रेरक कथांवर आधारित हे पुस्तक एक महत्त्वाची भूमिका बजावत आहे. नव्या बाल लेखकांसाठी सुद्धा प्रतिभा मॅडम चे हे पुस्तक आदर्श आहे.

लेखिका प्रा. प्रतिभा बिस्वास मॅडमनी देशातील आणि विशेषतः महाराष्ट्रातील निवडक प्रशासकीय सेवेतील अधिकार्यांच्या संघर्ष पुर्ण यशोगाथां चे संकलन केलेले हे पुस्तक आहे मराठी साहित्यात ह्या पुस्तकाने मोलाची भर घातली आहे. महाराष्ट्राचे राज्यपाल भगतसिंग कोश्यारी आपल्या शुभेच्छा पत्रात लिहितात की' हे पुस्तक प्रशासकिय सेवेत काम करू इच्छिणाऱ्या युवकांना तसेच सामान्य वाचकांना नागरिकांना प्रेरणादायी ठरेल . याचबरोबर मुख्यमंत्री उद्धव ठाकरे, उपमुख्यमंत्री अजितदादा पवार,मा. शरदचंद्र पवार, मा. नितीन गडकरी यांनी सुद्धा लेखिकेला पुस्तकाबद्दल शुभेच्छा दिल्या आहेत.

करीअर हा शब्द सर्व परिचित असला तरी करिअर म्हणजे नक्की काय हे अनेकदा आपल्याला कळलेले नसते. करिअर साठी नेमके काय निवडावे या बाबत पालक आणि विद्यार्थी दोघेही संभ्रमात असतात. अनेकदा पुरेसे मार्गदर्शन नसल्याने करिअर बाबतीत निर्णय चुकतात व प्रगती अर्ध्यावट खुंटते. शासन आणि जनता यांना साधनारा पुल म्हणजे प्रशासन. या प्रशासनातील सर्वोच्च अधिकारी असतात IAS अधिकारी . शासनाच्या सर्व योजना जनते पर्यंत पोहचवण्याचे आणि कार्यान्वित करण्याचे कर्तव्य या सर्वोच्च अधिकार्यांचे असते. बहुतेकांना नागरी सेवा करण्याची, IAS होण्याची इच्छा असते त्याच्यासाठी हे पुस्तक नक्कीच मार्गदर्शक ठरेल.

पुस्तकात २१अधिकार्यांच्या प्रेरक कथा आहे.

आधुनिक प्रशासनातील, महिलांच्या प्रश्नांसाठी हिरिरीने काम करणाऱ्या, महिलांच्या सक्षमीकरणासाठी सदैव कार्यान्वित असणाऱ्या लीना बनसोड मॅडम. ह्या नाशिक जिल्ह्या परिषदेत मुख्य कार्यकारी अधिकारी म्हणून काम करत आहेत. लीना मॅडम बद्दल वाचताना एक सुभाषित आठवते.

'विद्या नाम नरस्य रूपमधिकं प्रचंन्न गुप्तं धनं
विद्या भोगकरि यशसुखकरि विद्या गुरूनां गुरू:'

शांतिदुत म्हणजेच राम प्रधान. प्रशासकिय अधिकारी मनात आणले तर किती चमत्कार देशाच्या प्रगती च्या द्रुष्टीने करू शकतात याचे मूर्तिमंत उदाहरण म्हणजे भारताचे माजी गृहसचिव राम प्रधान. पण दुर्दैव असे की मॅडम ला त्यांची मुलाखत घेता आली नाही कारण ३० जुलै २०२० रोजी राम प्रधान यांना देवाज्ञा झाली.

भारतासारख्या प्रचंड मोठी लोकसंख्या असलेल्या लोकशाही प्रणालीतील अत्यंत गुंतागुंतीची असलेली प्रक्रिया म्हणजे निवडणूक. परंतु देशात खऱ्या अर्थाने निकोप पद्धतीने निवडणुकांचे पर्व सुरू करून निवडणूक प्रणालीचा चेहरामोहरा बदलणारे इलेक्शन किंग, माजी मुख्य निवडणूक आयुक्त टी. एन. शेषन. मॅडम त्यांना निवडणूक आयोगाचे सम्राट असे म्हणतात.

कुशाग्र बुद्धी आणि प्रतिभा या दोन्ही गुणांचा संगम जिथे एकवटतो असे सर्वसमावेशक व्यक्तिमत्त्व म्हणजे श्रीयुत नितीन करीर म्हणजेच प्रशासनातील मुकुटमणी.

वसा प्रशासकीय सेवेचा आणि श्वास साहित्याचा', अशी ओळख स्वर्गीय नीला मॅडमची करावी लागेल. लेखिका त्यांना 'प्रतिभावंत नीला जी असे म्हणतात. त्या त्यांच्या साहित्यातून व एक अतिशय कार्यक्षम प्रशासकीय आय.ए.एस. अधिकारी म्हणून सुपरिचित होत्या. आपल्या सर्व कलागुणांना खतपाणी घालून त्यांचे संवर्धन करून स्वतःचे एक वेगळे स्थान त्यांनी स्वकष्टाने, स्वकर्तृत्वाने निर्माण केले.

सारस्वतांचे लेणे म्हणजे एक संवेदनशील मनाचे सिद्धहस्त लेखक म्हणून नाव कमावलेले भारत सासणे.

"योजना शब्दांच्या रूपात राहिल्या तर रद्दी होते. पण, साकार झाल्या तर फलश्रुती होते. शासकीय योजनांना फलदायी करणारे अधिकारी म्हणजे श्री. सूरज मांढरे सर. लेखिका त्यांना प्रशासनातील दीपस्तंभ असे उद्बोधतात.

अपयश म्हणजे योग्य मार्गावर आणणारे मार्गस्थ दगड आहेत अनेक अपयशातून यशाची निर्मिती होते. कल्याण महानगरपालिका आयुक्त विजय सूर्यवंशी हेही असेच एक व्यक्तिमत्त्व. यशाला खेचून आणणारे आणि जे होण्याची शक्यता नाही ते करून दाखवणारे असे अद्भुत रसायन.आयुक्त साहेबांची काम करण्याची पद्धती, कोरोना काळातील प्रशासन कार्यकुशलता, धडाक्यात घेतलेले निर्णय त्यामुळे कोरोनावर मिळवलेले नियंत्रण हे वाखाणण्याजोगे आहे. Reach for the sky आकाशापर्यंत झेप घ्या तिथपर्यंत तुम्ही पोहोचला नाही तरी ती गोष्ट तुमच्यापासून केवळ हातभर अंतरावर असेल असा संदेश विजय सर आपल्या व्यक्तिमत्त्वातून देतात. मॅडम ज्यांना ज्ञानगंगेचे स्त्रोत ते म्हणजे विशाल सोळंकी. ज्याला आपण का जगतो असा प्रश्न पडतो, तोच कसे जगायचे हा प्रश्न सोडवू शकतो.महाराष्ट्र राज्याचे शिक्षण आयुक्त श्री. विशाल सोळंकी हे ही असेच धुरंधर, ध्यानयोगी आय.ए.एस. अधिकारी. कायम मानवी जीवन जगण्याचे उदिष्ट शोधण्यात मग्न .

प्रशासनातील व्यवस्थापन तज्ज्ञ असे ज्यांना म्हणतात ते म्हणजे डॉ. अभिजित चौधरी.सांगली जिल्हा महाराष्ट्राच्या नकाशात अनेक कारणांनी प्रसिद्ध आहे. २०१९ मध्ये आलेल्या महापुरात खऱ्या अर्थाने कसोटी लागली ती जिल्हाधिकाऱ्यांची उत्तम व्यवस्थापन करतानाच कार्यक्षम प्रशासक म्हणून ज्यांच्या कार्याचा गौरव झाला असे उच्चविद्याविभूषित कुशाग्र बुद्धीचे डॉ. अभिजित चौधरी. आपल्याला कोणाचीही मदत नाही हे लक्षात आल्यावर सुद्धा ज्यांनी आपले प्रयत्न कायम चालू ठेवले, तेच लोक जगात विशेष काहीतरी करू शकले. भारतीय सेवेतील सन २००९ बॅचच्या सध्या पुणे महानगरपालिकेत अतिरिक्त आयुक्त या पदावर कार्यरत असणाऱ्या आणि संपूर्ण पुणे जिल्ह्याची कोरोना काळातील जबाबदारी दिवसरात्र सांभाळणाऱ्या रुबल अग्रवाल यांची जीवनकथाही अशीच म्हणावी लागेल.वादळ झेलनार्या म्हणून वादळ वाटेवरची रुबल.

यवतमाळचे जिल्हाधिकारी अमोल येडगे यांच्याबाबतीत वरील विधान तंतोतंत खरे ठरते. सह्याद्रीचा सिंह गर्जतो, यमुनेचे पाणी पाजा, दिल्लीचेही तख्त राखतो महाराष्ट्र 'माझा'. असा कर्हेचा अनमोल सुपुत्र. अशा २१ व्यक्तीमत्वाबद्दल मॅडम आपल्या ह्या पुस्तकात सांगत आहेत. आधुनिक ते च्या जगात युवकांसाठी प्रेरणा देणारे असे हे पुस्तक. मला वाचताना खूप आनंद झाला आणि देशाबद्दल प्रशासनाबद्दल प्रेम देखील वाढलं.

कोरोना काळातील माझा अनुभव

आज जे आपल्या आजूबाजूला वातावरण किलबिल, मुलांचा आरडा-ओरडा,सकाळी कामाला जायची घाई, सण-वार, लग्न ,वाढदिवस आणि रुसवे-फुगवे पाहत आहोत , ते गेल्या दोन वर्षापेक्षा अत्यंत वेगळे आहे. कारण कोरोना -१९! दोन वर्षांपूर्वी म्हणजे २०१९ डिसेंबर मध्ये चीन मधील बुहान या शहरात कोरोनाचा विषाणू आढळला आणि त्याला (WHO) 'जागतिक आरोग्य संघटना' या संघटनेने कोरोना विषाणू मुले होणाऱ्या या रोगाच्या प्रादुर्भाला 'जागतिक महामारी' म्हणून घोषित केले. पण जेव्हा या महामारीचा विषाणू भारतात आला तेव्हा त्याने हजारोंच्या संख्येने बळी घेतले. अक्ख्या जगाला त्याने गुढगे टेकण्यास भाग पाडले.श्रीमंती, पैसा, पद, नोकऱ्या, गरिबी असा हा कोरोना न बघता जो भेटेल त्याला गिळकृत करू पाहत होता.

गरिबांबरोबरच श्रीमंत ही त्याच संख्येने दगावत होता. दुर्देव म्हणजे स्मशानात पण एकटेच जावे लागत होते. कारण, महामारी एका पासून दुसऱ्याला लगेच ग्रस्त करणारी प्रियजनांचे अंतिम दर्शनही हा कोरोना घेऊ देत नव्हता. अक्षरश: अनाथ जनावरांसारखा मृत्युप्रसंग ह्या जगाने पहिला. मला असे वाटते हा नियमाचा कौल असावा. नैसर्गिक संतुलन बिघडल्यास मानवाची काय दशा होऊ शकते,याची प्रचिती कोरोनाने दिली. असो! पण अत्यंत कुशल संशोधकांमुळे जगावरील संकटास आळा घालण्यास यश आले आहे.नाविन्यपूर्ण संशोधकांची कृपा आपल्यावर असा म्हणण्यात काही गैर नाही. कारण, त्यांच्या प्रयत्नांमुळे नव्हे तर कुशाग्र प्रयत्नांनी आज आपण मोकळा श्वास घेऊ शकतो आहे. त्यांचाच बरोबर अगदी खांद्याला-खांदा लावून आपले डॉक्टर, पोलीस, सफाई-कामगार, नर्स वॉर्डबॉय, सिक्युरिटीगार्ड यांनीही मोलाची कामगिरी बजावली. पण, त्यातून आणखी काही कॅव्हिडयोद्धा आहेत ते या रांगेतून वगळले ते म्हणजे भाजीवाले, दूधवाले,रेशन दुकानदार, केशकर्दन, समाजसेवक आणि आशासेविका व अंगणवाडी कर्मचारी यांनी देखील महत्वाची भूमिका पार पाडली.

मी आपल्या महाविद्यालयात TYBA या म्हणजे कला शाखेतून शेवटच्या वर्षाला शिकत आहे. मी एक उत्तम गृहिणी असून अंगणवाडी कर्मचारी देखील आहे. वयाच्या ३०व्या वर्षात शिक्षणाची इच्छा मनात झाली आणि धाडस करून बारावीची परीक्षा दिली. आणि बारावी पास झाले. आनंद झाला पण दुःखही वाटले कि एकही स्वप्न बघण्याचा अधिकार नाही का? कारण कमी वयात लग्न आणि जेव्हा पुढे शिकायचा विचार केला तेव्हा लॉकडाऊन संसाराच गाडा ओढता ओढता मी सामाजिक जबाबदारीही पार पाडत होते. आणि त्याच बरोबर अंगी बाळगलेलं स्वप्न उराशी धरून ते पूर्ण कसे करता येईल याची दिशा बघत होते पण कोरोनामुळे सगळं जग थांबलं होत. आणि मी ही पण मला नाही थांबता आलं. कारण घराबरोबर सामाजिक जबाबदारी ही तितकीच महत्वाची होती. ती पार पाडण्यासाठी मला बाहेर पडावे लागले. कारण मी अंगणवाडी कर्मचारी आहे. त्यामुळे माझ्या समाजाप्रती माझी बांधिलकीही कुटुंबआगोदर येते. लॉकडाऊन २२ मार्च ला जरी झाला तरी आम्ही लॉकडाऊन नव्हतो. कारण समाजाला सामाजिक कामासाठी मानस कमी पडू लागले.तेव्हा सरकारने अंगणवाडी सेविकांना ट्रेनिंग देण्यास सुरुवात केली आणि आम्ही अतिशय प्रामाणिकपणे कामगिरी बजावली.सामाजिक बांधिलकी जपताना मलाही चांगल्या ठेचा लागल्या. अंगणवाडीचे काम म्हणजे सर्वसामान्य नागरिकांपर्यंत पोहचणे आणि त्यांना सहकार्य करणे कुपोषितमुक्त भारत यासाठी अंगणवाडीचे काम हे नेहमी महत्वाचे ठरते. पण कोरोनाची चेन कशी तोडता येईल यासाठीचे प्रत्यन हे अतिशय आव्हानात्मक होते. आधी स्वतःची काळजी, मग कुटुंबाची आणि मग समाजाची तिहेरी सांगड मध्ये आम्ही चांगलेच फसलो होतो.

लोकांच्या संषयी नजरा सतत भास करून देत कि,'मला तर झाली नसेल न कोरोनाची लागण' घराकडे फिरताना भीती वाटत असे. कारण माझ्यामुळे माझ्या कुटुंबाला तर याची आच नाही न लागणार! या लढ्यात माझे पतीही मागे नाही सरकले. त्यांनीही त्यांच्या कामाची वफादारी सिद्ध केली ते जसलोक रुग्णालयात सिक्युरिटी गार्ड या पदावर कार्यरत आहे. कामातील सोबती सहकर्मचारी कोरोनामुळे गावी अडकले आहेत. तर कुणी भीतीपोटी येत नाही. म्हणून एक नाही तर दोन- दोन ड्यूटीज त्यांनी केल्या. त्यांच्या ह्या प्रामाणिक पणाची झळाळी नेहमी माझ्या कामाला दुजोरा देऊन जाते.त्यांच्या कडे पाहता माझ्या मनाला उंच भरारी घेण्याची प्रेरणा देते. त्यांच्या सहकार्यामुळे पुढे शिकण्याचे मनोबल मिळाले. पण, लॉक डाऊन शाळा कोलेज बंद!

पण वर्षाताई गायकवाड यांनी ऑनलाइन शिक्षण प्रणालीला आमची शाळा व कॉलेज बनवले. घरबसल्या आपले काम व कुटुंब सांभाळत मी शिक्षण घेण्याचा निर्णय घेतला. आणीबाणीची परिस्थिती ही कधीही सांगून येत नाही. ती अचानक आपल्याला धक्का देते. त्या धक्क्यातून किती सावरतील आणि किती खचतील याला सर्वस्वी जबाबदार स्वतः माणूसच आहे. जरी कोरोनामुळे साऱ्या जगाला संकटाचा मारा सहन करावा लागला. पण त्यात माणूस हा अपवाद वगळता मुक्या प्राण्यांना -पक्षांना याचा काही परिणाम आपल्याला दिसून येत नाही.अक्ख जग थांबलं म्हणजे फक्त माणस थांबली, हवा नाही नैसर्गिक घडामोडी नाही,वन्य जीवन नाही. पृथ्वी तलावरील बदल हे अनिवार्य आहेत. पण,कोरोनामुळे जे शहाणपानाचे बाळकडू मिळाले,ज्यांची ग्वाही २०२० देते हे कधीही विसरता कामा नये. मला असे वाटते कि कोरोनामुळेच समाज एकत्र झाला. आपलेपणाची भावना, सहकार्य करण्याची प्रेरणा आणि सामाजिक बांधिलकी ही कोरोनाने करून दिली. कोरोनाचे अत्यंत नकारात्मक परिणाम झाले तरी त्यामागचा सकारात्मक संदेश ओळखण्यातच शहाणपण आहे...

- Jyoti Hawale

कोरोना योद्धांना मानाचा मुजरा

मुलाखत

कोरोना नाव ऐकले तरी धास्ती भरते असा हा परदेशातून आलेला संसर्गजन्य आजारांनी भारत व जगभरात किती ती महामारी केली ते आपण सर्वच जाणतो. आणि हयाच काळात पोलीसांनी केलेली कार्ये हि अतिशय जोखिमेची व इतरांना त्यांचा अभिमान वाटेल असेच होते आपण सर्वजण सुरक्षित राहो निरोगी राहो आपणाला ह्या भयंकर आजाराची लागण होऊ नये म्हणून ते आपल्यासाठी रस्त्यावर उतरली हा संसर्गजन्य आजाराची लागण आपल्याला सुद्धा होऊ शकते हे माहित असुनही त्यांचा विचार न करता त्यांनी आपले काम व जबाबदारी चोख रित्या पार पाडली. हो ! अशांच एका पोलीस कर्मचा-यांचा मी मुलगा आणि ह्याचा गर्व आहे मला कारण माझ्याशिवाय पोलीसांच जीवन हे इतवया जवळून कोणीच पाहिले नसावे ह्याच विषयावर मी माझ्या बाबांनशी जेव्हा चर्चा केली की कोण कोणत्या अडचणीनी सामोरी जावे लागले होते तुम्हा सर्व पोलीसांना ? हा प्रश्न करताच ते किचितच हसले आणि माझ्या प्रश्नाला उत्तर देण्यास सुरुवात केली त्यांनी कोरोना व्हायरस ह्यास वाईट कांदबरीची उपमा दिली म्हणाले व याचा प्रसार रोख्ण्यासाठी गेल्या वर्षी मार्चमध्ये लॉकडाऊन जाहीर करण्यात आला तेव्हा सर्व पोलीसांना सरकारच्या निर्देशाची अमंलबजावणी करणे अत्यंत आवश्यक होते.

आम्ही कोणत्याही आपत्कालीन परिस्थितीला सामोरे जाण्यासाठी मानसिकदृष्टीया प्रशिक्षित असताना सुरक्षा हे कोड आमच्यासाठी जग नवीन होत सामाजिक अंतराचे नियम, मास्क परिधान करणे आणि गरजूना मदत करणे आवश्यक होते लॉकडाऊन जाहीर होण्यापूर्वीच पोलीस नेतृत्व लॉकडाऊन दरम्यान इतर देशांतील पोलीस कसे काम करत होते याचा अभ्यास करत होते तर संसर्गापासून स्वतःचे रक्षण करण्याबद्दल संपूर्ण शक्तीला संवेदनशील करण्यासाठी आणि लॉकडाऊन दरम्यान कर्तव्यावर असताना इतर अत्यावश्यक गोष्टीसह तयार होत होते.

प्रत्येक दिवस नवीन आव्हाने घेऊन आला दिल्ली - मुंबई अशा राजधानीतून प्रसाराच्या बातम्या सर्वत्र होऊ लागल्या, जेथून वैदयकीय पुरवठा आणि उपकरणे घेऊन जाणारी उड्डुणे देशाच्या विविध

भागांसाठी उड्डाण करत होती अत्यावश्यक सेवा वगळता रस्त्यावर कोणत्याही प्रकारची वाहने येणार नाहीत आणि अशा हालचाली बिनदिक्कत पार पडतील याची काळजी पोलीसांना घ्यावी लागली. या काळात मुंबईत महाराष्ट्र पोलीस आणि मुंबई वाहतूक पोलीसांची भूमिका अनुकरणीय होती.

परंतु पोलीसांना अनेक कठीण आणि अनपेक्षित परिस्थितीत सापडले उदाहरणार्थ स्थलांतरित संकट लॉकडाऊन दरम्यान घरी जाणाऱ्याचा प्रयत्न करणारे लोक आमच्या लोकसंख्येचा एक असुरक्षित भाग होता रोजदारीवर काम करणारे कामगार पर्यटक प्रत्येकाला अत्यंत संवेदनशीलतेने वागवले गेले कारण वरुण तसे कठोर आदेश होते मग असे काही भाडेकरू होते व्यांना त्यांच्या घरमालकांना पैसे देन्यासाठी पैसे ही नव्हते; ज्या कुटुंबाना अन्न नव्हते; वृद्ध लोक ज्यांना औषधाची गरज आहे पोलीसांना प्रत्येकाला आवश्यक ते मिळेल यांची खात्री करावी लागली हे काम खूप मोठे होते था राष्ट्रीय संकटाच्या वेळी घरमालकांनी त्यांच्या भाडेकरूंना भाड्याने तास दिला नाही याची आम्हाला खात्री करायची होती, की कोणीही उपाशी राहता कामा नये रुग्णांना आवश्यक वैदयकीय मदत मिळवी गरजेचे आहे आणि ज्यांना घरी परतायचे होते ते सुरक्षितपणे गर्दी व कोरोना संसर्ग न होता सुखरूप घरी परतवने असेही काही आव्हान होती, यासारख्या असे महत्त्वाचे मुद्दे पोलीसांकडून दररोज हाताळले जात होते. त्यावेळी परिस्थिती ही अशी काही होती की शत्रू कोरोना व्हायरस अदृश्य आणि अप्रत्याशित होता त्यात काही पोलीस कर्मचान्यांना सुद्धा कोरोनाची लागण होत होती. त्यांमुळे पोलीस आणि त्यांच्या नेतृत्वाच्या लक्षात आले की त्यांना पोलीस दलाचे व जनतेचे मनोबल उंच ठेवण्याची गरज आहे त्यांना तोंड देत असलेल्या प्रत्येक समस्येवर नियमितपणे चर्चा केली आणि कंटेनमेंट जोनमध्ये काम करताना संसर्गापासुन स्वत:चे संरक्षण कसे करावे याबद्दल मार्गदर्शन केले आणि परिस्थितीचा आढावा घेण्यासाठी आणि मार्गदर्शन आणि प्रोत्साहन देण्यासाठी ते नेहमी त्यांच्या सहकाऱ्यांसोबत मैदानावर असायचे विषाणु वा प्रसार शेखण्यासाठी पोलीसांनी प्रत्येक पातळीवर मदत करण्याची महत्त्वाची भूमिका बजावली हे एक अतिशय आव्हानात्मक काम होते ने २४ x ७ आधारावर करावे लागले था सर्व कोरोना काळात संपूर्ण पोलीस दलाने कौतुकान्पद कामगिरी केली.

ह्या भयंकर साथीच्या आजाराने (रोगाने) केवळ पोलिसांचे चातुर्य आणि सहनशीता दर्शावली नाही तर त्यांची मानवी बाजू देखील दर्शविली अनेक वेळा नियम मोडणाऱ्यांना बळाचा वापर न करता सामंजस्थाने व विचारपूर्वक रितीने समजाविले तरीही शेवटी जमिनीवर ग्रासले असलेल्या पोलीस कर्मचारींना संसर्ग होण्याचा धोका जास्त आहे हे पुर्णपणे माहीत होते. त्यातच डयुटीवर सुमारे दोन लाख पोलीस कर्मचाऱ्यांना कोरोनाने पकडले सुमारे १.२२० होते. पोलीस कर्मचाऱ्यांना आपला जीव गमवावा लागला. काय त्यांच्या मुलांचे दुर्देवी नशीब जे आपल्या वडीलांना त्यांना चरणस्पर्शाचीही इच्छा पुर्ण होऊ शकली नाही अशाप्रकारे कोरीना या साथीच्या आजाराने कित्येकांची जवळची नाती हिरावून घेतली आणि तरीही असल्या संकटाना न घाबरता न जुमानता शौर्याने व जिद्दीने पोलिसांनी त्याचे कर्तव्य चोखरित्या बजावले.

हे सर्व सांगताना जी चमक मी माझ्या वडीलांच्या डोळ्यात पाहिली ती अर्थात त्यांना स्वतः वरच्या व संपूर्ण पोलीस दलाच्या अभिमानाची होती.

मुलाखत प्रश्न

तेजस - ह्या सर्व बाबींचा तुम्हा पोलीसांच्या मनोबलावर किती परिणाम होतो अथवा त्यांमुळे काही मानसिक खच्चीकरण होते का?

संजय कोळी - कोरोना काळात राज्य सरकारने सामान्य जनतेसाठी खुप प्रमाणात निर्बंध घातले होते आणि त्याचे पालन होते की नाही ह्याची पूर्ण जबाबदारी पोलीस दलावर असल्यामुळे आमच्यावर सुद्धा प्रचंड ताण होता त्यांमुळे आम्हाला कर्तव्यावर असताना कायदयाचे व नियमांचे पूर्णरित्या पालन करणे भाग होते त्या तरी एखादा सामान्य नागरिक विनाकारण कलम १४४ लागू असतानाही वावरताना दिसला तर त्यांवर कठोर कारवाही करण्याचे तसे आदेशच राज्यसरकारने आम्हास दिले होते त्यामुळे काही लोक आम्हास शिव्या श्राप असे देत असावे आम्हास पुर्णपणी खात्री होती की आम्ही हे त्यांच्या हितासाठी करत आहोत आणि कोरोनासारख्या आजाराचा प्रसार रोखण्यासाठी करत आहोत, त्यामुळे आमचे मानसिक कितीही खच्चीकरण होत असले तरी आमचे मनोबल कायम उंचावलेलेच होते व ते राहिल.

तेजस - कोविड १९' या विषाणुमुळे पोलीस दलात सुद्धा आपले काही मित्रजण ह्यांना त्यांची लागण होऊन त्यांचा दुदैवी मृत्यु झाला ह्यावर तुम्ही कसे व्यक्त व्हाल?

संजय कोळी -हि अतिशय दुर्देवी बाब आहे ह्या कोरोनाला आळा घालता घालता पोलीस दलात सुद्धा ह्याचा शिरकाव होऊन आम्ही आमचे काही प्रियजण, मित्रमंडळ, वरिष्ठ अधिकाऱ्यांना गमावून बसलो. तो काळच असा होता की सामान्यांची काळजी करता-करता कधी आपल्यालासुद्धा ह्याची

लागण होइल ह्याची खात्री नव्हती त्यात एकानंतर एक टेलीव्हीजन वर सोशल मिडियावर भीतीदायक अशा बातम्या प्रसारीत करण्यात येत होत्या ज्यांच्या भितीने भितीने पोलीसांसोबत त्यांचे कुटुंबसुद्धा चिंतेत होते. पोलीस बांधवामध्ये आपल्यापेक्षा आपल्या कुटूंबाला कशाप्रकारे आपण सुरक्षित ठेवू शकतो हयाची चिंता होती. त्याचबरोबर कोरीनामुळे मुत्यु पावलेल्या पोलीस कुटूबीयांचे भवितव्य कसे सुरक्षित ठेवता येईल ह्यावर मा. पोलीस आयुक्तांनी विचार करून त्यावर उपाययोजना करण्यात आल्या होत्या.

तेजस - कोरोना काळात पोलीस दलाने त्यांच्यातर्फे प्रसार माध्यमांतून सामाजिक जागरूकेकरीता कोण कोणत्या मार्गाचा उपयोग केला?

संजय कोळी- आजच्या काळात खासकरून कोरोना काळात सर्वजण सोशल मीडियाच्या माध्यमातून कोरोनाच्या बातमीचा आढावा घेत होते. त्याकारणाने पोलीस कर्मचा-यांनी सामाजिक जागरुकेकरीता आपल्या फेसबूक, इन्स्टाग्राम, व युट्युब अशा वेगवेगळ्या सोशल माध्यमांतून कोरोना काळात घ्यावयाची काळजी , सरकारी धोरणे, कोरोना प्रतिबंधासंदर्भातील नव नवीन नियम, त्यांची अमलबजावणी कशी करायला हवी याची माहिती काही नविन सुधारित योजना, कंनटेन्टमेटझोनसाठीच्या नियमावली इ. बाबी प्रसारित करण्यात येत होत्या. त्यामुळे सामान्यातला सामान्य माणूस-देखील जागरुक राहत होता. त्यामुळे आम्हा पोलीस-कर्मचा-यांना सुद्धा सोशल मीडीयाचा वापर करण्याचा अनुभव आला तसेच हया माध्यमात आपल्याला सर्वत्र जगभर व जास्तीत जास्त लोकांपर्यत प्रसार करता येतो ह्याची माहिती झाली. अशाप्रकारे प्रसार माध्यम आमच्यासाठी अतिशय उपयुक्त आणि सोईस्कर माध्यम ठरले.

तेजस - कोविड. १९" या जागतिक महामारीच्या काळात असाध्य निराधार गरिब लोकांना आपले पोलीस कर्मचारी कशा प्रकारे मदत करत होती ?

संजय कोळी- कोरोना काळात जे बेरोजगार झाले व अन्नासाठी होणारे त्यांचे हाल हया सर्व बाबीची जाणीव पोलीस कर्मचा-यांना होती. हयावर उपाय म्हणून पोलीस दलातून एक खास पथकाची नेमणुक करून गरीबांना जीवनावश्यक गरजा पुरवणे. अन्न-धान्याच पुरवठा करणे, त्यांच्या जीवनावश्यक गरजा भागवणे अशाप्रकारची कामे त्यांना देण्यात आले तसेच परप्रांतीय लोकाची राहायची व्यवस्था ते शासनाच्या सरकाराच्याआदेशानुसार त्यांना त्यांच्या राज्यात सुखरूप सोडण्यापर्यंतची सोय केली गेली जे गरिब - मजदुर ह्या उपाययोजनेपासून वंचीत होते त्याच्यापर्यंत पोहोचण्याचा देखील पुरेपूर प्रयत्न आमच्या पथकादवारे करण्यात आला. अशाप्रकारे महामारीच्या काळात निराधार गरिबांना पोलिसांकडून एक छोटासा मदतीचा हात पुरविण्यात आला.

तेजस - कोविड १९ च्या महामारीच्या काळात तुम्ही पोलीस कर्मचारी व तुमचे कुटुंब कोरोनाची लागण होऊ नये म्हणून कोणत्या प्रकारे काळजी घेत होतात?

संजय कोळी- कोरोना काळात पोलीस कर्मचारी प्रत्यक्ष रस्त्या - रस्त्यावर जे काम करत असल्या कारणाने त्यांना कोरोनाची लागण होण्याची शक्यता जास्त होती त्यांच्या कुटुंबियांना सुद्धा संसर्ग होण्याची शक्यता होती हया सर्व बाबीवर उपाय म्हणून प्रत्येक कर्मचा-यास मोठ्या प्रमाणात मास्क सैनिटायजर, फेस शिल्ड, विटामीन सी च्या गोळ्या इ. चे वाटप करण्यात आले प्रत्येक महिन्यात त्यांची कोरोनाची चाचणी घेण्यात येत होती व त्यांचा अहवाल सादर करणे तसेच पोलीस ठाण्यात येण्याआधी व जाताना स्वंयचलित फवाऱ्यादवरे कर्मचा-याना सॅनिटाइझ केले जात होते. अगदी एखादया कर्मचाऱ्यामध्ये कोरोनाचे लक्षण दिसल्यास त्यांना व त्यांच्या कुंटुंबीयांची कोरोना चाचणी करण्यात येत. अशाप्रकारे पोलीस खात हे त्यांच्या संपूर्ण कर्मचांन्याची व सोबत त्यांच्या कुटुंबीयांची सर्व परीने काळजी घेत होते.

तेजस - महामारीच्या अगदी शेवटच्या टप्प्यात म्हणजे जेव्हा विविध प्रकारच्या कोरोना प्रतिबंधक लसी आल्या तेव्हा तुमच्या समोर कोणती आव्हाने होती?

संजय कोळी - कोरोना या आजारावर प्रतिबंधक लसीचा शोध लागला. त्या लसी आपल्या देशात आल्या परंतु आरोग्य विभागासमोर त्याच्या नियोजनाचा एक मोठा प्रश्न उभा राहिला त्यावेळेस लसीकरण केंद्रासमीर गर्दी होऊ नये त्यासाठी पोलीस तेथे तैनात केले गेले त्यात त्या पोलीस कर्मचायांना तास न तास तेथे उभे राहवे लागत होते कारण लसीकरण हयातच सर्वाना एक आशेची किरण दिसून येत होती. लसीकरण केंद्रा भोवती होणारी लोकांची तारंबळ, तसेच काहीना त्यांची अर्धवट माहिती, लसीकरणासाठी नाव नोंदणीसाठी काही नियम अटी-नियम, ह्या सर्व बाबी ते तिथे तैनात केलेल्या पोलीस कर्मचाऱ्यास विचारत. तसेच जमावबंदी असल्याकारणामुळे तिथे गर्दी नियंत्रण करणे ही मुख्य जबाबदारी होती.अशाप्रकारे महामारीच्या अगदी शेवटच्या टप्प्यातसुद्धा वेगवेगळ्या आव्हानांना आम्हाला सामोरे जावे लागले.

तेजस - कोरीना काळात सर्व महत्त्वाच्या सरकारी यंत्रणा ह्या मुख्य भूमिका बजावत होत्या त्यात पोलीस दल किती महत्त्वाची भूमिका बजावत होते ?

संजय कोळी - ह्यात शंकाच नाही की प्रत्येक सरकारी यंत्रणेने आपल्या क्षमतेने ताकदीने ह्या महत्त्वाच्या गरजेच्या काळात प्रत्यक्ष रस्त्यावर येऊन त्या पाश्वभूमीनुसार काम केले ह्यात फक्त एक यंत्रणेला श्रेय देणे ऊचित नाही तर सर्व यंत्रणेचे धन्यवाद केले पाहिजे आभार प्रकट केले पाहिजे की ज्या त्या यंत्रणा आपल्या क्षेत्रात आघाडीवर कार्य करण्यास प्रेरित होत्या. आणि हया सर्व यंत्रणांमुळे आपल्याला थोडयावेळानंतर का होईना पण सुटकेचा विश्वास मिळाला.पण त्याचे सुद्धा कर्तव्य कार्य विसरता येणार नाही ज्यांनी कर्तव्यांवर असताना आपले प्राण गमावलेत खरे श्रेय तर त्या शूर - वीरांना देण्यात आले पाहिजे ज्यांनी निड़र राहून आपल्या शेवटच्या श्वासापर्यंत त्या काळात आपल्याला साथ दिली. त्यामुळे हे श्रेय फक्त सरकारी यंत्रणेलाच नव्हे तर नियम पाळणा-या प्रत्येक सामान्य नागरिकांना सुद्धा तितकेच जाते. अशाप्रकार कोरोना काळात पोलीसांनी केलेले कार्य व त्यांना कोण कोणत्या अडचणींना सामोरे जावे लागले हयांची संपूर्ण माहिती आपणास ह्या मुलाखती वरून मिळाली हयाची आपण खाती करू व या मुलाखतीला आपण येथेच विराम देवू धन्यवाद.!

PROBLEM OF EMPLOYMENT & POVERTY DURING PANDEMIC

"Pandemic" the term we might not have heard it before; but now it is commonly known term. Since we have experienced pandemic from its initial phase to it's peak & now to its extreme phase; we are now more aware about many things health, money, time, emotions, relations etc. This pandemic has taught many things but we like focus on topics like employment & poverty. So, Covid-19 has affected us all in many ways but especially employment & capacity of earning which has resulted in poverty.

As we all have seen, pandemic has affected brutally on sphere of employment. All works has been going on from home i.e., on online mode. But, if we look closely anything is not possible from home. Who works physically & not virtually has affected most. Industries such as films, skilled labours including car painters, daily wage workers, tailors,

tailors, other than essentials service shopkeepers have lost their employments revisiting ultimately resulted in poverty. Timing was limited for opening shops etc. which has limited scope to earn.

Housekeepers also have suffered as they were physically working. Many industries got shut during this period due to shortage of workers lack of demand etc. Rate of poverty also increased simply because of unemployment we analyses it the Also many industries have undergone tremendous changes in their serving, manufacturing etc., which also has affected employment rate negatively. In India already a rate of employment is not keeping a bar in which scenario pandemic has affected negatively causing decrease in employment rate & indirectly or directly causing poverty.

Restrictions on travelling, physical movements, limits of timing are some major challenges which caused issues with employment during pandemic & in addiction to that high maintenance of health & vast expenditures on medications are main reasons for poverty which has factors like hording or block marketing in essential foods, medicines and services which are a chaos in society.

भ्रष्ठाचार व गुन्हेगारीचा भस्मासू

१९४७ भारत स्वतंत्र झाल्यानंतर तत्कालीन भारत सरकारने आर्थिक विकासापेक्षा जनकल्याणावर भर दिला. पण १९९१ मध्ये त्यांना आर्थिक विकासासाठी खाउजा योजना राबवावी लागली. योजना अंमलात आल्यानंतर भारत सरकारने काही क्षेत्रांमधुन किंवा जवळजवळ सर्वच क्षेत्रातून आपल्या गुंतवणुकी काढून घ्यायला सुरुवात करून खाजगी उद्योजकांना विकासाचे दार उघडून द्यायला सुरुवात केली. नवव्या दशकात या योजनेचा सगळ्यांनाच फायदा झाला. नवव्या दशकानंतर मात्र या सगळ्यात हळूहळू अगदी कोणालाही कानोकान खबर न लागू देता एक वृत्ती राजकारणात आपली मूळ पसरवायला सुरुवात करत होती आणि त्यात ती यशस्वी सुद्धा होत होती ती वृत्ती म्हणजे 'राजकारणातील गुन्हेगारीकरण '.

'राजकारणातील गुन्हेगारीकरण' म्हणजे सामान्यतः भ्रष्ठाचार व गुंडगिरी यांचे एकत्रीकरण होय पण हल्लीच्या काळात त्याची व्याप्ती प्रचंड प्रमाणात वाढली आहे. ज्याच्यावर गुन्हे दाखल झाले आहेत ते हि गुंभीर प्रकारचे अशी माणसं राजकारणात येऊन निवडणुकीला उभे राहून निवडून आलेले दिसून येतात आणि या सगळ्यांमागचं कारण म्हणजे पैसा. पैसा अशी गोष्ट आहे कि जी कितीही मिळवली तरी कमीच पडते मग तो गरीब असो किंवा श्रीमंत, गरिबाला आपल्या पोटाची खळगी भरायला तर श्रीमंताला चेन करायला, आपले शौक पूर्ण करायला पैसे हा लागतातच. गरीबच एकवेळ ठीक असत त्यांचे पोट भरेल इतका पैसा तो कमवत असले तरी ते समाधानी असतात. श्रीमंतांचे मात्र तसे कधीच नसते. श्रीमंतांना बडेजाव करायला, मिरवायला मात्र आवडत आणि मिरवायला पैसा हा हवाच पण सरळ मार्गाने येणार असतात पैसा हा आपल्या अपेक्षा पूर्ण करू शकत नाही मग पैसा हा आणायचा कुठून, कसा ? त्याच एकच आणि एकच उत्तर ते म्हणजे आडमार्ग आणि हा आडमार्ग म्हणजेच **भ्रष्ठाचार .**

सामान्यतः आपण मतदान कश्यासाठी करतो ? आपला प्रतिनिधी का निवडून देतो ? दर पाच वर्षांनी निवडणूक आयोग निवडणूकप्रक्रियेसाठी इतका प्रचंड प्रमाणात पैसा का खर्च करतो ? एकच कारण देशात, राज्यात कायदा व सुव्यवस्था रहावी, अराजकता माजू नये, देशाची लोकशाही अबाधित राहावी पण खरच हा उद्देश सफल होतो ? याचा आपण कधीच विचार करत नाही. फक्त दर पाच वर्षांनी आम्हाला मत द्या, आम्हाला मत द्या, असं म्हणत त्या त्या विभागातले विविध पक्ष्याचे नगरसेवक, आमदार येणार, आपल्या पक्ष्याचा प्रचार करतात, निघून व जातात, जेव्हा मतदानाची वेळ येते तेव्हा तर गोष्टच वेगळी असते घरातील प्रमुख जर कोणत्या पक्षाचा अंधभक्त असेल तर घरातल्या सगळ्यांनी त्या पक्ष्याच्या उमेदवारालाच मत द्यायची पण तेव्हा कोणीही हा विचार करत नाही की आपण पारतंत्रातच रहायला लावायचं होत तर त्या कशाला त्या सगळ्या हुतात्म्यांनी जीव पणाला लावला असता ? भारतीय संविधानाने अठरा वर्षे पूर्ण केलेल्या प्रत्येक नागरिकाला मतदानाचा अधिकार दिलेला आहे का?

गेली दोन वर्षे सम्पूर्ण जगात कोविड या महामारीने हाहाकार माजवलेला होता. सम्पूर्ण जग ह्या महामारीच्या विळख्यात सापडला तरी भ्रष्ठाचार काही थांबला नाही . माणूस पार मरायला टेकला तरी आम्ही मात्र भ्रष्टाचार काही सोडला नाही आम्ही घरी बसलो तरी कोरोनासाठी औषध, मास्क, पी पी ई किट यांचा आम्ही काळाबाजार सुरु केला हि सगळी साधन आम्ही काळ्या बाजारात विकायला सुरु केली. बरं ते सगळं राहील बाजूला पण हद्द तर तेव्हा गाठली जेव्हा माणसाला उपचारासाठी बेड मिळत नव्हता तेव्हा त्याला साधी सहानभूती म्हणून देखील उपचारासाठी बेड दिला नाही तीच गोष्ट ऑसीजन सिलेंडरची सगळ्याचे आम्ही मनाला येईल ते दर लावले श्रीमंतांकडे पैसा होता, अमाप सम्पत्ती होती म्हणून ते वाचले पण गरिबांचा काय मग आले मगरीचे अश्रु दाखवणारे सत्ताधुरंधर राजकारणी मग सुरु झाला ज्या त्या पक्ष्याचे धान्य वाटप पण इथे पण धन्यवाटपासाठी आलेली गरीब जनता राहिली बाजूला, आम्ही मात्र सेल्फी घेण्यात मग्न काय उपयोग या सगळ्या खोट्या वागण्याचा, खोट्या सहानुभूतीचा जर आम्ही नितिमत्ता, माणुसकी धाब्यावर बसविली असेल तर विचारकरण्यासारखी गोष्ट आहे .

या सगळ्या दृष्टचक्रात सगळीच माणसं वाईट आहेत असं नाही काही चांगली माणसं देखील आहेत पण या सगळ्या माणसांमुळे ती बदनाम आहेत. मराठीतल्या ओल्या बरोबर सुक ही जळत ह्या म्हणीप्रमाणे त्यांनी कितीही चांगली काम केली तर ते सर्व देखील त्यांच्यासारखेच असं म्हणून लोक त्यांनाही वाईट बोलतात हि मानसिकता हवी देशात कायदा व सूयवस्था रहावी यासाठी चांगली माणसं सत्तेवर निवडून यायला हावी तरच आणि तरच ही परिस्थिती बंगळु शकेल त्याशिवाय आपण काहीच करू शकत नाही.

CRISIS BEHIND THE WALLS A PARALLEL PANDEMIC OF DOMESTIC VIOLENCE DURING LOCKDOWN.

The sudden Covid outbreak brought the whole world to a standstill. People all the world were affected by it. When the pandemic hit the countries, the most common solution undertaken by various governments was lockdown in order to break the chain of this virus. In 2020, the novel coronavirus or Covid-19, often described as the great leveller, struck everywhere and everyone - rich and poor, workers and masters, irrespective of religion, colour or caste across the world. India began to notice this growing threat in early 2020. By March, it was evident that the pandemic had reached India and was spreading rapidly.One in three women experience intimate partner violence (IPV) worldwide, and the economic costs of this violence range from 1% to 4% of global GDP (gross domestic product) UN Women has referred to the rise in violence against women during the Covid-19 pandemic and accompanying lockdowns as the “Shadow Pandemic”. While the Indian lockdown did cause a shadow pandemic in which violence against women increased at home and on online platforms, it also decreased complaints related to rape and sexual harassment. There are a number of reasons for such increase in gender violence cases. Economic dependence is the most common cause for domestic violence. During quarantine, as more women were in informal jobs and got laid off, this led to them experiencing a greater impact as they became economically dependent on their male counterparts. The first lockdown, from March to May 2020, severely impacted women. Like others in cities and towns all over India, women too lost jobs, saw their savings dwindle and witnessed family and friends falling seriously sick. What was not foreseen, however, was that the slogan “Stay home, stay safe”, urging people to follow the lockdown rules and isolate, would mean something entirely different for women. With family members at home all the time, women were doubly impacted not only with economic and other losses but also with a heavier burden of housework and with the ugly spectre of domestic violence looming over them. In India, data collection usually takes time. But data gathered by government agencies and other organizations indicated that the worldwide phenomenon of increasing domestic violence also existed in India. The Delhi-based National Commission for Women (NCW) was shocked to receive a growing number of complaints from women in the early part of 2020. According to data shared by then, there was a 2.5 times increase in cases of domestic violence registered between February 27 and May 31. During this time, the Commission received 1477 domestic violence complaints. In April and May 2020, 47.2% of all cases received by NCW were of domestic violence as compared to only 20.6% cases between Jan-March 2020.

violence as compared to only 20.6% cases between Jan-March 2020. For many of us, home is a place for relaxation, leisure, learning, family support and where our basic needs of shelter and food are met. It is also the place where women as homemakers are expected to fulfill their roles as mothers, wives and daughters. Customary gender norms make the home a woman's primary workplace and responsibility. The home is also a closed space, a private space kept out of reach of the neighbourhood and the community. Domestic violence has been something of an open secret, known but dismissed as private, to be resolved or suffered within the family and between its members. Fortunately our laws have clearly stated domestic violence is a crime and not just a family matter to be hushed or ignored. During the Covid-19 pandemic, however, domestic violence took on another dimension, principally because the lockdown resulted in many women and their children being locked up with their abusers. Initial data and experiences of women's rights organizations suggest that there were many more survivors of domestic violence than those who reached out for help. Women had nowhere to go and no one to whom they could turn for help. All support services were discontinued and the nodal agency for women, i.e. the police, was concentrating on patrolling and imposing Covid-19 lockdown restrictions.

Laws and services that protect and help women in distress already exist. There are government-run shelter homes, One Stop Crisis (OSC) Centres and legal aid, protection officers and so on. However, women's groups found that government services were not available during the lockdown because the services meant to address domestic violence were not considered part of essential services. People with Disabilities (PWDs), largely invisible in the country, constitute little over 2% of the total population. Many of them depend on external help to get through every day activities. In a country with hardly any facilities for the disabled in normal circumstances, one can only imagine the difficulties PWDs faced during the lockdown. Moreover, women with disabilities are even more disadvantaged and vulnerable than their male counterparts. As the United Nations Secretary-General had said even as governments implement lockdowns they needed to also make prevention and redress of violence a part of their national response, plans and policies. National and state governments could have responded to the rising rates of violence announced by their own women's departments through public announcements, policies and directives. Most women's groups have linked their economic status and financial independence to greater chances of resisting or enduring domestic violence. So it is necessary for women to have that fall back and not be dependent on perpetrators for their basic needs. This is one long term advocacy which they will need to work on during and post pandemic. A disaster of the scale of the pandemic needs public activism as well as state intervention and collaboration between different entities to be successfully handled. In the long term, both women's rights groups and the govt. have to pursue their efforts to ensure the enhancement of women's capabilities and agency to resist violence. It has been established that women with some form of safety nets are in a better position to challenge domestic violence.

- Janhavi Rajesh Kolte

GENDER-BASED VIOLENCE DURING COVID-19 PANDEMIC

Human History is full of pandemics, natural calamities, and other such postapocalyptic mishaps. Man has always fallen short of time to prepare to face the repercussions of all the contagions. Whenever such catastrophe has stricken, science has taken its own time to bell out humankind from the clutches of the Pandemic Situation. Turning the pages of the past, one can see that various infectious diseases have devoured man and have devastated the normal routine of life.

Most crises take a toll on interpersonal relationships. This pandemic too was no exception. Humans in modern times value and need personal space. This space was crunched due to lockdown and the government's order of "Stay Home. Stay Safe"! It goes without saying, absence makes the heart grow fonder, and familiarity breeds contempt. Too much closeness due to stay-home compulsion led to many frictions at home. "Stay Home. Stay Safe" proved to be ridiculous as women were not safe at home but faced domestic violence at home. It was presumed so far that women are unsafe out of the home. Hence, whenever women are attacked questions are asked such as Where was she? At what time? What was she wearing? Was she alone? All of this puts a responsibility on the individual woman for her safety. However, these questions proved redundant as she was home. The cases of Gender Based Violence (GBV) were on the rise during the Pandemic of Covid-19.

Several studies reported a huge increase in the number of calls (compared with the same period in 2019) from women victims of IPV in March 2020. The stress of confinement, financial uncertainty, attitudes about gender roles and a desire for control during disasters all contribute to an increased risk of Interpersonal Violence (IPV) or Domestic Violence (DV). Many transactions went online/digital during the lockdown. Though technology proved to be a boon to many, it was a disaster for females making them all the more vulnerable. Cyber crimes increased. The cases of cyberbullying were multiplied.

One of the very important reasons of the increase in GBV is that the perpetrator knew that she has nowhere to go due to the lockdown. Police were busy in pandemic-related duties. As a result, the call for help went unattended. Working women were victims of frustrations as they had to balance between office work and household chores without any domestic help. Many went into depression. Though the loss of jobs added stress equally to males and females, husbands poured their frustrations on females in the house (wife, daughter and at times mother) indulging in physical violence.

Studies show that 86% of women who experience domestic violence do not seek help in India. This observation should not be interpreted as a reduction in IPV cases. Requests for help decreased as the movements are restricted. Many NGOs, though late became active online by running helplines 24/7 for counselling and offering necessary help as and when possible.

The story of the pandemic **is** the story of the sufferings of humans but the saga of sufferings of women as they are doubly victims, at the hands of natural calamity and the handsof the opposite gender. The fatal coronavirus can never be more harmful than man's institutional idea that he can build his domain upon the ruins of others. While quarantine is an effective infection control measure, it can lead to significant health, social, economic and psychological consequences. COVID-19 and violence against women are interrelated. Government and the health care system should learn from the actual tragic scenario to identify creative solutions to provide clinical

care and forensic services for victims of violence. They should be able to face other future calamities, in which the hospitals might become inaccessible. Not only Government/ Non-governmental helplines should be active but there should be a special task force to attend to it.

ONLINE LEARNING AND THE PROBLEMS FACED BY THE STUDENT CORRUNITY

The educational industry was one of the worst hit by the covid–19 pandemic with institutions, school and colleges scrambling solutions to keep their doors open. In these times of need online learning tools emerged as a loan. In the last 2 years, investment in the education technology tools, especially for keeping up with the online education segment for students, have skyrocketed resulting in significant learning improvements.

Online learning has many benefits such as portability ease of acces reduced need for physical infrastructure lowered costs and greater flexibility. But that isn't to say that it does not come with its demerits. However there are different challenges that are faced by the students while typing to learn in online mode for the last 2 years. Therefore in the following, we shall explore the biggest challenges faced by students in online lecture.

1) Lack Of Motivation In Students :

It was thought that online learning would be the new interactive and immersive method to teach new generation of students. Endlers ocean of texts, quizzer, frequent learning assignments and mcqs have led to students losing motivations to keep revising the learning portal.

Students conplain of facing motivational due to a lack of interpersonal touch between the students and the teacher in the online classes. The need for physical interaction between the students and the teacher is also a necessity for maintaining engagement which the online learning methodology has no answer yet.

2) Infrastructural Problems :

Through online learning doesn't require huge buildings, big classrooms, chairs, tables, blackboards, chalk doesn't mean there are no infrastructural requirements. The need for computer, adequate software, constant electricity and high band width internet is quite a big demand.

3) Digital Literacy And Technical Issues :

A bigger problem in digital literacy and technical issues is the constant technical issues faced by both teachers and students. Through the new generation is proficient in working with computers doesn't necessarity translate to digital literacy. To proficiently learn through online system understanding the workings of multiple software which presents a huge learning. On these platforms there problems offer require technical support to reactify causing frequent disruption in the learning flow.

4) Lack Of In Person Interaction :

The growth of the internet hinged on the principle that humans will always be curious to ineract and know more about one another. The physical presence inside a classroom with a teacher and a fellow offer leads to an atmosphere that cant be replicated through virtual means. Physical classroom also allow for teachers to provide more personal attention to every and each students needs.

5) Lack Of Education Technology And Online Learning Options For Special Needs Of Students :

The segment of students who have been completely ignored in the evolution of online learning is the student with special needs. Special needs students needs more personalized and hands on method of teaching.

Through technology has improved drastically it is still heavily dependent on the need for an expert of a teacher to be there for students with special needs to guide them through the tasks. These problems caused them to fall behind others in their academic persuits.

6) Abudance Distractions, Lack Of Discipline :

With recurrent technical issues band width problems, monotonous lecture online attendance has seen a drastic dip. Most students find learning boring and offer complained of lacking of motivation to make it through a class with the lack of any accountability in the online learning method education quality offer becomes compromised. On to free uses of laptops, mobile phones during classes distractions have become countlers offer coming at the cost of focusing during class.

Conclusion :

Learning becomes more effective in offline mode through face to face interaction and feedback sharing with special attention to individual students. Students with special needs by teachers offline classes gives students a chance to develop their creative abilities and practical approach without being too device depedent. It also enables students to be responsible systematic and organized as they study and do their notes regularly with teachers keeping track of their progress forever there is a real interaction between teachers and students thus helping students to clear their doubts and share their problems.

AN IMPACT OF CORONA PANDEMIC ON TRIBAL PUPILS

As tribal development is a sub-division of rural development, the concerned authorities have to ensure that the tribal students are getting quality education for their wholesome and overall development. The State Government of Maharashtra has been contributing for the last 65 years towards the educational development of the tribal community. Proper functioning of the Residential Ashram Schools is one of the initiatives taken by the State Government for uplifting the standard of tribal education. Providing education along with food and accommodation free of cost, can be considered as a fundamental function of these schools. It has been concluded through many studies conducted in the past that, in spite of having a remarkable education system the tribal pupils are not able to cope up with the academic growth and during the Corona Pandemic this gap increased. During lockdown, it was found that the tribal pupils who were taking education in the ashram schools were detached from the educational environment due to lack of connectivity, network, and modern teaching-learning tools, whereas the students of other social communities were getting themselves educated through Online Learning Mode, which was not affordable by the tribal pupils since they stay in remote & dense forest areas in a scattered form and lot of poverty.

Almost every past study highlights the inefficiency of Residential Ashram Schools, but these schools are in fact, trying their best for the educational development of the tribal. It was observed during lockdown that when all other schools were online, only ashram schools were working offline taking so much of risk. Each teacher of the ashram schools used to visit a village where tribal communities live and whose kids study in the ashram schools, to conduct the academic interactive session with the pupils at their residential place. During these sessions, each teacher used to gather the enrolled students together from the respective village, make them sit in one place, and teach them the basic terms from the syllabus to keep the educational environment alive.

According to a study conducted by the researcher, it was found that when these teachers visited the villages to conduct academic interactive sessions they were not able to gather the enrolled students together. Many of the students did not turn up in the sessions due to financial & family priorities. It was observed during the study, that students started realizing the importance of family which was not happening earlier when they happened to stay at the ashram schools. Many of the students got attracted towards agricultural activities to support their poor parents. Few students started working on daily wages. Especially the girl students got engaged with the household activities and took over theresponsibilities of their younger siblings. Younger kids could spend time with their friends in the natural environment. All kids from the village used to go to the river for swimming and to the forest to play traditional games. They actually started enjoying life. During this crucial period, the parents and grandparents of these students started giving them knowledge about their culture and nature which they had received since

generation to generation. When teachers tried to approach these students they found that the students are avoiding them and it seemed that the students did not want to come again to the school.

According to the above observations, it can be stated that the lockdown could bring a satisfactory smile on the tribal pupils' faces which was missing in ashram schools. It seems that due to lockdown, students got an opportunity to experience all these things, of which they were deprived. As per the facts found, the researcher very honestly asserts that the lockdown has taught a lesson to the ashram schools that they need to transform. They need to think differently. Enrolling students and increasing the literacy rate should not be the only motive of the ashram schools. They should also produce satisfied, cultured, and mannered citizens of this country who will have the potential to take care of their families and society along with themselves. There is a scope for the ashram schools to create an environment where tribal pupils will get all these things along with quality education to get them into the mainstream with cultural conservation. In the current scenario ashram schools are really struggling to enroll students which may ease off when ashram schools will promote this kind of environment.

The researcher also accepts the ground reality that it is not very easy to change the environment of ashram schools overnight but he simply states that there is a scope for policymakers to think in this direction with further detailed study. It will be very helpful to get tribal pupils into the mainstream through a research-based educational revolutionary movement. After all, it has to be ensured that in the segment of educational development there should not be any immeasurable loss of the tribal livelihood and culture.

कीर्ती महाविद्यालयातील अनोख्या झाडांची ओळख

हिरवा प्रवास

डेक्कन एज्युकेशन सोसायटीच्या मुंबई कॅम्पसमध्ये अनेक देशी तसेच विदेशी वनस्पती आहेत. खूप दिवसांपासून मी या वनस्पतींबद्दल आपल्या महाविद्यालयीन मासिकासाठी लिहिण्याचा विचार करत होतो पण तरीही ते प्रत्यक्षात येत नव्हते. मी दरवर्षी या वनस्पतींची माहिती लिहिण्याचा विचार केला जेणेकरुन प्रत्येकाला या वनस्पतींची ओळख व्हावी, विशेषत: दुर्मिळ अशा काही वनस्पती. आशा आहे की तुम्ही या हिरव्यागार प्रवासाचा आनंद घ्याल.

कैलाशपती

वनस्पति नाव : **Couroupita guianensis**

स्थानिक नाव : **तोफगोळ्याचे झाड, कैलाशपती, नागलिंग, नाग-चंपा, Cannon ball tree**

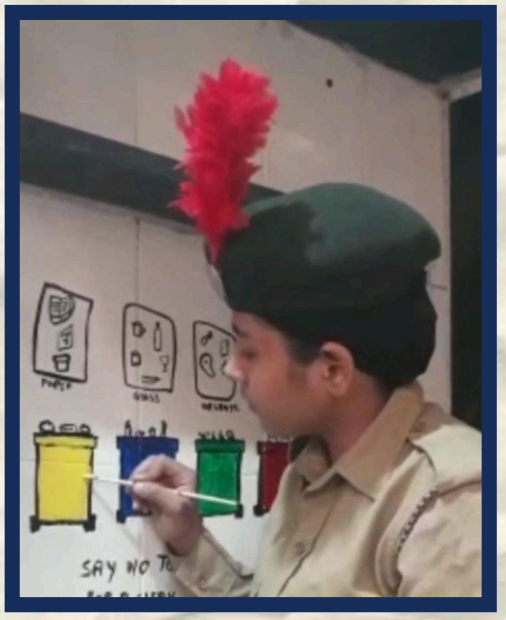

कुटुंब : **Lecythidiaceae**

आपल्या कॉलेजमधील ठिकाण : **लायब्ररीच्या मागे**

भारतातील दुर्मिळ फुलांच्या झाडांपैकी एक जे मोठे पानझडी झाडा आहे आणि 35 मीटर पर्यंत उंच आहे. या झाडाला पिवळ्या-लाल गुलाबी रंगाची आकर्षक फुले येतात, अतिशय जी सुवासिक असतात. फुले थेट खोडावर किंवा मुख्य फांदीवर येतात. एका झाडाला दररोज हजाराहून अधिक फुले येतातअसे नोंदवले जाते. फळे तोफगोळ्यासारखी मोठी असतातगंज रंगीत, त्यामुळे या झाडाला कॅनन बॉल ट्री असेही म्हणतात फळांना आतून पांढऱ्या लगद्यासह कडक कवच असते. हे झाड हिंदू आणि बौद्ध धर्मीयांसाठी पवित्र आहे कारण फुले सापाच्या फणासारखी असतात. आशियातील शिवमंदिरे आणि बौद्ध मठांमध्ये हे झाड सर्वाधिक लावले जाते. फुलाचा उपयोग त्वचेच्या समस्या, जखमा, मलेरिया, पोटदुखी आणि उच्च रक्तदाबावर उपचार करण्यासाठी केला जातो. हे नोंदवले गेले आहे. या वनस्पतीच्या दाहक-विरोधी क्रियाकलाप, अल्सर-विरोधी क्रियाकलाप आणि कर्करोग-विरोधी क्रियाकलापांवर असंख्य अहवाल आहेत. प्रत्येकाने लायब्ररी आपल्या मागील हे झाड नक्कीच पहावे.

Special Achievement of Students

Jyoti Patil and her twin sister **Aarti Patil** won several awards and honors at National and international level in swimming competition.

Mumbai twins setting pool on fire at Khelo India University Games

sportm@hindustantimes.com

Jyoti (left) and Aarti Patil after winning in the 200m breaststroke.

MUMBAI: Twins are usually each other's best friends – more so if they are identical. Mumbai's Jyoti and Aarti Patil too are inseparable—they hang out together, pull pranks on each other and even enjoy the same movies. The Mumbai University students are budding swimmers and practice together.

However, they turn into fierce rivals when competing in events.

The twins are setting the swimming pool on fire at the Khelo India University Games 2020 in Bhubaneswar.

On the opening day of the KIUG swimming events on Sunday, the Patil twins grabbed four medals between them, and even ended up together on the podium in the 200m breaststroke—Jyoti winning gold and Aarti the bronze. The duo have claimed seven medals in all thus far.

Jyoti has got a head-start over Aarti as far as Khelo India Games go. She participated in the second edition in Pune and won gold in 200m breaststroke and silver in the 100m.

The twins, TYBA students at Ramnarain Ruia College, were initiated into swimming even before they had started walking.

Their father, Bajirao Patil, a former national-level swimmer who once swam the Greek Seas for 13 hours at a stretch, had to give up his career and join Mumbai Police to support his family. Bajirao, currently posted as havildar at Nirmal Nagar Police Station in Bandra (E), thrusted the mantle on his twin daughters.

"I believe we were just one year then (when started swimming)," Jyoti told the KIUG official media partners. "At the age of four, we swam from the Gateway of India to Alibaug, setting a record for the fastest time by twins of that age in the process."

They have continued to make waves. Between them the twins have bagged over a hundred medals in district, state and national level events. "To tell you the truth, we have never been coached to aim for medals or to win races," says Aarti. "The idea is to put in your best every day and let success take care of itself."

After a dominant show so far, they will try to add more medals to the kitty, when they take to the pool at Bhubaneswar for the next event on Tuesday – the 4x medley relay.
